THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any, that you find in the Saint Germain Series or The Voice of the “I AM” or in the Dictations! . . .*”

BELOVED GODDESS OF PEACE

Beloved of My Heart, tonight I trust I may bring to you an Explanation of some of the Cosmic Activities of the Sacred Fire with which We are concerned and which, when brought into this octave and established as a permanent part of this world, begin to pour forth Their Perfection for Eternity. Now “I AM”

speaking, of course, of the Great Cosmic Flame from out the Great Central Sun that is the Quality of Peace. It is golden with a breath of pink that plays through It like changeable silk; and as It enters into the atomic structure of mankind's physical bodies and into their mental and feeling world and into the atmosphere, they absorb that, and It becomes an eternal part of the Life Flame of each individual.

As It joins the Life Flame of each individual in the Heart, It forms a Sun Presence around that whose Light Rays go forth. And if this Flame is given attention and loved in and around the individual, It continues to expand until each one's world becomes a World of the Sun Presence of Eternal Peace which you can give to others, as well as dwell within Its Almighty Cosmic Activity and Ever-expanding Perfection. I want you to understand that the Flame of Peace, Cosmic Eternal Peace from the Great Central Sun, is an Ever-expanding Action of the Sacred Fire; and if called in and around the individual, just naturally grows and expands by your use of It.

So in holding Peace in and around yourselves for your own healing and to be the magnet of supply for you, as well as for your Protection, it is well to call forth the Great Central Sun's Flame of Invincible Peace in this world and make that your Home, your Cosmic Presence of Its Eternal Activity. I want you to feel how privileged you are to know of these Activities of the Sacred Fire which have been explained to you, that you may reach up and use Them, bring Them into your outer affairs until They begin to grow as an eternal part of this world just as the Flame begins to grow as an eternal part of your own Heart's Flame.

Now if everyone on the Earth tonight who really wants Peace understood this Law of how to call the Great Central

Sun's Cosmic Flame of Invincible Eternal Peace in and around themselves, It would be like an anchor to a ship. It would hold constructive activities protected and ever-expanding; and It would become such a Powerhouse in and around those who knew how to draw It forth, that It would go forth and control the rest of the world. When you understand how many people tonight throughout the world are praying and hoping for Peace and yet fearing war, if they but understood how to call this Cosmic Flame into outer physical conditions, you would see Peace become eternal to this world.

And so since you are only a handful of people, so to speak, compared to the masses in the outer world, yet who of you can tell Me how far-reaching your Call for this Cosmic Flame of Invincible Eternal Peace will continue to expand as you command It to take Its Dominion in the Earth, the structure of Earth itself, as well as in and around yourselves and your affairs! And I wish you to always realize that this Flame, when It comes in and around you, brings immediately the sense of ease and relaxation into the body, into the mental and feeling world. There comes the great ease with It; but don't for a moment ever feel that it means inertia, because when you once dwell within a Cosmic Sun of Its Presence and you feel Its complete ease and Peace and comfort, you go forth a thousand times more active than you have ever been before, because everything you do manifests Perfection.

And there is no resistance to that Flame because It is a Projection of the Sacred Fire from the Great Central Sun here. So try to feel that once you enter into the intense Cosmic Power of the Great Central Sun's Flame of Eternal Peace, It begins Its Work in you for Eternity. Then you do not swing out of your Peace because some destructive condition of

the outer world seems to approach. Heretofore, until you understood the Sacred Fire, you had Peace for maybe ten years; and then war surges again. This is a cyclic action, and that cycle has to be broken—the cycle of war. And it can only be broken by the Great Central Sun's Authority of the Fire of Peace.

And that Cosmic Sacred Fire, I assure you, is the Master Control of Systems of Worlds. So when that Sun Presence enters into the atmosphere of Earth and begins Its Expansion, enters into the structure of Earth and becomes permanent there, the hour strikes when It has expanded to the point where It has removed from the Earth everything unlike Its own Purity, Its own Love, and Its own Power of Peace which holds Divine Balance, holds Divine Order, and allows the full Perfection that belongs in this System of Worlds to come in and fill the Earth with Eternal Peace.

So, Precious Ones, try to feel how privileged you are in these various Activities of the Sacred Fire that have been called to your attention, that you may use Them not just to correct your own physical affairs and conditions; but your individual use of Them in your affairs should be always expanded to be used everywhere in the physical structure of the Earth. I have a reason for this tonight! Then as you command that Flame to go forth and be the Authority and Control of all outer physical conditions, as you form a habit of this, It will surge with a pulsation like your heartbeat. It will be a Heartbeat from the Great Central Sun in and around you; and each heartbeat will expand It a little further, Its pressure become greater. And you will find as you continue to use It, It becomes the All-controlling Power of the Heart Presence of the Great Central Sun whose Love is Peace to Life everywhere throughout Creation.

I hope you will enter deep into the use of this in order to hold in and around yourselves that Power, that Feeling of Peace that does give you perfect Health and Strength, and is the Magnet of Harmony to attract to you that which you are going to be required to use in your service to the outer world. So, Blessed Ones, there is no limit to the Blessings of this Great Flame from the Great Central Sun.

And when you begin to call the Great Central Sun's Cosmic Sacred Fire Flame of Invincible, Eternal Cosmic Peace to the Earth, then when that Flame comes in and around you and enters into the structure of Earth, It grows. And It will continue to grow until the Earth itself becomes a Sun of Its Presence, because the Great Central Sun's Authority and Power in the Release of that Flame sets into action Its ever-expanding Pulsation until It pushes through everything and compels Purification, compels Divine Order, compels Divine Balance which is Justice to Life.

