## Beloved Godfré

---

**I** want to tell you something that was My experience after Beloved David Lloyd completed His Ascension, and I dropped to my knees and offered to God a Prayer—of such Gratitude as only My Heart can tell you what I felt. And in that I poured out Love to mankind; for I wanted all mankind to have that same Great Victory and Freedom which came to Beloved David Lloyd. And, Dear Hearts, when I sent forth that Love to Life, it was to all Life in this world. You were part of that Life; and some of My Love is bearing fruit, as It has drawn you thus far in the Light in Answer to My Heart's Call that hour—when My Love and My Gratitude to the “Mighty I AM Presence” and the Beloved Saint Germain for that Freedom of the Ascension—in that hour, I loved the world and wanted the world set Free.

So in My humble efforts, I have drawn some of mankind nearer to that Freedom; and I shall continue until the Answer to My Heart's Call in that hour comes forth on the Earth, and mankind does fulfill the Great Divine Plan in the Victory of the Ascension. And so can it be with you as you compel every situation to give you a Miracle of Perfection for Eternity, that your Power may increase. And wherever you abide, you are the Miracle Presence of Eternal Perfection; and Life everywhere will love you and approve of what you do, will stand by you and fight for you and compel Light's Victory through by that Love to Life which wants all Life purified and set Free in the Ascension. And It must come!—and can only come by the use of the Sacred Fire.
