

THE ETHERIC BODY

Excerpts from the "Voice of the I AM"

Mighty Virgo: Do you know how long it takes to build the Etheric Body of an individual, before the individualized Unfed Flame can descend and become a physical identity for a human being? Do you know how long it takes to create the Etheric Body? Centuries! Before one can individualize, the Higher Mental Body, with the cooperation of the Beings of the Four Elements, draws into a Focus the finest portion of the substance of this planet. Those Little Beings draw that finest portion of the Earth's Substance into the Etheric Body and make It a Self-Luminous, Perfect Replica of the Higher Mental Body. When those Beings have completed that service, then the Higher Mental Body projects the Unfed Flame, and the individual becomes an individualized human being with an intellectual consciousness into which the Seven Mighty Elohim focus the Sevenfold Flame within the brain structure. That Flame is anchored within the Etheric Body. That Etheric Body, My Dear Ones, is built by the Beings of My Element.

"Voice of the I AM," March, 1945

Beloved Godfré: Remember, your Etheric Body is the Light Pattern of your outer self—not the human self, but the outer physical structure. Your outer identity of the personal self is held within the Etheric Body; and when the Ascension is completed, all of that Light Substance—the entire Light Pattern—cut free from all discordant records which have been imposed upon it, is drawn, wholly pure, into the Higher Mental Body.

The Higher Mental Body blends with the Electronic Body of the “Mighty I AM Presence,” and the Ascension is complete.

Now that is not the work of a moment. It takes centuries to build each one’s Etheric Body, and it is the Beings of the Four Elements who draw the tiny Points of Light to form that Etheric Body of your original identity. Your Higher Mental Body molded those Points of Light into your Etheric Body. That was and is your Original Light Pattern, but through many lifetimes, whenever discord went forth, there was imposed upon that Light Substance the shadow of the condensed energy of the accumulated discord, and that became the limitation and the human creation which have caused such distress through many lives.

“Voice of the I AM,” July, 1945

Mighty Victory: My Dear Ones, every time you are conscious of either a limitation, distress or imperfection of any kind in the body, say to it: “You are but a shadow upon the Light Substance which my God, the ‘Beloved Mighty I AM Presence,’ has given to me for my journey through this world.” The Light Substance which originally formed your bodies—and which is still the Etheric Body, the Etheric Pattern—was drawn forth and given you by your “Mighty I AM Presence” and your Higher Mental Body. It was given you so the Beauty of the Higher Mental Body might come through your flesh without change. Then the Higher Mental Body, revealing Itself through the flesh of the physical form, gives Its Blessing to everything in this world. By you pouring out Its Love and Its Sacred Fire upon the substance of this Earth, the body receives

in return the Raising Power which comes as a Blessing from the Beings of the Elements. Having blessed them with your Beauty, your Love, your Light, your Purity, and your Command for the Divine Plan fulfilled, they gave you the best they had—and It is more Light Substance! *“Voice of the I AM,” March, 1951*

Elohim of Purity: If you choose to clothe yourselves, and I am speaking now of your Etheric Body and your physical senses, in certain Transcendent Activities of the Sacred Fire and Our Cosmic Light Substance, We would be very happy to see that you accomplish it as soon as the physical body is asleep. . . . My Dear Ones, the individual who understands that in making the Call to the “Mighty I AM Presence” and to any of Us to clothe the Etheric Body and the physical senses as you leave the physical body in sleep with the Mighty Saint Germain’s Crystal Cap, Crystal Armor and Crystal Cross of a Thousand Suns, your own Eternal Transcendent Garment of the Sacred Love of the Sacred Fire, your Eternal, Transcendent Garment of the Precipitated Light Substance of the “Light of God that never fails,” you would be surprised how magnificent you would look as you come over to Us at night!

. . . Oh, if you only knew the Power that you can release out of the body! And as you take these Commands and build your Momentum of that Sacred Fire around the Etheric Body night after night, why, Dear Ones, that becomes a permanent part of your Etheric Body. Well then, when That comes into the physical flesh in the waking state, you just have more of the Sacred Fire inside of you!

“Voice of the I AM,” January, 1985

Mighty Venus: Hold a Great River of Sacred Fire of Cosmic Love surging through you into everybody and everything unconditionally, and let Me show you what I can bring on that River to you. Your every Heart's Desire, regardless of any amount of money or wealth required, to bring to you what your Hearts want to do, can flood in on the Sacred Fire Love you pour out to Life. O My Dear Ones, this night let the Great Cosmic Sun of Cosmic Love be your Eternal Garment of Transcendent Loveliness and Power! Were you able to see a Garment of Magnificent Substance enfolding you, and It shone with a Brilliancy of Jewels, with Beauty and Magnificence of texture, did you feel yourself enfolded in those Garments of Beauty and Substance, you would never cast a shadow upon Them. Could you see Them at all times, "I AM" sure you would never cause a shadow upon Them again! Never!

Dear Ones, do you know, your bodies, the atomic structure of your Etheric Bodies, is really such a Garment about your Life Streams! The Finest Substance of the physical world which forms your Etheric Bodies of Points of Light is beautiful as a dream, beautiful beyond your fondest imagination. That Magnificent Form of Light Substance, Dear Ones, is You. That is the "Temple not made with hands." That is the "Temple of the Most High Living God.
