

## BELOVED LADY MASTER NADA'S DISCOURSE

CHICAGO, ILLINOIS

MAY 20, 1950

EVENING

PRECIOUS ONES OF BELOVED SAINT GERMAIN'S HEART, may I come close into your Hearts tonight, and may I ask you to feel with Me the Great Privilege to be One with Him Who is so Great in the Love that desires to purify mankind and set them free forever from the shadows. It is a very Great Privilege, My Dear Ones, to learn to use these Great Cosmic Laws of Life's Almighty Power — Power which the intellect can never comprehend until it becomes illumined by Our Ascended Master Consciousness which contains no thought or feeling within it but that which produces Perfection.

I trust I may be of Service to you all, and as you remember to keep charging and charging and charging these Great Cosmic Flames of Cosmic Christ Love into yourselves and around you in conditions that require more Light to transmute them into Perfection, I ask you to call this forth in the Power that affects the Nation. Try to call forth, even when you are working for individuals, yourselves or with individual conditions, DEMAND the Cosmic Christ Love of the Power which affects the Nation, because We need this Concentration quickly into some of your outer activities in order to prevent certain things.

There is the Great Presence Who governs your Nation. The Mighty Saint Germain is that Presence! Of course, there is a Group of Those Who work with Him — the Beloved Goddess of Liberty, the Goddess of Justice, Myself, the Archangel Michael, the Mighty Cyclopea and Those Who govern the Retreats within the Borders of the United States of America Who are the Guardian Presence for the Nation. Therefore, when there seems to be individual conditions that need adjusting by your Calls, call forth the Immortal Flame of the Cosmic Christ Love which guards your Nation and demand That Guard be intensified

hourly around all that is constructive within your Borders, and that you call It forth in and around especially those under This Radiation; but call forth the Immortal Flame of Cosmic Christ Love which has been already established to guard the Nation. If you will demand that It be made alive in Its Cosmic Action, within every human being within your Borders, We think We see the way of stemming the tide of certain destructive activities in groups of mankind who are not bent on your Freedom.

So We will appreciate greatly your Use of the Immortal Flame of Cosmic Christ Love which guards the Nation. Now that is a Flame drawn by the Beloved Saint Germain under the direction of the Mighty Cyclopea. There stands with the Beloved Cyclopea, Mighty Hercules, Beloved God Tabor, the Goddess of Justice, Beloved Lanto and Mighty Victory and, of course, Blessed David Lloyd and Those Who have had Their Ascension from within your Borders. They form a certain Group by Themselves Who are determined to guard the Freedom of your Nation, because They attained Their Freedom from this ground. Under the Action of the Cosmic Law, Their Own Life Streams hold a certain attunement and can release a certain Power into the Nation for the Greater Protection of that which is constructive.

That is true in every Nation. The Ten Thousand Children Who received Their Ascension from China are definitely concerned with the protection of China and so it is with every Nation in your World. Those Who have attained the Ascension from a certain Country always feel a certain Love and Attunement and a definite responsibility to guard as much as the Cosmic Law will permit all that is constructive within that Country. Therefore, those Who have had Their Ascension under This "I AM" Activity, under the New Dispensation, stand to help carry out your Calls and to render every Assistance to help in the cleansing of the Nation.

Since it is My Prerogative to assist your Mighty Saint Germain in a very tangible way, the more I can assist you, the more I can serve Him; and together, if you will call into outer action this Immortal Flame of Cosmic Christ Love to America —

the Great Flame that guards Her Destiny, that rules Her Borders; that guides Her people and that is home, I say the very Life within the Nation — then you can DEMAND THE HERCULEAN STRENGTH OF THAT FLAME TO NOW BLAZE THROUGH THE PEOPLE AND TO STIMULATE AND STIR INTO OUTER ACTION THE STRENGTH OF THEIR LOYALTY TO GOD, AND THE STRENGTH OF THEIR LOYALTY TO AMERICA'S FREEDOM AND TO THAT WHICH IS CONSTRUCTIVE WITHIN THE LAND; and this IS very much needed.

