THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any, that you find in the Saint Germain Series or The Voice of the “I AM” or in the Dictations! . . .*”

Beloved of My Heart, tonight in your Call for the Love of the Sacred Fire to come into the physical conditions of this world, I wish to thank you for cooperating with that which My Heart wants to do for Life, and I know your Hearts want to do for the Life of this world and all Life that is near and dear to you. In the Great Cosmic Law of Cause and Effect, the Sacred Fire's Love is the Master Hand of Creation. It is the Master Power to change all things here into the greater Perfection that is the Divine Way of Life. And when long ago We offered you the use of Our Ascended Master Consciousness, if you will remember that as frequently as possible and charge It into yourselves and into the activities of the outer world, you will find It will give you Victory everywhere you apply It.

Our Ascended Master Consciousness is the Mastery of all energy in this world. Our Ascended Master Consciousness is the All-controlling Perfection of Our Sacred Fire Love. Therefore, when you contact anything in the outer world that does not yield you the Perfection of the Divine Plan fulfilled, it needs the Sacred Fire of Our Love to make it Perfect. If mankind has created conditions in this world that are less than Perfection, then Our Sacred Fire Love is the Perfection that changes them into that which expresses the Fulfillment of the Divine Plan.

This is one reason I gave to those who were with Me in the time of My Ministry that Statement, "Lo, 'I AM' with you always." I gave them My Love. My Love was what produced the Miracles I performed. That Love is the Sacred Fire Life from the "Beloved Mighty I AM Presence" and the Ascended Host. Therefore, when you call forth the Ascended Masters' Consciousness into any condition to produce Perfection for

you, keep the intellect reminded that Our Consciousness does not contain anything but Sacred Fire Love. So when We offered you the use of Our Ascended Master Consciousness, We offered you the use of Our Love which has made Us Master over all in this world. And if you will use It, It will make you Master over this world. And I hope you will use It! (*applause*) Thank you so much.

No matter what is wrong in this world, it needs Our Ascended Master Sacred Fire Love to make it right. Then do you not see how necessary it is that mankind understands the Reality and the existence of the “Beloved I AM Presence,” and understands how to use the Great Command of Life, understands what the Sacred Fire is, in order to use It. And regardless of what mankind has created in outer world conditions, Our Ascended Master Consciousness is Master of it. Our Ascended Master Consciousness is the Sacred Fire Power from the Great Central Sun. That is Our Love of Our Life by which We gained the Ascension, by which We have continued to produce Miracles in this world for the Freedom of Life here, and by which We accomplish the Great Cosmic Work of Creation in Our present Ascended Master Octave. It is the Sacred Fire Love of Our Life that is the Perfection of manifestation.

And unless mankind will use some Consciousness from the Ascended Masters’ Octave, conditions of this world cannot be consumed or changed into Eternal Perfection. Our Sacred Fire Love is Our Eternal Life. Our Eternal Life is Perfection of all Life. So wherever We abide, We give the Love of Our Life to the Universe around Us that Perfection may be everywhere, Invincible and forever expanding Its Blessing and Happiness to the Universe around It. From this hour I hope whenever you lack for anything, you will

remember to send the Love of your own Heart, your Life Stream, to your “Presence”; and then calling Our Ascended Master Consciousness of what the Sacred Fire Love is in Our Octave, draw It into outer physical conditions and demand Its Power to bring Our Perfection here, expand It forever, and make It Invincible against misuse.

There isn’t a thing in this world that is of human creation that cannot be purified and compelled to produce Perfection by the Sacred Fire Love of the Ascended Masters’ Octave. When you realize in Our great Octave of Life We have Magnificent Temples of such magnitude, you can scarcely comprehend it with the outer intellect. That is the Focus of the Sacred Fire Power from the Great Central Sun to which We draw your attention. That is the Focus of Our Life’s Love that has drawn that Sacred Fire into those Temples, that We may pour It to the Earth, pour It to the System, pour It to all Life everywhere as the Happiness and the Ever-expanding Perfection of Our Life in Its Blessing to the great Infinite Scheme of Creation.

