

OUR BELOVED GEORGE WASHINGTON

OUR most Sacred Duty and highest privilege as American citizens and Defenders of the Rights of Free Men, is to remember our Divine Heritage as Guardians of the Light, for Light and Right are One!

The most wonderful opportunity in the world today, is to know this Mighty Law of the "I AM" and be privileged to use Its Power; to protect and expand all that is Right, all that is just, all that is honorable and all that made America a Nation of Freedom and Light to the World.

The Rights of Freedom for America and Her people are the Gifts of Light from the Life Streams of our Beloved George Washington and the other early Patriots who stood with Him.

Back of every Gift of Light which has ever been given to mankind there have always been the Great Divine Beings Who are the God Authority of the Universe everywhere throughout Creation. Unless Their God-Light, Their God-Protection, Their God-Love and Their God-Help had enfolded and worked through the early Patriots, there would be no Rights of Free Men anywhere on Earth today; because Freedom comes only from God and never from war nor the discord of mankind.

Therefore, the greatest honor on Earth is to stand with those Great God Beings, the "Mighty I AM Presence" and the Ascended Masters and keep on defending and expanding the Gifts They give, until all have accepted Their Light, Right, Honor and Justice.

Since our Beloved George Washington and the other early Patriots were the Outpouring of God's Light, Love and Freedom from our Blessed Saint Germain, Jesus, the Goddess of Liberty and Others of the Ascended Host Who are the Guardians of America, Her people and Her destiny — then the Principles which They established in the beginning are the permanent way by which America's Freedom is to be maintained.

Those God Principles of Right, Honor and Justice made Her the Nation of Light She became in less than one hundred

and fifty years. Those God Principles will keep Her a Nation of Light forever and it is the duty and responsibility of every straight thinking person to see they are maintained in action and full control forever!

This with our Love is the Greatest Tribute we can pay our Source of Life, the "Mighty I AM Presence," the Ascended Masters and Cosmic Beings and to George Washington's Gift of Himself to the Nation He loved and served unto the end.

This is the Greatest Tribute we can pay to our Beloved Messenger, Guy W. Ballard, Who as Washington come again, gave the Gift of Light from His "Mighty I AM Presence" until His Ascension. Now in that Ascended State, He still stands the Guardian of all that is of the Light in America, until Her Ascension into the Light also.

So let us live to guard, expand and bless forever all that made America great and to protect Her Light and Freedom with all we have for Eternity.
