

DISCOURSE BY BELOVED MESSENGER NO. 1

Through Mrs. G. W. Ballard

Shasta Springs, California

September 15, 1953

BELOVED ONES of the Mighty Saint Germain's Family of Love and Freedom to the Earth, it is with Great Joy again that We may spend a few moments with you, and draw to your assistance the Magnificent Powers from the Secret Love Star that are ceaselessly seeking an opening through individuals in this World, to render the Service that must sometime, someday be given, until that which has been of the shadows is forever consumed from the Universe.

I want to explain something about the Secret Love Star, that you may feel more powerfully Its Reality, Its Power and Authority, and Its Magnificent Blessing to the Earth. *It is a definite Star in space!* It is a definite thing in the Universe! It is a Concentration of those Magnificent Powers of the Great Love from the Great Central Sun, anchored upon that Star through Great Cosmic Beings who are the Directing Intelligence of all Activities There, and who constantly and consciously project and expand the Mighty Light Rays and the Sacred Fire of the Love from that Secret Love Star to the Earth and to other Planets of the System. You might speak of It as a Powerhouse, a substation, so to speak, from the Great Central Sun, located and definitely charged with Special Assistance to the Earth at this time of its Expansion of the Light and Activities of Life upon this World.

Since the entire Outpouring from the Secret Love Star carries to the Earth the Greater Activities of the Sacred Fire, intensifying everything that is the Perfect Action of that Great Love from the Great Central Sun, It must of necessity convey to mankind who will accept Its Radiance, the Greater Powers of Cosmic Activities that that Mighty Love directs to this Earth.

So when you begin to call forth the Powers from the Secret Love Star into outer physical use and manifestation, then there can come the Hand of God from the Great Central Sun to remold, as it were, the conditions of this World that must be changed and raised into Perfection.

Regardless of all mankind's creation, regardless of any of their denial of the Great "God Presence" of Life, regardless of all their crime and destruction, those who are caught in the shadows of their own selfishness and destructive activities are subject to the action and reaction of the Law of Energy. Therefore, that which imposes upon God's Magnificent Universe the discord of human creation must as surely face its end, as that discord is allowed to exist.

Therefore, in assisting the Earth to be free, in enfolding the Earth in all of the Power of the Light Rays and the Love from the Secret Love Star which has now taken place, you must realize that the hour is rapidly approaching when those destructive forces that have preyed upon mankind through the centuries must be leashed, must face their end. Individuals in this World who have taken the energy of Life, and the things and substance of this World, and concentrated them to destructive activities, must come face to face with an Action of the Cosmic Law and the Power of the Sacred Fire that shall stand as a wall between them and that which is of God. There isn't an individual on the Earth, regardless of what they say, who hasn't within his or her Life, the Feeling, the Awareness and the Truth of the existence of the Great "God Presence" of Life, Its Intelligence, Its All-Commanding, Creative, Directing Power, and Its Authority to control all in this World.

Since mankind's human selfishness is the result of stubbornness and determination to use the Great Energy of God, of God's Life, to produce that which is discordant, then there must come the time, sometime, somewhere, there must come the experience that forces that Life to understand that all discordant creation

is but of temporary existence. So the Power of the Secret Love Star is now enfolding the Earth and will intensify, hour by hour, until all the hordes of darkness and all their evil is forever consumed from this World.

When the Great God Intelligence of Life, the “Mighty I AM” in the Great Central Sun, and the Great Cosmic Beings who govern this System of Worlds concentrate Their Powers of the Sacred Fire upon the Earth, Their Intelligence, Their Love, and Their Command to Life in *combined* Action, mankind’s mass of human creation is no more than dust in the breeze. I want you to feel tonight, as you *call more and more of the Powers and the Miracles and the Manifestations from the Secret Love Star into physical conditions in the world about you*, will you feel a leavening power in yourselves and your world that will many times handle conditions ahead of you; and then your Decree to be free from struggle and problems and limitations and mistakes, you will find being fulfilled, in many wonderful Ways that you dreamed not of.