And when I took that Vow, gave It to Life to raise all in this world into the same great Perfection to which I knew I was entering—and then until that is completely accomplished on this Earth, I shall plead with you all to use My Sacred Fire Love of My Consciousness of what I want this world to become as it is raised into the Ascended Masters’ Octave for Eternity. And it can only be raised by Our Sacred Fire Love. It can only be purified by Our Sacred Fire Love. It can only be changed by Our Ascended Master Consciousness. Do you not see how necessary the Ascended Host are to the unascended mankind of this world? And do you not see how the people must awaken and understand the “Mighty I AM Presence” and the Ascended Host, must

understand the Activity of Sacred Fire Love if there is to come any release from the distress human beings have created in this world.

We have offered down through the centuries—We have offered Our Life and Our Perfection; but people have not wanted to use Our Love. Now I come to the Power that this is to your Life. You might, in handling conditions of the outer world, when there is battle between personalities (*chuckle*), your feeling under that stress of conditions does not want to love that with which you have to deal. Your feeling does not want to love so as to produce Harmony in conditions that are distressing. And don't you see, when We offer you Our Ascended Master Sacred Fire Love of Our Consciousness, We are not concerned with the hatred or the battle between personalities that creates discord. We are not concerned with that. Our Sacred Fire Love goes into it and consumes it; and the only thing We have to deal with is the greater Perfection of Life from the "Mighty I AM Presence" and the Ascended Host. And this is the secret of Forgiveness. This is Our Mercy to Life. This is the great Transmuting Power of the Sacred Fire's Purifying Love to Life.

This is Power that unascended beings can never oppose. I could come in the Ascended Master Body that is now Mine—and I could come and stand in front of every human being who hates Me, and I could compel that hate annihilated by one Wave of My Heart's Sacred Fire Love. That is the Power of Our Forgiveness and Our Mercy to Life; for Life cannot be free from distress in this world or any other except by the use of Our Sacred Fire Love. That's what it means to understand this Law of the Cosmic Christ. That is what it means to understand that the "Beloved I AM

Presence” is that Sacred Fire Love, the Master Presence of all Creation that has manifested Infinite Systems of Worlds.

So when you feel that you cannot pour love into a situation, the Harmony that is necessary to accomplish that which is constructive—when you feel you cannot do that yourselves, call Our Sacred Fire Love of the Ascended Masters’ Victory and Power of the Cosmic Blue Lightning Christ Law into the condition. We can send the Sacred Fire Love there. We can pour It into the energy and the Life and the substance of the condition to consume what you cannot consume in the outer physical self.

So if you care to forgive mankind’s mistakes, if you care to be the Presence of Mercy to Life, if you care to be the Peace-commanding Healing Presence to the Life in this world—after your Call goes to your “Beloved I AM Presence,” if you ask that everything be changed by Our Ascended Master Sacred Fire Love and the Cosmic Christ Blue Lightning Law of Almighty Authority and Control of a condition, you can set It into action, and We release the Sacred Fire that changes the conditions. I trust you will understand Me tonight. I trust you will use this which We offer, for We are trying to awaken as many as possible to the use of this Power in outer world conditions while there is yet time. And I hope I have made it clear to you tonight. *(applause)* Thank you so much, Precious Ones. Won’t you be seated and just remain so.

Now when there are conditions in the outer world’s activities that are the accumulation of destruction and hatred, viciousness of many, many years standing, it must be consumed by the Fire Element. You in the personal self cannot go into those conditions of long-standing and consume them; but you can call to Us to flood into the

condition Our Sacred Fire Love, and by the Authority and Power of the Cosmic Christ Blue Lightning Law of Infinite Manifestation, demand the Purification that compels evil to cease to be! Remember this always.

