

Adoration to the Angels!

*(In preparation for the coming Thanksgiving Class
in the "City of the Angels," Los Angeles, California)*

"We want to increase healing to the people; and the Healing Angels must be given recognition! The Call must go forth from you before the Cosmic Law will permit Us to release the Greater Power which will heal the minds and bodies of the people more quickly."

"There are those Legions of the Angelic Host whose Special Service to Life is to guard all that is constructive for individuals whenever the way is kept open." *(Looseleaf, page 1605)*

"There are always Limitless Legions of the Angels who can be called into action to protect the children, the incoming children, and those who are already in physical embodiment. THE GUARDING ANGEL IS A VERY REAL BEING!"
(Beloved Mary, "Voice of the I AM,"® December 1944)

"The Great Law of Life, in Its Infinite Love and Eternal Perfection provides an Angel of the "Presence" to accompany you through every embodiment that you come into, from the time you leave the Great Central Sun until your Ascension is complete."
(Beloved Godfre, CD 683)
