# THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR  
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

---

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

**BELOVED SAINT GERMAIN SAYS:** “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

Record CD 1275

RECORD CD 359; CASSETTE 6 0452,1

blesed Ones of the Sacred Fire, in bringing to you today that which it is My Privilege to give and your privilege to use, We are all privileged to reach into the greater Realms of Life's Perfection and draw forth whatever is required to bring into this world the Love of God's Heart and the Sacred Fire of Its Power to more quickly control conditions that must be consumed and forgotten.

When We charge you with Our Ascended Master Consciousness, it is that there may flood into your mental world and your feeling world Our Thoughts, Our Pictures, Our Feelings, and Our Words of Perfection. So when you think of Us, try to feel that in the Octave of the Ascended Masters' Life, there at all times floods forth, everywhere there is an opening provided by mankind, the great Thoughts and Divine Designs, the Pictures, the Feelings, the Commands, and the Activities of the Sacred Fire and the Cosmic Light which, combined, produce Perfection for all Life everywhere forever.

So when you use Our Ascended Master Consciousness, It contains more than you realize in your present understanding. The Ascended Masters' Consciousness is the awareness of the Full Perfection of the Great Central Sun and of the Life from that Great Central Sun that manifests Systems of Worlds. And if I were you, when human thoughts and feelings disturb

you, if on the instant, you would turn away from them and demand Ascended Master Consciousness take the place of all human thoughts and feelings in your world, it would be like a flash of sunshine into a darkened room that would bring with it its warmth, its illumination, its healing, and its blessing. So you may at any time charge into your own mental and feeling world, into your atmosphere, into your affairs, Our Thoughts—Our Ascended Master Thoughts, Our Ascended Master Pictures, Our Ascended Master Feelings, and Our Ascended Master Power of the Sacred Fire and the Cosmic Light that always produce Perfection.

And you can draw into yourselves and into your world, by charging into these outer conditions Our Ascended Master Way of handling them, Our Ascended Master Control of them. And if you will but speak those words, and with fierce, unyielding Determination and Command that all the energy of the life in you and your world must now be filled full to overflowing with the Ascended Masters' Consciousness, the Ascended Masters' World of already manifested Perfection, the Ascended Masters' World and Power of Cosmic Sacred Fire's Control, you will set into action in your affairs a continuous Stream of the Power that produces Perfection—because when We send forth an Activity of the Sacred Fire to produce Manifestation, the Sacred Fire from Our Octave is Eternal. It is never-ending; therefore you have a sustained Action of the Perfection from Our Octave which you called into yourselves and into your affairs.

So, Beloved Ones, in the Fullness of all that We have offered you, the more you can use Our Ascended Master Consciousness to correct everything that has caused you distress or limitation, the closer We can come to you, the more We can flood your world with Our Perfection,

and the stronger We can make you to stand against the imperfection and discord of the hordes of evil or the outer world's activities.

If I were you, considering the chaos in the outer world's condition this hour, I would definitely, three times a day, demand with everything you are and have that the Ascended Masters' Thoughts and the Ascended Masters' Feelings, the Ascended Masters' World of the Sacred Fire be so charged into you and your world—all your life and all the life around you—that human conditions could no longer live or manifest to you or wherever you would pass by. Now if you just demand that your world, everything in you and your world, be made Our Ascended Master Invincible World of Eternal Perfection, then if you charge this forth at least three times a day, it's just like a pile driver flooding into your outer use the Perfection from Our World that not only gives you the Blessings to use, but It is an automatic, repelling Activity and a consuming Activity to that which is of the hordes of the shadows.

Now then, since the hordes of evil have sought to darken the pathway of mankind's life experience here, it would be well if you charge your world and affairs with the Ascended Masters' Light, the Cosmic Light of Ascended Masters' Blazing Control, because that Light can so surround you all and keep you untouched by the destructive forces—and also It can clear the pathway ahead of you, show you where you're going, prepare you ahead for experiences that you know not yet might approach you. Now this which I am giving is the Cosmic Christ Victory and Power which must come into your use, My Loved Ones, at this time.

I gave some of this to My Disciples during the time of My Ministry; but It has been covered over, denied, and

hidden from the masses of the people for whom I gave It. And so now, as you are the Legions of Peace, as you are the Legions of Cosmic Illumination, as you are the Legions of the Sacred Fire by your use of these Ascended Master Activities in your own physical experiences and world, you will find Us ever abiding with you—because it is necessary that We stay with you because of certain events that are approaching. So I trust My Visit today will prepare you ahead of time in a way for which you will be grateful forever. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please.