Call the Cosmic Christ Blue Lightning Law into physical action and Our Ascended Master Sacred Fire Love that compels evil to cease to be. You command It. You demand that evil be forever consumed by the Cosmic Christ Law of Eternity, the Blue Lightning Purity and Almighty Authority of manifestation; and demand that Our Sacred Fire Love consume and take the place of all hatred in this world. Everything that is not the God Creation of Perfection is some form of hatred, because it is a lack of Sacred Fire Love that produces Perfection. So do you not see how necessary it is to understand this Law, how necessary it is to use It to correct conditions, how necessary it is to fill your Nation with It if your Nation is to survive.

And it is just as necessary for you as individuals to fill yourselves, your beings and your worlds, with Our Sacred Fire Love in order to survive in this world and hold your Victory against the discord by which you're surrounded. So Our Ascended Master Consciousness must be called into the physical conditions that mankind's human consciousness has created. Therefore, no matter what needs correction, Our Ascended Master Consciousness of Sacred Fire Love contains all the Wisdom, all the Power, and all the Action of the Sacred Fire necessary to do away with the human, and replace it by the Great Divine Plan's Fulfillment from Our Octave and manifest Our Heaven on Earth.

And I assure you, the Manifestation of that which brings Peace and Perfection to this world can never come from anywhere except Ascended Master Love. And I wish

to explain here, when you think of your “Beloved I AM Presence” and the Ascended Host, just remember, the Love from your “Beloved I AM Presence” is Ascended Master Love, because Its Love has never been contaminated by human discord. Everything It gives you is Perfection. So when you want conditions changed in this world, call Our Ascended Master Sacred Fire Love into everything that needs perfecting. Command the consuming of everything that is of human creation and command the building of everything that fulfills the Divine Plan, manifests Our Heaven on Earth, and is Our Authority of Protection, Power, and Control of whatever you wish to bring into existence in this world to fulfill the Great Divine Plan.

How do you suppose I healed during the time of My Ministry? All that needs to be healed is a lack of Sacred Fire Love, and I supplied that by My Call to the Ascended Masters’ Octave and It answered Me with the Miracles that blessed Life. And so it is with you. There is but the One Law. You can bring It into use in this world just as well as I could. Miracles have been manifesting in this world throughout the ages and always will. And you may have all the Miracles manifested your Hearts could call for as you begin to use constantly in all outer conditions the Ascended Masters’ Sacred Fire Love that will not permit human creation to exist longer.

So I come to offer this to you, for It is the Raising Power of the Sacred Fire by which one day all in this world will be purified and raised into Our Ascended Master Octave; and it must be done by Our Sacred Fire Love which is the only Power to produce Perfection. You can be perfectionists of the highest order as you draw this into your outer physical world conditions. And no matter what

the problem is, if you will flood it with Our Ascended Master Sacred Fire Love and command that condition to become Our Perfection, so shall it be established unto you—so can We give you that which the Great Central Sun gives Us.

So go forward and live in Our World of Sacred Fire Love. And the more difficult conditions are in this world, the more you need to call It into physical things, physical action, physical affairs—into all physical consciousness; for then Our Sacred Fire Love can consume it. And It will lift from you the problems and the limitations that have bound you through the ages. Now you must be set free from those things that are not the God Creations that fulfill the Divine Plan.

So I trust My Love will be very practical—if you will use It. And you know not yet what that Call of this Messenger meant in the beginning of this Instruction when she kept saying, “My Ascended Jesus Christ Mind.” You too can call into outer action My Ascended Jesus Christ Sacred Fire Love that forbids hate to exist, that prevents discord, that reveals Perfection, and that makes you Victorious over all in this world as It made Me Victorious over all in this world.

So let Us go forward together, and in the use of this you will become the Raising Consciousness that helps to fulfill the Great Plan of Life to raise all into the Ascended Masters’ Octave of Perfection in the Victory of the Ascension. And the only Power in all Eternity that will ever do it is your use of Our Sacred Fire Love by your Call to your “Beloved I AM Presence” first, and then to Us. And the Sacred Fire can come into this world and forever set all Free, and raise the Earth itself into the Sun Presence of Our World

of Eternal Peace, Invincible Love, and Everlasting Power to produce Perfection that brings only Happiness to all Life everywhere forever.

