BY THE ASCENDED MASTERS AND THEIR  
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

---

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

**BELOVED SAINT GERMAIN SAYS:** “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

## BELOVED MIGHTY SANAT KUMARA

Beloved of Our Hearts, I trust I may make your way easier tonight as We draw forth from the Great Central Sun the Powers that you require in the physical world to stand against the human creation that has been generated here by mankind. And this which We offer tonight for your greater mastery in the physical world is the use of not only the Authority of the “Mighty I AM Presence” and the Ascended Masters’ Consciousness, it’s more than that. This which We offer you is the accumulated Wisdom and Manifestations that We have drawn forth in former ages to overcome destructive conditions that mankind has generated, but which had to be consumed.

Now the Wisdom that mankind requires is not only the knowing of the right thing to do under a certain set of circumstances. The Wisdom We refer to is the Demands of the Cosmic Law in the Great Central Sun for the use of the Sacred Fire that produces Perfection everywhere It goes the rest of Eternity, and must forever expand It. It is one thing to know the right thing to do, and it’s another thing to have the Power to do it. But this to which We refer is the Master Plan of Creation in the Heart Flame of the Great Central Sun. It’s in the Heart Flame of every planet in existence. It’s in the Heart Flame of the Physical Sun and the Great Central Sun; and therefore, when We offer you the use of Our Experience in the past when We have had to consume mankind’s discordant creation, certain things took place which We had to bring about in order to stop mankind creating more and more destruction.

You must know ahead of time in outer world conditions. When destructive forces are planning greater and greater

destruction, there must come within you the Ascended Masters' Consciousness that sees ahead of time what to do to prevent the destruction intended. This is part of your own Protection as well. So this is the insight and the foresight that your intellect needs—to know what is the right thing to do ahead of time to prevent the destructive forces doing what they intend. Many times when people know something is planned, and that it is vicious; but they don't understand what must be done quickly enough, and ahead of time, in order to prevent what otherwise would destroy perhaps themselves or a great deal of that which is constructive.

Mankind needs wisdom, but it needs the Wisdom of the Ascended Masters and the Great Cosmic Beings in the Central Sun who have had the Wisdom and who have used the Wisdom that has designed, created, sustained, and expanded this System of Worlds. And that is the handling of forces in physical manifestation that everyone needs to understand. When you begin to use the Sacred Fire Power which We direct in order to prevent destructive conditions being generated or destructive plans being accomplished in outer manifestation, you must look ahead of time, and *ask for the Cosmic Illumination of what the Ascended Masters know will prevent that occurring in the quickest, easiest way and in the most powerful way that destructive forces cannot oppose.* You must have Power. But the Wisdom to know ahead of time what is the right thing to prevent wrong many times is lacking in people in the physical world, and they are caught in destructive conditions because they did not see ahead of time and do that which was needed to prevent destruction striking.

Now this has much to do with the control of the Powers of Nature and Forces of the Elements. When you know that

certain destructive forces are planned—and certain destructive plans are being manipulated every day and being expanded every day in certain outer world channels to create as much destruction as possible—when you know that, then there must come the use of the Ascended Masters' Consciousness, the Ascended Masters' Wisdom, and the Ascended Masters' Power, the Blue Lightning Power of the Victorious Cosmic Christ that strikes ahead of time and prevents what the sinister force intends by repelling the destruction back into its own cause.

Now the Sacred Fire Love which We direct doesn't contain one destructive rate of vibration. Therefore, when you *call forth the Ascended Masters' Sacred Fire Power that flashes ahead of time whatever is necessary to prevent destructive forces accomplishing their end*, you will many, many, many times, prevent destructive forces producing conditions in the Powers of Nature that otherwise you would have to face. There must be taken out of the hands of the sinister force the diabolical, insane destruction of the Powers of Nature and Forces of the Elements. You need Ascended Master Power of the Wisdom of what the Ascended Masters know can be done ahead of time to prevent the destruction of the blessings of the Powers of Nature that serve mankind so graciously.

When mankind's food and existence depends on the constructive activities of the Powers of Nature, then they must be protected for the use of those who are to embody here. Therefore part of that Protection is your responsibility if you expect to live here in the future—and many of you will. Therefore it is your responsibility to *call the Ascended Masters' Power of the prevention of the destructive forces interfering with the blessings that the Powers of Nature have*

*a right to give you, that you have a right to use, and that are part of the Fulfillment of the Great Divine Plan. And this protects much that you call supply. And that doesn't mean just money. It means the supply of anything you're going to require to sustain yourself by the Powers of Nature in the physical world while you are embodied here.*

Therefore, it is everyone's responsibility to sometime each day *call forth from the Great Central Sun what the Ascended Masters and Cosmic Beings know is Power enough to prevent the Powers of Nature being desecrated and destroyed before they give their blessings to mankind.* This is a very important point, and Love must hold Command if the Powers of Nature are going to continue to give their blessings to those who embody here, that they may attain the Ascension. And only when the Powers of Nature that bless mankind so greatly are held protected by the Ascended Masters' Sacred Fire Love can they be taken out of the clutches of destructive forces.

So this is very far-reaching; and to some degree, it is not known in the outer just how destructive some of the conditions of war have become in the Powers of Nature and Forces of the Elements. There are certain Activities which We control in the crust of the Earth, and through Them We can draw Power without limit to control anything when We need to; and it is part of the use of this Power to which I refer. So when you want the Powers of Nature that are constructive and you want to protect them, *call forth the "Mighty I AM Presence" and the Ascended Masters' Powers from the Great Central Sun that control the Powers of Nature that affect the whole System of Worlds.*

There are Cosmic Forces in the Great Central Sun that pour forth Their Light Rays and Their Radiation to keep in

balanced action every planet in the system on its axis and in its orbit. There are great Cosmic Currents of the Light and the Love from the Great Central Sun that hold balance in the system in order for the system to survive and stay in its appointed place in space. But you, once knowing of this Power of Control in the Great Central Sun, by your Love can call forth this Power without limit to bless and protect every blessing the Powers of Nature give you—if you'll do it ahead of time. And this is what We are hoping for. (*applause—audience rising*) Thank you so much, and won't you be seated, please, and just remain so.