Now for your Protection, it would be well if you charge your outer selves and your affairs as the World of the Ascended Masters' Sacred Fire Control and Protection of all wherever you approach. We want you to build more and more Power of the Sacred Fire's Protection around yourselves and your world of affairs, because in the uncertainty of outer world conditions and the discord of human selfishness, outer conditions change constantly. But if you will charge and feel in and around yourselves the Ascended Masters' World of the Sacred Fire's Control, the Sacred Fire's Invincible Protection, and the Sacred Fire's Supply of every good thing—then charge yourselves with the Ascended Masters' Sacred Fire Strength to make you powerful enough to stand against anything that is of human distress in the outer world and keep you forever untouched by it.

It would be very well if you keep charging the outer self with Ascended Master Strength that never feels lack or limitation. Now that Strength is both mental and emotional, and even physical. Charge yourselves with the Ascended Masters' Invincible Strength that forever stands against everything that is of human creation. There are certain

Cosmic Powers, Beloved Ones, that can come to your assistance very quickly as you begin to use this. And keep acknowledging It—no matter what takes place, demand Its Presence in you, demand Its World around you, demand Its Blessing go forth everywhere forever until the Onrush is so tremendous in Its Release from Our Octave that It sweeps like an avalanche everything ahead of you and parts every condition and takes you through safely no matter where it is necessary for you to be.

You cannot use our Ascended Master Consciousness too much! You have filled yourselves with the human consciousness, or human concepts of conditions in the world about you, and those concepts are of limitation and confusion and misinformation. If you will charge yourselves with the Ascended Masters' Sacred Fire Consciousness, Sacred Fire Power, Sacred Fire Illumination that makes everything in your world Our Ascended Master World of Victorious Control, then on an instant We can flash to you or through you Cosmic Assistance that you would not even know you were going to use until It was right at hand and assisting you almost before you realize it.

It is for you to open the way to give Us the opportunity to pour these Activities in and around you in preparation for anything that you might experience in the changing conditions of the outer world; for no matter what conditions are in the outer world, if you have a Momentum of this Sacred Fire World of the Ascended Masters' Control of everything in you and your world, you will find the Cosmic Christ a very real Manifestation and Assistance to you in all outer physical conditions. If you care to call forth My Ascended Jesus Christ Cosmic Christ Control of a situation, then hold the picture of My Luminous Presence, then

automatically there comes to Me the Ray of Light on which I can come back to you and send the Sacred Fire there to perform in whatever way brings you the Assistance you require.

When you think of Me now and want the use of the Power which it is My Privilege to use and bestow, think of Me now as the Ascended Jesus Cosmic Christ Sacred Fire which I bring to Earth to complete My Service of the centuries and to do that which I am yet to do in helping to remove the hordes of evil that have so desecrated God's Life and Gift and Energy in this world. So as We are approaching the greater increase of this Cosmic Sacred Fire which I am drawing forth at the Christmas season, just a few days of your use of this will bring into your outer experience this which I describe and will make you more keenly aware of My Presence with you and the Outpouring of the Sacred Fire which We are drawing in, through, and around all that is constructive.

At this time more than any other, as individuals think of Christmas and think of Me, they are harmonious; and that is Our Opportunity to expand the Sacred Fire in, through, and around each one. So if you will fill your beings and worlds with Our Ascended Master Consciousness and Conscious Use of all Powers of the Sacred Fire in and around you at this time, you will prepare the way and have at hand certain Assistance that will give you a greater sense of security, will hold you more at peace, and is your Invincible Protection. The more Sacred Fire—Ascended Master Conscious Use of the Sacred Fire, Conscious Concentration of It—in and around yourselves, the more you become aware of Our Presence, and the less disturbance will be able to contact you.

And in that Outpouring which We contemplate releasing in Cosmic Concentration during this Class, you will be greatly blessed as you call this in and around yourselves, regardless of whether you are harmonious or not. Just charge It forth and begin to build Its Momentum so you dwell within more of the Perfection that Our Love wants you to have. We want to keep you protected and supplied, healed and illumined, by more Activities of the Sacred Fire at this time because We want to make you as strong as possible, that We may do through you that which We want to do to give Assistance to Life wherever you abide. Then you become the Open Door of Our Presence, Our Sacred Fire, Our Power of Our Love. And that is what I meant when I said, “ ‘I AM’ the Open Door that no man can shut.” It means that when I blaze My Luminous Presence of the Sacred Fire, It can pass through all things; and not all mankind’s human creation put together can ever enter into that or close It off or prevent Its Manifestation which I command to take Dominion here.

So, Beloved Ones, you will not only enjoy using this, but you will begin to feel a sense of mastery of yourselves and over conditions that, I tell you, will be extreme Joy. As you just charge this forth in and around yourselves regularly, two or three times a day, until you just live in the Consciousness of Its Presence with you. And as you are aware of Our Sacred Fire World and Our Sacred Presence, you must receive of Its Perfection into yourselves and into your affairs; and then you can give It to the rest of the world wherever you abide. So it has a very far-reaching effect; and if you choose to carry this forward into outer, physical conditions, it will be an awakening to all you contact. It will be an encouragement to all you contact.