Now you know when I pour you My Love what I meant when I said, “Lo, ‘I AM’ with you always”; for “I AM” that Love that mastered this world and is still Master of this world and will master anything in this world when you call It into the physical conditions of the world around you, into all physical action, and let It reveal the Perfection that Life wants to bestow everywhere Life exists. May you go forward and use It now and have your Freedom and give Freedom to the Life around you until Our Love becomes the Law of this world, and Its Manifestations have forever set all Free in the Victory of the Ascension. Thank you with all My Heart.

THE VOICE OF THE "I AM"

BELOVED GODFRÉ

All the books on the planet can't teach you what is in the Saint Germain Series, and *The Voice of the "I AM"* (*applause*) Thank you so much. And how much good is knowledge if it doesn't produce Perfection—of what use is it?

Record CD 1257; Cassette 6 0160-1

BELOVED GODFRÉ

Water, as you know it, is liquefied electrons; and the water is called the Great Solvent. It can dissolve wood. One drop of water constantly dropping can wear away a mountain of solid stone. So your water is liquefied electrons. And the water can dissolve the solid substance; therefore, it is more powerful in certain activities. The air is gaseous electrons, and the air can make the water evaporate, so it is still more powerful. And the Flame—which is the Source of all in the Great Central Sun—is the Directing Intelligence through the Fire Element that controls all these other outer manifestations.

And yet all the substance that you have in your physical world is but a difference of density, the difference in the condensation of the electrons out of the atmosphere. Now you might ask Me, well, where do the electrons come from? That's

what We speak of as the Universal Light Substance. That is the Radiation from the Sacred Fire which is the Physical Sun and the Great Central Sun which is the Universal Light. The Flame gives off a Radiation of this Light Substance out of which the whole Universe is composed.

Therefore, until you reach into the Activity and have conscious knowledge of the Sacred Fire through your own understanding of your “Mighty I AM Presence” and the use of Its Great Cosmic Command of the “Mighty I AM Presence,” you think that these various manifestations are all separate and are made of difference kinds of substance, when in reality they are different condensations of the one Electronic Substance. That is why when the Mighty Saint Germain told you to use the Statement “ ‘I AM’ the only Presence acting,” because there is only one Intelligence, one Substance, one Energy that can act, all of which acts in different densities. Then you must know that you, as the Fire Being, the Being of the Sacred Fire, the Eternal Flame of the “Mighty I AM Presence”—then you, because you have the Intelligence of that Flame governing the substance of the body, you become the Director or the Controller of the conditions in the physical world.

Not unless you understand this and unless you make conscious effort by Conscious Command to govern conditions in the outer world, or to speak your Fiat into this Universal Light Substance, announcing to that part of Life what you want to use at your point in the Universe—how you want It condensed, whether you want It solid or liquid or gaseous—until you send forth your thought and feeling by your own Conscious Command and Free Will through your own loving Desire or your Desire to have that manifestation, Life ever remains in the formless until you form It through your thought and feeling and spoken word.

GEMS OF LIGHT

Beloved Saint Germain

The Sunshine Substance from Our Octave is a Condensation, Precious Ones, of the Element of Gold. Now “I AM” not saying this for any exploitation or anything of the sort; but It is a powerful Purifying Substance. And when It condenses to the point where It sparkles upon your clothing, the Radiation penetrates everything in and around you; and you really become a Mighty Power of the Peace-producing and the Peace-commanding Presence. That will keep you so at ease within yourselves, you will feel as if it were impossible for anybody to become disturbed; and that very feeling touching the emotional bodies of others will make them feel the same way.

