

THE NEW YEAR

Beloved Polaris

Please think deeply upon that word *Miracles*. You can just as well pass through this world the Miracle Way as the human, struggling way. You have gotten into this human struggle because you have said all the words that produce struggle, (*chuckle*) haven't you? Now "I AM" trying to reverse your vocabulary, so let us begin to use the words that don't contain any struggle.

So if you want to be Our Miracle Friends of the Magnetic Power of the Universe, then call for the Miracle Way to do whatever you need to do. Now you might think, well, it might not work immediately—you'll have to work on it awhile. You'd be surprised how wonderful is the Miracle Love of

God's Heart. You have touched into some of this Knowledge occasionally in some of your Decrees, and you use them for a time and then they pass out and you forget them. So We come to remind you always of the Supremacy of Our Love. And did you know that that is the Miracle Life of the Universe? Our Love is that Perfection which can never wear out, never change, never fail, never cease expanding, and is never anything but Mastery everywhere in all Creation.

So let Us have a very joyous time in setting a wonderful habit for the New Year. If you want a Miracle Year, you have to begin a little bit before the year comes in, you know. (*laughter*) And then you will find this year will be the Miracle Way to do things. And regardless of what's in the outer world, you hold close to the Miracle Power of the Magnetic Currents from the Great Sun Polaris to your Life Stream and to the Earth, and feel My Love come to you with a Power to draw to you that which produces Perfection that is permanent and is yours to use to fulfill the Great Divine Plan and to establish balance wherever you abide. There is a Miracle Way to do everything, and it isn't just by precipitation. That's only one of Its manifestations. The Miracle Way of Life is like a magnificent jewel. Each facet is a special quality, a special activity and a special power—every one of which is yours to use, will bring you and give you the Glory of Its Perfection. And as you send that forth to the outer world, you will find the Universe itself is a jewel ever pouring back to you the Light that is within it for Eternity, and whose Beauty carries the Joy of Its Love into your outer use and makes your pathway just the Happiness and the Harmony of Life's Perfection.