So, Blessed Ones, let It begin within yourselves; but fail not to call It into the physical structure of Earth to bless the Beings that have blessed you ever since you embodied in this world. These Beings of Nature and the Forces of the Elements have assisted you in every embodiment to the Fulfillment of the Divine Plan of your Ascension; and so now you owe them a Blessing of Purity and Love and Peace, that they may fulfill Their Divine Plan to Life that passes this way in its embodiment and journey unto the Ascension.

Try to feel—whenever you draw forth any of these Activities of the Sacred Fire for which you call, ask that They always go into the physical structure of Earth and bring Purity and Peace and Freedom to the Powers of Nature and

Forces of the Elements as well as to yourselves. You will find this an invaluable, invincible way of holding Protection not only about yourself, but about the things that are in your world and that have been brought to you for use. So, Blessed Ones, you cannot give or call forth that Great Cosmic Flame in and around yourselves and into the structure of Earth to bring Its Peace here without being blessed by everything It touches, because when you bring Peace to another Life Stream, even to the outer self, the Higher Mental Body of that Life Stream will flood Its Love and Peace and Gratitude back to you for your effort to raise any part of Life to the greater Power of that Peace.

So you cannot give without receiving, and you cannot receive from above without giving and pouring It forth to Life wherever you abide. And just think, Beloved Ones, what you could do for this Nation if every human being in this city tonight were to sit like you are here, and just for five minutes, by Conscious Command in the Authority of the “Mighty I AM Presence” and the Ascended Host, call that Cosmic Flame of the Sacred Fire of Invincible, Eternal Cosmic Peace, the Cosmic Sacred Fire of that Invincible Cosmic Peace, in and around yourselves, in and around the city, then the Nation and the world. Almost anything would be possible if every human being in this city tonight would do that together for five minutes.

Don’t you see how wonderful Life is in Its Boundless Gifts of Itself to mankind everywhere? The Greater Life is always giving of Its greater Blessings, Its greater Perfection, Its greater Power, into the use of that which is lesser. And oh, when you begin to use the Great Central Sun’s Cosmic Sacred Fire Power of Invincible, Eternal Cosmic Peace, you become the Victory of Its All-controlling Flame in this world!

And I want you to be that from tonight! (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please; just remain so.

Now there are Legions, My Dear Ones, of the Angelic Host and Cosmic Beings and Ascended Ones who, each one being a Sun Presence of that Great Central Sun's Flame of Invincible Cosmic Peace, can come within Its Flame, project It into the Earth, flood It into the atmosphere, and enfold all who call for Their Assistance. And with the world in the throes of darkness and the torture and the turmoil of human frightful creation, We are grateful beyond words for just a handful of people as you are here to whom We can explain this, to whom We can come and give It, and whom We can use as an Open Door to let the River of Its Presence flood the world until It becomes permanent to the structure of Earth, and one day the world itself becomes the Sun Presence of Its Invincible, Eternal Cosmic Peace.

It is simply the Divine, Orderly Way to live Life that ever expands greater and greater manifestation and always produces Perfection. Why mankind choose to live in the temporary sensation of the senses that always carry punishment and torture and distress and limitation—when if they would cast that aside and enter into this Heart Flame of Peace from the Heart of the Central Sun, they could not lack for any good thing. And the Joy that is positive ecstasy of dwelling within the Master Presence of that Sacred Fire Control so far transcends anything that mankind think is happiness in this world, there's just no comparison. It's the difference between Light and darkness.

Mankind is self-hypnotized by its own sense desires; and until human beings let go of them, their suffering continues and Peace is not there. It seems to Me, it's time the world

desired the Heart of God and forgot human sense desires. It's time mankind awakes; and when you see the Cosmic Fire in Action as We do, you will know an Awakening is coming. So in preparation for your Protection, try to realize the Cosmic Law of the Great Central Sun that gives this Flame of Eternal Peace demands Purity. Mankind cannot wallow in the senses and have the Purity of Eternal Peace, not at all!

The senses are never satisfied, and their destructive desires take the individual to the second death. And who of you can tell Me what one desire of the human senses is the last bit of energy required to swing your Life Stream into annihilation? If I were you, I would think it through! Linger no longer in the sense consciousness of human feeling if you expect Protection from the Ascended Host. Purity is imperative, and none can fool God. I have offered you the Blessings from the Powerhouse of the Universe, the very Heart of God which this Flame of Eternal Cosmic Peace is to Life; and It is yours to use as free as the air you breathe if you will but turn to It and turn away from the senses that are but the hordes of the shadows.

The hordes of evil are in the senses that take the energy of God's Life and desecrate it for amusement—physical sensation that drives to the second death. Tonight the world, except for what the Mighty Saint Germain has brought in this "I AM" Activity over the last twenty-five years—except for this, the world would have itself gone to the second death. They've had Beloved Jesus. They've had the other Great Beings through the centuries. And when the Mighty Saint Germain brought this Light to America as an Anchor of the Sacred Fire to the Earth, It steadied the world. And one day you shall all know who He is! (*applause—audience rising*) Thank you, Beloved Ones, with all My Heart's Love for your Love; and I add Mine to yours

to offer to Him everything We can give to assist Him in His Gigantic Task of helping to purify and free the world. Thank you, and won't you be seated, please.

