The Magic Presence

“I AM” MY COSMIC CHRIST ASCENSION FLAME!

(Alternate Line)

hat rules forevermore,
Till all God here adore!
That holds me in Its Heart,
And never from me depart!

That holds Supreme Command,
That heals all through my hand!
That Victory here compels,
Now in It here I dwell!

With such Love as none have known,
That brings to me my own!
God's Freedom to all give,
So all like God may live!

That evermore expands,
Then all God understand!
That heals and heals and heals,
Till I all God reveal!

Consumes now every wrong,
Makes me forever strong!
Till all God's Law obey,
Forever here holds sway!

And all else cease to be,
Till all God's Self here see!
Reveals God's Flame "I AM,"
Till all God understand!

Protects all I hold Dear,
That keeps my way God-clear!
Now here and for all time,
That makes all here Divine!

(continued)

“I AM” MY COSMIC CHRIST ASCENSION FLAME!

(Alternate Line)

That makes all know God's Law,
And all to God here draw!
With Miracles of God's Light,
That makes all here do right!

Perfection's Flame now come,
My Victory here is won!
With Cosmic Light and Love,
The Ascension Flame Above!

My Ascension Flame I call,
God's Peace I give to all!
Great God, the Beloved “I AM,”
In God's Own Heart I stand!

And nothing else remain,
My Ascension I attain!
With Miracles all see,
All must Perfection be!

Tells me all God knows,
Its Flame now through me flows!
God's Protection here expand,
God speak Your Great Command!

Thy Self I do adore,
That rules forevermore!
“Great I AM Presence” come!
“I AM” with Thee All One!

BELOVED QUEEN OF LIGHT'S DISCOURSE

Through Mrs. G. W. Ballard

Chicago, Illinois

100% Group

August 9, 1945

BELOVED ONES OF THE LIGHT, I come tonight for a few moments to anchor within and around you and to clothe you with a Crystal Substance like dazzling white lightning. I wish you to accept It in Its Fullness, that It may bring you the Cosmic Purity for which you call, and keep you untouched by the many things of the outer world that are constantly in the atmosphere around you.

Please feel this Crystal Radiance pouring forth from this Substance like the most brilliant light you can imagine, shining upon very brilliant blue-white diamonds. I wish you to feel this Substance around you as surely as you feel the garments of your clothing. *Feel the atmosphere about you clothed in this Crystal-white Substance!* Qualify this as the most intense Cosmic Love, Wisdom and Power of the Cosmic Christ, reminding yourselves also that when you say, "*the Cosmic Christ*," you mean the Infinite "Mighty I AM Presence" everywhere present, from your Heart to the Heart of the Great Central Sun and filling all space in between.

Feel there is just that *one "Presence"* acting, Whose Blazing Substance of Crystal Light is so dazzling that destructive forces cannot look upon that Light. Know It is Perfect Balance of Love, Wisdom and Power cleansing and holding your being and world in the Divine Order of your Higher Mental Bodies as Life intends.

I wish to remind you tonight that you are and have always been the created Beings of Dazzling Light, and were never intended to be otherwise than Self-Luminous in your journey through this World; and unless you definitely visualize and call forth again this Luminosity in and around you, It cannot come into manifestation until you decree It and see It and feel It. Then will you *be It!* Then must the imperfections of the physical form dissolve from your Inner bodies.

Beloved Ones, there is one other point that I wish to remind

you of, that you do not forget to do occasionally — I should think once a week. Make your Calls for every destructive etheric record in your mind, body and world, your atmosphere and environment, to be completely annihilated — every destructive etheric record.

This is why I am reminding you to do this and how I wish to assist you. You see, those of you who might have had quite an accumulation of anger and irritation in the past, when your human creations have been cut away, dissolved and consumed, there still remains the scar, as it were, on the etheric body, where those accumulations have been in the past, and if you will CALL FOR THE ANNIHILATION OF ALL DESTRUCTIVE ETHERIC RECORDS IN AND AROUND YOU AND ALL THE SUBSTANCE AND ENERGY IN YOUR WORLD, it will prevent similar accumulations from others trying to anchor in and prod you, sometimes, into becoming irritated, when if you were left alone, you would not be.

Mankind does not understand what happens in the emotional body under strain and stress of anger or other destructive feelings. You know, when one becomes angry and that flash of red blazes forth in the emotional body, it is just like a volcano! It tears through the substance of that emotional body, and if there is much of that, you will always see on the individual's face blotches and blemishes and things like that, which are really just the outpicturing of the flare of irritation and anger.

