Mrs. G. W. Ballard:

As the Beloved Messenger No. 1 from the Secret Love Star speaks His Heart to us, we send Him our Love and Gratitude. We send our Love and Gratitude to the Great Ruler of the Secret Love Star and all the Beings who have brought the Help from that Mighty Focus of Power to the people of Earth to try to get them to accept That which sets them free.

Beloved Messenger No. 1:

Beloved Ones of the Light, tonight you sit here, each of you, like a Star in the diadem of Earth. Try to feel with every atom of your Being the Presence of these Mighty Flames of Our Love which We *do* send forth at your Calls to enfold you and to bring into the physical octave more of Our Power for you to use for your Freedom and the Freedom of your Nation and the world.

You really are Stars in the Crown of Life; and so the Light, as It ever grows brighter within you, sheds Its Rays, or Radiance, before you; and in that Power of that Radiance comes always the Assistance from Our Octave that handles the conditions of Earth that want to cause distress to mankind. So as We enter

into an explanation that I trust will assist you, I want you to feel tonight that every nerve in your body is like an electric wire within which flows the current of electricity of Liquid Light, because your nervous system is just an electrical arrangement, may I say, and your Heart Flame, now this sounds crude, but It is really—you know the electric box where they put the fuses—(*laughter*) that's what's in your Heart, really. There is the connection with the nerves of the body, and from there pours forth from the Flame the Liquid Light that your Higher Mental Body gives you to use in the outer self.

Now if that is allowed to go forth without obstruction and without the qualification of discord, that feeling of Light in you going forth can reach to any Height in the Universe. It can go to any one of the Great Beings or the planets or the suns of any system, and there, feeling and seeing the Oneness of Life, can draw back what the outer self can use or comprehend at that time.

You cannot reach into the Universe and know all of everything in a moment and draw it all back to yourselves. In the first place, there would be no use in that. So the Higher Mental Body lets you, through this, reach into the various Activities of Light—and the Violet Flame Love and the Powers of the Great Great Silence that will be of Blessing to you *now*. That is how your “Presence” draws back to you what It knows you're going to need in the future, either the near future or the far-distant future, depending on what It wishes to accomplish.

So many times, Dear Ones, when the outer self is allowed to remain harmonious and you use Violet Flame enough to keep it purified, many times, just

what you think are the natural desires of the outer self are often the Desires of the Higher Mental Body reaching into you and out through you, and through your attention, bringing back to you the things that make you happy and will bring the contentment and satisfaction that only Divine Desires can give you.

Now the Mighty Saint Germain—bless His Angel Heart forever—gave you the use of His Ascended Master Consciousness. Well, I wonder if you know just what His Consciousness can do! You've had a small sample of It in this Activity that He's brought forth in the last twenty years, but His Blessed Heart—as the God of Freedom to the Earth—can do for you, My Precious Ones who are His Family of Light, a Service beyond anything you can understand tonight. And then if you will remind yourselves what He has said often: *that your outer faculties are elastic*, then as you keep the outer self free from impurity or resistance due to discord, you will find the activities of the mind and the feeling reaching many times into the activities of Life that will bring you back to the things you're going to require, or things through which you may help others. This goes on infinitely, and yet is such a natural way for Life to reach up to the Greater Life and draw back the Greater Powers that make your Life a Greater Life.

When you reach to these Great Heights of Perfection and you ask for the Heart Flame of any Ascended Being or the Angelic Host to come into yourselves and into your world and produce the Perfection you desire, when you make the Call, try to be still for just an instant, and as you send It forth, wait just an instant and feel It come back to you, because you will thus train yourselves to receive instantly the Answer

to your Call. If you still the outer and send the Call and then expect the Answer to the Call to come back immediately, you will find your Answers coming more and more rapidly all the time. Then when you get this to a certain point in your use of the Powers of Precipitation and so on, you will find there is Power enough within your Electronic Circle to enable you to do these things—well, perhaps not instantly—but in a very short time you'll be able to do them much more rapidly than people of the outer world.