My Loved Ones, tonight, value this night as you have never valued anything in the past—the opportunity of understanding and using this Great Central Sun Flame of Invincible, Eternal Cosmic Peace. Value It more than you value all the wealth on the Earth, and one day mankind will return It to you a thousandfold with a Love that will bring you Happiness for Eternity. There is no substitute for Purity; there is no substitute for Peace; there is no substitute for the Sacred Fire Love in the Great Central Sun that gives you existence.

And I plead with you, turn away from the hordes of the senses that take mankind only to suffering and annihilation. Tonight may your Love to that Great Central Sun Heart's Flame of Invincible, Eternal Peace draw Its Sun Presence in and around you all to bring you a Happiness you have never known—and that will be with you forever—and then, entering in through you to the Earth, become the Purifying, All-controlling Presence of the Sacred Fire's Dominion over all the Powers of Nature and all mankind. Enter into the use of this with the greatest Joy you've ever known, and you shall have all the Protection you'll ever require, because the very Harmony which this Sacred Fire is automatically releases Protection in and around you. As you hold steady within Its Sacred Fire and let It expand to wherever you move in the Universe, It brings forth Perfect Manifestation to bless all Life with Eternal Happiness.

Come into the Heights of Eternal Purity, and be at Peace until the cleansing of the Earth and all upon it is completed. And then you may render your service to those Life Streams who are to be taught the use of the Sacred Fire, that never

again may turmoil be created in this world or the Life God has given you be desecrated by discord. May the fullness of the Great Central Sun's Heart Presence of Eternal Peace blaze Its Sacred Fire in and around you forever, and expanding Its Almighty Power to all you contact, enter into the structure of Earth and bring Purity and Peace and Love to the Beings of the Elements and the Powers of Nature, who through so long a time have struggled under the discord and filth and desecration of mankind's creation. Linger no longer in the human desires when the Majesty of Eternal Mastery, the Cosmic Hand of God's Great Creative Power, the Heart Flame of Eternal Peace, gives you Itself that brings Joy forever—Mastery and invincible, ever-expanding, creating Perfection that forever brings greater and greater and greater Glory to all.

I enfold you in My own Heart's Flame tonight of Eternal Peace. May Its Love from the Heart of Creation in Its Great Sacred Fire Cosmic Peace ever abide with you, enter into you, and blaze through you to the structure of Earth itself, and forever hold all in Its Eternal Control so that you become the hope of the world, the Light in the darkness, until Its Expanding Sacred Fire Power shows mankind the way out of their human desires and into the Eternal Heart Presence of Peace and Love and Purity and Freedom.

May the fullness of Its Cosmic Heart Power clothe you tonight in Its Victory for Eternity, that you may give It without reservation wherever you go, and being the Power of the Sacred Fire, no human thing can ever again exist where you command It to take Eternal Control. Go forward and use It without limit. Realize your privilege, and awaken mankind out of the shadows and into the Eternal Sun Presence of the Heart of God where alone Peace abides. May you enter there and let It be your Home forever. Thank you with all My Heart.

BELOVED SAINT GERMAIN

My Beloved Family of Violet Flame Freedom, tonight I come to explain something I trust will remain with you forever and give you the deeper realization of just how wonderful is the Great Law of Life in Its willingness to raise all to Perfection. Tonight I wish to call your attention to the privilege of living in the Nation that is the Heart of the World.

When you begin to understand what the Heart Realm of Life is anywhere in manifestation, you have entered into the Sacred Fire's Domain and Realm of Eternal Perfection. Therefore, this Nation that is the Heart Nation of the World must be purified, must be protected, must be saved from the desecration that has tried to destroy everything. If you will remember, in the early part of the history of this beloved Land of My Heart, the blessed Washington established the Order of the Purple Heart; and only those who had done some outstanding, constructive service received the Order of the Purple Heart. A certain standard had to be met and served in order to receive that honor.

And so it is with you today. In the privilege that is yours to use the Violet Consuming Flame in all Its Mightiest Cosmic Activities to bless the world, and therefore bless yourselves, to bless all Life wherever you go, you become the Master Controlling Presence of manifestation and of

conditions wherever you abide. The reason for that is this: No matter what other Activity of the Sacred Fire needs to be drawn into outer service to create manifestation or sustain it or expand it, every Focus of the Sacred Fire has to be surrounded by the Violet Consuming Flame in order to hold the balance of the Inner and outer activities of the Great Creative Power of Life. Therefore, no matter what you are going to require in the outer conditions of your physical experience, everything that fulfills the Divine Plan must be enfolded in the Violet Consuming Flame before manifestation can be produced that is Perfect and before the Freedom of Life can come to those who embody in this world.

Therefore, the Inner and outer activities of the great Heart Realm of Life are the continual Expansion of the Perfection from the Great Central Sun through the individual, enfolded in the Sun Presence of the Violet Consuming Flame. The Unfed Flame in your Heart is enfolded in the Sun Presence of the Violet Consuming Flame's Protection by your Higher Mental Body. The United States of America, as the Heart of the World, is enfolded in an atmosphere of the Violet Consuming Flame; and that is eternally true because I drew that here. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, and just please remain so. Knowing as I did the necessity of protecting God's Freedom in manifestation in this Nation, there must be the enfolding Radiance of the Violet Consuming Flame. The Nation is enfolded in It. The planet itself is held within the Cosmic Activities of the Violet Consuming Flame. This whole System of Worlds is held within an atmosphere of the Violet Consuming Flame.

And if you will remember, I said to these Messengers in the beginning of this Instruction: If you said, " 'I AM' the

Secret Heart of God,” you would receive some very remarkable ideas! And the reason for that is the Heart Realm of Life, being the Focus of the Sacred Fire—the individual’s own great Creative Activities from the Great Central Sun—that is the Treasure House and the individual Concentration of the same great Powers and Activities of Life for the individual, and through the individual, into the world around the individual, as exists within the Great Central Sun.

