

Beloved Goddess of Justice

For just a moment while you are standing, I wish to thank you. And will you accept the responsibility—at least say to yourself; you need not say it aloud, but you can say to yourselves—“I take the responsibility of returning America to God! Thou Cosmic Christ Flame of Eternal Authority, clothe me with Yourself, with Powers mankind know naught of! Reveal to me the Secrets of Eternal Dominion, and blaze Their Victory to assist the Land I love!” Say this to your “Presence” and to that “Great Presence” in the Great Central Sun known as the Cosmic Christ. And as you demand that Its Flame flood and charge into your beings and worlds the Perfection that honors God, will you find yourselves truly returning the Nation to that which drew It forth. In that Service will there come to you Friends of the Light and those who will assist you to render that Service that none can give unless they take this responsibility. . . .Wherever you move, call that Flame into outer action. In other words, it is as if you reached your hand out to a condition or an individual or a location—as if your hand became a Flame and wrapped it around that to which you are giving assistance and lifted it back into the Possession of the Cosmic Christ. That is the Authority I want you to feel. Then you become a Balancing Force wherever you move.
