

## *Our Beloved Messengers Mr. and Mrs. G.W. Ballard*

### *Beloved Godfré Speaks*

*Beloved People of America, do you not understand that the moment you allow discordant feeling to enter your feeling world, you are opening your world to the destructive forces. And that's all that it wants—is to get you disturbed so that you can't call the Great Powers of Light into Action to set yourselves and America free.*

*I call to the people of America as never before, that the power of every honest, sincere American will assert itself, and in the Power and Glory of God Almighty, call forth that Almighty Power of Light that will eventually release the Great Cosmic Light that will sweep every selfish, destructive force from America and the Earth forever!*

*Beloved People, (applause) even in the face of conditions, Beloved Ones, there is naught to fear in the world. There is only one Power that can and will govern; and at your Call, that Power of God Almighty, the "Mighty I AM," the Power of Light's Eternal, Self-luminous, Intelligent Substance will release at your Call and render that Service to mankind; and It shall be forever sustained.*

*Remember that you have at your assistance today the Glory as never before released through the Powers of Earth. Therefore, you have, through your Call to God the "Mighty I AM," the Ascended Masters, the Legions of Light, the Cosmic Beings and the Great Cosmic Light that will send forth Their Mighty Power of Light Rays to dissolve all conditions that beset mankind today—individually, your city, state, and Nation.*