Now this is part of what I referred to as the Great Central Sun Magnet's Love to the Earth. So as the Action of the Great Central Sun Magnet draws this in and around you, It begins Its Drawing Activity to that which is constructive in the world about you, and you can bless all by letting It flow and leaving the results in the Hands of the Cosmic Law. So, Beloved of My Heart, ever am I with you. I promised that "‘I AM’ with you always." I promised that "‘I AM’ the Open Door that no man can shut." I promised that "‘I AM’ the Resurrection and the Life" of the Sacred Fire that raises all out of the shadows and into the Perfection of that Sacred Fire whose Fiery Heart of Love from the Great Central Sun is the Cosmic Christ that does redeem the world and does close out the shadows of human mistakes until they are forgiven, forgotten, dissolved, and consumed from the Universe—and just the great Glory of the "Mighty I AM Presence" own Fiery Heart's Love to Life floods you and your world; and never again do you have to be concerned with the handling of discordant conditions, because the Sacred Fire in you and your world is the automatic Annihilation of all discord before it can approach.

So in your use of the Cosmic Christ Sacred Fire and the Cosmic Christ World of the Sacred Fire's Victory here, you enter into close association with Us, and your world and Our World becomes One, because the Sacred Fire has filled all with the Love that is the Power of the Law that produces Perfection. So, Beloved Ones, in the "Beloved Mighty I AM Presence" Mighty Outpouring of that Love may you ever abide; and now everything in your beings and worlds from this hour be filled full to overflowing with all the Blessings and all the Miracles and all the Activities of the Sacred Fire of Cosmic Christ Control and Cosmic Christ Perfection that

does set you Free and holds you close in the Love that is forever the Master Presence of the Sacred Fire from whence all Perfection comes, and which forever owns all and uses all to glorify and bring Happiness to all for Eternity.

May you dwell in the Sacred Fire World of My Ascended Jesus Christ Cosmic Christ Love and Sacred Fire Control, and just realize how magnificent is the Perfection of Life and the Power of the Sacred Fire's Mastery over every condition that has dared to cast a shadow upon your Pathway of Life. So I enfold you in My Cosmic Christ Heart of the Sacred Fire of My Love, and Love's Power Supreme shall bring to you the Flame of Peace—and your world and My World, One World again, manifest Its Glorifying Presence to the people of Earth that must turn Godward and enter into the Eternal Freedom of the Sacred Fire of Our Love; and Its great Magnetic Power shall raise them out of their distress and into the Happiness of Our Love for Eternity. Thank you forever.

### BELOVED GODFRÉ

**T**here is more acceptance tonight throughout this Nation, and to a large degree throughout the world, of the need of mankind to turn to God, and to the Master Jesus, and to all Beings in Our Octave who are rendering Service to the Earth—there is more awakened Desire

in all mankind tonight than there has been for many, many, many centuries. (*applause*) Thank you, Precious Ones.

To Me, that is a wonderful Christmas Gift—to be aware that mankind tonight are looking more to the Master Jesus and making more sincere Calls to God for release from their human creation than they have in many, many centuries. And that should give you great encouragement to go forward with hope in your Hearts and with that unflinching determination that draws from the Heights of Perfection the Love and the Victory of the Master Christ grown to full stature.

And please turn your attention frequently and remind the outer self that the Master Jesus now, as the Cosmic Christ, in the Radiation which He pours to the Earth, is so infinitely much greater than during His lifetime or the few centuries following, that as He draws this greater Cosmic Christ Love from the Great Central Sun when mankind's attention is upon Him, they are the recipients of His greater Cosmic Christ Power. And as they feel that, they will find It a tremendous Raising Activity to awaken the Desires within them that lift them into their Freedom. (*applause—audience rising*) Thank you. Won't you be seated, please.

When He took the stand that His Etheric Record of the Ascension would stand there until It drew every Life Stream up into a like Perfection, that became a Cosmic Vow from the Earth to the Great Central Sun by the Light of mankind themselves, because the Beloved Master Jesus is one of the native humanity to this Earth. Therefore, when He took that responsibility and He gave that Command to Life, it means a tremendous raising impulse to the whole of mankind.

## PILLAR OF FLAME

### BELOVED CHANANDA

Now in those Activities which are focused into the Retreats throughout the world, try to realize each Retreat has some one, definite keynote of Service to that portion of the Earth; and the Power drawn there is always a Pillar of Flame from the Physical Sun and the Great Central Sun, and anchored directly into the Heart of the Earth. Therefore, it is as if, almost, spokes of a wheel radiated forth from the center, passing through the structure of Earth, and releasing those conditions of the Fire Element that govern the stress or strain in the crust of the Earth, and hold within a certain balance the energy released by mankind through their outer activities into the atmosphere of Earth. Much of that drives down into the structure of Earth itself.