These Great Cosmic Actions of Life, My Dear Ones, are not subject to the insane nonsense of mankind’s destructive ignorance nor their human desire. Therefore, to those who understand that “Beloved Mighty I AM Presence,” who understand the Use of the Great Creative Word “I AM,” who know and use the Violet Consuming Flame in physical conditions, and know that thought, feeling, and the spoken word are the *only* Creative Activity in the Universe, do you think, My Dear Ones, if you are ready to let go of your mistakes, and are ready to give this Obedience, do you think for one moment, that We would not give you every Assistance possible to your Freedom — and quickly? When We have waited for centuries for this Knowledge to come forth, for some Group of mankind to open the way by Conscious Command and Use of their own authority of Life to produce these conditions in the physical world that drive like a wedge into the destructive forces to shatter them

from the Universe, do you think We are not ready to stand your guard and give you every Assistance to your Victory? (*applause—audience rising*) Thank you, Precious Ones, with all My Heart. Won't you be seated, please.

I am going to say to you tonight, as you were told recently about the Violet Consuming Flame, I shall tell you the same thing about the Power and the Powers and Manifestations from the Secret Love Star that you demand come into this physical world. It wouldn't make any difference how much you called forth, you could never have one result from that but Perfection and Harmony and Peace and Happiness and Good—and ever greater Good. You have but to use the Authority of your own Life, your “Beloved I AM Presence,” to command and to demand that the Sacred Fire, the Love, the Miracles and the Powers, and the Power of the Secret Love Star, manifest into all physical conditions, to open the way by which those who govern that Activity of the Secret Love Star will send into your physical world the Fulfillment of your Calls. After We have waited for centuries for some of mankind to awaken and do this thing, I tell you frankly, the flood that will come forth to assist you as *you demand the Secret Love Star's Presence come into all your physical conditions, into everything and everybody in the physical world about you*—as you command That, so will We do. (*applause*) Thank you, Precious Ones.

The Student Body has not quite realized the *importance* of the Secret Love Star, nor the Miracles, Manifestations, and Powers that you can have in your outer daily use by your demand for the Presence of the Secret Love Star to become now your World of Action, and enter into everybody and everything that you contact in the outer world. And I plead with you, Beloved Ones, *please, please, please don't let anybody on this Earth persuade you to ever put anybody or anything or any condition before your “Beloved I AM Presence”!* How are you going to be free if you are going to lean on something in this World?

My Dear Ones, just as sure as you lean on a human being and human channels, or a human appearance in this world, feeling that your security is there, must you be disappointed, because those outer channels of assistance have got to be pushed aside if you don't put your "Presence" first. They must fail you in order to drive you back to your "Presence" where you get your Eternal Freedom. There is no Eternal Freedom leaning on people of this World, nor the physical conditions or the appearance world. You must sometime, somewhere, stand absolutely alone with your "Presence," grateful and satisfied to just give yourself unconditionally into the care of your "Presence," that It may give you the Fullness of Itself; and It cannot do That as long as you divide your feeling of security with some channel of the outer world. It cannot be.

That is why I have come tonight to help make This clear to you, that if you will lean on your "Mighty I AM Presence," and draw on your "Mighty I AM Presence" as hard as you have pulled upon the people of this World—long, long, long ago would you have been Ascended. I know it is not easy to break habits of a lifetime, maybe hundreds and thousands of lifetimes you have done almost the same thing, else you would have been Free. So from tonight, if you will turn to your "Beloved I AM Presence"—and it matters not what has to be corrected in the outer—*stand with that "Presence" and say: "Beloved I AM Presence," with all the Flame of My Heart, I enfold You in my Love! Blaze through me the Fullness of Yourself into this physical body and into this physical world, and see that I give You unconditional Freedom to handle these things in the world about me in Your Way of Eternal Perfection!"* Then, My Dear Ones, you don't have to do over and over and over again the same things—until the ceaseless stream of problems will never let you alone. Until you come to this point, My Dear Ones, the problems in the outer world are continually saying to you: "I am the energy that you have not purified and given back to your 'Presence.' "

Problems are constantly pushing mankind back to the “Presence,” but they won’t let go until sometimes the suffering is so great that only in the very intensity of despair do they turn back to God and receive their Freedom. If mankind would only turn their Hearts’ Flame back to the “Presence,” and draw upon that “Presence” with the same feeling of security that they do upon the physical things they see in this World, Oh, the “Presence” would have given you *All* of Itself long ago, and raised you into Our Octave. So in everything We do to assist you, We shall point you back to your “Mighty I AM Presence” again and again and again, until you not only put It first once, but you keep It first forever!

The Mighty Saint Germain told the Beloved Messengers in the beginning: “*Love your ‘Presence’ and depend on your ‘Presence’ first! Don’t you dare put Us before your ‘Presence!’*” He wouldn’t allow it then and He won’t allow it now. If the Blessed Student Body want their Freedom, they have got to go back to the “Mighty I AM Presence” wholeheartedly, and remember that It has given you Its Life. Everything you have ever had down here of Life to use was given you by your “Presence,” and the Great Cosmic Law demands that you give It back to your “Presence.” Then having completed the circuit of the Energy, as It flows into the outer, and It blesses the world around you, and you raise It again to the “Presence,” every wave of Blessing is greater than the one before.