Now then, many people try very sincerely to overcome these things and yet don't seem to make headway, and the reason for it is this which I have explained. People who have an accumulation of that sort, after working with the Violet Consuming Flame, or calling to Us for Assistance, and We take away the mass accumulation of that from the emotional body and the atmosphere about you, still the record of that is in your etheric body, and that stands there like a scar on your flesh; because if it did not, never again could you be touched by the discord in the world around you.

If you will clear out, as it were, through your Decrees, perhaps once a week in calling and insisting that all destructive etheric records be taken out of your etheric body and replaced by this Dazzling, Crystal-clear Substance of the Cosmic Light, I think

you will find yourselves moving forward with greater relaxation and ease. You will feel a forgiveness to others that you have never experienced before, because then when you come in contact with someone who becomes angry or irritated, you will not want to become like that. Rather will you stand like an Anchor of Light whose Radiation helps that blessed one to control the condition, or to consume its cause and effect. In this way you will be able to give very great help to those of the outer world among whom you move. Then will you become to Us a Sun in very great reality, a Sun of the Substance of the Cosmic Christ! That is your Divine Privilege! It becomes also for you the Armor of that Light-Substance about you, which this time is qualified with Eternal Perfection.

In the beginning, in those two first Golden Ages, each individual was surrounded by a soft White Substance with a Dazzling Radiance that was the Enfolding Protection from the Higher Mental Body. That was a natural atmosphere about every individual, but as more and more discord accumulated, that disappeared until mankind did not have that Radiance about them any longer. But this Crystal Light-Substance of which I am speaking tonight is the Crystal Substance of the Cosmic Christ, and that, anchored around you, becomes Perfection and Protection for you for Eternity. Nothing will ever requalify that!

So, if you will CALL TO HAVE THE DESTRUCTIVE ETHERIC RECORDS COMPLETELY CONSUMED AND REPLACED BY THE CRYSTAL-CLEAR SUBSTANCE OF THE COSMIC CHRIST, I am sure you will begin to feel Its Dazzling Radiance interpenetrate and coming within you, quite as well as extending around you for your protection. And in that you will find such a peace, such an ease, and such a sense of balance within your own feeling world, because right here in the middle of the body is a point, a *Point of Balance*, wherein this Crystal Christ begins to focus that which later on, with your continued Calls and recognition, will become like a Jewel of Light for you. It is a Balancing Point, and if you expand the Unfed Flame from your Heart to go forth and give Its Limitless Blessings, now mark you, of the Cosmic Christ, through yourselves to all about you, you will

begin to draw with this Conscious Recognition, a Focus of this Crystal Light-Substance, which later on can become a Jewel of Light for you.

When you begin to feel that Power within you, it will be as if the upper part of the body were sealed in a Dazzling Sun of that Light-Substance, and there comes within you the feeling of such majesty, such dignity, such power, and such perfect balance, as if you rested the whole weight of your body within that Focus of Cosmic Light-Substance of the Cosmic Christ. From that, My Loved Ones, if you continue to call It forth, can your "Presence" send forth, at your Conscious Command, the Light Rays of the Cosmic Christ to go forth and hold that same Peace and Blessing around your Loved Ones, or those to whom you wish to give assistance. Then will you feel always that whatever feeling goes out from you is a Ray of Crystal-white Substance which scintillates constantly with the Purity of the Cosmic Christ, and this will prevent anything of your own human feelings from going forth on those Rays of Light through which you wish to give assistance to others.

There are many Infinite, Wonderful, Beautiful, All-powerful Activities of the Dazzling Light which it is My Great Joy and Honor and Privilege in the Universe to direct to the Assistance of Life everywhere. I could reveal to you that which is within the Light, that is of such Beauty and such Power that It would hold your attention forever away from everything of the outer world that is not Beautiful or Pure. But until you come to a certain point wherein you can feel the Joy and Use of this Crystal Substance of the Cosmic Christ, We must not take you through too fast, because some of you are reaching with very great intensity to your "Presence" and to Us; and whatever Light We release for your Assistance must be, at all times, only the amount of pressure that you can absorb safely, and become *One* with It, and then strengthen yourself by It to expand the next wave.

Therefore, your Higher Mental Body and the Cosmic Law, as well as Ourselves, govern always the intensity of the Pressure of that Light, and never allow any intensity to come in and around you that you are not strong enough to manage, and by that I

mean hold the Conscious Control of It permanently for your use.