Now for long centuries the Masters, seeing mankind's increasing pressure of discord and its effect upon the Powers of Nature and the Forces within the crust of the Earth, have

drawn forth these Pillars of Flame and Cosmic Light Substance to prevent terrific destruction which otherwise would have occurred. But you beloved ones—through the momentum you have already gained in your understanding and Call to the “Presence” and in these tremendous Decrees that have gone on for years now to help correct conditions—each of you, as you remain harmonized and obedient and pure in the outer, becomes, as it were, like a walking Pillar of Flame to render the same Service in the atmosphere of Earth and in the cleansing of the Powers of Nature. Just by your Radiation alone of that Flame can you be of tremendous Blessing to all in this world; and therein comes your responsibility of forbidding the human to any longer pull upon your attention—or your time or your energy—to gather that which sustains the shadows.

Now you are people of the Light; you are Children of the Flame. Therefore, your natural element, your birthright, is to move in a Pillar of these Powers of the Sacred Fire from the Heart of the Great Great Silence that, first of all, bring Their Balance and Purity and Perfection into yourselves and into your world. And then as you give that recognition and use It more and more, It increases and expands to the place where It pours forth constantly to Life everywhere around you the same Mighty Purity and Love and Perfection that It manifests within you. Therefore you have almost unlimited means by which, if the outer attention is controlled and held under obedience to the Higher Mental Body, your Pillar of Flame can expand almost without limit. And your very presence in a community will be a Benediction and a Song of Joy, and all Life will be happier because you have passed that way. Therefore you precious ones who travel so much coming back and forth to these Classes are surely a Blessing to the Land—and to the structure of Earth itself.

CHICAGO, ILLINOIS • JANUARY 4, 1963

RECORD CD 898

Beloved Ones of My Heart, tonight I want to bring an Explanation to you in the use of some of the Powers of Life that, I trust, will make you very happy, give you greater Freedom, and help you to understand more completely how We assist life, and how you may assist life to be free. You have heard the Mighty Saint Germain, through the Beloved Godfré's experiences, describe projected vision and the other faculties of the outer self, so that they act in a wider capacity than ordinary. Let Us start with something tonight that I am quite sure you will understand very easily, and I'm sure will enable you to feel greater closeness with Us whenever you wish to have Our Power drawn into outer conditions to assist you.

Ordinarily, you only hear within your own aura. Your hearing, as a rule, does not act anywhere outside of your own atmosphere except by Conscious Command and Projection by the Higher Mental Body to expand your faculty of hearing to a wider radius than you ordinarily use. Your sight acts the same way. But, My Dear Ones, when it comes to the use of the faculties of your life, try to realize, they are limitless. Therefore, when you want to see, for instance, at a great distance, instead of trying to feel that you can't see and that it's impossible in the physical body to see at a distance, I want you to try this, because I think you'll have a great deal of Joy out of it. Whenever you want to see at a distance,

feel a Violet Beam, as it were—of the Violet Flame Love and Light, the Love from your Heart and the Higher Mental Body—sent forth as a Violet Flame Tunnel, as it were, of the Light of Its own Heart's Flame to wherever you want the sight to function. This can be of very great benefit to you if you'll learn to cultivate the faculty and use it in the Fulfillment of the Divine Plan.

Now many people think, well, 't isn't necessary for me to look at a distance. How do you know it isn't? I am not bringing this to your attention tonight for any useless purpose, I can assure you of that; but I am warning you, don't try to look at a distance or try to look in the direction of destructive forces to see what they're doing unless you care to get caught in what they are doing. If you want to get caught in them, well, that's your privilege; but We are trying to bring this to your knowledge, to your acceptance, so you can have greater Protection.

But whatever you do through the Tunnel of Violet Flame or Violet Light from the Heart of the Higher Mental Body and the Violet Flame Love from your own Heart into that, to send forth the blessing of your own Life Stream to those at a distance whom you wish to help or you wish to protect—many times, you can be permitted to see what is going on at a distance, and then make your Calls for the correction of what is taking place or for the Protection and Victory and Strength and Assistance to the individuals whom you wish to help. This is a very great benefit to the children, to the young people who are caught sometimes in outer world conditions that are destructive; but you can always send forth the Violet Flame Love through a Tunnel of Violet Flame to anyone who needs assistance with the Command that the Cosmic Law's Action of the Violet Consuming

Flame carries to the individual the Purifying Love that stands the Guard, gives the Protection, and through the Magnetic Power of that Love, helps to draw the individual out of destructive conditions.

No one knows, except from an Ascended Masters' standpoint, what Power just one Flash of the Violet Consuming Flame's Love from an individual who has a desire to help someone near and dear that may be in distress and need that Help—no one can tell what just one Wave of that Violet Flame Love would do to strengthen the individual, either for Protection or Illumination, to heal, to purify, and to help the individual to be strong enough to hold to that which is constructive.

