

ON THE FRAGRANCE OF THE LILIES!

 n the fragrance of the lilies
Comes the Glorious Cosmic Light,
On the fragrance of the lilies
Are you lifted to the Height,
On the fragrance of the lilies
Is your Vict'ry evermore,
On the fragrance of the lilies
Saint Germain comes to your door.

On the fragrance of the lilies
Comes your Healing on Light's Wings,
On the fragrance of the lilies
In full Glory now It sings,
On the fragrance of the lilies
Comes the Music of the Spheres,
On the fragrance of the lilies
Comes Our Love to you, My Dears.

On the fragrance of the lilies
Comes your Healing all complete
On the fragrance of the lilies
Comes your Victory so sweet,
On the fragrance of the lilies
Comes your "Presence" Own full Love,
On the fragrance of the lilies
Shall you rise to Realms Above.

On the fragrance of the lilies
Comes your Freedom on Light's Wings,
On the fragrance of the lilies
Comes the Song your Angel sings,
On the fragrance of the lilies
Comes the Light, the Voice you hear,
On the fragrance of the lilies
Is your Victory, My Dear.