So when you have acknowledged the Realm of the Violet Flaming Heart, the Heart Realm of Life, the Heart Protection of Life, the Heart Gift of Life, and the Heart Expansion of the Perfection of Life, you are calling into any one of these special conditions the Activity of all the Powers of the Sacred Fire from the Great Central Sun localized in and around yourselves for your use, and drawn and sustained here by your Higher Mental Body. Therefore, when you understand what the Heart Realm of Life really means, you become a Sun Presence and a Universe of the Violet Consuming Flame in your own individual right to use all the Powers of Creation from the Great Central Sun in and through and around yourselves, to ever expand here another Sun.

The Heart Realm of Life is the great Giver of All-Perfection into manifestation, and contains all the Powers from the Great Central Sun that can and should function through the individual, whether it be in this world or any other or any other System of Worlds. The Sacred Fire is connected everywhere with the Great Central Sun; and when you learn to command everything in your being and world to manifest the Heart Realm of Life and Its Invincible Protection against all wrong, you go forward without obstruction. You go forward without lack or limitation, because the Heart Flame of Life contains everything that you can ever require

to create Perfection here, produce manifestation, protect it, expand it, and forever give it into the outer service of Life. It is the All-supplying Source and Presence of all that is ever needed to produce manifestation.

Now when you commence to charge the outer self with My Violet Flame Freedom or My Violet Flame Feeling of the Heart Realm of Life—My Feeling of the Heart Realm of Life, My Feeling of the Heart Mastery of manifestation—My Dear Ones, the moment you acknowledge that, the Flame of your own Higher Mental Body in you begins to expand that, and I pour forth from My Heart's Flame those Qualities for which you call. I can enfold you in Them. I can expand Them through your outer manifestations. I can clothe you in Their Cosmic Power; and I can make you understand what They are, how They act, and what They can give to the rest of Life.

Therefore, it is no figment of anyone's imagination when you say, “ ‘I AM’ the Violet Flaming Heart Realm of Life! ‘I AM’ the Violet Flame's Heart Honor to Life!” The Messenger has reminded you continually of the Honor Flame of the Great Great Silence. That Honor Flame is the Violet Flame Love which contains everything within It of the Sacred Fire from the Great Central Sun. You may have It as small and delicate an Activity as you require, or you may have It as a world-enfolding Heart Flame to do for Life what only the Heart Flame can do. So the Order of the Purple Heart was only the forerunner of the Heart Realm of Life which “I AM” trying to bring into the Heart Nation of the World, that the Violet Flame Love from the Heart of the Great Central Sun may fill the people of this Nation with Its Eternal Freedom and set them Free in the Purity of the Great Central Sun's ever-expanding Perfection and flow of all good things into manifestation everywhere.

The Heart Realm of Life is a very wonderful place to live, and It just happens to be what the world calls Heaven. It's the Ascended Masters' Perfection of Life which contains all that the Great Central Sun contains, and can be given to Life without limit in whatever intensity is required to manifest in this world—or any other—the same great Perfection as is in the Ascended Masters' Octave, and that is the Perfection in the Great Central Sun. This is the unlimited use of Life and the Invincible, Ever-expanding Harmony of Eternal, Invincible Manifestation. I think I shall call you My Violet Flame Heart Legions of Freedom for Eternity, because only that Sacred Fire in your Heart can raise you to the Ascension. *(applause)* Thank you so much.

And now We come to the Great Presence of Life's Almighty Love and Blessing that forever is the Supreme Mastery of human feeling. The Feeling in the Heart is a Sun Presence here; and that Violet Flame Feeling is—in the Heart—is Master over the feeling at the solar plexus which accepts discord from the outer world. Therefore, when you begin to call forth the “Beloved I AM Presence” and the Ascended Host's Violet Flame Freedom from the Heart Realm of Life, and you use your Heart Mastery to control all human feeling, to consume it, to repel all discordant feeling, to replace it by the Ascended Master Feeling of complete control of manifestation, you come to the place of Eternal Peace; and Mastery is yours, because It is inside of you.

When you understand what the Violet Flame Love from the Great Central Sun does in the Heart Realm of Life and what It gives to Life everywhere, everything in your being and world can be so enfolded in Its Almighty, Glorifying Presence as to be the Victory in you that masters all things in manifestation harmoniously and invincibly for Eternity.

The Violet Consuming Flame's Heart Power and Heart Realm and Heart Love of Life to command Perfection into action is the overwhelming Power of the Universe—of manifestation.

So from tonight, if you just ask your “Beloved I AM Presence” and the Ascended Host to keep charging into everything in your beings and worlds the Violet Flame Heart Mastery of all human feeling in you and hold around you the Ascended Masters’ Heart Feeling of complete Annihilation of all human feeling, the Sun Presence of that Sacred Fire can expand in and around you farther and farther until, I assure you, never again will discord contact you, and never again will the human creation and suggestions of the outer world attract your attention or hold it.

Now when I come to the use of this for your individual Protection, I wish you to understand quite deeply how serious is My concern tonight about the mentality of those within your borders and those throughout the world who seek the constructive way of Life. If you call into outer conditions, especially in and around yourselves and all under this Radiation, the Ascended Masters’ Great Central Sun Heart Protection of the brain structure and the mind of the outer self, you can have established around the upper portion of the body a Sun Presence of the Sacred Fire of the Violet Consuming Flame and the Golden Flame—an intensifying Action which enables your Higher Mental Body to come closer to the outer self, and enfolding you in the more intense action of Its own Heart Control of your consciousness, prevent brainwashing, prevent hypnotic control of Life Streams, prevent psychic forces touching your feeling world, and preventing, therefore, the intrusion of human creation upon you or your world while you yet serve in the unascended state.