It is not necessary to know the details of every destructive thing that the hordes of evil intend. On the contrary, keep your attention off of it and go directly to your “Beloved I AM Presence” and the Great Central Sun and ask for what the “Mighty I AM Presence” and the Ascended Masters and the Cosmic Beings know—what We know is necessary to protect every constructive activity in the Powers of Nature and Forces of the Elements, and to prevent whatever the hordes of evil intend.

Call forth the Power from the Great Central Sun—the Power of Sacred Fire Love that prevents destructive forces misusing the powers and blessings of Nature. These things must be protected by Our Sacred Fire Love. And the Power in the Great Central Sun of that Love is past the comprehension of the intellect of man. But It's yours to use since We offer you Our Use of Our Ascended Master Consciousness. When We offered you Our Use of Our Power of Love to protect everything that is constructive in the Powers of Nature and Forces of the Elements, then, Beloved Ones, it becomes your responsibility to use those Powers and call Them forth regardless of whether you think they need it or not.

There is so much destruction going on all the time of the Powers of Nature and Forces of the Elements in mankind's daily activities, that those of you who know this Law can call forth Blessing and Protection and Control and Power without limit from the Great Central Sun if you will realize that that is Sacred Fire Love. That Power that protects the Powers of Nature is Our Love. It isn't a fight. It isn't a thing to destroy. It isn't a thing that is used to battle. The Power of Protection in the Great Central Sun that is drawn forth to hold control of the Powers of Nature and Forces of the Elements is the Sacred Fire Love of the Great Cosmic Beings who govern the whole system.

Now the Lords of the Flame from Venus use this Sacred Fire Power all the time to produce Perfection on Venus. And since We offered you Our Use of Our Ascended Master Consciousness, then when We make you aware of what Our Love can do and what Our Love is doing all the time everywhere else in the system, We can pour enough Love into you to be the Protection to the Powers of Nature and Forces of the Elements—if you care to bless them as a matter of habit in your daily activities. Just bless and bless and bless all the Powers of Nature and Forces of the Elements with the Sacred Fire Love of the Lords of the Flame from Venus, and let Us show you what Our Love can do to protect them for you! (*applause*) Thank you.

You haven't a fragment of an idea yet of what Sacred Fire Love can do for you. There are words that convey to your consciousness a certain amount of understanding; but only when you begin to use that Power in everything in manifestation to control manifestation and to correct what's wrong and to create what's right and take its place—only when you begin to use It do you become aware in the outer

self of just how wonderful It is. Because It contains all of everything you could ever want or ever use, whether it be in the creation of a world or a System of Worlds or a Sun or a System of Suns or anywhere in anything in interstellar space.

It contains all of everything you can ever comprehend that is of Perfection and the Blessing of everything in infinite space. This Love must become alive in mankind in order to purify the people and raise them into the Ascension. This must come not only within the consciousness of the intellect, this must come as an understanding in the feeling; this must come within the Heart Flame of every unascended being in order to expand the individual's own Heart Flame, so It can release Its Mastery over the physical flesh form and purify it enough so it can attain the Ascension.

This same thing takes place in the Powers of Nature for the Ascension of the world itself. So when We have offered you the Power of Our Love, It is no figment of anybody's imagination. This is Power such as mankind has never yet comprehended. What you know of as electronic force or power in the outer world is child's play compared to what We mean and what We know as the Sacred Fire Power in the Great Central Sun that sustains the whole System of Worlds. We want you to use the Power of Our Love, and I hope from this hour you will never forget that phrase! (*applause*) Thank you so much.

Now when you want to control the Powers of Nature and Forces of the Elements, call forth to your "Beloved I AM Presence" and to Us to release whatever Sacred Fire Power We know controls the Powers of Nature and Forces of the Elements, and more than that, controls the sinister force and prevents it doing what it wants to do. This is

the way you control the sinister force. This is the way you control mankind's human creation that down through the ages has destroyed one civilization after another because people did not shut it off—destructive forces—in time to prevent them desecrating what God has given here. But I am determined, with your cooperation, to teach you the Power of Our Sacred Fire Love on Venus! (*applause*) Thank you so much.

So now when you think of Power, don't be afraid of It! You needn't be afraid of the Power of Our Love—what you might call power in the physical world, electronic force in outer world mechanical construction which, when you don't understand the Law or you don't obey it, takes you out of the body if you misuse it—but when you call forth the Power of the Ascended Masters' Sacred Fire Love that controls the Powers of Nature and Forces of the Elements, then when you send Love into destructive conditions of nature, you will find that Love will quiet the destruction. And what otherwise would break loose to destroy or desecrate, all of a sudden just dissolves, because that is the way Our Love handles the energy in the Powers of Nature and Forces of the Elements.

If you care to experiment with this whenever sometimes you have storms or floods, and you just begin to pour into whatever is occurring the Ascended Masters' Sacred Fire Love from Venus, and ask your “Mighty I AM Presence” and Us to pour whatever Love stops the destructive action right then. Get in the habit of experimenting with this until you see Its Action; and when you begin to see It act instantly, then you'll be able to use It more and more as a matter of habit. Then you won't need It just to prevent destructive forces acting; you will begin to realize what a Power It is

to protect what is constructive and to create something new that is constructive, because It is so marvelous in what It contains within Itself, and It can give you so much in such a short time that It takes the struggle out of your daily experience.

