

## OUR BELOVED MAMA'S INSTRUCTION

T has become necessary to again remind the Beloved "I AM" ASCENDED MASTER YOUTH of the Ascended Masters' Request for conduct and personal dress regulations. The following Words were given to the "I AM" ASCENDED MASTER YOUTH by our Beloved Mama at a Youth Breakfast.

"I want to touch on the subject of Discipline this morning. The Discipline which is the Way the Ascended Masters have attained Their Freedom, the Discipline They were willingly, lovingly and grateful to accept was just a natural, loving Gratitude and Adoration. It was not a hard dictatorial thing that was imposed upon Them to whip Them into line to get Them to a certain point. There was nothing of that in it.

"So what Requests are made by Them is the Demand of the Cosmic Law of Energy and Vibration. It is not anybody's personal idea! It has its action and reaction as surely as Cause and Effect exist in the Universe. Every moment you are accepting this Discipline — or you are not. You are dealing with your Life, the Life of the people around you, the Life of the Universe everywhere; and Life will hold you responsible by the events of Life about you.

"That is why we ask for certain Obedience to be given, especially if you desire to be in the cast of players for the Pageant of 'I AM' COME. This Pageant must be the Open Door through which Beloved Jesus can come to those under This Radiation or the outer world; we will have to accept that Discipline if we are to have His Power and Perfection.

“Each of you must decide within yourselves whether you want to do what the Discipline requires or whether you do not want to accept that responsibility. If you decide to do it, then decide with all you have with no resistance, no rebellion and no ingratitude.

“We are not going to be anybody’s spiritual policeman. We only give you the Example of the Purity and Obedience of the Ascended Masters. We are not going to drive anybody, but if we decide to do something which is the Fulfillment of an Ideal and make that real and manifest in the physical octave, then we are going to be so true to ourselves, our own ‘Beloved Mighty I AM Presence’ and the Ideal we want to bring forth that it is going to be a pleasure and a joy to do anything that is required!

“We want all of you to be free and honest, and don’t under any circumstance bring into This ‘I AM’ Activity any element of deceit. DON’T DO ANYTHING BEHIND OUR BACKS THAT YOU WOULD NOT DO IN FRONT OF BELOVED SAINT GERMAIN OR JESUS OR ANY OF THE GREAT ONES! Sometimes people go out and do wrong, but they do it aboveboard and that does not carry half the penalty that it does when done through deceit. To use the element of deceit might carry a far greater penalty than the mistake itself.

“Let us be fundamentally honest. If you want to go to the outer world and have your fling and suffer it out – then go and do the thing which burns that desire out of you, if you must; but don’t bring that into the Powerhouse of the Beloved Ascended Masters.

“That is the danger this hour. We have to be clothed in certain Powers from the Ascended Masters’ Octave to bring into this ‘I AM’ Activity what They know we need in the future for the Expansion of This Great Light.

“I might state that the Law does not lie. It is the Law of energy and vibration, the same as you have in radio, television and the telephone. I WANT EVERYBODY TO DECIDE WHAT THEY ARE GOING TO DO OF THEIR OWN FREE WILL. Don’t feel we are pressuring you, or anything of the kind. Just face yourself and do what you want to do. If you come into

this 'I AM' Activity with the wrong motives, the tragedy is inconceivable and you won't have anything but suffering.

"We are going to be honest, clean and the Fulfillment of the Law, or we are not. There cannot be two Masters in the house. EVERYBODY IS FREE TO DECIDE AS YOU PLEASE!

"I want to bring forth in the 'I AM' Student Body a group of people who are so honest, so pure and so sincere that they stand before the world so fine and so strong that the sinister force cannot break and cannot contaminate them. I want you to be so strong you cannot be tempted by anything in the outer world. You can have This as free as the air you breathe if you want It. If you do want It, we will ask the Beloved Ascended Masters to take you into Their Hearts and give you what no group of Young People has ever had.

"Here is an Ideal and I want to produce It. If somebody else wants to stand with Me, well and good. If you decide to, don't let anything in this world swing you off. Stand True to God, and God will be True to you! If you play with the senses of the human, you pay by years, centuries and lifetimes of tragedy, agony in mind and body from which you cannot escape until it is burned out of you by the Sacred Fire. 'I AM' offering you Permanent Happiness — the outer world offers you nothing but destruction. You must decide what you want, but you cannot use This 'I AM' Activity to bring disgrace to any other part of Life!

"Beloved Ones, upon you shines the Ascended Masters' 'LIGHT OF GOD THAT NEVER FAILS'! Call It into action to do anything and everything you require to not only BE your own Invincible Protection against all destructive habits, feelings, suggestions and forces, but CALL! CALL! CALL! the Cosmic Power of 'THE LIGHT OF GOD THAT NEVER FAILS' to protect all constructive Young People in America forever.

"Blessed Precious 'I AM' Young People, you are America's dearest Gift from God, and YOU ARE THE HOPE OF THE FUTURE OF OUR LAND!" I love you,

MRS. G. W. BALLARD

From now on, whenever you think of the two Conventions and the coming Election, will you visualize them taking place within the Great Pillar of Blue Flame and Blue Lightning, within which also blazes the Violet Consuming Flame.

Let us begin to call This forth, so that everything that takes place in those activities, is held within That Activity that burns out everything human. Whenever it is mentioned, let us just see and use these Two Activities, as they are gripped and held within That, and everything that is destructive is held bound, helpless and inactive.
