

## THOU UNFED FLAME

O Unfed Flame of Life! the Heart,  
Quivering, coursing through every part,  
Flow on! Expand! Blaze from the Sun,  
Thou Pure, All-radiant Shining One,  
Thy Victory of Love's Great Day!  
Illumine Earth! Show men Thy Way!

O Unfed Flame! O Source of all,  
Great God Supreme to Whom we call,  
In Chariots of Thy Living Fire  
Thy Legions come, man to inspire.  
Take up our Call like clarion bell,  
Thy Truth to every ear now tell!

O Unfed Flame! whose Altar bright  
Burns with Thy Pure Quenchless Light,  
Pour forth to Earth Thy Great Love Ray  
And in Thy Mercy, let It stay  
To bless each one — man, Earth and sea  
Clothed with Thyself — at last, all Free!

O Unfed Flame! Life's Temple True,  
We draw our every breath from You,  
And so do Suns and Stars in space,  
All gaze on Thee now, face to face.  
So, too, do we, by Thy Great Might  
Call forth Thy Flame, reach Thy Great Height.

O Unfed Flame! to Thee all yield,  
And Thy Great Quenchless Light doth shield  
Thy children all, who journey far;  
For dwell Thou dost in every Star.

Thy Light in all is Love's own Grace  
And Love can enter every place.

O Unfed Flame! God of the sky!  
Thou Quenchless Light, All-seeing Eye,  
All-pulsing Life, Great Cosmic Fire  
Circling, raising ever higher,  
Into Thy Heart at will, we come,  
God's own Eternal Temple-Home.

O Unfed Flame! all Source of Love,  
Through Angel Host around, above,  
Drench Earth with Thy Pure Quenchless Light,  
Raise all upon Their Pinions bright,  
Thou Great, Eternal Unfed Flame —  
At last! Thy Holy Self, "I AM"!
