The Magic Presence™

THOU UNFED FLAME

O Unfed Flame of Life! the Heart,
Quivering, coursing through every part,
Flow on! Expand! Blaze from the Sun,
Thou Pure, All-radiant Shining One,
Thy Victory of Love's Great Day!
Illumine Earth! Show men Thy Way!

O Unfed Flame! O Source of all,
Great God Supreme to Whom we call,
In Chariots of Thy Living Fire
Thy Legions come, man to inspire.
Take up our Call like clarion bell,
Thy Truth to every ear now tell!

O Unfed Flame! whose Altar bright
Burns with Thy Pure Quenchless Light,
Pour forth to Earth Thy Great Love Ray
And in Thy Mercy, let It stay
To bless each one — man, Earth and sea
Clothed with Thyself — at last, all Free!

O Unfed Flame! Life's Temple True,
We draw our every breath from You,
And so do Suns and Stars in space,
All gaze on Thee now, face to face.
So, too, do we, by Thy Great Might
Call forth Thy Flame, reach Thy Great Height.

O Unfed Flame! to Thee all yield,
And Thy Great Quenchless Light doth shield
Thy children all, who journey far;
For dwell Thou dost in every Star.

Thy Light in all is Love's own Grace
And Love can enter every place.

O Unfed Flame! God of the sky!
Thou Quenchless Light, All-seeing Eye,
All-pulsing Life, Great Cosmic Fire
Circling, raising ever higher,
Into Thy Heart at will, we come,
God's own Eternal Temple-Home.

O Unfed Flame! all Source of Love,
Through Angel Host around, above,
Drench Earth with Thy Pure Quenchless Light,
Raise all upon Their Pinions bright,
Thou Great, Eternal Unfed Flame —
At last! Thy Holy Self, "I AM"!

- "I AM" SCHOOL -

Beloved Saint Germain:

Beloved Children of the Light! Beloved Students of America! How full of Gratitude is My Heart tonight in that which is being accomplished everywhere throughout America! It may not seem so much to you, who do not see as I do, the vast achievement in so short a time. Remember, Beloved Ones, three years is but a fragment in the great aeons of time, and yet in three years has been accomplished more than in a century before! I have long waited for this hour when I could truly voice to you those words. I never mention a thing until its achievement is complete. Tonight I can say to you that your mighty Decrees have not been in vain! In the individual life—as well as the life of America and mankind—is coming the full and complete Release of that now. Mankind are beginning to understand what the Messengers have meant in their earnest plea for harmony in the feelings of mankind, that the Powers of the “Presence” might come forth to give them Release forever from their limitations of their own creation. Then will it come quickly!

You have no idea, Beloved Ones, how a human being's own creation spreads forth its vibratory action that dulls the intellect from comprehending and holding fast to that Great Law which is their Life. But rapidly, through the Power of the Cosmic Light is that being dissolved for mankind, and We shall have some very lovely things to tell you at the Shrine Class!

It is My Great Joy to introduce to you the Great Sanat Kumara, who is answering the Call of these Beloved Ones. And may you always know, no honest, sincere Call ever fails to be answered—and in thousands of times among the Students has this Call been answered. Will you always remember and take notice, and be Free! The Beloved Sanat Kumara!

Beloved Sanat Kumara:

Beloved Ones, tonight, allow the True Feeling of Light to take Its Dominion within your human forms. I say to that Light within you: *Arise! Awaken! Take your Dominion in the human mind and hearts of mankind everywhere! Arise into that Dominion of your own Light, that Its Power may flood the Earth and its atmosphere!*

Tonight, Beloved Children of the “I AM” School and your Instructors, I hold you close in My Embrace of Light, that you may feel the import of That which you have symbolized tonight. You probably cannot realize how you have set into Action this night the calling forth of the Reality of that which you have represented.*

Knowing as you must that the Call for whatever comes into action upon Earth must come from mankind who have created their limitations, therefore I have come in person tonight to answer your precious Call to Me, and to remind you that you have followed My Directions very accurately; for I wish this night to symbolize, and I wish all “I AM” Students in America might have seen This, and then *to know that that symbolizing of That Reality was the beginning of Its Perfect Action on Earth.*

* The Students of the “I AM” School gave a performance for the Ballards in which the children symbolized the Plumes of the Unfed Flame in scintillating lights.

These Mighty Currents are taking It into the mental and feeling world of mankind, and especially the Students everywhere, that they too may feel, without knowing why, the Reality of This. And to those two blessed ones who voiced those words, shall you one day have them manifested in your lives—the Reality!

The Call of mankind has been the Outpicturing of some of these things. Beloved Ones, be not impatient! A certain amount of mankind's creations must be disposed of—before the Release of these Great Activities which many Hearts are calling for may come forth into outer expression. But come they will; for there is no human power in existence that can stop the Onrush of this Mighty Law. I plead with you, O Beloved Students, call with all your Hearts that all attempted opposition to this Work stops forever, that mankind may have their Freedom in this Light! We know that it has no power, but your Call is needed to silence it forever; for remember, We do not use a destructive force; but your Call will return upon those vicious individuals their own vicious destructive activity.

Tonight We have started into action the Release for the supply of everything needed. Kindly accept it, and be not impatient until its arrival, that all might understand, the need today, Beloved Ones, is attention to your "Presence." Then Its Wisdom, Its Power, Its Energy and Substance will act to bring the Answer to your Calls. No one may longer be deprived of that which they require for use, but they must give Obedience to the Law which produces it. Oh! not only for you Beloved Ones who have made the Call, but for hundreds of thousands of others whose feeling and mental world have received this Charge of the Decrees into their world for action. That action is the Action of Light, which is Self-luminous, Intelligent Substance that flows into

your world, and knowing no opposition or obstruction, proceeds to produce that for which you call.