This is a very important Protection of your consciousness, My Dear Ones; and mankind better awaken to Its use. *(applause)* Thank you so much. Now for your own individual use, Protection, call to your “Beloved I AM Presence” and to Us to protect your mind, your outer intellectual consciousness, by the Great Central Sun’s Heart Flame of compelled Mastery; and hold Its Eternal Purity in your feeling by the Great Central Sun’s Violet Flaming Heart Command to Life. You command It. You use the Command. You call It in and around your outer selves. You ask It to come into this physical world to rule here, and forever consume anything that any longer wants to desecrate mankind or degrade those who are trying to hold to the Pathway of Light at this time.

If I were you, I would charge my intellectual consciousness, I would charge my outer mind, I would charge every feeling in my being and world with the Great Central Sun’s Violet Flaming Heart Control, Heart Purification, and Heart Protection of the consciousness of your whole Life Stream in the outer self against anything and everything that is not Ascended Master Consciousness. You will find it very much easier to think your problems through, to go into your daily activities. You’ll find it very much easier to know the right thing to do in an instant. And when you demand the Great Central Sun’s Heart Feeling control and possess absolutely all the energy of your feeling world, no disturbance or destruction or human creation of any kind can touch the energy of your Life Streams.

And that is why I gave you the use of the Tube of Cosmic Light Substance, because that is the Insulation and the Repelling Force to destructive conditions in the outer world. But if your attention goes to something of the outer world that is destructive, and that—whatever your attention

(continued on page 26)

THE ACCREDITED MESSENGER,
BELOVED GUY W. BALLARD

BELOVED EDNA W. BALLARD

is on—causes disturbance in your feeling, whatever that condition is has connected with your life energy. But when you call to your “Beloved I AM Presence” and to Us to anchor in and around your whole Life Stream the Great Central Sun’s Heart Violet Flame Feeling and Control of all your feeling, you will rest within that; and you can move in conditions and be wholly unconscious of the discord that is radiated by other individuals or in conditions in which you might move. You will be absolutely unaware of those conditions if you have to pass through them; and you will hold your own Harmony, and therefore keep undisturbed by the conditions that destroy others.

Therefore, take the energy of your feeling world in hand. Definitely demand that all the energy of your Life Stream in the outer self, all the feeling within you, be forever held within the Great Central Sun’s Violet Flame Heart Control, Heart Feeling of the Heart Love from the Heart of Creation. And I assure you, when the energy of your emotional body is filled with that Eternal, All-purifying Violet Flame Love in the Heart of Creation, your feeling will not disturb you. And therefore, the very Harmony in your feeling will automatically purify the physical structure and heal. It will automatically flow out into your affairs and draw to you boundless supply. It is part of the Great Central Sun Magnet’s constant giving to Life of that which produces Perfection.

So when the Order of the Purple Heart was established in the United States of America, it was not by accident, I assure you. I tried at that time to draw people’s attention to the Violet Flame Heart which the United States of America is as the Heart Nation of the world. And you who understand this Law have received It from the Heart of the Violet Flame Love which I brought to this Nation through this “I AM”

Ascended Master Instruction. I focused this in the beginning to enfold all the Instruction that was to be given in order to hold It protected long enough until It grew to Its present Expansion.

And It will be continued to be held in that same Great Central Sun Heart Realm of Life whose Violet Flame Love can control all human feeling, all energy, all of everything that is in existence. Then when you call the Unfed Flame into conditions to blaze through the Love, Wisdom, and Power of Perfect Balance, all is enfolded in the Sun Presence of the Violet Flame Love from the Great Central Sun; and you, dwelling within the Heart Realm of Our Violet Flame Love, I assure you, will hold control of your feeling as easily and harmoniously as you raise your hand.

Then there is not the struggle within you to battle against some habits and try to hold to others that are constructive. When Our Sacred Fire Heart Feeling comes into you, the Violet Flame fills the energy of the emotional body, and there is no struggle. You dwell within the Feeling of Life that is Eternal Purity; and, I assure you, it is not strenuous. This is the Activity that takes the struggle out of your daily experience, takes the feeling of struggle out of you so your struggle can stop. And therefore, the Violet Flame Heart and the Violet Flame Realm and the Violet Flame Love from My Temple of the Violet Consuming Flame and from the Great Central Sun bring Peace to the feeling of Life no matter where It flows. And you can just as well have your home and your activities held within that as to live in the turmoil of the outer world. (*applause*) Thank you so much.

Now I offer you something I trust will bring you very great Happiness. Whenever there seems turmoil in the outer, turn back to your “Beloved Presence” and to Us, and say with

all the Love at your Command, “Make me a Heart of the Violet Flame Love from the Great Central Sun that is forever blazing Its Peace to Life, and see ‘I AM’ never again able to feel anything but the Great Central Sun’s Ascended Master Feeling of Violet Flame Love!” You must command what you want to feel; and if this is your decision, I assure you, your struggle is over. If you want your Freedom harmoniously, your struggle is over. If you want to solve your problems and then be through with them, then I assure you, the Heart of Violet Flame Love from the Great Central Sun will solve any problem and dissolve any problem and free you from any problem, because the Peace and the Harmony and the Perfect Balance of all Qualities within It purify and hold in Perfect Balance whatever energy and substance is in the problem until the very energy within it has become its solution.