Try to remember how important it is at this time, and *please remember this tonight*: to keep your attention off the wrangling, discordant activities that are in the feeling world of the mass of the people. Turn your attention to the “Presence” when things are brought to your attention from the outer that are frightful. Turn right back to your “Presence” and make the Call for their annihilation, and then *drop it out of your mind* so that you do not get caught in a whirlwind of the mass feeling of mankind, and may I say, their disappointment in this recent experience; because I tell you frankly, the mass of the people in the Nation are not satisfied with the fiendish intrigue that has imposed this thing upon them, and their feelings are in turmoil. There is rising much resentment against it, but if you'll keep yourselves free from that, and keep drawing the Power that you need to stand as your guard and give the help to those who want to stand with God for the Freedom of the Nation, each of you can send forth the strength of a thousand to help protect those who are in the outer standing against that which is wrong.

There are only two things: that which is right, and that which is wrong. There's no compromise. They're

as far apart as Light and darkness; and so for the benefit of the Nation, turn back to your “God Presence” and *demand billions of times more Invincible Power and Light—the Cosmic Light, and the Violet Flame Power from Our Octave—than you will need in the physical world to stand your ground against that which is wrong, and hold the guard about that which you have accomplished thus far, and also hold the guard for others.*

You go forward and be the Courage and Strength and Assurance of the Power of God to help those who want God and are willing to stand by God. Wherever you go, you can radiate like a Sun—courage to others, so they will make more effort to stand with that which is of God, even though they do not know the “Beloved I AM Presence” as you do. Yet if they stand with God as they know it to the best of their ability, then they are entitled to your Protection and everything you know how to call forth in order to be the Mass Light that controls the hordes of darkness that seek to destroy you. You’re going to have to *demand more and more Light and more Manifestations of the Sacred Fire than you’ll ever need to stand against the destructive forces. Demand more than you need! Infinitely more!* Then there comes the Momentum by which you can not only assist others, but that Momentum of your Light becomes an Eternal Light within the Nation, because when your Heart loves the Nation and you render this Service through your Decrees for the Protection of the Nation and the consuming of what is wrong, that is the Eternal Gift of your Love and your Light to the Earth for the Freedom of the Nation and Peace to the Earth, and for the Ascension of all. Then when you come into Our Octave

in the attainment of your Ascension, you do not withdraw this Light—you leave It here as a Blessing; but in your Ascended Master State It will enable you to come back into that Focus of Light, and with infinitely greater Power, you can use your own Life Energy—the Light of your feeling of Love to the Nation—you can use It to produce Manifestations then that become a permanent part of the Perfection of this world. And that is how the Love of your Life Stream given to your Nation with this Command and Understanding becomes an Eternal, Illumining Energy to the planet. And that is your privilege to give without limit! It's *wonderful*, Precious Ones! I wonder if you understand Me tonight. (*applause*) Thank you, Precious Ones. Won't you be seated please, and just remain so.

Now, in all the tremendous energy that you have given forth in these Decrees, may I say to you, from the Inner Standpoint, it manifests as Light—as Light Substance. You are calling This forth to fill your Nation with Light so the hordes of darkness can't live here, and that is your Gift of the Light of your Love and of your Life for Freedom to the Earth. When you give that through your Decrees and your Love to the Nation, it becomes an Eternal Light to the Earth, and that is part of the process of the planet becoming luminous once again; because then when you take your Ascension, you know, you don't come back and take your Gift away from the world—that wouldn't be nice! (*laughter*) You're giving the Light of Eternal Love for Freedom to the Earth, the Life of the Earth—as well as to the Life of mankind upon it. You are giving back the Light that It once gave you, because in the first two Golden Ages, the Earth was luminous. There were no shadows, and the bodies

of the people were luminous and magnificently beautiful! And then when the darkness began to creep into the substance of the Earth, then mankind's bodies were lowered and became more dense in the atomic structure, until the Light was closed out. Now you are reversing that process. You are raising the vibratory action of your bodies by your Calls for Light to free Life, and in every Call more Light comes into the structure of Earth. Then as your Light anchors here the conditions that are to be permanent to this world, that Light will ever grow brighter and brighter, and expand until once again It fills the Earth, and the substance of Earth itself becomes luminous.