Tonight, O Beloved Children of the Earth, you seem but a fragment of the great mass of humanity. But remember, everything must have a beginning, and while this beginning seems small to you tonight, did you observe with Me the Inner, All-powerful Activity as It charges and rushes into action in the earth, you would not think it quite so small! In the Glory of that Light, think of it—you, of the innumerable forms, the One God Life surging through each one! And yet you are so inclined to think you are separate! You are individualized; but the One Great Life flows through you all. The One Great Intelligence and the One Great Treasure-house supplies all!

Therefore, Beloved Ones, as you understand That, somewhere must be established one, two, three or four—here and there—who are strong enough to hold the balance of absolute refusal of acceptance to discordant appearances, or listen to destructive expressions. Then will that Radiation spread out, and more and more will take It up, and all will become strong enough to withstand the suggestion, whether psychic, or individualized on Earth, and will be able to absolutely repel any suggestion that is impure or destructive, and stand in the serenity of their “Presence,” pouring forth that Radiance until all mankind will see the Example before them, and then turn and be like It.

You Beloved Students are the examples to the world. If your life is pure and filled with the Glory of your “Presence,” then your example lifts the world. And if you as “I AM” Students are not willing to give that Obedience in Purity and Perfection, then you become its opposite.

When We see a few individuals moving among mankind trying to spread discredit to this Light, and We see,

surely and steadily coming upon them their own vicious destruction, Our pity knows no bounds; for not a single person who spreads falsehood concerning the Messengers or the Work have a single cause—not one! Therefore they are to be pitied—pitied, I say, beyond all things. They cannot harm anything or anyone; nor can they turn anyone from the Light. Too late will they find that to be true.

So Dear Ones, if you wish to serve the Light, silence every human being who attempts to pour discord of any kind into your ears. Then shall your world be clean and pure, filled with the Outpouring of your “Presence” flooding your world with every good thing. If you are now anchored enough in the Light to stand your ground and say to every human being, *“Stop! I will listen to no more discord, neither can it register in my world!”* then you will quickly find yourself in a new world, free from every human discord.

Beloved Ones, never in the history of mankind has such Assistance been offered and given as is being given today. Rejoice with Us in the Victory of the Light! I say to you tonight, you have the Power of the “Presence”! Use It for your Protection! There are some individuals in America whom the Law of their being has not yet permitted them to be removed—who are making the most dynamic effort to reach mankind and drag them down in the mire. Some are in your city, some are in Washington, the state of Washington. Some are in the Eastern part of America. I say to you beloved people, call the Powers of your “Presence” and the Ascended Masters and the Cosmic Beings into action for your Protection, that no more fall under the destructive claws of those vicious suggestions. Don’t worry! They will meet their own! Not anything can prevent it. But you today upon whom devolves the Protection of America need to hold yourselves absolutely free from those things.

I say to you tonight, never in the history of the Eastern Hemisphere was the nearness of a conflagration as is today, in the attempt to draw America into this war which is secretly spreading over all the Orient and Europe. You are fortunate, fortunate, Beloved People; and might everyone in America hear these Words and heed them; for I tell you, no such destruction ever was planned for the Earth as this; because it is the battle between Light and darkness. If darkness reigns, then mankind is destroyed. If the Light reigns, then mankind who remain are forever free.

Is there anything in human requirement that should stand in the way of mankind's opportunity to set all mankind free? Will you bear with Me tonight when I say to you, is there any human problem in the world that should stand between your mighty declaration of the Truth, your Mighty Decreeing for the Truth, for the Light, for the Power and Protection of America and Her people? Only the Cosmic Light and Its Infinite Power can save Europe now!

Oh! that Europe might have as many understand this "Great Presence" as America has! Then she would have a hope, and a strong one! But you today still have the opportunity, Beloved People of America, to harmonize yourselves, and allow the Powers of God, the "Mighty I AM Presence," to flood forth through you, amplified by the Great Host of Light who know no limitation; but take whatever energy you release, and amplify It with the Magnificent Majesty of Their Power and Presence without limit! Then do you not see that every single effort of yours is amplified by Powers of which you do not yet understand—and to the extent that you do not understand.

Therefore the opportunity is there to mankind to release now this energy from the human octave by which the Great Host of Light and the Cosmic Beings may bring

into Action to flood the Earth with Its Mighty Perfecting Power. And then mankind—notice! may have the Intelligent Direction by which they can be instructed how to meet the conditions that are yet to confront them. And remember, in official places, in governmental activity, is the need today to call the Powers of the “Presence” into action, that Divine Justice be done everywhere, and that every human being bows in Obedience before that “Great Presence” which gives them Life; that Its Power and Intelligent Direction may take command of all official places, and all political desire be wiped from the face of the Earth forever, and above all, be placed the Honor of America, the Honor of mankind. That is the need today!

You, in your precious efforts tonight, Children of this “I AM” School, may you forever hold before your memory That which you have established tonight. May It fill your Life and your world with that Beauty and Perfection which you have symbolized, and may every one of you feel It so intensely that That Great Perfection floods your being and world with Its Magnitude, Majesty, Power and Presence. And may one day all of America know that in this spot tonight was established the beginning of the Powers of the Unfed Flame to America and the Earth!