Now this is what takes place: Many times, you make the Call for Assistance to individuals, and from the outer appearance world it doesn't look like it was accepted, and you're not certain whether the Help came or not. Do not let that doubt come in for this reason: Anytime you send forth a constructive thought and feeling and Demand for Help to purify and help some other part of life, your Higher Mental Body sends that there when you make the Call. Now the individual may be in such turmoil that he or she doesn't let that Help in immediately; but that Flame of Love stands there until the individual is harmonized enough and the turmoil quiets, and in a moment of stillness, that Flame of Love can come in and anchor into the outer self the Purifying Perfection that helps the individual to be free.

So you never can tell how far-reaching may be the Blessings when you send forth the Violet Flame Love from your own Heart and the Violet Flame's Almighty Love and Perfection from the Higher Mental Body. Many times when We send forth a Flame of Love to an individual, sometimes the turmoil

is so great that It anchors in and around the individual; but the outer self of that one is not aware that It stands there to give Help. But that has nothing to do with the Action of the Law. When We have given that Flame of the Sacred Fire of Our Purifying Love to any part of life, that's going to act that way! And I want you to be sure of that tonight, so you know every Call you sent forth produces there the Fulfillment of your Call; and It will stay there until the individual lets It in. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

That is why the statement has been made, “No earnest effort is ever lost.” To the appearance world, it might seem so at the moment; but nobody can tell what the ultimate effect of any Decree sent forth—so long as you are using the Sacred Fire, the Cosmic Light, the Miracle Love of Eternity, and the Honor Flame of your own “Beloved I AM Presence” and the Ascended Host. Now various ones of the Ascended Host have offered you the use of Their Ascended Master Consciousness. Well, Our Ascended Master Consciousness is Our Life. Our Life is Our Energy. Our Life is the Sacred Fire Love of Our Existence, Our Consciousness; and if you should ever care to call forth the Cosmic Momentum of Our Power in the use of the Sacred Fire, your own experiences will bring you such Joy in the release of the feeling within and around you of the Power that does accomplish anything constructive for which you call.

Now when I said that you only hear within your own atmosphere—because that is the natural, protecting radiation that is established by the Law of Life—if you want to hear outside of your own world, so to speak, your own atmosphere, your attention to your “Beloved I AM Presence” and any

Ascended Master makes a Pathway of Light through your atmosphere to connect with the Being upon whom your attention rests. And on that Pathway of Light, if there comes forth from you a Desire for that which is constructive, the greater Manifestations of the Perfection of the Universe, your Love goes there, your Desire goes there to understand what is there, then the Being or the condition to which you turn your attention can draw back and send back on the energy of your own Life—which forms that Pathway of Light—there can come back to you that which is at a distance; and you can be caused to hear at a distance whatever is going on there.

Now don't have the desire to just drive in here and there, and find out what somebody's doing. There is nothing more dangerous to open you to the psychic forces than that desire. If you desire to connect with the Ascended Masters and the Angelic Host—to the greater Perfection of Life, that It may flood back into you—then your Love and your Command for Purity in the outer self would automatically allow that Help to come back to you. But the motive for which you call is the judge of the act and would determine to what you open yourselves in the receiving of what comes back to you.

So when you want to know more about the Ascended Masters' Octave, about the Temples of the Sacred Fire or the Cosmic Light or Music or Healing or any of the great Activities of Life's greater Perfection, Life contains within It the Eternal, Divine Way for the lesser life to reach up to the Greater Life to receive Instruction and Perfection of what is there—bring It back into the outer self for use here to produce Perfection only—not to feed the egotism of the outer self and make it think it knows more than somebody else; it doesn't do that.

I am telling you the danger of trying to force your way into conditions and draw back—perhaps They would be the

greater Powers of Life, but if your motive is wrong to begin with, all drawing Them back feeds the ego of the outer self, there's only distress can follow. The only Safeguard to the use of any Power of Life anywhere is the continually qualifying everything with your own "Beloved I AM Presence" and the Ascended Masters' Immortal—Invincible, Immortal Purity. Then the motive, if it be constructive, would open the way. If it be not constructive, the Higher Mental Body would block it, and you wouldn't accomplish it.

So you have a Safeguard. We would like you to receive some of the greater Help We can give from the Temples of the Sacred Fire that are pouring Their Cosmic Power and Assistance to this System of Worlds. We would like you to become aware of those Temples, receive what is there, that the greater Activity of the Sacred Fire would strengthen the outer self of each of you to hold greater Protection and give you greater Power to do greater things. But examine your motive; and when you want more Help from, for instance, the Temple of Eternal Purity, well then, the moment you ask for that, you set the Cosmic Law into action by which the Higher Mental Body opens the Way and can draw back into the outer self the greater Purity for which you call.