Try to feel that each of you is an individual Violet Flame Heart of the Love from the Great Central Sun—that dwelling within the Violet Flaming Sun Presence of Eternal Freedom, you live the Perfection of Life within your own Sphere of Eternal Purity; and Freedom is assured, because human creation cannot enter into that Sun of Violet Consuming Flame. The human creation cannot enter into the Heart Realm of Violet Flame Love. So your Violet Flame Mastery is yours to bring Peace to your feeling, Healing to your body, Purity and Perfect Balance to the mind, and Purity and Balance and Supply to your affairs. It is the Great Treasure House of the Universe. It is the Harmonious Way to do all things. And It is the Invincible Protection of Eternity, for It allows everything that is constructive to expand and reveal Its Happiness to Life to raise all to greater and greater Freedom.

So from tonight, when you think of wanting Freedom, when you think of attaining your Ascension, when you think of wanting freedom from your problems—and the solution, and you want their solution in their place—when you want Peace in your feeling, fail not: Ask your “Beloved I AM Presence” and Us to charge the Great Central Sun’s Heart Feeling, Heart Flame of Violet Flame Feeling in you that is the Heart Control of all in your feeling world. If you command It, My Dear Ones, it won’t take three Commands for you to feel immediately the Peace that comes into you as you consciously take the Scepter of Dominion, and you, the ruler in the house, command the energy of your Life to forever feel the Violet Flame Love in the Heart Realm of Life. And your Life becomes the Sun Presence of that Violet Flame Love; and you move in your world of ever-expanding Freedom, and you manifest your Victory wherever you abide unto the Ascension.

When you ask for the Ascension, yourselves or others, and you call It forth from within the Great Central Sun’s Heart Realm of Violet Flame Love, just try It! Fill yourselves with It. Feel that you live within It. Enfold everybody and everything you meet in Its Great Cosmic Sacred Fire Presence, and ask It to rule everything with that which consumes all mankind’s human creation before it can any longer disturb life anywhere. Then, My Dear Ones, as you go from one accomplishment to another, that Sun Presence of Our Violet Flame Love will ever expand around you, not only light your way, but It will contain within It the things you are going to require to use to ever expand the Perfection that reveals the Divine Plan fulfilled unto the Ascension.

It is the only eternal, harmonious, balanced Way to do anything; and It is the great Gift of Freedom to Life, because

in that Violet Flame Love from the Heart Realm of Life you dwell, and the discord can never reach you again. It is God's Way to Freedom. It is the redeeming of the Earth. And It is the Honor to Life that does not let discord exist again in you or your world. Command It to fill all the energy of your feeling world with Its Blazing Mastery—and so shall It be established unto you, because It then becomes the Enfolding Sun Presence around your own Life Stream; and your energy and all that comes from your Blessed Higher Mental Body will forever be qualified and enfolded in that Great Realm of Violet Flame Love from the Great Central Sun.

Your Higher Mental Body is that Flame. Your “Electronic Presence” is that Flame. The Causal Body has stored within It the constructively used energy of the past. And now you must take your Command of Mastery, and demand the outer self be filled forever with the Great Central Sun's Violet Flame Love from the Heart Realm of infinite space, the Heart Realm of the Physical Sun, the Heart Realm of your own “Beloved I AM Presence,” the Heart Realm of the Ascended Host. And when you demand the Feeling of the Heart of Violet Flame Love flood in and around everything in your Life Stream, you cannot feel human feeling again.

So It is your Eternal Freedom from any more contact with the discordant conditions that have tortured you through the centuries past, and which now must be removed from all Life. And We are depending on you to do this, that each of you may be a Violet Flame Sun; and wherever you move, that Violet Flame Love and Its Feeling becomes the expanding Strength of the Light in the American people to throw off that which seeks to bind them to destruction.

So when you render this service to your Nation, you automatically are free before you give that service if you will

do this which I've offered tonight. And there are Limitless Legions of the Angels of the Violet Consuming Flame who draw the Concentration of that Violet Flame Love in such Power into the conditions of this physical world that It would open the Realm of the Ascended Masters' Octave to those who will use It. And as you live within It, pour It forth to the conditions of the physical world that must be purified and forever consumed—the impurity forever consumed—then there can come into outer physical conditions the greater Perfection that is to be the natural way of Life in this world.

And It can only come from within the Violet Flame Love from the Heart Realm of Life. That Heart Realm is the Unfed Flame in your own Heart. That Heart Realm is your Higher Mental Body. That Heart Realm is the Ascended Masters' Octave. That Heart Realm is the Heart of the Physical Sun and the Great Central Sun. And when that Heart Realm is allowed to pour forth Its Violet Flame Love to Life, then will the experiences of distress in this world be forgiven, forgotten, consumed, and the door of memory closed against them, because in the future there remains only the Sun Presence of the World in which you are going to live as you arise into the Ascension.

So My Violet Flame Love to you tonight draws you into the Heart Realm of Eternal Freedom. And the Order of the Purple Heart means the Ascension of the Nation, the people, and Life everywhere into Our Love of ever-expanding Freedom to Life, and the Glorifying Presence of that Sacred Fire whose Beauty and Power forever and forever and forever draws all into Its own Great Perfection.