Do you know what it means to have the Purity of a youth called into Action and symbolize the Greatest Reality in the Universe, the Power of the Unfed Flame, the Giver of all Life? Remember, Beloved Ones, as you have read in *Unveiled Mysteries*, those Bodies, which have for century and century lain there in the Tetons, the Unfed Flame holding Life, Purity and Perfection in those forms that will one day rise into Action in the Powers of their long-forgotten use!

So tonight may you feel as never before the Glory of that Infinite Light and Presence that gives you Life; and

know that all that is spoken, all that is given forth, is but the Law of your Life—every one of you. You will see! Notice how definitely We take your attention away from anything that seems mystical or uncertain or beyond your understanding. Beloved Saint Germain has left nothing to guess at. He has made everything clear and powerful and definite to you. Apply It with Infinite Power and use. Today you are no longer dealing with uncertainties! It does not make any difference whether you have had the full answer to your Application or not—it has nothing to do with the Law; but I say to you, as the Messenger has said to you a thousand times perhaps: if you will continue to apply as directed, there is not one thing that can stand between you and the Powers, the Perfection of your “Presence” in action. Not one thing!

Therefore tonight I charge into your feeling world that Mighty, Infinite Power that holds you so strong in Its Mighty Embrace of Light that your Call shall be answered definitely and with great speed. If you will accept That which I offer to you tonight, then you shall have more and more quickly the Answer to your Call and your Freedom. You are not dealing with imaginary things. You are dealing with the Powers of Light and Their Infinite Action, and the Powers of that Glory which have so long been forgotten. I do not wonder the Messenger was touched so deeply tonight when He saw symbolized the Powers of Infinite Life which he knows so well, and suddenly felt that It was being brought into Reality once again. I do not wonder!

So tonight, Beloved Ones, try to feel that Infinite Power of Light enfold you—which it is My Privilege to give, and that is that Infinite Assistance to your Victory and Freedom. Feel It deeply, and let Its Powers act in your Life to give you such Courage, Strength, Happiness and Freedom that no longer will there be a question in your

feeling world concerning your Supply, concerning your ability to apply the Law, concerning Its Action for you. Try to feel, once and forever, serene in Its Action, and your Call to bring It forth quickly.

Will the Beloved Donna and David Lucas please come forward? Tonight the Great Law of Life takes command of these minds and bodies. Release from Thy Treasure-house that Limitless Supply of Money, Intelligent Direction, and all that is required in their great loving, sincere effort to bless the children of Earth; and in the Fullness of that Power, bring the Release of all that is required to ever expand this School Work, until all America knows and has the Power and the Release of the Ascended Masters' Instruction throughout the schoolrooms of America! May that Infinite Power constantly bless and fill their lives and efforts with such Joy and such Power and Courage, and the full, certain consciousness of their ability to call the Release from the Treasure-house of the "Presence" everything required. And may the Fullness of that response from mankind, at the Direction of the "Presence," bless the children of Earth with the Ascended Master Instruction once again, that has so long been forgotten upon Earth!

So We thank Thee, O "Great Presence of Life," that Thou art again raising up Thy Children in the Fullness of Thy Infinite Power; and may the Glory of that Light, the "Mighty Presence of Life," flood the mind, Heart, being and world of each one, and to Its Infinite Purity and Perfection, and glorify all with that Light forever sustained. We call that Blessing upon these Blessed Ones and their friends, and upon the Students and the teachers here; and We call that Infinite Light to enfold them, and the Release of the Treasure-house of the "Presence" for all required in the Service of the Light and Its Ever-expanding Activity, until

one day it shall have the most beautiful building for its children and the Ascended Master Instruction that has ever been on Earth. May that expand until the whole Earth becomes Students of the Ascended Masters and Their Light. We thank thee, O Blessed Children of Earth, for that precious Gift of thy Life's Activity, and the bringing forth of the Perfection of the Law. We thank thee.

We call the Infinite Power of Light to bless our Beloved Lotus with the Fullness of Its Love, and Its Light, and Its Blessings, and Its Power of Activity, for Her Limitless Service, Her Infinite Courage and Strength. And may that Service of the future be with such ease and grace that forever all strain be removed in that Service, and that Happiness and Joy fill her world of activity until the Fullness of Its Infinite Power reaches the whole Earth. We thank her and bless her for that amazing Service which she has rendered to mankind, and one day mankind will know how great that Service has been. We take this opportunity tonight to call Our Blessing to enfold her, give her such Happiness and Peace and Speed of Activity in all that is required, that it be done with ease, comfort, rest and peace.

And We thank all the Students everywhere for their Love and Blessings to the Messengers—oh, so Great! Never in the history of the Earth has such Love, such Kindness, such Loyalty, poured out anywhere, because the Heart of every sincere person knows Its Own. And the Messengers, knowing the Law, pass all up to that “Great Presence” and Power of Light to amplify and bless all with Greater Perfection. And so tonight, We thank Our blessed one, Our Beloved Lotus, for that Service and its ever-increasing Blessing to mankind.

Tonight, O Beloved Ones, in this sacred, charmed air, as it were, in a city of this population—to find a spot in which can be a Sacred, Charmed Circle of Light in which

all may rest in Its Blessing—I thank you for your Invitation; and the Blessings of My Visit to you shall never cease in your world. May you feel It daily in Its Strengthening Courage and Directing Intelligence, to keep you reminded and your feet firm upon the Pathway of the Light of your “Presence,” that It floods your being and world with Its Perfection. Kindly accept It, and let Us amplify It daily for your use, and not only your Blessing, but for all those whom you contact, and the spreading forth of that Radiance into the mental and feeling world of mankind.