But whatever Call goes forth should always be accompanied by the Demand for Immortal Purity and Immortal Protection. Then you may have the Illumination. You may have the use of greater Powers to fulfill the Divine Plan and give you greater freedom here without contacting the danger that you would connect with if your motive is wrong, or if after the Blessing is given, the outer self chooses to misuse it. So unless you maintain those two things—demand, no matter what you do, your "Beloved I AM Presence" and the Ascended Masters' Invincible, Eternal Sacred Fire Purity and Sacred

Fire Protection to everything in your Life Stream, to every manifestation you call forth, to every Decree you give, to anything and everything that you ask to come into existence.

Then there cannot be a misuse of it. And then, from time to time, if you, instead of asking for the Powers of these greater Manifestations, you always ask your “Beloved I AM Presence” and the Great Beings or the Temples of the Sacred Fire from which you wish Help—if you will always remember to say to your “Beloved I AM Presence” and to the Great Ones who govern the Sacred Fire, “Pour into me what You know I need now to make me the Victory and Master over all that is of human creation! And then fill me with what You know I am going to need in the future to do that which You know I must do!”—and learn, making this Call to your “Beloved I AM Presence” and Higher Mental Body and any Assisting Master. And then leave that with Us.

And when you ask for your “Beloved I AM Presence” to give you what It knows you need the most, you will at all times be guarded. When you call to any Being that directs the Sacred Fire to the Earth to pour you the Blessing of Its Love, any Being would do that. Any one in the Ascended Masters’ Octave or the Cosmic Beings will never refuse any request for the Sacred Fire Love from Our Realm of Service to Life to come back into you.

But when you ask for that greater Power of Life to come in and around you, be sure you always command that it makes the outer self whatever the Higher Mental Body wants it to be at that time, that keeps it Invincible against all discord. Then no subtle suggestion of the psychic forces can rush in and touch your feeling. And this is the part I am coming to that is so vitally important: to guard the energy of your feeling against anything that is not the Immortal

Purity of your “Mighty I AM Presence” and the Ascended Host—guard It against everything that is not the Ascended Masters’ and Cosmic Beings’ Sacred Fire Purity of Eternity.

When you set up the Protection of your feeling world, all the energy of your life that is in your feelings, each day you receive more; and it is necessary, vitally necessary for your Protection that you demand your “Beloved I AM Presence” and the Ascended Host blaze in and around all the energy of your feeling—your life’s feeling. Demand and demand and demand, and command it often be so filled with and sealed within the Ascended Masters’ Immortal Purity, the Ascended Masters’ Command that keeps it eternally untouched by anything wrong. Then the Power accumulates within you to do greater and greater service to Life, have more magnificent experiences, give you greater Freedom to accomplish more; and everything you do would be harmonious. And then as you demand Its Invincible Protection, you will find your own world being filled with the greater Manifestations from Our Octave. If it’s getting too deep for you, well, let Me know. (*laughter—applause*) Thank you so much.

Now there must come greater Perfection into this world. The greater Perfection abides in Our Octave, and the greater Perfection is always produced by the Sacred Fire and the Cosmic Light. So if you want to see, sometimes, into the Ascended Masters’ Octaves, and behold—sometimes maybe it’s only a few seconds that you get the glimpse of what the Magnificent Temples of the Sacred Fire or the Cosmic Light, of what They do for Life, what the Power is that pours forth through Them, what Their Service is—you may understand more of these greater Manifestations in the Universe. There’s no Law against it, provided the motive for which you want that, is to keep the Purity and the Humility in the outer

self that may understand the greater Powers of Life and use Them for the Blessing of other individuals, without ever being caught in the human feeling of individuals of the outer world, that you have more Knowledge or more Power than the rest of mankind—because this is what I wish to hold clearly before you. Everything you’ve done in the past that was constructive or worth doing is stored in the Causal Body. Everything good that you’ve ever done is stored in the Causal Body. Everything that is not so good (*laughter*) is your problem or your struggle or your limitations of the outer physical self. So when the physical self gets ready and decides to be purified, decides to be better, then this Power of the Sacred Fire can come to your Assistance from the greater Powers of the Ascended Masters’ Octave.

So when the Music that exists in the Ascended Masters’ Octave is sometimes drawn into the atmosphere of Earth for Healing, for Purification, for Harmonizing, that Music can be so charged with Our Powers of the Sacred Fire that when an unascended being, attuned to hearing that, or desiring to draw It into the physical octave to heal and bless and help others, that Music can be drawn through the Ray of Light or the Tunnel of the Violet Flame. And as It is released in, through the outer self of an individual, It can draw back here the Power from Our Octave and can set that into action to bless those that are embodied here, or fulfill the Divine Plan of the Creation of greater Perfection in outer world activities.