So Beloved Ones, when it comes to your *Final Step* to Freedom, it doesn’t have to be a struggle. It doesn’t have to be strenuous. It doesn’t have to be doubt and fear and uncertainty. If you have formed the habit of just placing that “Mighty I AM Presence” first in your Life, then having given It all, It will automatically set everything in your world into Divine Order, because the very outpouring of Its Love will purify, and supply, and bring all things into Divine Order as you love that “Presence” first, and give It first consideration, before anybody

or anything in this World. Then your world will be in Divine Relationship to everything else that is of Perfection; and Perfection floods to you without reservation, without obstruction, without delay, without limitation of any kind.

Oh please don't let people lean on you! Please don't do that thing. Precious Ones, all through the ages the mass of mankind has leaned on doctors and lawyers and teachers and everything that is of the physical world—everything except God—and they have had to be disappointed until they will come back completely to the “Presence.” Just as surely as you do that, not once, but always, before you do anything in the physical world, as surely as you place that “Presence” first, will the “Presence” reward you with more than you could ask for, more than you dream exists, more than you will ever need.

If you want your Boundless Supply of every good thing in this World, this shall have to come. I shall do everything I know how to bring to you the Miracles and the Love and the Understanding of the Secret Love Star, the Glorifying Presence of Its Sacred Fire, and Its Marvelous Blessings and Manifestations to the Earth. I will teach you Its Secrets, I will give you everything It contains *if you will place your “Blessed I AM Presence” first!* *What does that mean? That does not mean every time your problems become troublesome you say: “Oh ‘Mighty I AM Presence,’ why don’t You do this, or why don’t You do that!”* It does not mean that is just your Call. When I say: “Place your ‘Presence’ first before you do anything,” I mean, still the outer a moment and send the Flame of Love, Gratitude and Devotion, and Unconditional Surrender and Obedience to that “Mighty I AM Presence,” and make It know that you have stood the world aside until you have given It the best of yourself. Then ask It to come with you into the condition and perfect it, according to Its own Love, Wisdom, and Power, and Its own Divine Desires, or Its own Divine Plan fulfilled.

Oh, the day that you can get the feeling within you that

this outer self is not the doer, but that the Light from the Heart of your “Presence” inside of you is That which does everything harmoniously for you — the day you see that Light as the doer, the day you feel It, the day you remember It, the day you know It, from then on there will be no more problems in this World for you. It is but a habit of holding the Picture, and doing This *first* to the “Presence,” before you dash into the activities of the outer world. If you will only do This first, and then say, “*Now as we go into the handling of these physical conditions, I take Your Hand, and with You I cannot fail,*” the Love Star will bring you the Illumination of what Its Love can do in your affairs. It will bring you the Manifestations of the Perfection which It can and does bring into your outer conditions the Strength, the Energy, the Supply that ought to have been yours long ago.

I say to you, like the Violet Consuming Flame, no matter how much Power you call forth from the Secret Love Star, It can never produce a condition anywhere except Harmony and Happiness and Perfection and the Blessings that Love alone can bestow. The Powers of the Secret Love Star can never harm anybody. Isn’t that wonderful? (*applause*) Thank you, Precious Ones.

Now why do you suppose I am stressing This tonight? Because — this may be a peculiar way of saying it — *but you cannot ride to Heaven on somebody else’s back. The Law won’t let you.* Therefore, if you lean on human beings, if you lean on physical things and conditions in this World, one day they must fail you, until there is nothing left for you to lean on except your “Beloved I AM Presence.” But you don’t have to go through that disappointment — you can say to everything in the physical world: “*Oh, ‘Mighty I AM Presence’ and all in the Secret Love Star, bless everything in the outer world that has helped me, and now, let me go back to You in unconditional Possession of you, my Presence!*” I want to be possessed by You,

my 'Presence,' so completely that I don't feel secure anywhere except within the Glorifying Flame of Your Heart!" Then when you turn to It, the "Presence" is with you closer than you dream.

I trust I may bring you your Freedom tonight in recognizing that all you want from the Secret Love Star, if you will charge It into the physical conditions of the outer world, It will so provide you with the Harmony that you require, that It will enable you to give your "Presence" the unconditional Freedom through the outer self that makes you Master over everything in this World.

