“I AM” PROTECTING AMERICA’S HOMES!

The Cosmic Moment has struck, Beloved Ones, when the Ascended Masters call you to Victory and Freedom in the Light. Our subject is “I AM” Protecting America’s Homes.

The Ascended Masters are determined that the homes of the American people shall be protected. They have issued a Command by the Power of Life, the “Mighty I AM Presence,” for the return of our people to the true home conditions intended by Life. Everyone’s real Eternal Home is in the Octave of Light, but the focus of that Activity in the physical world is each one’s physical home. The purpose of a home is to have a focus of Power for the Greater Perfection of Life—where several people can concentrate the Power of Light, Love, and Wisdom to do the many wonderful things each one wants to do.

America is your home. Therefore, the protecting of America is part of your daily responsibility to Life, to your fellowman, and to yourself. The Ascended Masters have taught the “I AM” Students to release whatever Pressure of Light is needed to shatter, consume, and Annihilate everything that lowers the living conditions of our people, or that lowers the Ideals of

Truth, Honor, Love, Devotion, Freedom, Opulence, and Divine Justice. Those Ideals must be taught and lived in the home if those qualities are to be the Governing Power of the Nation.

The home life of a nation is like a farmer planting his corn. If he plants corn, his harvest will be corn. If we insist on the Highest Principles of Life being the standard of behavior in the home, the accumulation of that Power of High Ideals will be the habit of our people and the Guiding Intelligence of our government. We must make the Highest Constructive Activities of Life popular and desirable, because they give the individual more irresistible Happiness and Power over the conditions in the world around him.

To protect our homes, we must show those who are the maintainers of them how to annihilate all that would interfere with the harmony and supply needed for their proper upkeep. All within the home should at least three times a day without fail call to the “Mighty I AM Presence” and the Ascended Masters to charge it with Ascended Master Protection of the Light Rays that instantly repel and Annihilate all destructive forces directed against the home or those within it.

The problems that we are facing in America must be made a matter of national concern in protecting our homes. Argument, controversy, or constantly tearing other people and their Ideals to pieces will not solve those problems. The Protection and raising of the standard of home life of our people is a very serious need this hour; and unless we give this Protection immediately, we cannot and will not survive as a Nation. The more secure the homes of our people are, the greater will be our Nation, because the Strength, Purity, and Power of the home are the very bulwarks of the defense of a country.

The Ascended Masters have said repeatedly that when people are unpiled from on top of each other, they will have

a chance to think more clearly and have more God Control over their feelings. The future existence of our Nation depends on the next generation. Unless they are held protected and strengthened by the right kind of home life, how can they carry the responsibilities of the Nation? If they are sent to war and destroying, where is the future of our Country?

The most serious responsibility of every man, woman, and child in our Land is to learn how to draw forth the full Power of Light—which means the full Force of constructive activity—to provide the right kind of homes and protect them for our people everywhere. The Ascended Masters have said, if the people who live within those homes want them protected and do not want their loved ones sent to war, they must make a Call to Life, the “Mighty I AM,” and the Ascended Masters, that we may release two-thirds of the Pressure of that Light required to repel all destructive forces and conditions.

The people who live within the homes should surely be concerned about their Protection in the future; and in the Call to Life for the sustaining of those homes, the individuals who use them must release one-third of the energy required to be their Protection and sustaining Power. The Ascended Masters have said repeatedly that the home is the powerhouse of those who live within it—if they be harmonious. Therefore, any force of discord that enters into the home robs you of your power. The Ascended Ones have also said that there is no law in Heaven or Earth that compels you to tolerate discord in your home.

Every individual should have a home, or someplace in the Universe which is his own right focus of activity and where he rightly belongs. If the home is to be sustained and the proper supply of money released for its upkeep, then harmony must be maintained there. If that harmony

is interrupted, then the supply will be interrupted. Many people have thought the discord of others around them was the cause of the unhappiness within the home; but anyone who really desires Peace and Harmony, and who will with firm determination demand and command by the Power of Life, the “Mighty I AM Presence,” that the full Harmony required within the home to produce Perfection can—if that Command be given silently or audibly with no one around—bring about whatever readjustment of conditions is required to produce Perfection and hold It eternally sustained.

Too many people under the same roof, unless they have this Understanding of Life, are bound to create discord, because the very diversity of their desires becomes an inharmony to those who do not agree with them. Therefore, in establishing your own home conditions or protecting those in which you now live, call first to the “Mighty I AM Presence” and Higher Mental Body of everyone within that home, then to the Ascended Masters, to take such God Control of each one’s feelings and all conditions concerning the home, that all is brought about into Divine Order, and God Control of every condition is held eternally sustained.

