Senior Conclave

Beloved Ones of the Sacred Fire, as We enter into the Use of greater Power from the Great Central Sun into the physical conditions of this world, you must become more aware of certain Authority that Our Love is to the Earth, and certain Activities of the Sacred Fire that focus Our Love into physical conditions in and around yourselves. As you insist on the “Mightiest Power in the Universe,” which is from the Great Central Sun as you know It, to bring the Victory of Its Love into all Life wherever you abide, and *demand that the Cosmic Will of the “Mighty I AM Presence” in the Great Central Sun be the only Law in control of the conditions in the world around you*, in acknowledging the Will of the “Mighty I AM Presence” in the Great Central Sun as the Law of your world, you automatically draw more of the Power of Eternal Love from that Great Central Sun into yourselves and into the conditions around you. And since Power is what you need—to stand guard over that which is of God—then the Will and the Authority and the Power of the “Mighty I AM Presence” in the Great Central Sun must be consciously used, released, and demanded to come into physical conditions and control them according to the Plan of the “Mighty I AM Presence” in the Great Central Sun.

Mankind, through the accumulation of selfishness during

the ages past, has so condensed the energy of human desire and selfishness in the misuse of the Great Powers of Life, that conditions of selfishness have become solidified, so to speak, into outer world conditions, and in order to shatter them, you have to have more Power from the Great Central Sun into this world. It is the Authority for this whole System, and the Great Beings who answer your Calls are Those who concentrate that Power into physical conditions. Therefore, in your demanding that by the Will, through the Authority, and by the Power of the Sacred Fire from the Great Central Sun, *you demand the Law of Love take possession of Its Own in all physical conditions*, you will find that the Law of Love—which is the Higher Mental Body of each Life Stream—will come forward in Its Sacred Fire Presence and do many things that will assist you to hold your own against the destructive forces of the world.

Now then, with conscious recognition of the *Will*, the *Authority*, and the *Power* of the “Mighty I AM Presence” in the Great Central Sun, and your demand for the descent of Its Miracle Sacred Love and Fire into that which is destructive, there comes into action in the physical substance of this world the Purifying Activity of the Sacred Fire to continue Its Purification until the balance is reestablished in outer world activities that heretofore have seemed so terribly unjust. In using these three Powers from the Great Central Sun—I mean the *Will*, the *Authority*, and the *Power*—It is part of the Activity of the Goddess of Justice that must come into possession and control of outer physical conditions by the DEMAND of unascended beings who have been moving in the activities of human creation that have thrown things out of balance.

Now, My Service to the Earth, in the capacity in which I am speaking tonight, is to awaken the Desire within those who are reaching to the Light to use this Power from the Great Central

Sun—with understanding the Full Awareness of the Will and the Authority of the “Mighty I AM Presence,” first of yourselves, and then of the Physical Sun, and then of the Great Central Sun—and *COMPEL the descent of Power, the Power of that Miracle Love, with such force that It compels the awakening in mankind of that consciousness which must be aware that the destructive forces are no longer master!*

As you are determined to call the Power of the Great Central Sun into everything in this world that seems to be the power of evil, well then, since there is no evil in the Great Central Sun, you have the Descent and the Release of those Activities of Life which are Master, not only in this world, but in all worlds that encircle the Great Central Sun. I would be grateful and delighted if you would call, as much as you can be aware of It in the outer, *for the Power of the Great Central Sun to come into every destructive condition and make everything that lives understand it must bow to the Will of That which is constructive—therefore, the Will of Love, which is the only Authority in the Great Central Sun.* You can make It the only Authority in this world as you DEMAND Its Power in physical action in this world.

I am speaking with Dynamic Force tonight and charging This into outer world conditions that surround you. Dear Ones, when you are willing, as you have been through your Decrees—the love and kindness you have poured forth—to enter into a closer awareness of your “Presence,” then there comes always to assist you Greater Release of the Activities of the Cosmic Law and the Beings who direct Its Action to the Earth to more quickly set you free, and more quickly help you accomplish what needs to be done in the outer world wherever you abide. I want you to feel that since My Responsibility is to focus this Power of the Authority from the Great Central Sun, and COMPEL the Sacred Fire of Its Love into physical conditions wherever you call It forth,

then I would like to have you more often aware of My Presence; and if you will try to remember My Presence, I will try to remind you of Myself. (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated please, and please remain so.

I am going to give you a very short Decree, just an Instantaneous Call, but one which I am sure you can easily remember. In the midst sometimes of your outer conditions, you just turn your Heart's Flame of Love to your "Presence" and the Great Central Sun and say:

"Beloved Mighty I AM Presence" and the "I AM Presence" in the Great Central Sun!