BELOVED ELOHIM OF PEACE

Chicago, Illinois • December 14, 1953
Record CD 1801

Beloved Ones of the Sacred Fire, I wish you to enter in tonight to the Feeling of the Oneness of your Hearts' Desire for Peace and My Heart's Desire for Peace. And since Our Desire is the Desire in the Great Central Sun for all Life to hold the Feeling of Peace—that the Great Divine Plan may unfold and reveal Its Glory and give Its Blessing to the Universe everywhere! And in order to shut out the discord of the outer world, the

individual must command the energy of the feeling world to feel the Peace of Eternity. And that is what Our Feeling of Love is to you and to the Earth.

When you command your feelings to feel the Peace of My Heart forever and mean it with all you are and have, nothing in this world will ever disturb you again. And I would like to have you come to that place as soon as possible. You have to command the energy in your own feeling to feel what you want it to feel. Ordinarily mankind through the centuries has been so in the habit of just flashing into the energy of the feeling world any feeling that came through without the slightest effort to prevent what was wrong, protect what is right—that the habit in the race consciousness of all mankind's feeling is an explosive thing. And in order to stand against that and hold Command of the things of your world so that everything fulfills the Divine Plan, you have to become the Commanding Presence, the Victorious Invincible Authority that commands your feelings to feel the Peace that you want to maintain.

And therefore, when you command your feelings to feel the Victory of My Heart's Peace to this whole System of Worlds and to be Its Power in physical action for you, then the way is open. I can send the Flame into you, and you become an eternal part of My Flame of Peace to the Earth. The Flame of Love and Peace which I offer to Life is within every Unfed Flame of every individual; but mankind won't allow It to have Dominion. Therefore It is smothered, so to speak, until there comes stimulation enough from Myself and others of the Cosmic Beings to allow that Flame unconditional Freedom through the energy and feeling of the outer self in order to let It have Its Dominion in your affairs and the world about you.

So when your own Heart's Desire for Peace is not fulfilled in the outer, augment It by your Call for My Power of Peace from the Flame of Love in My Heart to charge in and around you My Peace of Eternity. Then you become the Peace-commanding Presence even in the midst of turmoil. And I want you to feel this tonight, not only your right and ability to do this, but the necessity of forming the habit of doing it everywhere you abide; so there comes a great, calm, powerful poise in and around you at all times that is like the Rock of Gibraltar, immovable before the turmoil of other people's feelings or the conditions in which you might wish to move to render service to your Nation and the world.

It is like an anchor to the Great Central Sun, My Dear Ones, when you feel the Power of Peace in the Love of My Heart. And if you choose to charge all the energy of all of your feeling world and everything in the atmosphere about you with the Power of the Peace which I feel—and with My Feeling of that Peace and Love; qualify everything with It wherever you abide—you will prevent the hordes of the shadows approaching. And I think this is quite valuable as you move in the turmoil of the outer world. (*applause*) Thank you, Precious Ones.

You know, the Beloved Master Jesus said to mankind, “My Peace I give unto you. My Peace I leave with you. Not as the world giveth, give I unto you.” And, My Dear Ones, He gave Peace and Love to the world. And except as individuals turn their attention to Him and stay with His Love and Peace—if they do not do that, then they do not have Peace in the outer world. They become “swung in” to the discord of mankind's hatred and selfishness.

And so when We come to stimulate in you all the determination to hold your dominion and your Peace in

and around yourselves, you need Our Love. You need your Call to Us. And you need Our Power of Peace to amplify your own and strengthen and protect It to the point where It takes Its Dominion instantly in any situation wherever you might abide. And then you will find that your Call for Our Luminous Presence and Our Enfolding Flame, Sevenfold Flame of Eternal Peace, becomes a very Tangible, Powerful Reality to hold in abeyance the discord in conditions in the things around you until your Higher Mental Body can reveal Its Perfection and take Command in your affairs.

You have to, by Conscious Command, push aside the turmoil and discord of the outer world; and you have to hold it aside until you give your Higher Mental Body Freedom enough to give you what you want in outer physical conditions. So as you remember the Love I have offered tonight and the Power of the Peace of My Heart, try to feel It is the Sevenfold Flame whose predominant color is gold—that, enfolding you, anchors in and around you Our Power and Our Feeling to radiate out and push aside that which otherwise would disturb you. Then you become the Peace-commanding Presence.

