### BELOVED CHANANDA – CD 162

“If you will understand that your Life is not your own, My Dear Ones, you will know why it is necessary to become this Flame of Love and use Its Powers while yet unascended to help correct conditions in the physical world that have become unbalanced. When you understand that it is the Great Central Sun that owns all the Life in the Universe, you will not feel yourself separate and feel that your Life is your own; you will feel that you belong to the Central Sun and the Great Central Sun belongs to you, and Its Love is Master.

“If you will realize and think of the Great Central Sun as the SUN behind all Suns, you will begin to get something of the concept of what I mean; just as the Sun abides – the Physical Sun ‘I AM’ speaking of now – abides above the clouds and occasionally Its Light Rays come through until the clouds are dissipated, just so does the Great Central Sun exist behind all Manifestation. So, when you begin to understand – comprehend, what that means to enter into that, knowing it is the Supreme Love of the whole Universe that will not create one atom of discord, not one vibration of discord, you will begin to comprehend what the Power of the Great Central Sun means to the people of this World; and the Cave of Light in India is a Concentration of that Love into this World and the Power of the Sacred Fire that can never hurt anything.

“So, as you go forward, Beloved Ones, try to feel closer to Us in the Cave of Light in India, and you will always find a Wave of Love coming back to you in response of every thought of Us that comes to your minds. When you think of Us, try to remember that your ‘I AM Presence’ has called to Us for the Radiation of Our Love to enfold you while It expands the Unfed Flame in your Heart a little farther!”