Then as you come across the Bridge to Us in Our Octave and you leave the Earth behind, you will not see the shadows that you have seen in the past when you leave the body. You will come in a Light Ray—everything luminous. You will not pass through that moment of darkness when it seems like an Eternity, and yet it is only a moment, when the Heart Flame, the permanent atom in the Heart, as Its Flame leaves the body—from the time It passes from the Heart through the top of the head—it's only a few moments, and yet to the feeling world and the sight of the outer self, it seems an Eternity, and it seems to be in darkness. But if you will give conscious recognition and understanding that the Flame in your Heart is expanding Its Love and Its Light to Life for Freedom—both to your Nation and the world—then that Light becomes brighter and extends around you, and when It passes from the Heart into the Higher Mental Body, there isn't a shadow between. You go through on the Pathway of Light, whose Love draws you by the Power of the Great Central Sun Magnet into the Arms of your Higher

Mental Body, and you know only the Joy and the Love that is in that Light. I assure you, that is a very much happier experience than to pass through what the average person calls the death struggle. If you will give your Light—the Light and Love of your Life—to your Nation for Its Freedom, Life in Our Octave will give you Its Light and Its Love to bring you through to Freedom! So your desire for the Freedom of the Nation is ever drawing more Assistance from Our Octave to bring Freedom to you, even though you stay here another thousand years (*laughter*), you'd still be free! I'm not prophesying! It's only a *possibility*! But Precious Ones, be aware that the Flame of Love in your Heart is every moment sending a Stream of Light, Liquid Light, through the nerves of your body as blood flows through the veins. It is constantly pouring into the structure of the Earth, and if you love your Nation enough and you call forth the Light and the Love of your own Life—and they, really, all three are One—and you pour That into the Nation for its Freedom, forget not to pour It into the Earth for the Freedom of the Beings of the Elements. Then as you give that Freedom to Life, as your Love sets Life free, as your Light brings Illumination to mankind and the structure of Earth, ever does there come from Our Octave greater and greater Light and Love and Freedom to make your way easier to Us. So you cannot give in this tremendous use of these “I AM” Decrees and this Knowledge of the Violet Consuming Flame, you cannot use this Power and call forth this Assistance to the Life of this world, without having tremendous Help from the Life of Our World.

So Blessed Ones, may I say, it is the safest, greatest, best investment you could ever make, and pays more

interest on that which is invested than anything in your world! (*applause*) Thank you, Precious Ones. You could say to the outer self, or rather to your "Presence" and to Us, *Blaze through Me the Light that sets all Free!* Just use It until It ever grows greater. And as you ask for the Freedom of the Nation, All who guard the Destiny of the Nation will pour back to you infinitely the Light of Their Love, both for the Nation and for you. I tell you frankly, when you dwell in this Light and know It is the Love of Life, It grows intense, and you cannot remain in your limitations if you will hold this Picture and *Command the outer self to feel the Light, the Light that comes from Our Octave, the Light that comes from your own Heart's Flame, the Light that blazes through your body into the structure of Earth and into the atmosphere of Earth*, until your Calls for the Light that sets Life free will also automatically set your Life free.

