

## THE ASCENDED MASTERS SPEAK ABOUT VENUS

**BELOVED MIGHTY VICTORY:** *If you could only see the Perfection which is on the other planets of your System! Oh, Dear Ones, in Our Homes on Venus, everything acts with such precision, such Divine Order; and our children ten and twelve years old naturally perform so-called miracles or a service equal to many of the unascended Masters on this Earth today. That is because great Purity, Perfection, and Understanding of Life are there.*

Volume 9:75

**BELOVED MIGHTY VICTORY:** *When you hear Us speak of the Fiery Love from Venus for the Violet Consuming Flame, It is the momentum of Our Love to that Violet Consuming Flame—and Its Love back to Us—that has produced the Manifestations on Venus that are so wonderful; and one day the Earth must be purified and beautified and perfected likewise.*

**BELOVED SANAT KUMARA:** *We stand by His Side! [Beloved Saint Germain's] We offer every Activity from Venus into His Service; and We stand the Guard over His Family of Freedom, His Family of the Violet Flame. So if you will accept tonight Our Armor and Our Miracle Mantle of all the Sacred Fire from Venus necessary to fulfill the Great Divine Plan for you and this Nation, you will give Him tremendous assistance; and you will allow Us to draw in and around you that which will ever bless you and will be part of the Raising Activity that gives you your Ascension.*

**BELOVED ARCHANGEL MICHAEL:** Therefore, be at peace. Rest at ease in your Almighty Application until such time as the Wisdom of the Great Ones sees fit to bring further Activity which will give you the assurance of all that you have been—if you care to look upon it. You will also see the future activities of America. You will see the Glory of the Radiance from Venus and receive Her Visitors as you receive your friends. When the Earth is perfected enough, Venus will be in constant communication and Her people will exchange visits with you, make no mistake about it! *The Voice of the “I AM,” 39.5:9*

**BELOVED SANAT KUMARA:** They [the Seven Mighty Kumaras from Venus] are very Real Beings, and so am I! I stand above this building pouring the Streams of Light Substance and White Fire into the room, into your Life Streams, and into the substance of the building to spread Its Radiance throughout the city and then throughout the state, and go on with the Outpouring to the Nation. *The Voice of the “I AM,” 81.12:17*

**BELOVED SANAT KUMARA:** If you will make the Call, I will appreciate the Open Door through which We may anchor into the West Coast of the Americas the assisting Power from Venus, the Love that brings Protection and Help to hold the Blessings for you that you’re going to require and that need to be protected for your Land. Venus ever awaits every opportunity to bless the people of Earth with greater Love. The Angelic Host ever bear that Flame to anchor It into all the energy wherever there is an opportunity to call It forth, until by the use of Our Heart’s Flame of Love, We may requalify all the energy in this world as that Eternal Love which has produced such Perfection on Venus for so long. *The Voice of the “I AM,” 93.1:24-25*
