

WHENEVER YOU ACKNOWLEDGE GOD!

WHENEVER YOU ACKNOWLEDGE GOD!

(alternate line)

In all you ever do,
Perfection can come through!
All discord here must cease!
God's Love comes here! God's Peace!

God's Angels with you stand!
God's Will does hold Command!
You let God's Love come here!
God keeps your pathway clear!

All God! the "Mighty I AM,"
You can fulfill God's Plan!
God's Victory blesses all!
It is each one's Heart Call!

All else must cease to be!
God's Presence you can see!
God's Light comes blazing here!
It guards all you hold dear!

Perfection you compel!
It keeps you strong and well!
All Mastery comes through now!
All here to God must bow!