I wish you might see, as it were, these Inner Actions when you begin to call Them forth, because once you ever see with the real Inner Sight of the “Mighty I AM Presence” through the All-Seeing-Eye of God, once you see these Magnificent Activities within the Cosmic Light of the Cosmic Christ, Oh, Beloved Ones, you will know *that* is the Powerhouse of the Universe. It is right within your reach any time you love It and call It into action, and see and feel that Substance clearly.

This will have many wonderful effects upon your bodies. You will feel plenty of energy, never fear; please don’t allow yourselves to accept a sense of weakness or exhaustion when this stands ready to flood into you at your Conscious Call. Just stop a minute and make your Call, and be still so you can accept It. You can go on and on almost indefinitely if you will take time to receive It when you need It, before you come to the exhausted state where you do not think you can do anything except go to sleep for awhile.

This is the Cosmic Light-Substance, My Dear Ones, that is provided by Life as a Universal, Energizing Light-Substance that sustains the Activity of Life for those upon this Planet; and the Door is wide open at any moment to you to have all you can possibly draw in and around yourselves, the moment you give It recognition and acceptance and love.

You are moving in a Sea of this Universal Christ Light-Substance, or the Light-Substance of the Universal Christ, the Light-Substance of the Infinite “Mighty I AM Presence,” that is the Life existing within Infinite Space and in and around all the Planets and the Sun of your System of Worlds. I am enabled tonight to come and draw this Substance in and around you and explain this Action, where heretofore, until you began the recognition of the Cosmic Christ, the Substance that I drew in and around you was like soft snow. It was Light-Substance which I consciously drew from My Great Focus of Activity. But this is My Concentration of the Light-Substance of the Cosmic Christ, and therefore It becomes in and around you a Cosmic Action through which, as you gather the momentum, you will be able to render very great assistance to the mass of mankind through your Calls, that will

come very much more quickly than anything you have experienced thus far, outside of your recognition of the Sacred Fire of Cosmic Love Supreme.

The Activity of the Sacred Fire is very intense, and very intense in Its Action, but *the Light-Substance of the Cosmic Christ is that which you condense into whatever you might wish to precipitate*, if it is to remain permanently through the centuries, because this is a Condensation of the Crystal Light-Substance that is for Eternal Manifestation.

Were you to wear a Garment which We could precipitate and provide for each of you, were you to wear that sometime each day, you would feel as if you had been cut away, as it were, from the magnetic pull of the Earth, because the lightness in the body would seem so intense; not that It would cause you to levitate yet, but It would give you that feeling, because It shuts off all pressure of discord around you, and therefore lifts your own energy in your body and mental and feeling world into the more rapid Action of the Cosmic Christ.

This brings very great Illumination to the mind as you give It acceptance, because then from this Point of Light within you, there can arise that Radiance, Crystal-clear, and yet Brilliant as the Sun at noonday, pouring through the brain structure, dissolving and consuming your human concepts, and establishing order within the intellect.

This does not take the place of your Violet Consuming Flame, by any means. But when the Illumination of the Cosmic Christ begins to give you Its Blessings from *inside* of yourselves, then will you comprehend many things that heretofore you have heard the words, and yet the real Inner Meaning has never penetrated, has never released Its Blessings to you. But with this you will find there will come Illumination to the mind that will bring you great joy, and enable you to reach up to your own "Presence" and the Ascended Masters, and call forth the Greater Powers and Blessings of Life in so much greater action, and in Cosmic Power that makes you begin to feel that you are truly a Being of Dazzling Light in a world of chaos, and your purpose here is to draw this Light and still the chaos, to dissolve and consume the darkness,

and to blaze the Beauties and Perfection of the Cosmic Christ that are to bless all for Eternity.

Any time you still yourselves and turn your attention to that Point in the middle of your chest, on a line with your Heart, and you begin to pour your Love and your Blessings and the Healing Heart of the Cosmic Christ, or the Healing Heart of Helios' Cosmic Love, you will begin to immediately feel a stillness, and there will come such a sense of ease and relaxation and great joy; because, Dear Ones, you enter then into the Powerhouse of the Universe, for that is the Crystal-clear Substance that your "Mighty I AM Presence" and Higher Mental Body use and direct in Their Cosmic Activities of Creation in Cosmic Levels of Their Building Activities.

