

OUR BELOVED MAMA'S INSTRUCTION

"I AM" the Mighty, Magic Circle of Protection about me which is Invincible and repels from me every discordant thought and element that seeks to find entrance or intrude itself. "I AM" the Perfection of my world and it is Self-Sustained.

If someone is coming to your home use this: "I AM" the Pure Radiance of Love enfolding these individuals and this garment enfolds them when they come and when they leave." When you are conscious of this, you clothe them and they will wear this garment into the home and out of it and for them it will be a sustaining power. Those who come into your home are deserving of assistance; and this will enable them to receive the full assistance they desire and you will love to give.

Constantly remind the outer consciousness that when you say "I AM," you have set into action all the attributes of the Godhead.

When you say "I AM" in any condition, it means that instant action is taking place there by the Greatest Power in the Universe. The moment you become conscious that "I AM" IS THE FULL ACTIVITY OF GOD, containing all the attributes of the Godhead, you do that moment have the Full Use of that Mighty Power.

Use often: "I AM" the Presence producing this master home."

If you want health in the body say: "I AM" the Presence charging this body with Pure Electronic Energy.

"I AM" the Ascension of this physical body right now.

Fill your world with the Presence which “I AM” and when you do this, feel you are doing it consciously.

“I AM” the Consuming Power and Presence of every bit of fear, doubt and questioning in my being, concerning this Invin-cible Activity of the “I AM.” Keep this up and you will always know instantly what to do. You can take this and use it and, thus, remove every obstruction to the “I AM” Activity.

Know that the “I AM Presence” consumes discord and requalifies it with Freedom and Perfection for the “I AM.”

Do not discuss discordant things any more than is necessary to correct them.

What you entertain in your consciousness will find action in your world.

“I AM” the Mighty Presence commanding the time — all the time I require for the realization and application of this Truth.

“Mighty I AM Presence”! see that I have time to do this and see that I do it in that time.

Many times a day say: “I AM” the only Intelligence and Presence acting!

Do not give recognition to anyone who is a tool for the sinister forces.

I do accept the Full Activity of my “Mighty I AM Presence.”

“I AM” the Mighty Presence and command the time, all the time I require for the realization and application of this Mighty Truth.