It will take the struggle out of anything if people would only use It. We have in every way possible explained this down through the years of this “I AM” Instruction, and if those of you who have understood this will simply set to work every day and just use It in the little things that you do. Get so in the habit of recognizing that the Sacred Fire Love of your “Mighty I AM Presence” and from Venus and from all the Seven Mighty Elohim—It is just waiting and waiting and waiting to be released into outer conditions to pour Its Blessings into your use to give you the Supply you want, because the Limitless Supply is within It.

This is the Limitless Supply of everything because when you get deep enough into this—when you use It enough in everything in the physical world, you will keep the Purification in and around you that will enable the Powers of Precipitation to be released by your “Mighty I AM Presence” into your outer use. And before you know it sometimes, It will act, and you will almost gasp with the surprise of how quickly It will bring into your outer use the Master Powers of your own “Blessed Mighty I AM Presence,” because every Master Power in the Universe is held within the Sacred Fire of Love. And unless you use It out here and release It and establish It out here, you don’t let your “Mighty I AM Presence” prepare the way so you can have Its Master Powers of Precipitation or Etherialization or Levitation or whatever you want that are the Master Powers of your own Life Stream.

So tonight, I trust I have come closer to you than I have ever been before; and if I have My Way, I'll come closer still! (*applause*) Thank you so much. Now there are Limitless Legions of the Angels of Sacred Fire Love, and were one of those Beings to just pass you by when sometimes there is turmoil, it would be just like a Flash of Light, and the turmoil would be gone before you could scarcely realize it. These Beings direct this Love without any limit whatsoever, just like you can direct any amount of electricity that is wired into a building or a house. You can turn it all on in a moment. These Beings are completely the Sacred Fire Love of Limitless Power. That is why They are the Protecting Wall of Blue Flame around any manifestation in interstellar space or anything that We choose to manifest in the physical world. Before that is manifested, They always hold the Wall of Blue Flame of Their Love until the Manifestation is complete, and They are the Guarding Presence of It as long as We want It to be sustained.

This is around every Ascended Master Retreat on the Earth. These Beings are the Guarding Presence above every Ascended Master Retreat; and this is the thing We want you to know and remember and become acquainted with so that the Angelic Host can draw more of the Sacred Fire not only for you and your Protection, but draw more of It into the outer conditions of the various nations of the world to protect what is constructive and prevent the desecration and total destruction of the modern civilization. And It must come by someone's Conscious Command.

So from tonight, if you want to know what the Power of the Sacred Fire Love from Venus is, ask your "Mighty I AM Presence" and Us to teach you what It is; and We'll teach you by your very use of It. And once you begin to

use It, It will teach you of Itself. We are just begging people to use this instead of the outer world's methods of solving the problems that come up again and again and again. You may solve a dozen, and a hundred take their place; and unless your world is filled with this Sacred Fire Love so It keeps everything in balanced action, keeps things in Perfect Balance and under control—unless you do it the constructive way, then you have chaos and destruction from the hordes of evil. There's no middle ground. You either stay in the Light and have Its Perfection or you go into the darkness and have its destruction.

So there's no limit to the amount of Sacred Fire Love you can have right now in the physical world by your own Conscious Call. Why mankind won't use this after all We have explained is simply because the outer world conditions are so chaotic, and the outer world destruction keeps people's attention on it so long, it won't let the attention of the intellect even come and seek Us to receive the Blessing and the Gifts We offer. The whole thing is the control of the attention. And since the Cosmic Law is the Authority over the manifestations in this world, the hour must come wherein the destructive forces are compelled to be bound by their own destruction returned upon them and held there until Our Sacred Fire Purity consumes them from the Universe.

Therefore, if you want to be free from limitations and destruction, mistakes or problems, ask your “Beloved I AM Presence” and the Lords of the Flame from Venus or the Seven Mighty Elohim or all the Archangels and the Angelic Host or the Seven Mighty Chohans—ask Us to free you by Our Sacred Fire Love that will never again allow destructive forces to touch you. And if you'll command, We will free you. (*applause*) Thank you so much.

Now you can use this to help others in a tremendously powerful way. Whenever you know your loved ones—or people who are constructive and trying to do what’s right the best they can, and then when sometimes they’re interfered with—it doesn’t take but a moment for you to call to your “Beloved I AM Presence” and the Lords of the Flame from Venus to flash into that condition whatever Sacred Fire Love annihilates and prevents the wrong. Then go on your way like the wind. You can be such a blessing to life that every bit of life that you contact will bless you in return, because you can’t send that out and not bless yourself first. You can’t possibly lose, and there is no struggle to It. And when you learn to use It, there’s no delay. It contains all of everything you could ever desire manifested in this world, so long as it be constructive. And the Great Angelic Host, the Angels of the Sacred Fire Love that guard everything that is constructive—you can have Their Presence with you. You can have Their Love, Their Blessing, Their Control of physical conditions without any limit whatsoever, because They know only the Love and the Service which Love alone can give.

So from tonight, Beloved Ones, when you think of Venus, think of the Power of the Sacred Fire Love that has made Venus the Luminous Presence in the Heavens. And It will make the presence of anything where you call forth that Sacred Fire Love, as time goes on—it becomes Self-luminous, Invincible, Imperishable, forever expanding Its Love and Blessing and Illumination to the rest of the Universe. And all We ask you to do is to accept It—use It, that you may become It; and in that becoming, you illumine the rest of the Universe and enable others to become illumined also.