Oh, in all Eternity, you could never give that "Blessed I AM Presence" enough Love and Devotion or Gratitude for the Life and the existence It has given you. I tell you, Love and Gratitude to that "Presence" will open the Floodgates to such Supply as will astonish you. Your call for the Blessings of the Secret Love Star to flood into all physical conditions the Perfection that ought to have been here centuries ago, will automatically perfect your world with such Blessings, that They will flood to you scarcely before you know it; and you will have come to the end of your pathway of struggle; and you will step forward onto the Pathway of Light, where stumbling and uncertainty are never known—never!

Sometimes when individuals of the outer world insist on drawing power around themselves, they very often repel everything they want; but you may draw all the Power of all the Violet Flame in the Universe around you for Eternity, and it could never create a discord for you. You could draw all the Power and the Things of the Secret Love Star forever in and around you, and you could never produce a condition that would not bring Happiness to all; and that's more than you can say of the conditions of the outer world. They may bring you happiness one day, and the next day problems that you never dreamed exist. Be very careful when you try to solve problems.

If you try to solve them the human way, you may get rid of one, and in getting rid of that may draw a dozen in its place; and that isn't the way the "Presence" treats you. That is not the way the Love Star sends your Blessings to Life.

When your "Presence" comes in and dissolves a problem, It does not leave you a dozen in its place. It leaves you the Love of Itself in which problems cannot exist, and that is Wisdom. Then you may have the Love, the Wisdom, and the Power without limit of the Heart Flame of your "Mighty I AM Presence," of the Violet Consuming Flame, of the Secret Love Star, and from every Manifestation of the Ascended Masters' Octave; and you will never know a breath of unhappiness ever again. You but let go of the temporary manifestation for the Eternal Perfection and Happiness that never comes from anywhere but that "Blessed I AM Presence" and the Ascended Host, and from these Great Manifestations in the Universe that have been the Handiwork of Love, that have been created by Love alone, that exist and are sustained by Love, and forever obey the Law of Love, and give and give and give to the Universe, as Love alone knows how.

It is a long time since I have spoken to you, and I trust it will not be so long again. (*applause*) Thank you, Precious Ones. Now I ask you one more thing, and then I will leave you for a time. Sometimes the outer self forgets to use this Master Presence and Power of the Universe of this Great Miracle Love of Life. The outer self forgets, forgets, forgets the Hand and the Giver, and the Source of Love of Life to all. Just suppose that it were possible for the "Mighty I AM Presence" and the Ascended Host and these Cosmic Beings to forget to send Their Love to the Earth. What do you think would happen here? What do you think would be the condition of the World if Love were withdrawn? Then do you not think that We are necessary? Do you not think this Knowledge of the "I AM Presence" is necessary, and more important than all these physical demands

of the outer physical activities of mankind? We do! We are quite certain that Our Love is very important to the Life of this World; and if you will realize that and remember it often, and place It first, your problems are through from tonight. Your limitations will disappear as mist before the morning sun; and with the Heart Flame of your own Love facing the Glorifying Presence of the “Mighty I AM,” you will move forward clothed in Its Everlasting, Glorifying Freedom and Victory, and Love will have claimed Its own back to where It belongs.

You cannot get out of the distress of this World except you place that love to your “I AM Presence” first, and you draw Its Love everywhere into conditions of the physical world. *There is no Freedom without that Love!* There is no Perfection; there is no way to your Ascension; there is no way out of your problems; there is no way out of distress, except by that Love that alone contains Eternal Perfection. Know the old Statement, the First Commandment: *Thou shalt have no other gods before Me!* And then That so often followed by this statement: *On this Law hangs all—on this Commandment hangs all the law and the prophets!* The whole Law of the Universe is—*Thou shalt have no other gods before Me!* Anything to which you give your Life is your god for the present.

So if you will only place the demands of the outer self—whether they be mind, body, or affairs—aside for just one fraction of a second that it takes to send the Flame of Love from your Heart, with all the devotion you can command, and enfold your “Blessed I AM Presence” for a moment in that Love, and offer yourself into Its possession and then say: *“With Your Hand I go into this condition, and compel Perfection to fulfill the Divine Plan,”* you would find everything in the physical world coming into Divine Order that does fulfill the Law and keep you happy forever. It only takes a fraction of a second to send your love to your “Presence” and ask It to possess you. Then when you enter into a condition, say to that “Blessed I AM Presence”:

“Possess me completely! Don’t let anything go wrong! Compel Your Perfection here and let me know only Your Command to Life! See I give the Obedience!” Then My Dear Ones, you have an infallible means of knowing the right thing to do, and you have asked your “Presence” to shut out and prevent what is wrong, and you cannot make a mistake any longer if you will go forward in this Way.