I say to all of you, go on and on and on in your Mighty Decrees, that you may have that Blessing, that one day, ere long, you will come to know of what It has meant. Oh how wonderful it would be that you might suddenly realize what Tremendous Work has been done by those Mighty Decrees! I say to all the world, they who serve the Light earnestly and sincerely will ere long find the Light has turned to serve them, and then will all unhappiness, all limitation, cease from their world—every one. May all feel That and give such Obedience that It may come quickly into their world of action!

So We thank you tonight, Beloved Ones, with the Fullness of Thy Infinite Power to go into action to bless you as only the Light can do. Feel the Fullness of It take Command of you and your world! I thank you, Beloved Ones, with all My Heart, and may your Life become the Perfection of your “Presence” forever; and I thank you.

DISCOURSE BY
BELOVED KUTHUMI
THROUGH MRS. G. W. BALLARD
Chicago, Illinois January 2, 1955
= CD 200 =

Mrs. G. W. Ballard:

As the Beloved Kuthumi speaks His Heart to us, we ask our “Mighty I AM Presence” to bless Him, pour our Love to Him without limit, and thank Him for every effort He has made to help set mankind free, and to stand the Guard until they are Free.

Beloved Kuthumi:

Beloved Ones of My Heart, in bringing you Assistance today, and endeavoring to set you Free, We must begin the use of Greater Powers which We want you to use when it is safe for you to use Them. And in drawing forth more of the Powers of the Higher Mental Body into the use of the outer self, the Demand of the Cosmic Law is for greater Purity, that there may be the greater Strength by which those Powers are used only constructively. The Purity, in Itself, is the Strength and the Power of Protection for the use of the Greater Attributes and Powers from the Higher Mental Body into the use of the outer self; because those Powers have to come through the human intellect, and unless it is kept purified and free from pictures of impurity, it would impose those pictures upon the Greater Powers that the “Presence” releases. The same thing is true of the feeling world. Unless the energy in the feeling of the outer self is kept purified, whatever Love and Feeling the Higher Mental Body releases into your outer use to produce Instantane-

ous Fulfillment of your Calls, if that energy is not kept purified, then the Fulfillment of your Calls would contain the desecration and the distortion of what is in the energy of your feelings. So in using the Greater Powers of Life—which We so much need through unascended beings to help save the nation—it is imperative that the outer self of each one be compelled to be purified. Otherwise We cannot loan you Our Use of these Greater Powers which contain terrific energy, unless We know positively that the energy in your own feeling world and your own intellect is free from the pictures and the feelings of that which is of human discord.

Now people think it is not too important if they flair one minute and apparently go on easy the next. But My Dear Ones, do you know how distorted the photograph is if you photograph one picture on top of another? Can you use either one? Well, this is identically the same condition. If you want the Purity and Perfection and Master Control of the Higher Mental Body into your outer physical affairs, then the intellect must be free from wrong pictures and the acceptance of the limitations of the outer world; and your feeling must be free from the irritation and all the human feelings that are but a distortion of the feeling that must come through the picture if it is to live and become a physical condition.

So in entering into the Demand for the use of the Greater Powers of the “Mighty I AM Presence” in outer physical action to hold greater Protection around you, and to hold greater Victory for you in your business affairs, in any activity concerning your nation, and in all your outer activities, the paramount thing, My Dear Ones, is to purify the mind and keep it free from all pictures that are not the Pictures of the Perfection you want to act for you in the physical world. And the energy in the feeling must be kept

free from everything that is not the Purity and the Love from the Higher Mental Body. That is the Pure Life which you have to give into outer conditions if your Calls are to be fulfilled. And so if you will take a very firm stand to refuse to accept any pictures from the world around you of that which does not bless you with Perfection, and you refuse to accept any feelings from anywhere that are not the Eternally Pure Feelings from your “Mighty I AM Presence,” then it begins to clear the way for Us by your Conscious Command. Then We can intensify in and around you the Release of Our Power of Protection and Our Love to you, to carry you forward in very much quicker, victorious action in any outer activity that you desire to bring forth, so long as it be constructive and fulfills the Divine Plan.

Mankind hear these words, and the intellect comprehends a little of the Mighty Intelligence that has been released for their use, that they may have Freedom. And you have at times felt Our Love very powerfully come in and around you and settle a disturbance and hold you at ease for your healing, and for the accomplishment of your outer activities. But My Dear Ones, you have forgotten to use the *Forbidding Power* of your Higher Mental Body, your “Mighty I AM Presence,” that forbids the outer intellect to accept destructive pictures, and forbids the feeling to register any destructive feeling. You have got to control the energy of both the mind and the feelings; and when, every day, you rise up and use the Authority of your “Mighty I AM Presence” to forbid any imperfection to register in your mind or your feeling or your body or your affairs, if you forbid it entrance, then in a short time you can lock the door against anything touching your world that would cause you disturbance.

This is necessary in the use of many Powers that are

going to be required to handle situations in the physical, outer daily activity that will become very disturbing if you are not master of yourselves and the atmosphere about you; because I tell you with no uncertainty, there are forces within your borders that are determined to slay everything that is of the Christ, determined to desecrate everything that is right. Now those unfortunate individuals whose accumulation of evil, whose criminal insanity—and unfortunately, they are in positions of trust from the people, and by their frightful deceit are desecrating everything within your borders that is of God—so we need every one of you purified and strengthened and controlled as powerfully as possible in order to release these Powers of Protection and Greater Perfection in and around you, that you may hold Them as an Anchorage of Safety for others of the outer world who are trying to do that which is constructive, and who want to, but who are constantly interfered with by these destructive creations. And so you become a guarding Presence for the nation as well as a greater guarding Presence for yourselves as you demand This which We have called to your attention. And I assure you, We will give you every possible help to make you as pure and as strong as possible as you take your stand and use the Forbidding Power of your own “Blessed I AM Presence,” and exert that Authority over the conditions in the world about you.