May you feel with Me tonight the great necessity for This, because certain forces within your Nation must die if the Nation is to live. And if I were you, I would certainly CALL FORTH THIS IMMORTAL FLAME OF COSMIC CHRIST LOVE AND HERCULEAN PROTECTION FOR THE RESOURCES OF YOUR NATION, AND IF YOU WILL TAKE THE AUTHORITY AND IN THE NAME AND VICTORY OF THE “MIGHTY I AM PRESENCE,” YOU FORBID THOSE RESOURCES BEING USED FOR ANYTHING EXCEPT THE FREEDOM AND PROTECTION OF YOUR NATION, then it shall make some things very difficult for certain individuals who are determined to wreck the Nation through spending. You have the Authority, My Loved Ones, so that in the Name and Victory of the “Mighty I AM Presence” of America's Freedom, you are the Authority within Her Borders to FORBID any more misuse or waste or destruction of Her resources — you have that Power. *(Applause — audience rising)*

While you are standing I will give these Words direct for this Decree, and while you are standing that Flame shall move into outer action and anchor into the structure of Earth. IN THE NAME, LOVE, WISDOM, POWER, AUTHORITY, VICTORY AND FREEDOM OF THE “MIGHTY I AM PRESENCE,” I CALL FORTH INTO OUTER PHYSICAL ACTION THE IMMORTAL FLAME OF COSMIC CHRIST LOVE, COSMIC CHRIST POWER AND HERCULEAN PROTECTION FOR THE FREEDOM OF THE UNITED STATES OF AMERICA AND ALL THAT IS CONSTRUCTIVE WITHIN HER BORDERS; ESPECIALLY THE USE OF HER RESOURCES, AND THE POWER OF HER

PEOPLE TO MOVE INTO OUTER ACTION AND HOLD IMMORTAL POSSESSION OF ALL WITHIN HER BORDERS; AND IN THAT NAME, LOVE, POWER AND AUTHORITY OF THE PEOPLE FROM THE “MIGHTY I AM PRESENCE, WHICH I AM,” I FORBID THE USE OF ANYTHING IN AMERICA FOR DESTRUCTIVE PURPOSES. Just send this forth and leave the results in Our Hands! It is an experiment, My Dear Ones, which I would like to try, and with the permission of Our Beloved Saint Germain, We will experiment with Its Release and see what can be accomplished. Something drastic must be done or something drastic will occur! (destructive) Won't you be seated please?

I ask you to make this Call in the Name of the “Mighty I AM Presence” and Its Cosmic Authority of Freedom to the people within America. See that you use the Authority of the people themselves to issue the Command which forbids the destructive use of either the resources of the Nation or the man power — the energy of your people for destructive purposes.

Try to remember this in your issuing of Decrees. When individuals seem to be doing wrong, when you ask for the removal of individuals from certain places of power, when they have forfeited the trust that the people have placed in them because of their misdeeds, then when you ask for the removal of the individuals out of office, demand the removal of the force — the forces that are in those offices also, because some of those forces of destruction belong to the individuals, but some of them are fastened to the offices by the depravity of individuals who have gone before through those offices. That is what I mean by demanding the removal of both the individuals and the forces in those offices, that would cause others to do wrong who might follow in their foot-steps and take the responsibility of government!

“I AM” definitely concerned about this, because it is one of My Channels of Service to the Nation and to the Incoming Civilizations. When an office has been held by several people, their feelings and aggregate of energy, which is the Power in that office, belong to the office, focused there by the will of the

people; therefore, when an individual will not do right and that one is taken out of the office, demand that the force of destruction in that office be compelled to be annihilated and Cosmic Christ Judgment into that force take its toll, as well as in the individual, because the accumulation of things in governmental channels is sometimes very vicious. This is also true in Courts of Law. An individual may be a Judge and may render a certain service or otherwise, and then if that one passed out, supposing the force had been destructive that was gathered in that office, then the one following, stepped into the pull, so to speak, of the energy that had been acting there and gathered, which was destructive, and the individual who stepped into that energy if he did not understand the Law or have powerful protection would go right on and begin to do the same destructive things also, even when the individual was not there to do it to begin with.