The Blessed Student Body has not quite realized what happens when you say: “I have a feeling to do this, and a feeling to do that!” Of course you have that feeling. You have had many feelings since you left the Great Central Sun that did not give you what you ought to have. Your feeling world is a very uncertain thing unless you surrender all the energy of that feeling to the fullest possession and control of that “Mighty I AM Presence,” and ask It to prevent anything that is not Its Perfection from touching your being. Then your “Presence” will direct you unerringly. It will control conditions around you, and bring you the Victory and Perfection your Hearts desire.

It is not that you meant to do anything wrong, but this thing has again tried to sweep in, and tried to throw people into a habit that they do not understand what it does to them until after the momentum is built. And I shall stand your guard and call the Flame from the Secret Love Star in and around you, until you *do* remember to put that “Presence” first. (*applause—audience rising*) Thank you, Precious Ones.

Now while you are standing for just a moment, feel yourselves enfolded in the Heart Flame from your “Blessed I AM Presence” and Higher Mental Body, as if you stood clothed in the Blazing White Fire Presence of your Higher Mental Bodies, enfolded in the Sphere of Colors as is shown around the Upper Figure in the Chart, and in the Sphere of Its own Blazing Presence and Eternal Command. As you hold the Picture it will enable your Higher Mental Body to clothe you in Its Luminous Presence, release to you the direction of what will produce

Perfection in the outer world; but it will close out the turmoil and uncertainty of the feeling world in the atmosphere about you or any disturbance that you might have felt in your own feelings, maybe a few moments before.

Now your “Presence” is infallible. It cannot make a mistake; and if you ask It to possess you and not let you make a mistake, It will not let you do things you shouldn’t. It is the only Infallible Source of Information for you and Direction for you. Your feeling world, My Dear Ones, may remain harmonious for a few hours, but if somebody crosses you, and you feel irritated and you have to work on yourself, and a few moments later you say: “I feel so and so,” what proof have you that you are not feeling your own feelings, your own disturbance instead of your “Presence”? Your “Presence” cannot accept or let occur anything wrong, while your feeling world can record anything and everything, and usually does, if you don’t keep it out. You might keep it out, but if you let it in a fraction of a second, it will throw a cloud over the “Presence” and you have no proof your feelings are infallible. When they are correct, thank the “Blessed Presence” It got through; and if they are not correct, ask It to come through and stay through.

“I AM” trying to guard you against something that will build into disaster if it is not corrected. So I have come with My Love from the Secret Love Star to offer you Its Presence, Its Glorifying Power — Its Purifying Power — to hold about you Its Miracles, Its Love, and Its Power, that you may at all times remember to come back to your “Presence” first, and then with the Hand of your “Presence,” go into a condition and compel Perfection where problems heretofore have tried to limit you. Then you will find the “Presence” will give you Boundless Supply, and that Supply will be protected, and you have That which will only bless you and bless all.

So in calling forth the Use of the Powers from the Secret

Love Star, I trust you will experiment with drawing Them into all of your affairs, until they prove Themselves, and remind you of My Calls tonight, until the Freedom of the future is yours, always in that Activity of the Secret Love Star that keeps you and your “Presence” enfolded in your own Heart’s Love, until never again can human creation or problems touch you or your world, ever in all Eternity.

I clothe you in My Own Heart’s Flame that shall ever remind you to go back and give your Love to your “Presence” first, and then all things will exist to bless you and take you forward until you give that same Blessing to all the Universe around you. May you go forward tonight, clothed in Its Victory, Its Freedom, Its Love, and Its Miracles, until those Powers from the Secret Love Star have taken the place of every problem, every limitation, everything in the physical world that is not Perfection and Happiness and Freedom for you, unto the Fullness of your Ascension. May Its Glorifying Love make you forever the Victory of Its Power here!

Thank you so much. Won’t you be seated.

Happy Birthday, Beloved Godfre

“He is Magnificent, All-Powerful, and blazing with the Power of the Cosmic Light which He is directing to bless all; and He is responding to our Calls constantly.”

“He is giving every Assistance possible to help all under this Radiation to give the Obedience Life requires, to set all free and to help cleanse America of all within Her borders that is destructive.”