If I were you, I would take a strong Command to this effect at night before you let the body go to sleep. You can forbid those destructive suggestions coming near the body or touching your mental or feeling world; and if you will give a sharp Command at night before the body goes to sleep, that not only will register in the energy of the body and the atmosphere about it, but it makes a very intense record in your Etheric Body and your feeling world, your emotional body, as you leave the body in sleep. And

GODFRE, OUR LOVED ONE ASCENDED

LOTUS, OUR LOVED ONE ASCENDED

that becomes a Protection for you wherever you are going during the hours the body rests. It repels destructive suggestions in the atmosphere of Earth, both against your mind and against your feeling; and it enables you to feel more and more your master authority, and the right of control that you have over all conditions that affect the body or the affairs of your outer activities.

Now in a wider degree, you can do the same thing in your Decrees for the nation. You can call to Us to forbid these forces to touch your people or your land. That Great Command has got to go forth to Life. We are the Focus of the Sacred Fire that faces those destructive conditions and forbids their approach, but you need to *call Our Forbidding Presence of such Blazing Light that no destruction dare approach. Call the Forbidding Presence of Our Sacred Fire to blaze with such intensity that no destructive force can approach your borders or your land, or the atmosphere over your land.* We are not afraid of the hordes of evil, and Our Sacred Fire, I assure you, is a very Powerful Warning to them to return to their cause; for they can't pass through.

We have been watching this for a long time, and if you will begin to use that phrase, *"I AM" the Forbidding Sacred Fire of the Ascended Host that forever drives back everything human from my being and world*, I tell you, Precious Ones, We can set into action certain Powers of the Sacred Fire to simply abide around you, and the moment something destructive would try to approach, there would be a flash of Flame go out, and they wouldn't approach any nearer. In fact, most of them would cease to be.

So I trust I may help you with this as you enter into the fierce determination to forbid anything in your mind, forbid anything in your feeling that is not Our Invincible Victory of the Sacred Fire and Our Perfection of your Eternal Freedom. You move into outer conditions and issue

these Commands at night before you go to sleep, and repeat them in the morning when you awaken, and you will be surprised at the Perfection each day will yield you as you do this as a matter of habit. And even in the middle of the day, if something occurs, you take this same Command: "*I AM*" *the Forbidding Sacred Fire of the Ascended Host of Light, and this shall not be!*—whatever it is that be destructive. You use That, and if you happen to see the Sacred Fire, or something else does, be unconcerned. The Sacred Fire can't hurt anything that is right, but It can certainly prevent the approach of that which is wrong!

So may you *be* the Forbidding Presence of the Ascended Masters' Sacred Fire blazing around you Its Command to Life, and wherever you abide, establish That, and recognize It, and use It, and demand Its Expansion for your Victory and the Freedom of your nation. This can be called forth around your Blessed Ones in the National Defense. And try to recognize that as you use the Blue Flame Presence of the Master Jesus, that you qualify It as the *Forbidding Presence of the Cosmic Christ*, to prevent the approach of that which is destructive. It will be a Powerful Protection to you all, and it is not difficult to remember. You will soon feel a tremendous uplift and a greater release and feeling of your own power as you use It to hold greater Protection around you while the Power of greater Purity increases within you.

As We go forward, I trust various Powers of your Higher Mental Body may be drawn into your outer daily activities—of which you will be completely aware as It controls conditions around you and holds you undisturbed by anything that you contact. We want to increase this Protection and your awareness of the Greater Powers from your Higher Mental Body that We want to bring forth now, to blaze Greater Light within the nation, and to forever compel

the destructive forces that have intruded themselves to face their own annihilation. May you feel the Love of Our own Invincible Command to Life enfold you. And I bear to you the Love from My Beloved Brother Morya, in the Fullness of the Authority that is His; for He is every inch a Commander and a Forbidding Presence to the hordes of darkness that have felt His Power of the Blue Flame—many times to their complete Annihilation. I bear to you His Love for your Protection and Freedom, as well as My Own. Thank you so much.

THE UNFED FLAME

THERE IS MUSIC IN THE UNFED FLAME IN
YOUR HEART, IF YOU WILL LET IT SING
ITS SONG OF THE LIGHT TO YOU.

Beloved Goddess of Music "Voice of the I AM," March, 1944

THE LIFE-GIVING ESSENCE

Beloved Godfré: In the description of the Unfed Flame in *Unveiled Mysteries* in the Chamber of Light in the Royal Teton, you will find It described with Three Plumes, which is the Life-giving Essence. The use of the Unfed Flame was also given in the buried city of the Amazon, as described in *Unveiled Mysteries*; also in Atlantis, before the sinking of the last remnant; also in previous civilizations of about two hundred thousand years ago. At that time, the Flame which was used was the shape such as you use it now, for instance, in the candle flame, only considerably larger. That is the

shape of the Flame you should usually use in representing the Unfed Flame.

If you choose to establish the Unfed Flame in your home in a place which is not disturbed, then use the Activity of the Three Plumes. For a specific Activity for yourself, your family or affairs, if you wish to call the Unfed Flame into use, It should be the shape of an ordinary flame from a candle, only larger. When I want to use or establish the Life-giving Activity of the Unfed Flame, for instance, in a home, or for our own rooms during our stay of four or five weeks in a city, then I establish the Flame as a permanent Life-giving Activity. But for use of the Dynamic Action of the Unfed Flame, use the Flame as you see it from the candle. That is why I am explaining it to you for your use.

