

*N LOVING GRATITUDE
to our Beloved Mama,
Mrs. G. W. Ballard, on
Her Birthday, June 25th.*

BELOVED MAMA'S LOTUS FLAME FROM THE
GREAT CENTRAL SUN!

(Alternate Line)

Blazes brighter and brighter and brighter through me!
It compels me Eternally Free!
It controls all I do every day!
It clears now my every pathway!

It floods Power no tongue can tell!
It rules all now and all is well!
It wraps 'round me Its marvelous Peace!
It has brought me complete release!

It heals all that I hold dear!
It compels God's Great Light now here!
It brings me all Secrets of Life!
It is my "I AM Presence" full Might!

"I AM" It in action and Love!
It makes me all Its Vict'ry above!
"I AM" the Cosmic Christ Pow'r I call!
It is compelling Perfection for all!

It protects all and guards and gives!
It purifies all that lives!
It heals all with Music and Flame!
"I AM" It in God's Mighty Name!