*I DEMAND all the Invincible Power that sets me free at once!
I DEMAND all the Invincible Power that sets me free at once!
I DEMAND all the Invincible Power from the Great Central Sun
that sets me free at once!*

Precious Ones, you will find Tremendous Response to this Call. You can specify from what you want to be free—regardless of what it is. You can be free from interference, delay, lack, or whatever is the trouble, but if you will *demand whatever Power from the Great Central Sun that sets you free at once*, then, since you are asking for Freedom, and that Freedom is the Power of Love from the Great Central Sun, the Call for Love cannot be refused.

Your Beloved Saint Germain, in *The "I AM" Discourses*, said to you, "I wish you would, for a time, use this Decree as much as possible, and know: *"I AM"! "I AM"! I KNOW "I AM"! FREE FROM THIS THING FOREVER!*

Well, if you will use those two Decrees in the acknowledgment of your Freedom, and you *DEMAND all the Power from the Great Central Sun to set you free at once*, I am telling you, you will have concerted action in outer conditions that will

delight you greatly! And the two Decrees that your Beloved Lady Master Nada gave you, My Dear Ones, go on and have the Blessing and the Freedom and the Ease which That will produce in your beings and worlds.

While there are some frightful, vicious things planned in outer world activities, yet you are rising steadily and consciously and powerfully into the Use of greater and greater Activity of the Sacred Fire, and I am sure you have all been aware—within the last three months alone—of a greater progress than you have felt perhaps from the year before. I am sure you feel the step-up and increase of the Power you have all felt over the past three months! (*applause*) Thank you so much; and now, with each Wave of Power, it will automatically raise you higher, and as you become more aware of this, you will be aware of your Freedom in greater and greater Blessings that will come to you.

Now please do not allow any suggestion to come to you that, as you draw more Power from the Great Central Sun to set you free, that it is going to produce fear in people around you, or in conditions that are going to make more disaster for you. Don't allow that old psychic nonsense to instill fear into you to make you fail to do things that set you Free when you call for Power from the Great Central Sun, *as Love does the Will of Love!* It is the Authority of Love, and It is drawn in and around you by Myself and Those who assist Me, and I assure you, We do not draw around anybody anything that is going to make anyone fear. That could not be the result of anything that We give to Life. If there is any fear, it is in the human creation of beings in this world, not in Us. We do not do things that would impose upon mankind conditions that would make them fear. We are the Ones that consume all fear. So when you think of Me and the Power of My Service to Life which is drawn from the Great Central Sun, know It always as the Power of Immortal Love, and

all the Love from the Great Central Sun that is needed in the world can be drawn into physical conditions that contact you by your Call.

Now, when your Call goes forth and that Power is released, be unconcerned. Simply go on your way, knowing that the Call must be answered, because the world must be compelled to be purified and set free by Love. It has to be! It will never be done permanently until it is. In this capacity in which I serve—in regard to the Great Central Sun—mankind knows very little, and I am revealing, and will, from time to time, as much as I can, to enable you to cooperate with Me in the most powerful way for your Freedom and the Freedom of your Nation.

If you will apply this to your government, it will help the rest of the people also; and when you *demand all the Power from the Great Central Sun necessary into your government to force those in your government to give obedience to God*, they will not experiment with quite so much of the depravity that they have experimented with in the past. And if there is a place where the Power of the Great Central Sun is needed, it is in your government—as well as in the people—and you might just as well demand that Power that forces obedience to God. Since the world is in the chaos of its own selfishness, it cannot get out of selfishness unless the power of unselfishness, which Love is, goes forth in the Sacred Fire and forces the annihilation of the selfishness. In other words, that human creation is so condensed it is almost like concrete, and there has to strike into it the Power of the Sacred Fire that can absolutely dissolve that in one stroke—as if it were nothing.

I want you to think deeply upon what the Power of the Great Central Sun is. I want you to think deeply upon what that Love of Life contains. How Mighty is Its Will! How Mighty is Its Power! How Mighty is Its Authority! How Mighty is Its Love! Think

deeply upon these things, and then as you enter into the feeling and comprehension of That upon which you concentrate your attention, the Fullness of That will flow back to you for your Use in outer world conditions. And you cannot have It to use in the outer unless you contemplate It and love It and understand It, and call It forth to serve you by dissolving the human and freeing mankind from the chains of centuries.