Go forward, Beloved Ones. Dwell within this. Call to Me, and I will gladly clothe you in It and give you Its Power

to be master over circumstance wherever you abide. And then the Land of My Heart which I have loved so long will become the Order of the Purple Heart, because the Violet Flame Love will be the Order of the New Civilization that We wish to build here for the Ascension of the world. So I commend you to the Fulfillment of the Law and the Glory of Its Freedom to which you must someday attain; and as soon as you use this, your distress ceases now forever. Thank you for your Love to My Violet Consuming Flame; and together Our Love for that Violet Consuming Flame's Freedom to Life will yet purify and feel—make the Nation feel—the Purity of Our Love that is the Redemption of the world.

Try Me out, and help to make the Nation that which raises Life to Happiness. The shadows of distress and struggle will disappear as mist before the morning Sun, and only the Heart Realm of Violet Flame Love can be your experience in the future. Go forward and take your Freedom with My Violet Flame Love to assist you. Thank you with all My Heart.

RULER OF THE VIOLET PLANET

IF you will ask for this intensification from the Violet Planet of the Cosmic Power of the Central Sun's Violet Consuming Flame, asking It to be permanently established to the depth of at least ten thousand feet in the crust of the Earth, it will help to govern certain magnetic currents as well as to purify the structure of the Earth itself and to purify the Powers of Nature. Now in this way, it will do much to relieve the forests of the Nation and the plant life from the blight and many other destructive activities, including some of the animal and vermin creation that have so destroyed much of the Handiwork of the Beloved Lord the Maha Chohan. Of course, there is a constant cyclic action of more and more always coming forth from the Heart of His Love; but if your Love is great to your "Presence" and

to the Powers of Nature and the Beings of the Elements and to Him, to the Ascended Host, then there can come this Cosmic Action from Our Planet to more quickly intensify the Purifying Activities, and to some degree, offset some of the atomic bomb's destruction that has been forced into the Earth through those experiments.

The use of the atomic bomb in the oceans of the world, while it produces a certain local disturbance, yet, the weight and the power of the water is so great that its radiating activity is slowed down to a very, very large extent. But not so with the physical structure of the Earth; for the physical substance of the Earth itself is more or less porous; and there are channels, tunnels, openings, caves, forming a perfect network in the structure of the Earth, through which the destructively released energy of the atomic bomb travel and do untold damage.

The water absorbs the chemicals, but the weight of the water shuts off the explosion to a large extent. It might produce some local, temporary effect—and of course, it travels to some degree—but the weight of the water is so terrific that it does not force itself through like it does in the porous sections of the structure of the Earth, because the radiation and accumulating force and gases released through an atomic bomb into the structure of the Earth accumulate in the caves and the passageways and the tunnels of Nature.

And that is a very dangerous thing, because that can come up through the Earth itself and do untold damage to mankind, as well as to the plant life. So if you will call for the Cosmic Concentration of the Great Central Sun's Violet Flame from Our Planet, the Violet Planet to the Earth, We are a Concentration of that and can direct It. Since Our

whole Planet is Its Vibratory Action, We can concentrate and direct that into the physical substance of the Earth to accomplish this which We are going to try to do.

You will find much of your diseased conditions of the bodies of the people, as well as their minds, is due to the increasing filth and hatred of war and the continual release of the explosive activities of the munitions of war. These things, entering into the substance of the Earth, interrupt and change the magnetic currents, the electronic currents, the actual mineral formations, and that of the plant life; and everything suffers through the Powers of Nature—the Beings and the Forces within Nature suffer under mankind's filth and hate and discord.

It is my prerogative and opportunity and My great privilege to offer what humble Assistance I can from Our Height of the Sacred Fire and help to bring this into the conditions within your Nation at least. And then We'll ask for It in the rest of the world, following your charging of this into the actual physical ground of the United States of America, and then the Americas and the other landed surface of the Earth.

The reason for that is that a certain proportion of Purity must be maintained within the structure of the Land of the United States of America! And it's vitally important in this city [Chicago] in order to let these Greater Powers of the Sacred Fire, which it is My Privilege to direct, come within the permanent atom in the Heart of the World, and then to flood forth and fill the Heart, which America is, until the anchorage of that greater Purity is built permanently into the actual mineral kingdom, the Powers of Nature, and the structure of the Earth itself, for all time in the future.

“I AM” ASCENDED MASTER YOUTH

BELOVED SURYA

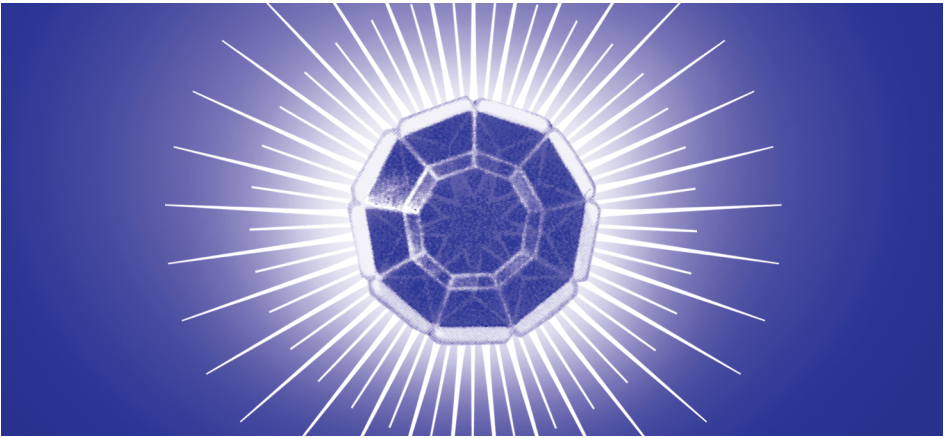

I'm sure tonight you feel a strong, powerful, calm Love that is the very Strength of Life Itself—and will be to all of you as you go forward rendering this Service to your Nation; for We love you beyond words because of your fierce unselfish stand to free the Nation. God bless you for your patriotism, your service, your love of the Light! And it shall never go unrewarded. Try to know that every Desire and effort you make to hold to your “Blessed Presence” and call this Assistance to the Nation draws into you Power from Our Octave that becomes yours for Eternity.