And, Precious Ones, if you do not hold Harmony within, the “Great God Presence” cannot protect you. Your “Mighty I AM Presence” and Higher Mental Body or the Ascended Host or the Angelic Host cannot and will not protect discord. Therefore, until you make the discord stand aside and let your Higher Mental Body have Command, your physical affairs, your outer conditions do not hold the Peace long enough for your manifestations to come instantly, or at least very rapidly in answer to your Decrees—because the Peace has to be maintained until the Gift can be given and the Power released to let your Calls be physically fulfilled in

your outer conditions. You have got to have Our Peace in order for those conditions to manifest that are constructive and fulfill your Calls.

And please do not get the idea that Peace is a negative condition, not by any means. Peace doesn't mean just sitting down in the corner and meditating. Peace can be as powerful and as strong as steel and can act like lightning to cut into a discordant condition and prevent its explosion. Now do you understand what I mean? (*applause*) Thank you so much, Precious Ones.

The Power of Our Peace is so great that It becomes a Barrier to the push of destructive forces that want to create chaos. And if chaos seems to be manifesting, then you've got to have a Positive Force and a Command to the chaos to be still. And then you've got to make it know you're Master. And that's why Beloved Master Jesus, when He walked on the waters in the storm and the turmoil was in that energy, He said, "Peace! Be still." And every bit of that energy obeyed Him instantly because the Power in His own feeling world that was released through the Command was like a sheet of lightning over that, that stilled everything. And so it is with you. As you move in conditions of the outer world, you have to throw over those conditions a sheet of Flame to still that energy and purify that substance until the Fulfillment of your Calls and the constructive conditions you want have a chance to manifest.

So long as the energy is in turmoil about you, you have neither rest nor Peace nor Victorious Accomplishment. And I might say to you, the anti-Christ of the world, the sinister force, would like to drive Me from the Earth if it could. They drove the Goddess of Purity, but they can never drive Me! (*applause—audience rising*) Thank you, Precious Ones, with all My Heart. Won't you be seated, please.

And do you know why the destructive forces cannot drive Me from the Earth? Because I just happen to own part of the Earth! (*laughter—applause*) Thank you, Precious Ones. And every Power of Nature that is a stabilizing activity in the structure of the Earth or in the atmosphere of Earth or through the Powers of Nature is the Love of My Heart's Flame anchored there from the beginning of this world. I did that! (*applause*) Thank you, Precious Ones.

And that is why, since I own part of the Earth as one of the Seven Builders, then My Command for Peace must be respected and obeyed. And therefore when I anchor part of My own Heart's Flame of Eternal Love and Peace in every one of your Life Streams, it is to anchor you to the constructive way of Life; and it is to make you the Authority with Power enough to command the destructive forces of the Earth to be still until they are purified. And you have the full Power and Authority to command from your "Presence." But while your "Presence" is releasing Its Power, My Heart's Flame and Power of Peace enfold you and amplify what your "Presence" releases until the manifestation is complete and the disturbing condition purified.

So when you issue a Command for Peace, remember the Power in My Heart's Flame. And remember that the Sevenfold Flame of the Elohim of Peace owns the Earth! One day you'll understand what that means. And just as "I AM" in control of certain forces in the Earth, so am I in control of similar forces in you, so long as you abide on the Earth. And that is why My Flame is given to you and abides within the forehead of every physical body on this Earth. I have given that Flame. (*applause*) Thank you, Precious Ones. Someday mankind will understand Me and know what I mean. So when you use those Words "Peace! Be still," they are not just words. They are a

Cosmic Command which contain within Them the Power of My Peace from the Physical Sun and the Great Central Sun. They are Words of Eternity, and They are the Sacred Fire bursting into Command wherever you speak them.