I have waited a long time to draw This to your attention, and when there comes the feeling within you to *stand, face and conquer a thing by the Power of God*, I tell you, it positively thrills the Ascended Host and the Angelic Host to see some of mankind step forward with irresistible courage and take their stand with God to be Free! Therefore, it draws to you Our Help, far more than you understand, because every time you are determined to stand with your “Presence” and conquer that which is of human creation, then from the Heights of Perfection will always come the Response and the Power and the Beings to help you fulfill your Heart’s Desire. You have no idea what Freedom comes when you begin to feel the Full Power that your “Presence” will release into you through these Calls as you are determined to stand and reveal the Power of God through yourselves as Master over everything in this world that is of human creation. *Take the authority of your Divine Birthright! Feel with every fiber of your being your Divine Powers, your Divine Authority, and your Divine Determination that God shall rule where the human has created discord*—and there are Boundless Legions to assist you. There is Power without limit, and if you will do This, it causes a concentration of that Power to flow steadily into destructive conditions until, like a pile-driver, it will shatter those conditions and forever awaken mankind.

Call this into the government of your land. Demand all the Power from the Great Central Sun necessary to force obedience

to God that sets America free, that forces the people to awaken and behold the opportunity that lies ahead of them, and be grateful for the Blessings they have enjoyed within your borders. Mankind need not take too much for granted. The Great God Presence, the “Mighty I AM,” that has bestowed the Boundless Blessings upon your Nation will not indefinitely continue to allow mankind’s desecration of the Eternal, Divine Gift of God’s Freedom. Mankind had better appreciate the amount of Freedom they do have in this land, if they are to retain it!

Therefore, those of you who are awake to this Knowledge and will *call forth all the Power to force the Obedience of those in your government to God, and force the people to awaken*, you will render a Service to Life that will bless you and all Life for all Eternity. You have a privilege second to none to go forward, and with every atom of your being, *demand that the Will of the Great Central Sun be now the Will of the people, be now the Will of those in public office, be now the Authority and the Power of the Great Central Sun to move into physical conditions and shatter forever that which has imposed its hypnotic control upon the people of destructive forces—which hold mankind enslaved through hypnotism, consciously directed.*

Let me say to you again tonight, THERE IS NO SUCH THING AS A RIGHT USE OF HYPNOTISM. There never could be, because it is intrusion upon the Free Will of God Beings; but when individuals, through selfishness, continue to keep mankind in slavery through so-called legal activity, then there comes the hour when those who are awake can be given the Authority from the Great Central Sun and the Power from the Great Central Sun to break the hypnotic control of the sinister force upon your Nation and upon the people. You call This into action, and let us see what We can do by the first of the year—until you come to the Royal Teton—in Our Efforts to prevent

the culmination of the plans that are afoot for more desecration of the Younger Generation and the resources of your country—Our Country—for I say to you, America belongs to Me as well as the Mighty Saint Germain! (*applause*) Thank you so much, Precious Ones.

Beloved mankind, within your borders, while many are awake to the things that threaten, yet many are asleep as to what is the way and means by which the sinister force tries to entrap them to their intents. Oh My Dear Ones, if We could have this roomful of people with nothing on your minds except to do This which I have asked tonight, in thirty days time you could collapse such destruction in this country as words cannot convey. You *demand all the Power from the Great Central Sun descend to Earth, into your government, and into every destructive force, and force the annihilation of that which is not of God!* Then you will understand something of what the Great Love of Life is to enable mankind to arise and free themselves from the chains they have forged themselves.

You, as the awakened of mankind within your Nation, through these Calls, can sever the chains that have bound your Nation to the destructive forces of the rest of the world. Part of that acts through your money channels. My Dear Ones, don't be concerned about human beings! Call the Power of the Great Central Sun into every condition with your Authority and Will that the "Mighty I AM Presence" shall rule here. You make the Call, and there are Those who carry forth the Command of Those Beings in the Great Central Sun to fulfill your Calls here. You could call this same Power into everything that is of the sinister force, and by the Will, the Authority, and the Power of the Great Central Sun, force the annihilation of the sinister activities of mankind.

Now let Us see what We can do. You do your part, and We

will do Ours; and as We go forward and see you make these Calls, and form the habit of gathering that momentum to a certain point before you go to the Royal Teton, We are hoping for certain manifestations in outer world conditions that We trust will give you great encouragement to go on with the momentum which We hope you will build. Know with every fiber of your Being, when you ask your "Mighty I AM Presence" to come forth through yourselves and demand the Full Power from the Great Central Sun into these conditions to shatter and annihilate that which is not of God, then, My Dear Ones, many, many changes will come where Assistance will be given you, and Ascended Master Friends will stand your guard, for this must be given in order to awaken the people.

