

“I AM” Temples and Sanctuaries

BELOVED ELOHIM OF PEACE

When We come and offer—in these “I AM” Temples and Sanctuaries, in your “I AM” Study Groups—this Ascended Master Instruction of the Ascended Masters’ Divine Way to live Life, the right way, the harmonious way, the constructive way, and the Invincible Way, it is because We have spread before you the Banquet Table of the Ascended Masters’ Octave, because in every “I AM” Temple and Sanctuary and Study Group there is a Pillar of Our Life’s Energy and Substance and Our Love, all of which is Our Love drawn from Our Ascended Master Bodies. And that has come into these Temples and is established as a Banquet Table of the Almighty into which those who want to understand Life and want to understand and use Power to correct conditions in the outer world can come and be charged with and receive the Energy by which you can accomplish that which is constructive in the outer activity—and the Light, the actual Luminosity by which you can consume the darkness.

We offer the Banquet Table of the Almighty; and in every one of these “I AM” Temples and Sanctuaries which the Ascended Masters have established, there is constantly pouring forth Our Purity, Our Love, Our Supply, Our Harmony, and Our Power to control outer world conditions, protect that which is constructive, and to consume that which is not constructive. But when starving humanity will not come into this Instruction of the “Mighty I AM Presence,” understand It, and use It to live constructively in the outer world to live as We live—and to reveal to mankind the Divine Perfection that is always expanding Happiness and Beauty and Purity to all Life everywhere forever, which is Our Way of Life in Our Ascended Master Octave—then if mankind will not come into the Light and use the Light to consume the darkness of human discord and destruction, well then, the darkness closes in upon those who will not come and live the Divine Way of Life within the Light.

And Our Divine Way of Life within the Light is Peace. That Peace is Our Love; and Our Love is the Perfection of the Universe that creates magnificent Manifestations, sustains them for Eternity, and forever expands the Light and the Perfection and the Joy of living the Ascended Masters’ Way of Life.