So when you understand what it means to feel yourselves a part of Me, to feel yourselves enfolded in the Sevenfold Flame of Eternal Peace which the Love of My Heart is, then that becomes about you an Eternal Armor. Within It is My Authority and My Power to Command, just as well as yours; and you thus amplify whatever your Higher Mental Body releases at the Command of your “Presence” from time to time in the Fulfillment of Its own Divine Plan in your service to Life wherever you abide.

So, Beloved Ones, you are closer than breathing and nearer than hands and feet to the Heart Flame of My own Life. And if you wish to use My Power, you may feel Me in the Peace for which you call. You cannot even say that word *Peace* with determination and not feel immediately something still the atmosphere about you and still the feeling within you, for within the very word *Peace* is the Power of My Eternal Sacred Fire of Peace to the Earth. That Word carries the Sacred Fire of My Peace, for that Word is a Cup of the Flame of My Peace which contains the Feeling of My Heart’s Love to compel Perfection.

So as you go forward, feel yourselves very close in the Heart of My Eternal Peace and arise into the use of that which sets you Free and is a Scepter of Power. Control the turmoil of the outer world wherever you move. If things are disturbing, then say to them often, “In the Name of my ‘Mighty I AM Presence,’ Peace! Be still! The human shall not be!” Then as you remember Me, the Cosmic Flame of My Power surges into that energy and compels its Purification.

So let Us go forward hand in hand and Heart to Heart. And as you ask for the Illumining Presence of My Eternal Peace, It will come to you and enfold you and teach you what is within the Peace of the Sacred Fire that builds a planet. That is a great deal more than your Desire for Peace which is relief from the stress and strain and discord of the outer activities of mankind. When you understand that a planet is built upon a keynote of Peace, a Vibratory Action that is Peace, then as long as that planet holds together, that keynote is the Vibratory Action of the Heart of that planet.

And so it is with you. You are an individual world to yourselves. And if you demand the Power of My Flame of Peace and you command your feelings to feel Me, I will be there in your feeling with the Love and the Power which “I AM” to the Earth, and which helped to build the world. And I can just as well help to build your world into Eternal Peace as I can the planet. So, My Dear Ones, struggle no longer in the discord and turmoil of human selfishness. Command it to be still! Command it to be gone, and go forward the Peace-commanding Presence whose Authority the Powers of Nature respect and obey.

So may you feel tonight the enfolding Glory from whence the Earth itself has come, from whence We have all come. And within all Life is the Peace within that Great Love that ever produces Perfection and Beauty and is in Full Command whenever you call It forth to control conditions around you. If you feel My Luminous Presence, you can always know It by the Peace and the Power of Its Love to control everything by your own Conscious Call. The Power of My Life to give Peace is without limit. The Power of My Love is Peace Eternal. And so when you realize that “I AM” the Authority of that Peace to the Earth—when you call forth

My Flame Presence of Eternal Peace, expect It and see It and It shall manifest.

So I clothe you tonight in the Love of Its Everlasting Peace and the Power and the Authority of Its Command to Life. As you go forward and use It, It will reveal Itself; and within It you will find the Eternal Peace that takes you through to the Victory of the Ascension. May you be enfolded in Its Love tonight and be held close deep within Its Heart until you have become Its Glorifying Sun Presence wherever you abide. And when you speak the Word *Peace*, the Flame of Peace will take Command and hold Its Dominion while your Perfection is established forever. Thank you with all the Love and the Peace of My Heart's Flame.

BELOVED ELOHIM OF PEACE' DECREE

When you want *Peace*, say with everything in your beings and worlds to your “Beloved I AM Presence” and to *Us* and to the Great Central Sun:

“I AM” the Heart Flame of Immortal Peace! It is my Life! It is my Consciousness! It is my Love! It is my Feeling! It is my Substance of my body! It is the Substance of my world! It is the Substance of everything constructive; and It is the Consciousness of the Great Central Sun, the Ascended Masters’ Octave, and every Power and Being that sustains this world!