Whenever your "Mighty I AM Presence" and Higher Mental Body are busy creating at Cosmic Levels of Creation, that is the Crystal-clear Substance of the Cosmic Christ which is consciously commanded and drawn to produce Manifestations that are to remain forever. That is the Substance, My Dear Ones, out of which your Higher Mental Body is made. Each one's Higher Mental Body is composed of this Crystal-clear Substance of the Cosmic Christ. That is the reason for the statement which you have heard as, "the Christ, the only begotten Son of God," the Pure Christ Mind that gazes out here and sees what is wrong, but does not accept anything that is of human imperfection. It was only after Beloved Jesus had become aware of that, and had drawn It into His Body and purified Himself, that the Fullness of the Understanding of Himself as the Christ released all that He was to accomplish.

That is what the Great Divine Director radiated to Him. That is the Substance which any Ascended Master can radiate to you, or consciously call to surround you for your Protection or your Illumination — that Crystal Light-Substance of the Cosmic Christ. Now that, while It is the same in Perfection and Power as what the Master Himself would give you, yet that which the Master gives you of His Own Life Stream through His Love is the Stream that comes from the Great Central Sun. This which penetrates all space, while It comes from the Great Central Sun, yet It is the Universal Substance of Light, qualified with Cosmic Action which

no unascended being can ever change. You see, the Energy from your own "Presence" you have the power to requalify, but not so with the Crystal Substance of the Cosmic Christ. Not so with the Ascended Masters' Light-Substance, because that is Eternally sustained, ever-expanding Perfection.

So, as you make yourselves the Point or the Sacred "Cup" for Its Jewel to be formed within you, and you love It and invite It to come and build Its Blazing Sun around you, then truly, in reality, will you feel yourselves clothed with the Sun, and you will know yourselves as Beings of Light, no longer with these dense flesh bodies, but with bodies through whose flesh shines this Light in ever greater Radiance, until when you speak the Command of Cosmic Love, the Substance and the Flame rushes forth to produce the Perfection for which you call.

Mighty and wonderful are the provisions of Life through that "Mighty I AM Presence" to bring about these Manifestations that all act through the individual. They all come at your Conscious Command. Without your attention upon Them, without your love poured to Them, without your Conscious Call for Their release in and around you, They remain forever in the Octave of Light, until you awaken to Their use and are willing to be the Open Door for Their outpouring to the mass of mankind.

Only those who live for the upliftment of the World are ever given the use of this Crystal Light-Substance of the Cosmic Christ. They can prattle all they want to about the Christ Consciousness and the Cosmic Christ Consciousness, and they can theorize and intellectually have a lot of ideas, but until that Life Stream purifies the outer self and makes itself a "Cup" for this Cosmic Light-Substance to come in and be concentrated to the point where It eventually becomes a Jewel — It does not come to any of mankind except to those who are living for the Freedom of the whole World! And they must have the Conscious Knowledge of the "I AM" before the Understanding of that can be given into their use; then it remains with them how much attention they choose to pour to It, and how much intensity they wish to draw forth to produce Manifestations that are always to bless the whole of mankind.

Tonight, in this short visit, I wish you to feel and see this in and around yourselves, but don't discuss it! I ask the Student Body to take this Knowledge that is given with reverence, love, gratitude and devotion. Apply what is explained, and hold It a Sacred Trust within yourselves, and the Illumination of the Cosmic Christ will come within you and give you your Heart's Desires, and clothe you in Powers that the rest of mankind have not yet drawn into the outer. Through your Powers of that Cosmic Christ, will you be able to awaken those who are drawn to you.

Great is the Trust of Life. Great are Its Blessings and Gifts. Great is your opportunity, and great is the Power awaiting your release, but it must always be that of the Cosmic Christ, wherein Love and Wisdom together with Power fulfill and release the Divine Plan in action for all Eternity.

In the Mighty Love and Gratitude of My Heart tonight for your blessed Decrees, I could not resist coming and leaving this Explanation with you, and letting you *feel*, and I hope many may see this Crystal Light-Substance about you, and know that when you call for the Cosmic Christ, the Crystal Light of the Cosmic Christ, It will rush to your assistance, and none may be denied Its Blessings! Call It forth! Intensify Its Presence in and around you, and send It forth to give assistance and release to your fellowman, and you shall have all that you can possibly draw into outer action.

Feel Its Blazing Garment about you! Live in a Sun of Its Dazzling Presence! Send It forth on those Great Crystal Rays, and draw the Blessings of Cosmic Love Eternal to those dear ones in your National Defense, and to all who need assistance in their journey through this World.

Beloved of the Light, We love you and bless you tonight, because you are reaching this point wherein We can draw forth much greater Power of the Cosmic Christ, because you have called It forth consciously.