There really is a twofold Activity of It. This is another point I want to make clear. If you use the Three Plume Activity of the Unfed Flame, wherever you establish It, ask the "Mighty I AM Presence" to sustain It. You need give no further attention to It, because It will come forth and pour out Its Radiance. But in the use of the Unfed Flame such as goes forth from the candle, for any constructive use, such as to direct It into your mind, body or activity, you will find you can speak to that Flame as you would to a person, and ask It to perform a Service.

I urge you, whatever you do, don't call the Unfed Flame into action unless your feeling is absolutely harmonious. Don't do it! It is the most Powerful, Concentrated Action of the Godhead on Earth! Dear Hearts, do you realize your privilege? The Ascended Ones have given this forth to you for your use. This was never known before in the history of the outside world under any circumstances. You see, Dear Ones, there is nothing to fear about Its use. Just know you must keep your feelings harmonized immediately before and after calling It into action; then you have

obeyed the Law. You know the Law and know the necessity of controlling yourselves. You can if you want to, Dear Hearts. Don't let any human being ever tell you that you cannot do anything you want to do!

Precious Ones, you have now entered into the Activity of the Light, which is your Freedom, and this is the Highest Activity that Saint Germain has permitted to come forth. It is for your Absolute Blessing, use, and All-Powerful Action; and yet, I know, sometimes, in the feelings of unbelievers and doubters, they think that This is an imaginary thing. God help them! The most wonderful thing in the world ever given to mankind is the use of that Unfed Flame! Many of you will come to know the Truth of which I am speaking tonight as you come to visualize It and begin to see It almost as definitely as a physical activity. When you find that Flame will obey your slightest command, then you will know It is no idle thing!

As the Great Ascended Masters pass a flower or tree, that flower or tree will bend toward Them because of the recognition of its Master. So does every created thing bow before that Mighty Unfed Flame. The sinister force is as afraid of It as they are of death! That is why, if mankind, or individuals who are disturbed by discarnate entities, would only understand this and give one firm Command of the Power of the Three times Three or the Power of the Unfed Flame, they would instantly free themselves from any discarnates in the world—or all of them.

You blessed ones who have joyously and willingly entered into the Requirements of this Activity, Saint Germain wants you to have the full use of these things, and the full Understanding of them.

WINGS OF THE COSMIC FIRE

Beloved Goddess of Purity: The purifying process of the brain structure comes about through the Higher Mental Body pouring forth Its Cosmic Flame of Purity through the pineal gland. That is what takes place from within your own Life Stream. But the Flame of My Purity within the forehead pours Its Flame in every direction through the brain structure to meet the Expanding Flame from your own Life Stream. As the two become One, the Energy which your Higher Mental Body pours forth into your brain structure becomes clothed for Eternity with the Flame of Cosmic Purity which "I AM." It is My Privilege to pour the Flame of My Love and Purity into the atomic structure, wherein abides the Unfed Flame of God's Heart. In feeling the intensifying, expanding Power of My Love and Light within the brain structure and enfolding your physical forms like a Sevenfold White Flame of Blazing, Dazzling Brightness, the Unfed Flame within each Heart is given greater Freedom to expand through the atomic structure of the body, to reach up and become One with the Sevenfold Flame in the forehead. As that Unfed Flame rises, passing through the Flame at the throat and entering in through the All-seeing Eye of God into the Sevenfold Flame of the forehead, the Unfed Flame within the Heart rises into the central Three Plumes within the forehead, clothed by the two on each side, which become Wings, as it were, of the Cosmic Fire, to forever expand and hold Its Balance everywhere It contacts substance and energy.

"Voice of the I AM," December, 1945

THE FATHOMLESS BEING OF THE UNFED FLAME

Beloved Godfré: That Glorious “Presence”! My Dear Ones, do you know, your “I AM” Presence is Fathomless! Your own individual “Mighty I AM Presence” is the Fathomless Being of the Unfed Flame from the Great Central Sun! You have never yet fathomed just what a wonderful Being your “Presence” is! *“Voice of the I AM,”* September, 1946

YOU ARE THE UNFED FLAME

Beloved God Tabor: Now we come to the main point of Power: You are not these bodies! You are not the problems of your world! You are an Unfed Flame from the Heart of the Great Central Sun. You are a Being of the Fire Element, clothed in a Body of Light Substance, traveling through this physical world with an overcoat of the atomic structure. Within the Unfed Flame in your Heart, and within the Sevenfold Flame of the Seven Mighty Elohim in your forehead is located the Authority of the Universe—the Authority of the Sacred Fire from the Great Central Sun. You are endowed with the Threefold Flame of Love, Wisdom and Power in your Heart. You are endowed with an Individualized Flame from each one of the Seven Elohim in your forehead. The Light Pattern of your outer identity is composed of Pure Etheric Substance of Light. You are the Unfed Flame. That is the Being which says “I AM”! That is the Authority from the Great Central Sun which you accepted, and whose responsibility, you accepted as a Co-worker with that Great Central Sun, to outpicture Its Plan of Beauty and Perfection in this world wherever you pass by, or to all to which you direct your attention. ...

The Unfed Flame in your Heart must someday become One with the Sevenfold Flame in your forehead. Then you, as a Being of the Fire Element, ever expand that Flame, until you stand forth a Sun of Glory, the center of a system of worlds upon which mankind embody—not the mankind of this world, but other Beings from the Central Sun who will take embodiment to again fulfill the Divine Plan of Perfection which you command to come forth. ...