The Limitless Legions of the Angels of the Sacred Fire are without any limit whatsoever and cannot produce anything

but the Victory of all that is constructive. So when you become acquainted with all that the Love from Venus wants to do for this world, you will not forget Us. You will not forget to use this in every condition of the outer world and every opportunity that comes to your attention; and you will not any longer keep yourselves in the limitations and the problems of the outer world conditions from which you can so easily be free when you just flood everything with the Power of the Sacred Fire Love from Venus that sweeps into everything Its Conscious Control of all forever. If enough people would do this to this Nation, you couldn't have the destructive forces that are here. Every one of you can call this in to flood this Nation sometime every day with whatever Sacred Fire Power and Sacred Fire Love from Venus We know consumes the hordes of evil in this Nation. You can do it! We will help you! The Legions of the Angelic Host are ready to manifest this Sacred Fire Love here, and They don't know anything but that Love.

So let Us see what We can do as soon as possible to purify the Nation, the government, the people, and then whatever surrounds the Nation or affects it. And then go on and flood It throughout the world until the destructive forces are dissolved and consumed, and the Ascended Masters' Almighty, Visible, Tangible Presence come into outer world conditions and reorder everything in this world and let the Divine Plan be revealed by which all become aware of the Ascension and turn to the Constructive Way of Life and stop the torture that has been imposed upon the people of this world.

Our Sacred Fire Love is the Peace-controlling Presence; and wherever It comes, It compels Peace and the dissolving and consuming of everything that is not Peace. So when

people want Peace, they must have Our Love to consume the discord that has prevented Peace ruling the world. And now let Us all draw It into outer physical conditions to protect everything that is constructive in the Powers of Nature and Forces of the Elements wherever you go, as well as your own personal world or activities in the outer world. You can use It and use It and use It around everybody and everything with the Conscious Command that *evil must cease to be, and the Power of Sacred Fire Love takes its place and holds Peace for Eternity.*

I enfold you in the Power and the Love that makes you understand and know the Freedom that is yours to command. And as We enfold you in this, We want you to feel Its Almighty Power to assist others as We assist you. And there is no limit to the Power you can have, and there is no such thing as Victory without It. So let Us go forward and expand It without limit and protect everything that is constructive and compel the hordes of evil to cease to be! And once again, let the Great Heart Flame of the Love from Venus illumine your pathway, clothe you in Its Power, and take you forward to the Victory of your Ascension; and as you go, you raise the rest of mankind with you. Thank you with all My Heart.

## ROUND TABLE TALKS

MRS. G.W. BALLARD

### SILENCE AND STILLNESS DURING CONTEMPLATION MUSIC IN OUR SANCTUARIES

**Q. The question arises, should not perfect silence be given when the Music begins?**

**Mrs. G.W. Ballard:** Yes! By all means insist on that in all your Sanctuaries. Do not allow talking when the Music Record is on, and do not allow a person to come into the Sanctuary until the Music Record is through playing. You can bring people in between Records, but when the Record is on or someone is playing a piece, make the people stay out until that piece is finished. You have to do this in a symphony concert of the outer world; you have to do it in a lecture. You have to do it in any cultured, well-organized activity of the outer world. Why not give our own “Mighty I AM Presence” and the Ascended Host and our “I AM” fellow Students at least the same courtesy as you have to give to the outer world!

### SINGING IN PARTS

**Q. Is it in order for a Student who has studied the Music of the Spheres in parts—in Choirs—to sing parts as written in the Sanctuaries, or are they intended for choral work only?**

**Mrs. G.W. Ballard:** They’re intended only for choral work! Thank you so much. When our choruses sing—that’s why the part music was put into print. In a group your voices

## ROUND TABLE TALKS

may not be evenly balanced. You might have many voices in one section of the Sanctuary and not in any others; and to just let them go ahead with their part singing is not harmonious and is not the best—it doesn't release the greatest Power through our "I AM" Music. 570909.3

### **PATTERNS IN THE ATMOSPHERE DURING MUSIC AND DECREES**

**Q. Please explain more about and describe the appearance of the patterns that form in the atmosphere during the playing or singing of Music and giving of Decrees.**

**Mrs. G.W. Ballard:** Beloved Ones, those patterns are formed by the thought and the whirl of energy that is released through the feeling charged with the vibratory action and quality of whatever the pictures you hold in your mind and the feeling that goes forth or the sound of the Music. Now when the Music is being sung or the Decrees are being given, there should not be movement in the room of anything else. The atmosphere should be kept quiet until the form that is being created by the Music or by the Decree is taken up by the Higher Mental Body or the Assisting Masters and enfolded in Their Flame of Love. And then They take it and amplify it and project it to its destination where it will change the conditions into Perfection for which we call.

And that is why when Music is being played, there should be no disturbance in the room at all until that musical form is complete. Beloved Saint Germain says it's as delicate as a

## ROUND TABLE TALKS

gossamer veil. But once it's taken up by the Ascended Host, once that energy and vibration is taken by the assisting Masters or the Angelic Host and clothed in the Wings of Flame of Their own Victorious Love, then He says It becomes as Invincible as the Great Central Sun Itself.

So there are the two conditions. Until the Ascended Masters take up the thought form and charge it with Their Cosmic Action of the Sacred Fire and force and direct it where to go to produce the Manifestations, up until They do take it, anything in the room that is disturbance or a motion can shatter the form. It's very delicate. But once it's finished and They take it, then They charge it with the Eternal Power of the Sacred Fire.

