

hour and opportunity to raise you into Our Octave in the great, Loving, Original Divine Way that the Cosmic Law intended and your “Mighty I AM Presence” desired. As you go forward, live in constant Communion with the Angel of the “Presence” and the Ascension Angels. Send Them your love, and ask Their Assistance and Protection to you in the Final Accomplishment of the Divine Way of Eternity—of coming from your World into Ours.

I commend you to the Joy which that will always bring, and the Magnificent Love and Power from the Hearts of those Beings who give and give and give, from sheer Joy alone. May you enter in and realize the Fullness of that Assistance which awaits you to your Final Victory. May My Legions ever attend you and forever, forever, and forever stand your Guard, and bring you the Victory of Their Love unto your Ascension. Thank you and good night.

BELOVED ARCHANGEL MICHAEL

Chicago, Illinois — March 30, 1946

Mrs. Ballard gives these excerpts:

He told us to make the Call for the destructive use of the free will of every individual who manifested viciousness to be set aside—to call for every disturbance that touched our world to be turned upside down, and demand that it yield us a Miracle of Perfection. This reverses the flow of negative energy and leashes the human creation, and allows the Light to come in.

Archangel Michael asked us to recognize His Colleagues, the other six Archangels, the Great Angelic Host and Legions of the Cosmic Christ. The use of the word “Christ” is terrifying to the sinister force. Like Mighty Astrea, Archangel Michael said that His Presence compels obedience from the sinister force.

The Great Divine Director, the Mighty Cosmos and His Two Secret Rays, Mighty Astrea, as well as Others, are Governors

of the Life Streams on this Planet. He told us that we must keep our attention on our "Presence" and the Ascended Host in order to keep the door open for Them to give Their Protection and Their Assistance to us. If we allow the outer world to hold our attention, then that closes the door to Them. He said that the Angelic Host has not been recognized by the mass of mankind, but mankind must be taught of Their Existence and the Great Service They constantly render. There are countless Legions of Them of every quality, and They are the Guardians of Power and Substance until manifestation takes place. They are Beings of such Beauty and such Love as the mankind of this Earth cannot imagine.

Note: Beloved Ones, as this coming Thanksgiving Class is dedicated to the Great Angelic Host, and Los Angeles is the "City of the Angels," may we focus our attention on the Angels and send Them our deepest Love and Gratitude for all They wish to do for us and through the coming Class.

IN THE NAME, LOVE, WISDOM, POWER AND AUTHORITY OF MY "BELOVED MIGHTY I AM PRESENCE"!

I DEMAND AND I COMMAND that Los Angeles becomes flooded with the Presence of the Angelic Host; and all mankind is compelled to see Them face to face; all human veils are consumed, and the Victory from God's Heart claims the people into Saint Germain's Freedom. His Purity and the Work of the Beloved Master Jesus as the Prince of Peace shall govern the Earth with His Flame of Eternal Peace. And under the Direction of the Mighty Elohim of Peace, may the Earth be possessed forever into the Heart of Its Eternal Flame.