These are the great Blessings that can come from the Ascended Masters’ Octave into the outer use of mankind harmoniously, safely, naturally, victoriously. Now We have much of this Blessing to give to the people of this world if they’d only take their attention off the human creation in the outer world and quiet the outer self, purify the outer

self, and then let Us have a Channel, an Opening, a Light Ray on which We can send back these greater Blessings in your use of Them for the Blessing of the rest of life.

Now the Master Jesus gave you the use of the Statement, “‘I AM’ the Resurrection and the Life!” Well, when you understand that every day when you awaken in the morning after a night’s rest, you do have more Life to use than you did when you went to sleep—more energy has been poured into the outer self through rest. Well, when that energy is given you, the first thing you should do is to call for Its Eternal Protection, Its Eternal Purity, and Its Ascended Master Use in your outer world affairs that fulfills the Divine Plan. If people would only guard the Blessings that Life gives so constantly into the use of the outer self, the problems would not accumulate.

And I am bringing this to your attention tonight because We have created such magnificent, beautiful things, ready to be released into mankind’s outer use when Purification takes place; but they can never be brought into mankind’s outer use until Purification is established here first. So if some of you wish to become aware of that greater Perfection, the greater Purity from Our Octave, We can pour Our Love and Blessings back into your outer use; but It cannot go forth in Its Service to the mass of the people until Purification takes place in the people first. So the most necessary thing that this world requires, and all Life upon it, is the continual Demand for the Sacred Fire’s Purity to come into the energy of the people’s feeling. And when you get the feeling purified, the mind will automatically clear, and the confusion and the misconcepts of the intellect will have been consumed, because when the feeling is purified, the Sacred Fire automatically can blaze through the intellect and clear the human concepts of the outer mind.

*Lotus, Our Loved One Ascended*

So when you wish to fill your beings and worlds with the Immortal Purity of the Sacred Fire, and you forbid anything but Our Eternal Purity to remain in your feeling or in your life or in your energy or your world of affairs—if you will forbid anything in your beings and worlds that is not the Ascended Masters' Eternal Purity, then when We see you take that Command, when We see you maintain It, when We see that you have decided on that, then it's a very easy matter to purify your world and let you begin to experiment with the use of some of Our Powers that, I assure you, are only a Joy to use, and can only bring Their greater Blessings to Life wherever They are used.

We have this Magnificent Perfection in Our World. For instance, if We should lower one of Our Temples of the Sacred Fire into the physical octave of Earth, Its Radiation could purify everything with Music, with the Sacred Fire, with the Radiation of Its Light. But mankind must awaken and must want that Purity. Mankind must desire the Qualities that enable Us to bring these greater Activities of Life's Perfection into this world, provided Purity is to be maintained.

So, Blessed Ones, if you understand what I mean tonight when I said, you do not hear outside of your own aura—it is within your own atmosphere that your own confusion stays unless you use the Violet Consuming Flame to consume it; and discord remains in the feeling unless you use the Violet Consuming Flame to consume the discord.

So each one should feel the responsibility on awakening in the morning to seize all the energy, guard all the energy that the Higher Mental Body has poured into the outer self during sleep. And if you would guard that and value it as you value the greatest wealth or jewels or anything in this world that you call physical possessions—if you would guard the

energy of your feeling world and hold it invincibly purified and command it to be kept disconnected from all wrong, your Powerhouse would increase tremendously. And then your ability to create anything constructive that you want in your outer world affairs for service—your ability would expand, well, just in an amazing way. We could show you many ways to do things that are harmonious and efficient and easy of use, that would give you greater Blessings. We could show you the harmonious way to create and do anything, but you must have established the habit of knowing your responsibility of keeping purified and protected everything the “Presence” has given you at night while the body sleeps. Anybody who will awaken to this can have all the Blessings from Our Octave they want, and We’re waiting to give Them. *(applause)* Thank you so much, Precious Ones.

Now when We give these various Dictations, the Heart Flame of the Dictating Master is always projected down to enfold the Messenger and yourselves and those under this Radiation to whom We are pouring the Help. If during that time, you feel Our Presence, you feel more harmonious, you feel like you, too, can accomplish anything that We are speaking of. If you want that to become an eternal part of your Life Stream, seize It when We enfold you in Our Peace and Love, and ask your “Beloved I AM Presence” and Us to make It an eternal part of you. Then you will understand how your world and Our World can become one World. And then Our Manifestations can come into this octave to improve conditions here.

So often We pour Our Feeling, Our Love, Our Substance, and Our Energy—and you feel like you can move mountains while you are here in the midst of the Dictation—and then you go out and that Feeling isn’t with you. Sometimes you

gain It again when you listen to the records; but the thing to do is to be aware when the greater Blessings are flowing from the Ascended Masters' Octave into this room or into you, when We are pouring the Help from Our Octave, be aware of the necessity of the Demand of the Cosmic Law to make a Call to your "Presence," your Higher Mental Body, and to Us, to anchor this Feeling of Mastery right now into you as an eternal part of your Life Streams. And then It will act so much quicker and your struggle will be through, because We don't struggle—We're Master.

