

BELOVED LOTUS' HEART FLAME NOW GUARDS US!

(or: THE VIOLET FLAME HEART NOW GUARDS US!)

(Alternate line)

With Saint Germain's Full Power!  
Each instant of each hour!  
And Freedom here compels!  
As in It each one dwells!  
And evermore commands!  
And heals all through my hands!  
By God's Great Name "I AM"!  
In It we ever stand!  
All human It consumes!  
As we God's Plans resume!  
And keep our Way God-Clear!  
Forgiving all now here!  
With God's Own Greatest Love!  
Within, around, above!  
And through us here expands!  
Visible to all It stands!  
Till all see It in each place!  
Till all see the "I AM" face to face!  
Till all see Saint Germain face to face!  
Till all see Beloved Mama face to face!

CHANERA

(The above Poem was written by our Beloved Mama and was entitled "THE VIOLET FLAME HEART NOW GUARDS US!" On this Her Birthday, we have used the Alternate Line as shown above to send Her our Deepest Love and Gratitude!)