EXCERPT FROM  
**BELOVED SAINT GERMAIN'S TALK  
TO THE GROUP LEADERS**

NEW YORK CITY, NY  
APRIL 22, 1939

---

**N**ow this is the thing, My Beloved Group Leaders, you are bound to meet. If you have not met it, you are bound to meet it because you cannot escape. You are going to meet people who are filled with doubt and all the foolish stuff that has been spread throughout America and the world. You cannot help meeting some of it, and if you are not strong enough and instantly dynamic and determined enough to shatter that thing the moment it is drawn to your attention, it will just weave itself right in and you, through self-justification will make yourselves believe you are justified in your feelings of discord. Do you not see that, My Dear Ones?

That is why recently I have caused the Messengers to say or repeatedly call the Students' attention to the danger of self-pity and self-justification. It is a dangerous thing because I think perhaps it is more subtle than almost anything, unless it is a certain form of jealousy. But these things are just qualities acting, but people do make it so personal many times—but after all, My Dear Ones, it is really not a personal thing. It is a force acting; and if the individual that is feeling that thing does not stop it, how in the world are you ever going to clear your world of it? Do you not see it? I tell you, My Dear Ones, it is not

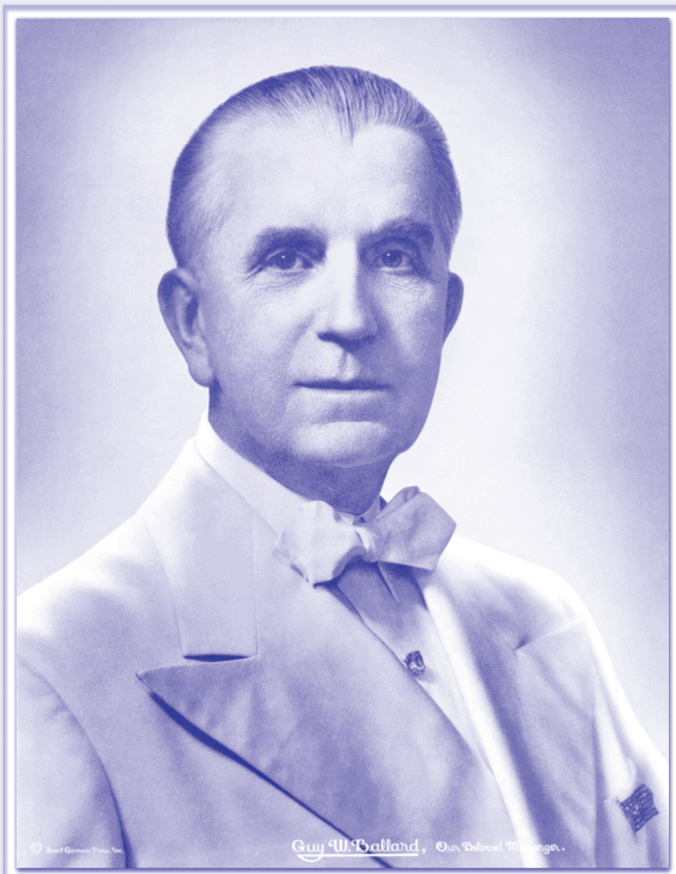

a personal thing. It is a charged, qualified force that happens to be acting through an individual or group of individuals—of discord. Do you not see that, *My Dear Ones*?

So tonight, with this opportunity, I am so very grateful for our Blessed Ada for having arranged for this to come about; for it is magnificent. You know, sometimes I cannot even suggest things, but when I find those who are prompted to do things I have longed to do—you will never know, *My Dear Ones*, how I have longed to get this number of Group Leaders together and talk to them, because you are the ones who must stand, who must gather the Light and release Its Power.

## BELOVED ROSE OF LIGHT

Beloved Ones of the Light, as We enter into the Cosmic Use of some of these Activities of the Sacred Fire that have not been drawn into outer use for many, many centuries, you are privileged indeed to have the Conscious Understanding that is necessary for you to accept and use these Mighty Powers of the Sacred Fire to which your attention has been turned. And since all Activity of the Sacred Fire in that Great, Great Love of the Universe anchors within the Heart of the individual, then that must arise in Its expanding Power and pass through the brain structure in order to consume the substance that is the human veil between your outer physical sight and your own “Beloved I AM Presence.”

Dear Ones, the day that you see your “I AM Presence” face to face will you know that there is your Friend of Eternity. There will you love to abide. And that “Presence” will never give you anything but Happiness. We want you to feel closer and closer the personal association between your outer self and your own “Beloved I AM Presence” and your Higher Mental Body. You have for so long felt that the “Presence” was invisible; and yet, is It? Is It so invisible? I think not. You feel your heartbeat, do you not? Isn’t that very visible and tangible? You don’t quite think that you see your Heart, but you see the pulsation of the Heart on the body. Therefore, when you will realize that every heartbeat and every breath is the Expansion of that Flame of Life from your own “Beloved Mighty I AM Presence” through the outer self, you will begin to draw closer and closer into Its own Great, Adorable Presence. Then you will feel Its great Powerhouse.

As you need or call forth from time to time extra energy or Power or the things you require in your outer use to fulfill the Great Divine Plan, will you draw closer and closer into the feeling of the personal Love to your “Presence.” You know, through the centuries you have poured your personal love to a great many things and individuals in the outer world. But now We want you to feel that when the Flame of Love from your Heart goes to your “Presence” carrying your Love there, It raises you closer into Itself. Every Flame of Love that you send to your “I AM Presence” takes you just that much nearer your Ascension.

