

MY “PRESENCE” AND I

I live in the Heart of My “Presence,”
I dwell in Its Realm of Light;
I blaze forth Its Love all transcendent,
I wield Its Full Pow’r and Might!

I speak with the Voice of My “Presence,”
I call to you from Its Height;
I offer to all Its Great Freedom,
I see Its Smile dazzling bright!

“I AM” bathed in Its Golden Glory,
I breathe in Its Breath of Fire;
I feel in my Heart Its Great Heartbeat,
I know Its Truth does inspire!

I sing now Its Glorious Praises,
I walk with Its Hand in mine;
I feel Its Full Light now blaze through me,
“I AM” Its Pure Flame Divine!