The harmony in the home depends a great deal on the God Control of individuals’ own feeling. Instead of feeling that one should control another through the spoken word, rather, call to the other individual’s “I AM Presence” and Higher Mental Body to blaze through such a Mighty Light Ray charged with the Ascended Master’s Consciousness, Obedience, God Control, and Management, that the impulse of the Light within the Heart of the individual, automatically expanding at that Call, pours through and helps that one to be more harmonious and do the right thing.

All concerned with the home should pour forth that same Blessing or Call for Light to envelop everyone within that home in the Ascended Masters' Mighty Electronic Tube of Light Substance, and so charge all with the Pressure and Force of Perfection from within, that It becomes a constant Flow of Light repelling all discord from without. The "I AM" Students and ourselves, under the Direction of the Ascended Masters, are three times a day pouring into all homes within the United States of America and the Americas the Cosmic Power of the Supreme Light which the Ascended Masters release, concentrate, and direct, charged with the Love, Light, Wisdom, and Power that are required to hold Harmony and Balance within all homes.

We are also calling for the Release of whatever money is required into the hands of all constructive individuals to provide them with the perfect homes and abundance for their upkeep—as long as they serve the constructive way of Life. That Call shall continue until everyone has his own individual Powerhouse from which he directs the Light Rays of his own Life Stream to produce Perfection in his world, Protection for his country, and Illumination for all he contacts. Each one's home should be a Sanctuary of Light into which the individual can come at any time and get away from the turmoil of the outer world—feel the Greater Power of his own Life in his Call to his own "I AM Presence" and the Ascended Masters, receive whatever Assistance is required to enable him to release the Victory and Power of Light everywhere in his world, and to produce the Perfection of the Ascended Ones here and now.

In this way, the homes that are held harmonious and in which the people give recognition to their own "I AM Presence" and the Ascended Masters can become such Mighty Outposts of Light in Its full Power and Action in

the physical world, that they act as a magnet to the rest of mankind to draw them up also into a like Perfection.

The children of a nation—if they are to be the Sustaining Power and Victory of Light within that nation, must have the Protection, Illumination, and use of that Light taught them in the home, practiced in the home. Each one should become so obedient to the Light of his own “I AM Presence” as he grows older, that the entire momentum of his physical training in this world becomes a constant Acknowledgment of the Highest Ideals of Life, and his actions become the fulfilled manifestations of those Ideals.

It is one thing to teach the Principles of Life which are constructive and tell mankind that that is the way they ought to live; but it is another thing to constantly call forth the Power of Life and Light which is the Strength and Power of the individual to do the living. There have been constructive principles preached to mankind for centuries; but until people are shown how to apply the Law of Life that enables each one to be the fulfillment of those principles, the intellectual statement of them means very little in the progress of humanity.

We have recently entered a Cycle in which deeds and actions will be the only evidence of the Law of Truth to prove the Victory of Light. He who cannot be the fulfillment of the Law stands little chance of being believed by the mass. Humanity must have the actual proof here and now, in this physical world, of these High Ideals which the Ascended Masters have taught the “I AM” Students. The Highest Ideals of Life are practical, the most practical things in the Universe. They are possible here and now, and the Perfection of the home life of the American people is one of those Ideals which must be fulfilled and lived by a certain proportion of our people if our Country is to survive.

Since the Ascended Masters have decreed and commanded by the Power of Life that the release of the Cosmic Light shall sweep into the feelings of the people and Annihilate all that is not constructive, then those individuals who really do want the constructive way of Life will receive tremendously added Strength and Power to live in daily action the fulfillment of these Laws.

The “I AM” Students are three times daily calling forth Invincible Protection, Limitless Supply, Peace, Harmony, Divine Justice, Limitless Strength, and the Victory of Light for every constructive person, place, condition, and thing within our Land, and for the proper home with an abundance for its upkeep to be given to every individual in our Country, so long as that individual acts constructively. If the people who really want those homes will make that same Call with us, Life is compelled to answer by the fulfillment of those Calls. The Mighty Power of Life cannot fail, and those Words “I AM” are the two most Powerful Words in the vocabulary of man.

When you say “ ‘I AM’ the Light of God that Never Fails” and call the Power of the Ascended Masters’ Light Rays to produce your perfect home, give you an abundance for its upkeep and maintain the Victory, Power, and Perfection of that Light within it, as surely as you make that Call and stand by it harmonizing your feelings, you will be answered. But remember: when you call for yourself, call for the same thing to be given every human being in America and throughout the world who seeks the constructive way of Life; and you will have your Answer through your own Call. This Law cannot fail because It is the Power of Light. And

“The Light of God Never Fails!”

“The Light of God Never Fails!”

“The Light of God Never Fails!”

And the “Mighty I AM Presence” is that Light.