People have worked so hard to do so many things in the physical world when the “Presence,” if you held close enough to It, would draw from all Powers of Creation Ways and Means of Assistance to you in the outer activity that would make everything you do an Eternal Joy in all outer action. Now We are determined to bring this Joy to you. We want this to be your Way of Life in the future, so will you please stop struggling from tonight? We will help you, because when the real Power—the feeling of the Flame of Love from your “Presence”—comes into the outer self with your Acknowledgement of the Cosmic Christ Mastery and Power, My Dear Ones, believe Me tonight when I say to you, all outer struggle vanishes. You are active, you are powerful, you are majestic in your direction of what is required. But the outer self never again takes the authority to be the doer, because that is what makes the struggle.

When there seems to be a struggle in the outer, from tonight, command that outer to be still and accept the Authority of the “Mighty I AM Presence” to do what is required with the Immortal Happiness of Its own Great Love. You do not yet realize how great Love is. You never

will, because that realization goes on forever throughout all channels of manifestation, throughout all Creation everywhere. And when you begin to see the magnificent Powers of accomplishment that are within your own Life Flame's Love from your Higher Mental Body or your "Presence," when you begin to experiment with that and feel Its closeness in your outer use, My Dear Ones, the Joy is indescribable. When you find yourselves calling that Mastery into your outer activities by your own Heart Flame's Love from your "Presence," why, in a moment It can flash into outer use Powers of your "Presence" that you've never used in any embodiment. We want you to feel so close to your "Presence" that Its Discrimination, Its Love, Its Directing Intelligence—anything and everything you will ever require in the outer comes into the outer by the Conscious Will of that "Presence."

Therefore, when the outer self wills to be close to the "Presence" and feel Its Great Heart Flame, the outer just naturally feels the Power to do things without strain, without struggle, without doubt or fear. Then you can do your best work. Then can you in that great Happiness feel the greater Requirements of the Cosmic Law. And then as you draw Them forth into outer action—your Manifestations and Miracles and Powers that are required to do that which only the "Presence" can do—will you find the God Solution of your problems, the God Way to dissolve them, the God Enjoyment of your Life, all Its Powers and Activities, and the God Enjoyment of all that is in the world around you. Then will you know Eternal Happiness.

You see, everything that you have been taught to desire or use or want in the outer world has been but temporary. But this to which I point your attention tonight is yours

forever. You will never lose It. No one can ever take It from you, and It ever grows greater in your outer use. And that is the wonderful thing. When We call forth this Immortal Love of the Cosmic Christ into outer action, that never has beginning or end. That can never be depleted. No one can ever take It from you. Nothing can make you feel anything but Its Eternal Perfection.

So, Beloved Ones, the Gift to which We point your attention is yours for Eternity; and may I say, is the only place of Immortal Security. When you want the Assistance of the Ascended Host, you must gain that through your own Love to your “Presence” first. Then can you have the boundless Help from Our Great Octave. Then is that yours forever. Isn’t it wonderful to come to the place of assurance where you know that you can have boundless, ever-intensifying Cosmic Help from your “Presence” and from Our Octave that can never cease in all Eternity, that can never desert you. That’s more than you can say of your conditions in the physical world. Sometimes you have wonderful things in the physical octave, but they’re here today and gone tomorrow. But not so with the Gift of the “Presence.” When your “Mighty I AM Presence” or We offer you the greater Powers of Life and the greater use of those Powers, We give you that which Love alone contains; and We draw It forth into your outer use as an Eternal Gift, and the more you use It, the greater It grows. That’s the opposite of what you experience in the physical.

Now I will liken this to your daily experiences. The more you use the gasoline in your car, the more it disappears, doesn’t it? Well, that isn’t the way We treat Life. The more you use the Love from your “Presence” into yourselves and out into the world to produce Perfection, the greater that

Love grows in you, the greater It grows in the “Presence,” the greater It grows in the world around you, and the greater are the Blessings which It constantly pours forth everywhere you will let It through. Can the outer world offer you that much? I think not.

Therefore, as We have all turned your attention back to the use—the constant use of this Great Cosmic Christ Love of the Universe—try to feel It is the boundless Wealth of all Creation, inescapable, ever expanding, magnificent in Its Great, Great Perfection, never producing one thing that wouldn’t bring Happiness or Purity or Perfection into you or your world. It’s a wonderful thing, Precious Ones—that Great, Divine Gift of Immortal Love from your “Presence” and from Our Octave. It is the great Treasure House of ever-expanding Supply, and you may go as deep into Its Heart as you choose. The deeper you go, the more you will find; and It will never run out.

Won’t you contemplate this often, because to still the conditions of the outer world, to hold the attention upon this magnificent Source of every good thing you could ever require means the entering into the Powerhouse of God’s own Heart, which is your Eternal Home. There you may go and draw forth for all Eternity everything that will make you happy. Isn’t that wonderful? Is there anyplace or anything in the physical octave that you can draw forth for all Eternity, will never give you anything but Happiness, and ever grows greater in its use? Things you see in the physical world wear out at the present time, but not so with Our Octave. Our Love can’t wear out, and neither can the Love of your “Presence.” Had you ever thought so deeply upon Love before as you have in the last few months? Haven’t the Dictations and the Substance and the Flame that each

of the Ascended Ones has brought to you given you more of an Understanding of what Love means in the Universe than you have ever realized before? I'm sure you have. *(applause—audience rising)* Thank you, Precious Ones. Please be seated, and just remain seated will you please.