In My Eternal Love and Gratitude, I seal you tonight in the Mightiest Action of this Cosmic Christ that your Hearts can desire. Let Us expand It without limit, and flood It over the Earth to consume that which is still of the shadows. With all My Love and Eternal Gratitude, I bless you for this night. I thank you so much.

INFORMATION ON 100% ACTIVITIES

HE following information is taken from the Books of the Saint Germain Series, the Voice of the "I AM," and our Beloved Mama's files, and gives the explanation and purpose of the 100% "I AM" Study Groups.

"After Students have made sufficient Application, proven their loyalty to the Light, and express a desire to become a 100% Student, they can be given a 100% Pledge (*Application*) and asked to study it, until they are satisfied within themselves that they are ready to give up all outer world affiliations with other organizations, surrender their ALL to their own 'Beloved Mighty I AM Presence,' and live 100% loyal and obedient to the Requirements of the Pledge, remembering always, THE PLEDGE IS TO THEIR OWN 'GOD PRESENCE' AND NEVER TO ANY HUMAN BEING. After they have signed the Pledge (*Application*), they are entitled to a 100% Card and to attend the Groups, providing they comply with the Requirements and live the Life of a 100% Student thereafter.

"The Requirement for 100% Group attendance is: up-to-date Fundamental Card; one (1) regular Outline Group, besides the 100% Group which is also an Outline Group; and one or more Violet Flame Groups of not less than two hours each, weekly.

"The only exception to this is illness or absence from the city, which should be reported to the one in charge of the Sanctuary or Group. . . .

"Because of the need of the hour, we have made the Requirements of 100% Class attendance less strenuous, and there is nobody who cannot comply with them, if the Student makes

Application and desires to be obedient.

“There are special cases, where sincere ‘I AM’ Students live in the country or small cities where there are no ‘I AM’ Activities or 100% Groups. Many are wonderful, loyal Students who hold regular Group Activities, go through the Outline and give their Decrees in their own homes. Those who write us giving full particulars will be given Cards of admittance to Groups or the Large Classes of the Messenger. However, such cases should be referred to Mrs. G. W. Ballard (*Headquarters*) and no Group Leader should issue Cards to anybody but their own Group without written permission from the Messenger (*Headquarters*).”
(February 1949, *Voice of the “I AM”*)

BOARD OF DIRECTORS: Any “I AM” Student living within a one hundred mile radius of an “I AM” Temple or “I AM” Sanctuary should send their Fundamental records, when completed, to that Sponsor to receive their Cards. If the Student lives outside the one hundred mile radius, Cards can be received from Headquarters. After completing the nine lessons, send the completed report to Headquarters, and Cards will be issued.

BELOVED MAMA’S FILES: The “I AM” Sponsor must use his/her own discretion in issuing 100% Cards. Due to present world conditions, many Students do not wish to travel on public transportation at night, and are unable to meet the above required number of Classes.

“I say to all people in the future, think well before you make a contract with your own ‘Mighty I AM Presence’ to become a 100% Student, because it means you give your word that you will be obedient to all that is required of your Life Stream! If one wishes to become a 100% Student with a wrong motive, it will be an unhappy day for that individual.”

(Beloved Saint Germain, June 1943, *Voice of the “I AM”*)

“Beloved Ones, it will be My Privilege to either be present

each night when this Group meets, or send My direct Radiance into the room for the special Work which is being done, and for that special Work which I wish to do, with your permission, for each one of you who has had the courage to step forth and join this 100% Group . . . I offer to give you a special Service and Assistance in this Group because you have been willing to do as We have requested.” (Beloved Great Divine Director, Volume VI)

“As the 100% Groups are more and more prepared for it, who knows when some very delightful, beautiful thing will suddenly show you all the proof you want of that which the Messengers have so earnestly endeavored to convey to you?”
(Beloved Cha Ara, Volume VI)

“In your 100% Groups, I say this to you tonight, a Great Service is being rendered America and the World, but do you know that something else is being done for you individually? Just for a moment feel this deeply! We are trying in many ways to bring your 100% Groups to a certain achievement. This is why you were impelled to start them. We want to bring you to a point where We can show you the Manifestation of these Inner Powers, which will enlighten all tremendously who are prepared for it.” (Beloved Cha Ara, Volume VI)

“Your 100% Groups, My Dear Ones, are of far greater importance than you realize. They are like the Altar upon which the Sacred Fire is drawn, and if you have not Purity and Happiness and Cosmic Love in the Radiation of your 100% Groups, well then, you will not have much success in the Expansion of the other activities in your Sanctuaries and Reading Rooms.”
(Beloved Lord Maitreya, October 1976, *Voice of the “I AM”*)