PEACE

Beloved Saint Germain
December 18, 1966

Over the next three weeks Beloved Jesus as the Prince of Peace is pouring every Activity of the Sacred Fire's Love and His Purifying Peace to the Earth, to see if We can expand enough of that to keep the hordes of evil, the hordes of destruction, from concentrating into another war through other places in the world that will never do anything except destroy everything here.

Blessed Ones, your one Place of Safety, your one Place of Eternal Peace, your Place of Mastery is within the Sacred Fire's Heart Flame of Purifying Love and Purifying Protection and Purifying Freedom from human creation. So if I may be of Assistance, I assure you, I can generate all the Love needed to free this whole world—if people want the Love of the Violet Consuming Flame of which "I AM" Master, and which is the Purifying Freedom that releases mankind from human creation. So My Miracle Mantle of Love's Mastery is no figment of anyone's imagination. My Crystal Armor of Indestructible Substance is Blazing Light; and I assure you, when the Sacred Fire blazes around an individual, as We pour that around someone in the physical octave for Protection, the hordes of evil see It, and they know very well who is enfolding the individual, and they know very well there is no such thing as conquering Us. So you have Eternal Friends, Eternal Freedom, Eternal Peace, Eternal Love, and Eternal Purity.

“I AM” ASCENDED MASTER YOUTH

BELOVED SAINT GERMAIN

Do you understand what was the Love in Beloved David Lloyd’s Heart and feeling world, when from a young man until the time of His Ascension—over fifty years He spent loving His “Presence” and loving the Master that gave Him the Ideal and the Encouragement and the Incentive to love God and draw nearer to God until His great Victory came. Could you know what the Gratitude in His Heart is tonight and His willingness to help all of the rest of you attain the Ascension in a similar way, you would know something of what God’s Love means to the rest of Life. That is what each one may do for all in the outer world. As that Great Master gave Him the Incentive and gave Him the Love that like a Magnet led Him on and on until His Victory was attained, so is He willing and ready to give you His Love now—and His Gratitude. That is the Power of the Great Central Sun Magnet to raise you into a like Perfection.

THE NEW YEAR

Beloved Polaris

Please think deeply upon that word *Miracles*. You can just as well pass through this world the Miracle Way as the human, struggling way. You have gotten into this human struggle because you have said all the words that produce struggle, (*chuckle*) haven't you? Now "I AM" trying to reverse your vocabulary, so let us begin to use the words that don't contain any struggle.

So if you want to be Our Miracle Friends of the Magnetic Power of the Universe, then call for the Miracle Way to do whatever you need to do. Now you might think, well, it might not work immediately—you'll have to work on it awhile. You'd be surprised how wonderful is the Miracle Love of

God's Heart. You have touched into some of this Knowledge occasionally in some of your Decrees, and you use them for a time and then they pass out and you forget them. So We come to remind you always of the Supremacy of Our Love. And did you know that that is the Miracle Life of the Universe? Our Love is that Perfection which can never wear out, never change, never fail, never cease expanding, and is never anything but Mastery everywhere in all Creation.

So let Us have a very joyous time in setting a wonderful habit for the New Year. If you want a Miracle Year, you have to begin a little bit before the year comes in, you know. (*laughter*) And then you will find this year will be the Miracle Way to do things. And regardless of what's in the outer world, you hold close to the Miracle Power of the Magnetic Currents from the Great Sun Polaris to your Life Stream and to the Earth, and feel My Love come to you with a Power to draw to you that which produces Perfection that is permanent and is yours to use to fulfill the Great Divine Plan and to establish balance wherever you abide. There is a Miracle Way to do everything, and it isn't just by precipitation. That's only one of Its manifestations. The Miracle Way of Life is like a magnificent jewel. Each facet is a special quality, a special activity and a special power—every one of which is yours to use, will bring you and give you the Glory of Its Perfection. And as you send that forth to the outer world, you will find the Universe itself is a jewel ever pouring back to you the Light that is within it for Eternity, and whose Beauty carries the Joy of Its Love into your outer use and makes your pathway just the Happiness and the Harmony of Life's Perfection.

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

**LOVINGLY, “I AM,”