When you say, *"I AM! I AM! I AM!"* by all of God's Love I know *"I AM THAT I AM,"* you are acknowledging that you are the Being of the Unfed Flame, the Being of the Sevenfold Flame of the Seven Mighty Elohim—a Being of the Fire Element from the Great Central Sun, the Master Element of Creation. That is the Authority of the Universe! When you are an Open Door through which It can flow at your Command and Acknowledgment, then you can release the Power which compels the consuming of all problems from your world, all limitation from the rest of mankind. Then you are the Authority of the "Light of God that never fails." Will you please, whenever you seem to feel that human authority pressing heavily upon you in the outer, stop a moment and acknowledge your God Authority? Call for the annihilation of all human authority from this Earth, and then acknowledge your Divine Authority of the Sacred Fire: *"I AM, I AM, I AM,"* by all God's Love I know *"I AM THAT I AM,"* a Cosmic Being of the Unfed Flame and the Sevenfold Flame of the Seven Mighty Elohim, which commands the Annihilation of all human authority! *"I AM" the Authority of the Sacred Fire, commanding the Divine Plan fulfilled here, by the Cosmic Love of Protection and Perfection which blesses all!*

Acknowledge your Divine Authority! Command and compel all your feeling to be released into the Management of your own "Mighty I AM Presence" and Higher

Mental Body, and into the Ascended Masters' Octave, and you will move forward in your acknowledgment of the Cosmic Flame of Cosmic Obedience, which will hourly outpicture the Divine Plan Fulfilled.

"Voice of the I AM," January, 1945

PROMISE TO LIFE

Beloved Mighty Helios: You are not the beings of limitation you have so long accepted yourselves to be in the past! You are not the atomic structures of these bodies! You are the Unfed Flame from the Great Central Sun whose Promise to Life—to fulfill Its Divine Plan and Outpicture the Fulfillment of your Destiny—was given in the beginning by your Vow to the Source of this Universe. That Vow must one day be fulfilled through a physical form. When you give a Promise to Life, Life holds you to that Promise, even though it takes aeons of time for Its completion. The reason for that is, when there is a desire within any part of Life which is held within the Fire Element, that desire is always for Eternal Perfection. Therefore It is the Eternal Authority, therefore Ultimate Victory; and the Destiny of the Fulfillment of that Divine Plan is Absolute and Irrevocable.

These atomic bodies in which your Unfed Flame stands clothed this hour are really no more than a thin veil of substance, so far as We are concerned. We see every desire of your Hearts. We see every wave of the Expansion of your Light. We see you longing to free Life from human qualities, and if the attention of an individual has been held upon any Cosmic Being who directs the Fire Element, that individual will be as surely clothed in the Flame of Love from that Being as the Universe exists. It cannot be otherwise! We give of Ourselves, and We who are the Authority

of the Fire Element send forth that Flame in whatever intensity and quality is required to fulfill the Divine Plan through all Life whenever the attention comes to Us.

"Voice of the I AM," May, 1945

THE THOUSAND-PETALLED LOTUS OF PERFECTION'S FLAME

Beloved Saint Germain: Now let Me show you how We expand your own Life's Flame to the point of Mastery. Many times you have seen people who make artificial flowers start with a little center, and then they sew one petal on, and another petal, and another petal. They build that, don't they? You have seen people make artificial flowers. Well, to Us, you are quite similar! Your own Life Flame within the Heart is the beginning of the Thousand-Petalled Lotus of your Life Stream. As you give that Flame recognition and consciously command It to expand through yourselves and your world the Fulfillment of God's Divine Plan for you—and the Victory of your Perfection and Freedom in your own Life Streams begins to take place—when We see the struggle of that Flame to expand through the flesh form, then in your Calls to Us there can come to enfold that Flame another Flame, which is Our Love. Uniting Our Love with yours, and Our Demand for the Perfection of Life to be expressed through you to fulfill the Divine Plan, every time you send a Flame of Love to enfold your own Life Flame, down comes another Flame from your own Higher Mental Body. That is how the Unfed Flame in every Heart eventually becomes a Thousand-Petalled Lotus of Perfection's Flame. You, standing within That, enfolded in your Higher Mental Body, become the Jewel in the Heart of the Lotus. There is a definite mechanical design and a definite mechanical action within the Flame of your own Life Stream.

BELOVED SAINT GERMAIN, JESUS, GODFRE, NADA, GREAT DIVINE DIRECTOR, MARY, THE MOTHER OF JESUS, AND ARCHANGEL MICHAEL! THE POWERS OF NATURE AND THE GREAT BEINGS WHO DIRECT THEM! THE SEVEN MIGHTY ELOHIM, THE SEVEN MIGHTY KUMARAS! THE SEVEN MIGHTY CHOHAHS! THE GODS OF THE MOUNTAINS, THE MIGHTY MAHA CHOHAN, MIGHTY CYCLOPEA, SILENT WATCHER AND LORD MAITREYA!

Concentrate, sustain and increase It each day, and make It visible to the physical sight of all mankind! From It, draw forth whatever I require to expand this Ascended Master “I AM” Activity, Victory, Light, Freedom, Divine Justice, Protection and Perfection throughout America and the world! And to fill my being and world and all under this Radiation with every good thing, until we are all wholly Ascended and Free!

Through that Unfed Light, blaze forth the Unfed Flame in whatever Power is required to overwhelm all that is not constructive in mankind, the Earth and its atmosphere forever; and flood Ascended Master Miracles of Perfection everywhere we go forever, and to all to which we direct our thought, feeling or attention!

Compel the Power of Instantaneous Precipitation, Etherealization, Levitation and Transportation to come

forth from Our Crystal Cups into the use of all those under this Radiation who will use them only as the Ascended Masters do!

