

“I AM” ASCENDED MASTER YOUTH

BELOVED SURYA

I'm sure tonight you feel a strong, powerful, calm Love that is the very Strength of Life Itself—and will be to all of you as you go forward rendering this Service to your Nation; for We love you beyond words because of your fierce unselfish stand to free the Nation. God bless you for your patriotism, your service, your love of the Light! And it shall never go unrewarded. Try to know that every Desire and effort you make to hold to your “Blessed Presence” and call this Assistance to the Nation draws into you Power from Our Octave that becomes yours for Eternity.

Be unafraid!—be fearless in your Demand and use of all the God Power you can think of, all the God Power you can desire, all the God Power that is needed. Be unyielding in your Demand! Insist on It coming forth and absolutely annihilating that which dishonors God. And, My Dear Ones, as surely as you exist will you, yourselves, become the Honor Flame of God's Power in this world, to which We may draw others that will receive the Courage and the Strength that is like New Life to them.

Demand “God revealed in me as a New Life of the Ascended Masters’ Octave!” This in itself will help both the Nation and your own Ascension. This world needs New Life; and that must come from the Octave of Light, from Our Ascended Master Octave, as well. Demand New Life from the Ascended Masters’ Octave come into you, that you may never feel exhaustion! And I believe that will be quite welcome tonight! (*applause*) Thank you, Precious Ones.

Demand New Life from the Ascended Masters’ Octave into you and your world to manifest God Authority, God Power, God Miracles, and God Dominion in this physical world wherever you abide; and I tell you, you will be the Saviors to Life wherever you go.