“If you will call My Cosmic Flame of Cosmic Love into action in your 100% Groups, you will find them a Powerhouse of Magnificent Healing; and when there are those who call to you for assistance in your 100% Groups, who are interested in Healing, if they will call forth that Assistance, call forth My Cosmic Healing

Flame of Cosmic Love, that Fire Element can go there and be sustained . . .” (Beloved Lord Maitreya, October 1976, *Voice of the “I AM”*)

“There is a very great reason for your 100% Groups, and that is the feeling which you release there. I ask the individuals who are members of those 100% Groups, do you not have a different feeling within you in entering the 100% Groups, than you do in what is termed an ordinary Group? Do you not feel a more Sacred Power and Greater Firmness in your feelings than otherwise? . . .” (Beloved Great Divine Director, Volume VIII)

“. . . I shall tell you what your willingness has done. In entering into this special Service, the Great Ones from Venus, Who have been the Vanguard of the humanity of Earth so many hundreds of thousands of years, have accepted your Service.” (Beloved Great Divine Director, Volume VI)

“The 100% Group will give you the most amazing assistance to your Ascension, your Victory; but it cannot be done unless you purify yourself. Just because you come into the Understanding of the ‘I AM,’ do not think that you do not need to make Application, that you do not have to purify and correct yourself!” (Beloved God Tabor, Volume VII)

“No one should be a Group Leader unless he or she is a 100% Student!” (Beloved Saint Germain, April 1948, *Voice of the “I AM”*)

BELOVED MAMA’S FILES: Musicians playing in the “I AM” Sanctuaries should be 100% Students whenever possible. However, this is left up to the discretion of the “I AM” Sponsor.

THE 100% GROUPS

THE Beloved Great Divine Director and Saint Germain wish it made unmistakably clear to all "I AM" Students, that the 100% Groups are rendering a Service to the Light, America, and the World which only *they alone* can give.

The Work which the Great Host of Ascended Masters wish to accomplish through them, is of such a nature that certain Requirements must be fulfilled, if Their Assistance is to be given.

When specific work is to be done in definite channels, the amount of energy needed to accomplish that Work must be released through the Students in those Groups. When the energy is of a certain intensity, the minds and bodies of the Students who are to direct it, must be pure and strong to a definite degree, so the energy released will go forth uncontaminated enough to do the work for which it is called forth.

The Requirements listed must be fulfilled in the daily Life of the Students, and to everyone who desires to fulfill them, the "I AM Presence" will give Limitless Strength, Courage, and Power to accomplish it.

The signing of those Applications is to help the Student keep a check on his human self, strong enough to let the Work be done through him. It is all wholly voluntary at all times; but the Agreement is between the Student and his "Presence" . . . All must be done because the Student obeys his own Heart's Call to give this Service to America, and no one can do that for him.

It is the request of the Beloved Great Divine Director and Saint Germain, that if anyone is not intending to abide by those Requirements, please do not sign those Applications nor come into those Groups; because, remember, Precious Ones of the Light, in all this Activity you are dealing with the Law of Energy and Vibration, and they do not discriminate. They obey the direction and take on the quality within the individual.

No one can be blamed nor criticized for the action and existence of that Law. In the 100% Groups, Tremendous Streams

of Energy are released by the Ascended Ones to free all. No one should be blamed nor criticized because he is willing to discipline his human self enough, to enable this Mighty Service to the Light to be given.

The Application to sign for the 100% Groups is no pledge, oath, nor anything of the kind. It is simply a reminder to the individual of the Requirements needed to live up to the Highest Ideals. This is the shortest Way to the Goal of Freedom, and is but a Means of helping the individual to the Goal.

Therefore, we ask all, everywhere, to stop all criticism and discussion of the 100% Groups and of those who have been strong and unselfish enough to give the Service which they render.

We ask all to bless, bless, and bless the 100% Groups with all the love of their beings, so the Greatest Service possible may be rendered everyone on Earth through those Groups, so the most may be accomplished in the shortest time for the Freedom of America and the World now!

We ask all to do this deep, deep, deep in the feeling; and we decree that not even the air shall carry a breath nor wave of criticism against them, the Service they give, nor those who have chosen to give that Service. Everyone knows in his own Heart whether he is doing right or wrong. No one can give Obedience to the Great Law of Purity and Perfection for someone else!

