

CHRISTMAS

December 24, 1949

BELOVED GODFRÉ

There is more acceptance tonight throughout this Nation, and to a large degree throughout the world, of the need of mankind to turn to God, and to the Master Jesus, and to all Beings in Our Octave who are rendering Service to the Earth—there is more awakened Desire

in all mankind tonight than there has been for many, many, many centuries. (*applause*) Thank you, Precious Ones.

To Me, that is a wonderful Christmas Gift—to be aware that mankind tonight are looking more to the Master Jesus and making more sincere Calls to God for release from their human creation than they have in many, many centuries. And that should give you great encouragement to go forward with hope in your Hearts and with that unflinching determination that draws from the Heights of Perfection the Love and the Victory of the Master Christ grown to full stature.

And please turn your attention frequently and remind the outer self that the Master Jesus now, as the Cosmic Christ, in the Radiation which He pours to the Earth, is so infinitely much greater than during His lifetime or the few centuries following, that as He draws this greater Cosmic Christ Love from the Great Central Sun when mankind's attention is upon Him, they are the recipients of His greater Cosmic Christ Power. And as they feel that, they will find It a tremendous Raising Activity to awaken the Desires within them that lift them into their Freedom. (*applause—audience rising*) Thank you. Won't you be seated, please.

When He took the stand that His Etheric Record of the Ascension would stand there until It drew every Life Stream up into a like Perfection, that became a Cosmic Vow from the Earth to the Great Central Sun by the Light of mankind themselves, because the Beloved Master Jesus is one of the native humanity to this Earth. Therefore, when He took that responsibility and He gave that Command to Life, it means a tremendous raising impulse to the whole of mankind.