The masses of the people are so often just creatures of desire, and yet when they are in distress, the consciousness turns back to God and asks for help. So when you turn your attention back to your "God Presence," your "Mighty I AM," and That in the Great Central Sun, and you ask for help, then Love gives that Help, and "I AM" part of that Love. "I AM" part of the Activity from the Great Central Sun come to Earth to make Love alive again as the Law of Life that helps mankind to complete their journey unto the Ascension. They cannot awaken without that Love. They cannot attain the Ascension without that Love. They cannot survive into the future without that Love, and they cannot bring justice and order in outer world conditions without the Love from the Great Central Sun. You see, the masses of mankind know nothing about the Great Central Sun. They do not understand what a Gift of Life It is to the Earth, and how much Help they could have if they understood and would ask; but since you do understand, I have come to make this as clear as possible tonight, and I trust I have charged you with the desire to try this experiment with Me, and see what

We can do as a Christmas Present to the world! (*applause*) Thank you, Precious Ones.

I will often remind you of My Presence, and whenever you think of me, know that the Power of My Love, the Power of the Great Central Sun, will be flowing to you whenever you think of Me. And often, your “Mighty I AM Presence,” whenever It calls to Me for Assistance, will remind you in the intellect of My Presence. So whenever you think of Me, know your “Presence” has thought of Me, and I have thought of you; and between the three of Us, We should accomplish something worthwhile. (*applause*) Thank you, Precious Ones.

Don’t fail to say, with every fiber of your being: *I DEMAND the Full Powers from the Great Central Sun come into these physical conditions and absolutely annihilate them before they can any longer be imposed upon Life!* You must make the Demand! DEMAND! DEMAND! DEMAND! for that Demand has to be made before the Answer can come! And when you give the Great Central Sun your Call of Love for the Freedom of the rest of Life in this world, then there is an automatic raising of outer conditions, and that brings certain Illumination and Awakening to a certain group of people; and the next time you make the Call, a few more will awaken, and as you go on with It, We will accomplish that Awakening which must come to mankind, that they too may make the Call in order to draw enough Power to consume their unfortunate creation.

So know that since My Service to Life is My Service to Love, then the Power of the Great Central Sun and Its Will and Authority are all the Requirements of Love that must come to set the Earth Free; and while perhaps you think We never get through asking you to make “this Call and that Call,” My Dear Ones—when you understand how many of mankind are in embodiment, and how constantly they are misusing the Life and

the Blessings of this world—then the Call must continue until enough Power is released to illumine the atmosphere of Earth to the place where mankind will reach up of their own Free Will and call for themselves. They are like children who have not yet learned to walk, and you must help them. Take their hands and help them by your Calls to become able to help themselves; and, after all, *help to Life will bring help to Life*. Your help to Life will bring more help to your Life. Therefore, in the Love which I am privileged to pour to you who understand that I am a Being in existence, and that I am concerned with the world's Freedom, then I can come to you in a very much more powerful way; and together the Power grows greater in outer conditions that forever must be compelled to be removed from the Universe—but the Power for which you call moves into the condition and removes it—and you stand free from any connection with that which is treacherous, which is destructive, and which is deceitful.

So Beloved Ones, I am sure you will feel an ease and a happiness and a freedom you have never quite known before as you move into action on This and begin the service to your Nation that We trust will finish many things before they can come into outer action. So just know that My Love from the Great Central Sun and to the Great Central Sun stands as a Powerhouse to enfold you in the ability to render this service to the Nation, for in the desire which you have to call forth this Power flows My Desire for you to be Free!

So as you go forward, remember sometimes, and I trust many times in the future, My Heart's Flame in you will be nearer than breathing and closer than hands and feet, because the world needs Us, and the Power must come, and the Love that is the Master of Creation must enter into the energy of this World and hold Its Command forever.

So may the Limitless Legions of the Love from the Great Central Sun become ever more and more real to you all. May They ever attend you, and may They come forth to help you accomplish This which We wish to attain. May the Fullness of the approaching Outpouring from the Master Jesus as Christmastime approaches, may the intensification of the Victorious Cosmic Christ Flame which He directs to the Earth, increase this year many, many times more as you make this Call; and then will that Outpouring at Christmastime really be a Raising Activity that will awaken mankind once again to the desire to love Him, to love that which sets them free, and to love the Source that gives them everything. Mankind must be aroused to the necessity of recognizing the Power, the Love and Gratitude to the Source that owns the Universe and has given them only Blessings throughout the ages.

Now may Our Love bring the Illumination and the desire in mankind to turn Godward, until the hordes of the shadows are consumed, and mankind try again, this time to go forward to their Freedom as Life intends. My Love, I trust, will be a Pathway of Light about you, an Armor of Protection, and a Scepter of Power; and a continual reminder to use that Power from the Great Central Sun that the Earth must have as quickly as possible to overcome some of the shadows that We do not want to break loose in America.

So just know that the Guardianship of America's Destiny lies in the palm of your hands; and Those of Us who love you will help you to guard, as you go forth and render this Service. At your Call, to your Victory do I commend you, and may your Invincible Protection ever blaze Its Light around you and light the way for the rest of mankind through the Freedom of that Love. Thank you with all My Heart.