Beloved Jesus, pour forth all Your Power of the Open Door which no man, no human creation can shut, and annihilate all doubt, fear, lack, hate, anger and discord from our beings and worlds forever!

Beloved Goddess of Light! Pour forth all Your Power of the Three Open Doors into the Ascended Masters' Octave of Light, and the Power of the Inner Chamber, to enfold all under this Radiation forever!

All Great Beings and Powers of Light! Compel such Overwhelming Miracles, Victory, Freedom, Supply, Healing, Protection and Perfection to come forth through Saint Germain's Focus of the Unfed Light in our Crystal Cups, that they compel all that is not of the Light to be consumed this instant, and the Authority of the Light to take Its Dominion in all forever, and compel God's Divine Plan for all mankind to be fulfilled forever!

7

I DEMAND my “Mighty I AM Presence” make me FEEL Its Immortal Freedom! Make my outer—all the energy of my world—feel the Eternal Freedom of the Mighty Saint Germain! Make me feel the Ascended Masters’ Freedom! Make me feel what Cosmic Freedom means to Life, Right Now, this instant and forever!

“ALMIGHTY I AM”! (3)

I DEMAND to know what the Ascended Masters understand, and know that Great Immortal Love of the Victorious Christ! “I AM” clothed in Beloved God Tabor’s Mantle, which is an Armor, a Light, a Presence, a Power, an Activity, a Living Flame, to be a Companion for me!

“ALMIGHTY I AM”! (3)

12

“BELOVED MIGHTY I AM PRESENCE” AND MIGHTY KUTHUMI! “I AM” a Sun of the Blazing Power from the “Mighty I AM Presence,” the Ascended Host, and the Cosmic Light, to lift all Life into Greater Freedom!

“ALMIGHTY I AM”! (3)

13

“BELOVED MIGHTY I AM PRESENCE”! I DEMAND the Blazing Violet Sun Presence of Cosmic Violet Flaming Heart Control come in and around this nation! Then through my continued, sustained Call, It goes forth and enfolds the Earth!

“ALMIGHTY I AM”! (3)

14

I DEMAND this Violet Flaming Sun Presence of the Victorious Cosmic Christ be drawn in and around individuals or groups of individuals, nations and the world, and set into Cosmic Action with ever-increasing Power, until It dissolves and consumes everything unlike the Perfection of the Ascended Masters' Octave!

“ALMIGHTY I AM”! (3)

15

“BELOVED MIGHTY I AM PRESENCE” AND BELOVED MIGHTY K-17! I DEMAND Cosmic Illumination come forth ahead of time! And I demand there is nothing hidden that is not revealed to me ahead of time which I need to know to keep me disconnected from all destructive conditions and activities that are ever in the world about me!

I DEMAND Cosmic Illumination, Inner and Outer, so intense about me that It always keeps me disconnected from everything that is destructive!

“ALMIGHTY I AM”! (3)

16

I DEMAND the Activities of the Cosmic Light converge and render a Service in the atmosphere of Earth, which intensifies in the mental and feeling world of the mass of the people, and reveals the wrong activities of the sinister force, and the hordes of evil which have kept mankind enslaved!

I DEMAND Cosmic Light Substance come into the mental and feeling world of all that lives, and force the Illumination that destroys the hordes of evil forever! REVEAL THEIR HIDING PLACES AND COMPEL THEIR POWER REMOVED!

“ALMIGHTY I AM”! (3)

17

I SEND MY LOVE to the Legions of Cosmic Christ Illumination, and ask Them to guard my world against all that is of the hordes of evil! I DEMAND the Sacred Fire be drawn in Its Concentrated Action in and around me and my world, and I abide in Its World of Perfection forever!

“ALMIGHTY I AM”! (3)

Ascension Decrees

18

THROUGH THE “BELOVED, INVINCIBLE MIGHTY I AM PRESENCE, WHICH I AM”! EVERYWHERE PRESENT! I DEMAND that the Public Ascension, as It took place with the Beloved Master Jesus and the Beloved David Lloyd, now become the Law of the incoming cycle, so mankind is compelled to see the Attainment of that Victory!

“ALMIGHTY I AM” (3)

19

“BELOVED MIGHTY I AM PRESENCE” AND GREAT HOST OF ASCENDED MASTERS! I DEMAND the Cosmic Law’s Demand for whatever Obedience is required to give me the Ascension and my Complete Mastery over things in this world, that the Cosmic Law Itself becomes my Immortal Protection against the acceptance of anything but the Joy of Its Love!

“ALMIGHTY I AM”! (3)

20

“BELOVED MIGHTY I AM PRESENCE”! CHARGE our Pageant of “I AM” COME! and all the preparation for It this coming year, all that we are to do now, and all that we leave in the community, with the Great Cosmic Law’s

Immortal Love, Victory and Happiness of the Attainment of the Ascension. May this be focused in and around our Amphitheater, Shasta Springs, and the entire locality, and remain there and gather the Momentum for next year's Presentation, and remain as a Blessing to those who come to behold It!

“ALMIGHTY I AM”! (3)

21

THROUGH THE “BELOVED MIGHTY I AM PRESENCE WHICH I AM,” AND THE INVINCIBLE, FIERY VICTORIOUS HAND OF THE COSMIC CHRIST! I enter into the Feeling of Happiness and Determination to have my Ascension at the close of this embodiment; and until then, I live in the Love and the Happiness that Obedience to the Cosmic Law will bring me as It clothes me in the Mastery of Itself, to finish my Service here to the rest of Life, and go forward with the use of Greater Powers that belong to me!