From tonight, My Dear Ones, this great Cosmic Christ Love to which you have called will become a very much more powerful, tangible—much more real to you in the outer power of accomplishment than you have ever realized before. It will become more real in your outer use. It will become more a Power of yourselves, and It brings Victory that is inevitable. Therefore, as you draw It into outer manifestation, will you surprise yourselves with the Powers that are within It. And the only thing that It requires for you to have the unlimited use of this mightiest Power of the Universe is your Call to that, and the holding of your attention there until you feel It release into your outer hands and use. And then will you find, oh! how wonderful are the Ways and Means of the “Presence” of solving your problems, of holding your Protection, of giving you supply, and of illumining to you all you could ever desire to know. This is the most wonderful, magical Power in all the Universe. The Love of Life from your own “Beloved I AM Presence” and from Our Octave ever seeks to give you greater Blessings of Itself. Therefore, when your attention comes to Us from now on, asking for Its Cosmic Mastery over all in the physical world, will you find the Door open and the solution coming through for one problem after another that will give you Joy beyond expression.

Wherever outer conditions seem to be in turmoil or produce limitation, just surge this forward by Conscious Command. Don't be concerned with the mistakes of other

people. Just know your one paramount duty to your own “I AM Presence,” to the Ascended Host, to the Universe about you, to Life everywhere, is to pour the greater Love of your “Presence” and Our Octave into everything that you contact. That is your duty to your own Life. Then as that stands ever-expanding Its Power, will there flow forth on that whatever you require in the outer life to do easily and quickly that which fulfills the Divine Plan.

And then will you realize, the greatest Joy in the Universe is to hold so close to the “Presence” that It reveals to you ahead of time that which is the Divine Plan’s requirement. It will give you the Ways and Means of manifesting Its Fulfillment; and then you become the Perfection of Our Love expressed in the physical octave, and you will go forward abiding in your own world and yet master over all around you. Then will you find the Strength that is necessary to stand against anything that seems to be an obstruction in your way. Within this Immortal Flame of your Heart’s own Love from the “Presence” is the Immortal Protection, the Immortal Supply, and the Immortal Power to charge into outer action that which fulfills the Divine Plan even on the moment.

And you will enjoy greatly using Its Inner Secret Powers, because this Supreme Love of the Universe has many Inner Powers that are considered secret, so far as the outer senses are concerned, until the individual has completely surrendered the outer self and just enjoys using the Love of the “Presence” in, through, and around the outer self to do that which always brings Eternal Happiness. Why, just think, Precious Ones, mankind have sought the world over for happiness. They have a fragment here and a fragment there. But what is that happiness compared to the great Immortal Love of the Universe that owns all, does all, gives all, is all!

You may go into that Love, the Immortal Flame of your own “Mighty I AM Presence,” and ask It to tell you all about Itself, ask It to give you Its Inmost Secrets, ask It to make you Its Immortal Strength, ask It to flood through you Its ever-expanding, intensifying Power to do anything in the outer life easily and quickly that brings Perfection, mark you, into all your outer activities. And that is what you have sought so long. That is what you must have to fulfill the Great Divine Plan. And that is what mankind have sought, but do not find It except within that Love. You might use everything else the world has, you might use all other faculties of the outer self, but you will not find Happiness nor Satisfaction that is permanent until you recognize this great, Immortal Heart Flame of Love from your own “I AM Presence” and know that It, charged forth into your outer activities, prepares the way ahead of you.

Then when you arrive physically, there is that awaiting you which will give you Its Blessing and be the God Solution of your problems and take you forward to success without limit. That is permanent. Whatever you accomplish in the physical world by this great Flame of Love from your own “Mighty I AM Presence” becomes an Eternal Manifestation of Perfection in the physical world. And that is what you need to go forward and dissolve your problems and limitations and obstruction by the Flame that keeps all other problems out for all time in the future.

This is the most wonderful Joy you have ever experienced; and may I say, you have never touched the edge of Freedom until you feel the great Thrill of the Immortal Mastery of the Cosmic Christ Love that We use at great Cosmic Levels of Activity—and yet which you can draw forth into your outer use to do what the rest of mankind cannot do. We

are constantly raising you higher and higher into the use of these boundless Gifts. We are constantly showing you more and more of Our great Activities of Life and Perfection. My Dear Ones, the Great Cosmic Presence, the “Mighty I AM,” is ever awaiting an opportunity to give you more of Its own Blessed Love.

You who want Love, you who desire to live within that have the Door open tonight. And in these more recent Decrees will you find the Desire coming within you to hold the attention there until the Power surges. And then you go forward and experiment with Its use in the Fulfillment of the Divine Plan, and your Happiness shall know no bounds. Nothing can limit you, Dear Hearts, when that Great Flame of Love from the Heart of your “Presence” is drawn into outer action to control the conditions around you and in your world. And when you see It act more and more in Its Instantaneous Manifestation, you will wonder how you could have ever run away from Home. That Love is your Home, Precious Ones. The world of hate and struggle and problems and limitations—that is not your home, Dear Hearts. Your Home is in the Heart of the Love of your “Presence” in the Heart of the Ascended Masters’ Octave. That is where you belong. That is where you will find what you want. That is where you will receive Contentment and Happiness. And you then arise as the Master Presence of the Commanding Authority of Our Great Powers of Love and go forward to do what only Love can do.

When you call forth that Master Presence of Cosmic Christ Love to charge into your outer affairs, to govern everything, to forbid any problems in your world any longer, and to manifest the boundless Blessings of Perfection from your “Presence” and from Our Octave, then will there come to

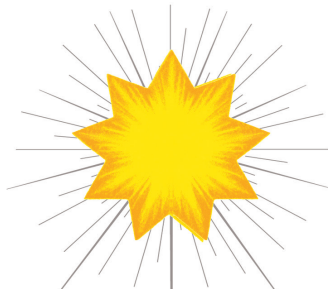

you the Illumination, the Awakening, the Realization that here above you is all that your own individual Life can ever require in your outer use to go forward without limit and be Free in the unlimited use of the Powers of your own Life Stream and all the Gifts that come from Our Octave. Do you realize that when you call forth the Heart Flame of your own “Beloved I AM Presence,” that you are also calling forth, if you will realize it, the Perfection from Our Hearts’ Flame? Because the Heart Flame of Life in your “I AM Presence” and in Us is the same. Therefore, if you’re calling forth the Immortal Mastery of the Love of your own Heart’s Flame, then Our Flame can come to assist you; and We will go forward together like happy children who can never again find shadows of human distress.