Be unafraid!—be fearless in your Demand and use of all the God Power you can think of, all the God Power you can desire, all the God Power that is needed. Be unyielding in your Demand! Insist on It coming forth and absolutely annihilating that which dishonors God. And, My Dear Ones, as surely as you exist will you, yourselves, become the Honor Flame of God's Power in this world, to which We may draw others that will receive the Courage and the Strength that is like New Life to them.

Demand “God revealed in me as a New Life of the Ascended Masters’ Octave!” This in itself will help both the Nation and your own Ascension. This world needs New Life; and that must come from the Octave of Light, from Our Ascended Master Octave, as well. Demand New Life from the Ascended Masters’ Octave come into you, that you may never feel exhaustion! And I believe that will be quite welcome tonight! (*applause*) Thank you, Precious Ones.

Demand New Life from the Ascended Masters’ Octave into you and your world to manifest God Authority, God Power, God Miracles, and God Dominion in this physical world wherever you abide; and I tell you, you will be the Saviors to Life wherever you go.

GEMS OF LIGHT

ORDER OF THE PURPLE HEART

Beloved Godfré

You know, Beloved Saint Germain's Order is the Order of the Purple Heart, the Violet Heart. That was My Order of the Violet Heart. Do you think that you are not the Violet Heart, too? How could I love you and wrap you in that Violet Flame Heart and not make you a part of Its Glorious, Expanding, Purifying Flame to the Nation?

Beloved Saint Germain

Be not deceived! There are plenty of traitors within your borders; there are plenty of the hordes of evil within this Land. So if you will call forth the Great Central Sun's Invincible Sacred Fire Legions of Eternal Protection to that which is of the Light in America, that will guard your Light. It will

guard you; It will guard that which is constructive within your borders. And if It guards that which is constructive, It will weaken that which is not constructive.

So, Blessed Ones, I'm going to call you tonight not only My Legions of Freedom, but the Legions of My Heart. You know, there is the Order of the Purple Heart of which the Blessed Washington was head. So when I ask you to become the Legions of My Heart, My Violet Flame Heart can abide with you at all times. And as you accept It and ask It to make you the Strength of Freedom in you to protect America and to send It forth within the Nation to strengthen all who honestly and sincerely stand for the Freedom of this Land of Light, It becomes the Protection of the Heart of the World. And each of you can be that Sacred Fire Heart of Protection to the Heart of the World. The Heart of the World needs Protection if the Life in the world is to survive.

. . . the Order of the Purple Heart was established in the beginning of this Nation's existence by the Beloved Washington, by those who loved Freedom enough to depend on God to give it. And so you, too, can become members of the Order of the Purple Heart, the Violet Flame Heart of My Love. And that is My Special Family of Freedom.

You who have embodied with the predetermined willingness to render your Service at this time to protect the Purity and the Freedom of this Nation—you agreed to do this before you came into this embodiment. Now is the

moment when you draw Our Powers of Our Life's Love to enfold yourselves and fill the Nation, fulfill the Destiny, and hold the Immortal Purity that is Eternal Peace to the Nation and the World—therefore, to yourselves, which is the Raising Power of your Ascension. You cannot give this to the Nation without gaining your own Freedom. So I trust from tonight you will feel My own Heart's Sacred Fire Presence of Immortal Violet Flame Freedom become a Powerful Reality in and around yourselves and throughout the Nation. And you will know then that the Order of the Purple Heart is no figment of anyone's imagination. That was the Focus of My Love which I gave in the beginning of this Nation, its present existence of the civilization here, to enfold those within your borders in My Heart's Love and Freedom to Life.

Mrs. G.W. Ballard • January 2, 1964

As we enter into this Decree, we'll see It as a Violet Flame Sun Presence filling our Nation, going deep into the structure of Earth, high into the atmosphere of Earth, and holding absolutely bound and helpless and inactive everything that is of the sinister force within any individual or within our Nation anywhere—anything and everything that is destructive.

We send our Love to our “Beloved I AM Presence.” And, Beloved Ones, we should, as often as possible, give recognition to the fact that the United States of America, being the Heart Nation of the World—and Chicago, being the permanent atom within the Heart—is a recognition we should give of the Violet Flame Heart, the Violet Flame Nation, and the Violet Flame Permanent Atom in the Heart of that Nation.

And that is why in the colonial days there was the Order of the Purple Heart established by Beloved Washington that was the recognition of Beloved Saint Germain's Love and Purity and Freedom to this Nation as the Heart to the World. Now we should give that recognition and accept and understand what It means, that Its Power may expand.

So as we hold the picture of the Violet Consuming Flame over the Nation through these Decrees, then see the Nation itself as a Heart of Violet Flame, and this city as a Violet Flame Heart. And that way we give recognition to the Heart Flame of our own “Mighty I AM Presence” Violet Consuming Flame come forth through us to fill this city and the Nation with the Heart Control of the Great Central Sun’s Violet Flame Fiery Christ possession and control of all in our Government, all within our National Defense, all within our borders and all within our people.

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.