Now if you want that Feeling of Mastery when We charge It into you and you begin to feel you can accomplish something, seize It! and demand It become an eternal part of your Life Stream. Then every time We come, that is the new Life that can raise you higher and higher and higher; and that's what the Master Jesus meant when He said to use that Statement, "I AM' the Resurrection and the Life." In other words, He was the Awakening that raised that Life into the greater use and Perfection and Creation of the Ascended Masters' Octave.

So, Beloved Ones, the Great Cosmic Law of Life is constantly trying to help everybody use greater and greater Powers of Life to produce more magnificent Manifestation that bring only Happiness and Harmony and greater ability to every part of Life. And you are no exception. If you want Our Octave of Life, Our Powers of Life, Our Victory and Our Mastery of Life, Our Sacred Fire of Our Octave to enfold you—ask It to come into you. And then ask your "Beloved I AM Presence" and Us to hold It in you and make It an eternal part of you. Then Our Qualities can come into you and raise you out of the struggle that, heretofore, has produced your limitations, and has kept you tied to the

activities of the outer world when Our Love and Sacred Fire can raise you into the Freedom to go forward in any constructive activity and do as We do even long before your Ascension.

It is this greater Freedom that I come to bring tonight, because from the mountain ranges of the world We can draw such Blessings of Health and Strength and Purity and Powers you dream not of, that you may have in your outer use as you guard every morning when you awaken, the new Life that has come into the body during sleep. So when you awaken in the morning and you say, “ ‘I AM’ the Resurrection and the Life of the Ascended Masters’ Octaves that I wish to produce Perfection here; and I demand everything, all the energy of my life, be Invincibly Pure and kept eternally untouched by the discord of this world.”

You issue the Command! We’ll send the Sacred Fire of Our Love, and We’ll see whether your problems let go and your struggle disappears and you awaken to the use of the Greater Life that is so ready to set you free. (*applause*) Thank you so much. Now one more thing: When you want freedom from distress, try to remember, there are many Beings in the world and in the Universe who want that same freedom for you. That is the thing people forget. When you want freedom from distress, remember, your Higher Mental Body wants your freedom—It doesn’t want you to be in distress. We don’t want you in distress. The Cosmic Beings don’t want you in distress. The Cosmic Law of the Universe contains no distress.

So when you want to be free, remember, other parts of Life want you to be free also; and We provide the Sacred Fire Love by which that Freedom can come into you, you can hold It within and around yourselves and ask It be made eternal in your world. And Freedom is yours by that Command. Thank you with all My Heart.

## *“I AM” Temples and Sanctuaries*

### BELOVED ELOHIM OF PEACE

When We come and offer—in these “I AM” Temples and Sanctuaries, in your “I AM” Study Groups—this Ascended Master Instruction of the Ascended Masters’ Divine Way to live Life, the right way, the harmonious way, the constructive way, and the Invincible Way, it is because We have spread before you the Banquet Table of the Ascended Masters’ Octave, because in every “I AM” Temple and Sanctuary and Study Group there is a Pillar of Our Life’s Energy and Substance and Our Love, all of which is Our Love drawn from Our Ascended Master Bodies. And that has come into these Temples and is established as a Banquet Table of the Almighty into which those who want to understand Life and want to understand and use Power to correct conditions in the outer world can come and be charged with and receive the Energy by which you can accomplish that which is constructive in the outer activity—and the Light, the actual Luminosity by which you can consume the darkness.

We offer the Banquet Table of the Almighty; and in every one of these “I AM” Temples and Sanctuaries which the Ascended Masters have established, there is constantly pouring forth Our Purity, Our Love, Our Supply, Our Harmony, and Our Power to control outer world conditions, protect that which is constructive, and to consume that which is not constructive. But when starving humanity will not come into this Instruction of the “Mighty I AM Presence,” understand It, and use It to live constructively in the outer world to live as We live—and to reveal to mankind the Divine Perfection that is always expanding Happiness and Beauty and Purity to all Life everywhere forever, which is Our Way of Life in Our Ascended Master Octave—then if mankind will not come into the Light and use the Light to consume the darkness of human discord and destruction, well then, the darkness closes in upon those who will not come and live the Divine Way of Life within the Light.

And Our Divine Way of Life within the Light is Peace. That Peace is Our Love; and Our Love is the Perfection of the Universe that creates magnificent Manifestations, sustains them for Eternity, and forever expands the Light and the Perfection and the Joy of living the Ascended Masters’ Way of Life.

## VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

LOVINGLY, “I AM,”  
MRS. G.W. BALLARD