So when individuals who have done wrong are removed from office you who know this Law should demand that the force that had been gathered in that office that was destructive be compelled to be withdrawn, the Cosmic Blue Lightning of Cosmic Christ Judgment strike into that force, take Its toll, remove it from the Universe and — now comes the wonderful part — to replace it by the Immortal Flame of Cosmic Christ Love and Purity which guards the whole Nation! Draw an individual Flame there and anchor It with Eternal Authority to command all who follow there. In this way We hope to experiment with a certain Action of the Sacred Fire which will move into political channels and I trust will do away with a great deal of political filth.

Just remember that Gigantic Immortal Flame of Cosmic Christ Love and Purity and Freedom which governs the destiny of your people, and which stands above the Country. That Flame can be called into an office; can be called into a locality; can be called into an activity. It could be called into your transportation or your lines of communication. It can be called into the people themselves; and then it is directed by the Group of Individuals Who are the Guardians of the Nation. That is also

to some degree directed by the Higher Mental Bodies of those who are embodied within the Nation.

This is the only way We can get at the root of this trouble and remove the condition without using a very severe Cosmic Activity of the Blue Ray. Where a destructive force has been carried on for years within an office of the governing authority of the people, then My Dear Ones, somebody who understands This Law well enough to know how to make this Call, and if I – if I sense things correctly, and I usually do, at least I try to – I think We shall see some consternation in certain political channels; and certain political conditions will begin to crack apart. (*Applause – audience rising*) Thank you so much, Precious Ones, won't you be seated please?

This will have quite a similar effect, Dear Hearts, as the use of dynamite in shattering conditions in a mine or something of that sort, and if you should call This forth – the Power of the Cosmic Blue Ray of Immortal Purity and Cosmic Christ Power to the Nation to strike into those organizations and conditions and crack apart their focus of power, I think you will see some individuals at least have a change of Heart – I hope for the improvement of all. But you can just as easily draw forth these Activities of the Sacred Fire with the command to shatter a focus of feeling – crack it apart so it cannot culminate its plans – just as easily as you could throw dynamite into a hole and have it explode. Try to call This forth, because it is a certain Action of the Blue Ray and a great deal of It comes under the Direction of the Mighty Hercules and the Mighty Archangel Michael. I think the Mighty Archangel Michael will enjoy tremendously the opportunity if you give it to Him. (*Applause – audience rising*) Thank you, Precious Ones, won't you be seated and just remain seated?

There are those, My Dear Ones, Who assist the Mighty Archangel Michael in the Use of the Sword of Blue Flame and the Blue Lightning of Cosmic Christ Judgment Who will come at His Call to shatter certain vortices of destructive power within your government; and I think if you call forth to Him and to His Legions of the Sword of Blue Flame and Blue Lightning to

strike into every vortex in the government of this Nation and to shatter apart everything that would destroy the resources of the Nation or the Freedom of the people, it will give Him a certain opportunity that ought to come and come quickly! And in this way I think much perhaps can be accomplished from the Inner standpoint which will assist those who are trying to defend your Nation and give them Strength and Power and Encouragement to go forward.

If need be, call forth the Cosmic Christ Blue Flame in Its shattering activity to every destructive force within your government, within your Borders, and let Us see what We can do. I, too, wield a Sword of Blue Flame. You might not believe it, but I do; and It is really very effective. I have had a lot of practice and I get results always! I refuse anything else. I have never seen anything that wasn't afraid of My Sword of Blue Flame, and I have never used that Sword of Blue Flame that It did not better conditions. So the Beloved Archangel Michael and the Beloved Saint Germain have many, many Legions Who, I might say, are experts in training. They have trained a long while, and some of them are very proficient – very!