Therefore, we call the "Beloved Mighty I AM Presence" of each one into action, to seize, bind, hold inactive, and remove all human qualities and creations within him, and replace them all by the Ascended Masters' Eternal Obedience to the Light of each one's own "Mighty I AM Presence" in the Heart, and hold Its Mighty Perfection within and about the outer self and its world, forever self-sustained!

"**I URGE** the Students everywhere, with **ALL** the Love at My Command, to **FORGET EVERYTHING ELSE YOU HAVE EVER STUDIED. STAND ONE HUNDRED PERCENT IN AND WITH YOUR 'MIGHTY I AM PRESENCE' AND THE 'I AM' DISCOURSES BY SAINT GERMAIN, and you WILL have such Freedom, such Joy, such Accomplishment, that will forever dissolve all doubt and fear from your consciousness. When such Great Freedom is at your door, just for your acceptance and Application, can you understand how great is Our Love and Desire to fully enable you to grasp those simple, majestic Laws, that you may have the same Freedom which We experience? However, THIS CAN ONLY COME THROUGH YOUR JOYFUL, WILLING ACCEPTANCE AND APPLICATION OF THIS TRUTH WHICH WE GIVE.**" Jesus.

Consequently, I have absolutely severed ALL connections with ALL Occult Orders, Spiritualism, and organizations that might divert my **attention** and possibly prevent me from **STANDING ONE HUNDRED PERCENT WITH MY OWN "MIGHTY I AM PRESENCE."**

I shall never again have anything to do with astrology, numerology, crystal-gazing, ouiji board, automatic writing, Tarot cards, mediums, psychic activities, nor any such things.

I **shall never** again use serums, narcotics, alcohol, meat — all flesh foods — tobacco, excess sugar, excess salt, and strong coffee. I shall not use garlic or onions, knowing the Ascended Masters will not come near if I do. I will use diligently the Remedy, the Violet Consuming Flame of Divine Love, for these things, to cleanse and purify my Temple.

I will refuse in the future to listen to any silly human gossip, criticism, condemnation and judgment of anything or about anybody. Instead, I **will** call the “Beloved Mighty I AM Presence” into action to produce Its Perfection everywhere I move and in everything I do, so that Great Marvels and Mighty Miracles **will** take place. I absolutely **refuse acceptance** of all human creation and limitation. I **SHALL** stand as if there were nothing else in the World and Universe but the “I AM Presence.” Great Divine Director.

I shall keep my FEELINGS harmonized, “no matter what the provocation!” Saint Germain.

I am aware that the Divine, creative sex force is to be used solely for providing a physical vehicle for a Brother seeking physical re-embodiment.

“I give **ALL POWER** to the ‘BELOVED MIGHTY I AM PRESENCE, WHICH I AM,’ and I refuse with determination acceptance to anything else, ever again.” “I forever withdraw all power I have ever given to outer things, and stand serene in Thy Majestic Presence, Love, Wisdom and Power.” “There is only ONE POWER that acts. Give IT full Freedom. Stand with IT and let IT act . . . There is no other Power to act.” Saint Germain.

I must call the Law of Forgiveness into action daily. “I AM the Law of Forgiveness and Forgetfulness of all human creation, and the Consuming Flame of all inharmonious action and human consciousness.”

I have read *Unveiled Mysteries*, *The Magic Presence* by Godfre Ray King, and *The “I AM” Discourses*, and will endeavor to apply diligently the Truths therein given.

I know that in the outer it is possible to deceive other Brothers, but NOT God, the “Mighty I AM Presence,” or the Ascended Masters, whom I earnestly and sincerely desire to serve. I know that the Mighty Master Within is my Certain Victory. My signature is my Decree that I **SHALL** abide by and **LIVE** Their regulations, and on this basis I desire to be a member of your 100% “I AM” Class.

(100% Applications are available from the Saint Germain Press, Inc.)

“I AM” THE ASCENSION IN THE LIGHT!

The Ascension into the Ascended Masters’ Octave of Life is the Manifestation of Perfection and the Preordained Divine Plan for every individual. It is the Goal of all physical embodiment, and is the only thing of any Real Importance in the Life of mankind.

Your own Ascension depends on the Expansion of your own Light, the Expansion of your own Heart’s Flame, the Expansion of your Love to Life which wants Life to be Free from the Distress of human shadows! It also depends on your Command for your Love to go forth and carry the Light which raises Life to Greater Freedom. This automatically becomes a Raising Power for you.

So, it is very important that you fill your world around you with the Fulfilled Desires and Manifestations of your own “Beloved Mighty I AM Presence,” of what It wants you to have! Then, ask It to manage your outer world, to come into you and manage you inside (which is the energy in your feeling world). Ask your “Mighty I AM Presence” to manage the feeling inside of you!