It is the most *wonderful* arrangement of Life, because you cannot give one thing for the Freedom of Life that Life does not bring back to you Infinite Freedom. Life is always offering you Infinite Freedom! And as you give to Life to set It free, Life gives to you, and you have to become free! So weary not of pouring your Light, the Light of your Love and your Life, into your Decrees, into the Nation everywhere you abide, until you gain the momentum where that Light is so Powerful that nothing can cast a shadow upon It. Then It becomes the Illumining Presence! It pours Itself forth and It shows you everything that is within a condition as well as on the surface of the condition. And then you will know the cause of things as well as just seeing the effect. Then it will be very easy to handle a situation because the Light will show you

the cause, and as it is revealed, will dissolve it at your Command. And wherever you go, you will leave more Light in this world than there was before you passed by.

This is the Miracle of Eternal Light! It is the Miracle of Love! This is the Causeless Cause of Life! Life, in Its Ever-expanding giving of Itself to all manifestation, is ever Self-sustained, Ever-expanding, and All-commanding Perfection. Oh! it is wonderful to enter into this Understanding of Life! And when I come from the Secret Love Star to bring you the Light of that magnificent Focus of Life, and I bring you the Love from the Secret Love Star, you can have the Secrets of the Secret Love Star—and you've never asked for Them—reveal themselves to you, and through you to the world. (*applause*) Thank you, Precious Ones, and when you call for the Secrets of the Love Star to reveal themselves, there will come many Powers from that Focus of Life that will enable you to do things in this world to bring Light and Freedom to Life that will be a joy every moment that you use those Powers. It will be more than joy, it will be ecstasy, as you draw these magnificent Powers from the Secret Love Star into yourselves, into your outer use, that They may leave here Their Eternal Miracles of Light to the Earth, that They may forever redeem and raise all that is here into the Perfection and the Miracles of Eternal Light.

Just enjoy it! I assure you, the Great Being who is the Ruler of the Secret Love Star will make you feel Himself with a Love that you will never mistake; and It will bring into your world Power that will forever steady all things and hold command as you give Him the opening and make the Call. He will teach you

what the Secret Love Star can do for you and what Its Blessings are to the Earth. So give Him the Opportunity! Give Me the Opportunity, for may I say, I'm not the only Messenger from the Secret Love Star! But there's only One Light to come from the Secret Love Star—One Life, One Love, of which you are a part, because that Secret Love Star is guarding the people of Earth; and the people of the Light It ever enfolds in the Mightiest Powers that you can accept; but It must come through your attention, through your Love, and through your Desire for It. Then if you will ask the Ruler of the Secret Love Star or Myself to make you feel the Power of the Love that created that Star and sustains It and pours Its Assistance to the Earth, make you *feel* and *know* and *understand* and *pour out* that Love, you will have Boundless Help! Your bodies couldn't remain imperfect if you will gather this Power and *command It to come forth through you to set the Earth Free!* And in that flowing through you to bless the Earth with Its Freedom will you automatically receive your own Perfection. Then the Higher Mental Body will, with Its Great Wisdom and Power, lift you into the use of many Powers that are stored in your Causal Body and which you have used consciously in ages before, and which can come forth now to serve you as you enter into the Power of the Secret Love Star.

So tonight, may you feel that Power, and all the Blessings It can bestow reveal themselves to you and give you everything your Hearts desire, until the very Light in and around you illumines the atmosphere of Earth, the ground under your feet, and illumines the pathway before you—as well as the pathway of Life everywhere in this world.

So I commend you to the enjoyment and use of the Glorious, Miracle, Victorious Presence of the Secret Love Star. May you know *all* that is There, and enjoy It in your use of It forever. Thank you with all My Heart's Love from that Star. I clothe you tonight in the Joy of Its Miracle Powers. Thank you so much!

Mrs. G. W. Ballard:

Beloved Great Messenger from the Secret Love Star, thank You for Your Love. Thank you for keeping our attention upon That which wants to give us Itself, that we may in turn give It to others. Hold us close in the Love of Your Heart, and make us Your Love Star here, until Its Light fills the Earth, and the Earth itself becomes a Love Star in the Diadem of this system of worlds.