The Door stands open before you. The Sunshine of Eternal Love beckons you into a World of Perfection that is all your own. That is yours. That is the Eternal Happiness to which you are the heir. That is the World of Perfection which you are to draw forth into the physical octave to make it like Our Great Octave of Life’s Cosmic Glory. Oh, there is nothing so powerful to correct every condition as this Great Immortal Flame of your own “Mighty I AM Presence’ ” Love! And when you call It the Immortal Flame of Cosmic Christ Love, you can never misuse It. It can never produce discord or imperfection for you, therefore there cannot be any more mistakes. There cannot be any more problems. There cannot be any more danger when that Flame of Immortal Cosmic Christ Perfection and Love is drawn into outer action through you and around you, and commanded to take up Its Immortal Guard of your world and produce Perfection forever.

Therefore, may the Power of My own Heart’s Immortal Love charge into you the feeling of your complete Dominion

over every discordant condition. As you go forward to experiment with the use of this which We have called forth tonight, remember, My Heart's Flame of Love goes with you wherever you choose to go, and It will always raise you nearer and nearer and nearer your Ascension. My Gift is Boundless Joy, Immortal Victory of the Ascension and the Great Cosmic Christ Accomplishment that your Heart has longed to attain, but which is now coming close into your outer experiences until you become Its Perfection manifest. And then you will know the Truth of all I have told you as you, yourselves, feel the great Master Authority and Power of your own "Mighty I AM Presence' " Heart's Flame of Cosmic Immortal Love.

May Its Gifts to you come into outer action and manifest quickly; and may My Heart's Flame accompany you wherever you go as a Being who ever awaits the opportunity to serve you and bless you and protect you and supply you with all that is within the Cosmic Love of the Ascended Masters' Octave, the Cosmic Christ in Its Victorious, Immortal Presence and Power in your world in full Command. May the Legions of Angels ever bless you with more and more of Their Wondrous Joy and Perfection until your world is raised rapidly into the World of Eternal Freedom which only this Love can give. I commend you to Its Everlasting Peace and Happiness and Perfection tonight. I thank you.

## THE ASCENDED MASTERS SPEAK ABOUT VENUS

**BELOVED MIGHTY VICTORY:** *If you could only see the Perfection which is on the other planets of your System! Oh, Dear Ones, in Our Homes on Venus, everything acts with such precision, such Divine Order; and our children ten and twelve years old naturally perform so-called miracles or a service equal to many of the unascended Masters on this Earth today. That is because great Purity, Perfection, and Understanding of Life are there.*

Volume 9:75

**BELOVED MIGHTY VICTORY:** *When you hear Us speak of the Fiery Love from Venus for the Violet Consuming Flame, It is the momentum of Our Love to that Violet Consuming Flame—and Its Love back to Us—that has produced the Manifestations on Venus that are so wonderful; and one day the Earth must be purified and beautified and perfected likewise.*

Record CD 600; Cassette 6 0437-1

**BELOVED SANAT KUMARA:** *We stand by His Side! [Beloved Saint Germain's] We offer every Activity from Venus into His Service; and We stand the Guard over His Family of Freedom, His Family of the Violet Flame. So if you will accept tonight Our Armor and Our Miracle Mantle of all the Sacred Fire from Venus necessary to fulfill the Great Divine Plan for you and this Nation, you will give Him tremendous assistance; and you will allow Us to draw in and around you that which will ever bless you and will be part of the Raising Activity that gives you your Ascension.*

Record CD 1152

**BELOVED ARCHANGEL MICHAEL:** Therefore, be at peace. Rest at ease in your Almighty Application until such time as the Wisdom of the Great Ones sees fit to bring further Activity which will give you the assurance of all that you have been—if you care to look upon it. You will also see the future activities of America. You will see the Glory of the Radiance from Venus and receive Her Visitors as you receive your friends. When the Earth is perfected enough, Venus will be in constant communication and Her people will exchange visits with you, make no mistake about it! *The Voice of the “I AM,” 39.5:9*

**BELOVED SANAT KUMARA:** They [the Seven Mighty Kumaras from Venus] are very Real Beings, and so am I! I stand above this building pouring the Streams of Light Substance and White Fire into the room, into your Life Streams, and into the substance of the building to spread Its Radiance throughout the city and then throughout the state, and go on with the Outpouring to the Nation. *The Voice of the “I AM,” 81.12:17*

**BELOVED SANAT KUMARA:** If you will make the Call, I will appreciate the Open Door through which We may anchor into the West Coast of the Americas the assisting Power from Venus, the Love that brings Protection and Help to hold the Blessings for you that you’re going to require and that need to be protected for your Land. Venus ever awaits every opportunity to bless the people of Earth with greater Love. The Angelic Host ever bear that Flame to anchor It into all the energy wherever there is an opportunity to call It forth, until by the use of Our Heart’s Flame of Love, We may requalify all the energy in this world as that Eternal Love which has produced such Perfection on Venus for so long. *The Voice of the “I AM,” 93.1:24-25*

## VIOLET FLAME GROUP MEETINGS

OUR BELOVED ASCENDED MASTER, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

LOVINGLY, “I AM,”  
MRS. G.W. BALLARD