The Fiery Heart of God is the Master Authority of the Universe, and when you hold the Picture of Its Presence and demand Its Power in your beings and worlds for the worship of God, you will experience things which will lift you to the Heights of Freedom and make you Victorious!

“To gain the Ascension as I did, be consciously aware, sometime each day, of blessing everything in the physical world which has assisted you. Thank everything with the Love that frees you from all connection with anything in this World, except your ‘Beloved Mighty I AM Presence’ and the Ascended Host. Then you leave in the Feeling of that Wave of Love, the Blessing which one day will free it from all human qualities imposed upon anything!

“When you think of Me, try to feel Me Ascending, and as that Feeling saturates you, the energy around your physical bodies and the atmosphere about you, the more you can FEEL Me and FEEL that Love which was Mine at the moment of My Ascension. It saturates you and your world! In Its Natural Raising Action, one day It helps you to complete the journey of centuries through the distress of this World.

“Go forward and just BLESS everything with that Love that purifies and sets Free; until the giving of Freedom to others has automatically brought your own to you!” (Beloved David Lloyd)

“BELOVED MIGHTY I AM PRESENCE!” “I AM” ASCENDED! “I AM” ASCENDED! “I AM” ASCENDED! “I AM” ASCENDED IN THE STRENGTH OF MY “BELOVED MIGHTY I AM PRESENCE,” WHICH IS FOREVER UNCONQUERABLE, UNQUENCHABLE, UNALTERABLE IN ITS EVERLASTING PERFECTION, VICTORY AND MAJESTY EXPRESSED THROUGH THIS MIND AND BODY NOW, WHICH IS NO LONGER HUMAN BUT DIVINE! ALL EARTHLY ACTIVITY SHALL BOW BEFORE ME, BE SILENT AND OBEY ME FOREVER IN THE SERVICE OF THE LIGHT!

“ALMIGHTY I AM”! (3)

THOUSAND SUNS AND MIGHTY VICTORY'S VICTORY MANIFEST!

“ALMIGHTY I AM”! (3)

Precious Ones, watch your own feelings in using this Decree. Don't feel that you on the physical side do the annihilating, because you don't! You are not the force that does it; but when you give the acknowledgment in the use of the Great Creative Word, "I AM," and when you contact a destructive condition, you say, "In the Name, Love, Wisdom, Power and Authority of the 'Mighty I AM Presence' and the Ascended Masters, 'I AM' the annihilation of that condition," then you have given Us the Open Door; and it is Our Love, Our Wisdom, Our Power, Our Authority that handles the energy in the condition, because you have accepted its change and put Perfection in its place by your acknowledgment! (Beloved Daddy, Voice of the "I AM," July 1945, p. 20)

VIOLET FLAME CLASSES

Our Beloved Ascended Master Saint Germain has said that He would appreciate it greatly if every "I AM" TEMPLE or "I AM" SANCTUARY would increase their Violet Flame Classes.

It would be well if every "I AM" SANCTUARY would have Violet Flame Classes on Wednesday as well as Saturday; and wherever possible have Violet Flame Classes every morning from 7:00 - 8:00.

We want this added Power in every Group for Greater Protection, Supply and Victory for the "I AM" Students as well as the Nation.

Our Beloved Saint Germain's Words: "Consider yourselves part of My Legions of Eternal Purity in the use of the Violet Consuming Flame, and you will soon begin to feel a Majestic Power and Authority to command Purity and compel Its outer manifestation to hold Command through your Call forever.

"The keynote of the Violet Consuming Flame is Its Mercy, Its Forgiveness and the Purity of Its Eternal Love! It loves to produce Purity! It loves to Forgive and set you Free!

"LOVE IT AS YOU HAVE NEVER LOVED IT BEFORE! LOVE IT, AND THE MORE YOU LOVE THE VIOLET CONSUMING FLAME, THE MORE FREEDOM YOU WILL HAVE IN YOUR WORLDS, IN YOURSELVES, IN THE ATMOSPHERE ABOUT YOU AND IN YOUR AFFAIRS! For your Love to that Violet Consuming Flame draws the Power of the Great Central Sun Magnet to lift everything in your world into Its Eternal Perfection. NO DESIRE WILL REMAIN WITHIN YOU EXCEPT TO LOVE IT; AND IN YOUR LOVE TO IT, DOES IT GIVE YOU FREEDOM!"