So call forth the Cosmic Christ Flame of Immortal Purity, or the Cosmic Christ Sword of Blue Flame to strike and strike and strike into every destructive vortex in your government, shatter it apart and COMPEL it to let go of your resources and the authority over your people. Demand It and We shall hope for some pleasant surprises, at least they would be pleasant for the constructive side. These are Mighty Forces, Precious Ones, which We are drawing to your attention, just as real as Reality can ever be, and when you Demand their Action in the Name and Freedom and Authority of the American people, and in the Name of God's Immortal Protection of your resources, I would say, ask those Cosmic Legions of the Sword of Blue Flame to strike into everything that wants to waste your resources or run your Nation into further debt!

Someone must issue this Decree, and if you will take the responsibility, We will move into action and try to stem the tide of that which is determined to pauperize the Nation and sell

you out wholesale to Russia. There isn't another motive back of those who are back of this regime. If I were you, I would also call that into every political machine, into every bit of political intrigue, all graft and everything that is the money control of your people; into everything that is of destructive legal action, and demand that be shattered, and That Immortal Flame of Cosmic Christ Authority take command and rule with Cosmic Power.

Demand your Victory! Demand your Protection and your Freedom from everything that wastes your resources! Demand the American people's Freedom from the filth they have been hypnotized into accepting, and We shall stand by to fulfill every Call as it goes forth, and may the momentum be increased suddenly enough and with great enough Power to bring about the surprise which must come.

Your Nation needs much guarding this hour! Regardless of what has happened so far that has been a revelation to the people of what is going on, yet I say to you, if you will issue these Decrees and shatter these things apart, then there will come a certain strength with the people themselves to go forward and BE the pressure that prevents any further misuse of your resources. Your resources are others than money. The resources of your Nation are the lives of those in the National Defense, are the Powers in business, the Powers in Government. Those resources must be either used constructively or taken out of the hands of those who won't use them right; and if you just DEMAND THAT NO WEAPON PROSPERS AGAINST THE PROTECTION AND FREEDOM OF THE NATION, AND YOU DEMAND WHATEVER POWERS OF THE BLUE RAY AND COSMIC SWORD OF BLUE FLAME ARE NECESSARY TO SHATTER APART EVERYTHING THAT PLANS DESTRUCTION AGAINST THE NATION OR THE PEOPLE, then those Decrees shall arise to Our Octave and there will be Those Who will as surely answer Them as that you give Them!

So let us feel tonight that your Call to the Guardian Presence of the Nation and the Great Immortal Flame of Cosmic Christ Love, Authority and Power compels the shattering of

everything that any longer wants to waste your resources or enslave the people for any reason whatsoever. That also includes the people's own destructive desires, for those are what enslave them.

So from tonight, try to feel it is your Authority speaking through the Life in the people with which you are One, that now becomes the Master Hand and calls into outer physical action those Powers of the Blue Flame and Cosmic Christ Sword of Blue Flame to shatter everything that imposes filth, limitation or distress upon your people, or that wastes anything within your Borders. Take your stand and Cosmic Christ Legions will come to your assistance and will soon, I trust, bring relief from this frightful debauch that is an insult to Life everywhere.

May the Power of Our Love guard you as you have never felt Its Presence before! May It strengthen you beyond anything you will ever need! May It offer you Its Boundless Supply and lead you forward in this Service to the Nation which permits these Legions to come to your assistance and prevent any further destruction of the Heart of the World. The "Heart of the World," which America is must be filled with Light, and as these Calls go forth and the Cosmic White Fire comes into your Nation, you will find those destructive individuals and forces in your government must be withdrawn one by one, until the structure of that which would wreck you is forever consumed.

May Our Cosmic Christ Love and Power and Authority in America now clothe you with Our Feeling and Our Power to go forth and render this Service, and you take the responsibility of forbidding the misuse of anything which God has placed here to fulfill the Divine Plan. Thank you, and may My Love stand an Armor about you while you render the Service through your Calls which permit Us to act and, I trust, correct conditions in the outer more rapidly.

Thank you with all My Love.
