# THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR  
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

---

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

**BELOVED SAINT GERMAIN SAYS:** “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

Record CD 1275

THE ASCENDED MASTER INSTRUCTION ON THE “BELOVED MIGHTY I AM PRESENCE” was given to us by the Beloved Ascended Master Saint Germain, through His Accredited Messengers, our Beloved Mr. and Mrs. Guy W. Ballard, and is now presented to mankind under the auspices of SAINT GERMAIN FOUNDATION and SAINT GERMAIN PRESS.

*The Voice of the “I AM”* is not a publication for articles from the “I AM” Student Body, but is the Outpouring of the Love, Light, and Illumination from the Beloved Ascended Masters for the enlightenment of all mankind, and to bring forth this Ascended Master Instruction of the Fiery Christ Truth of the “Beloved Mighty I AM Presence.”

The “I AM” Activity presents the Original Ascended Master Instruction from the Teachings given in the Books of the Saint Germain Series; in the monthly Magazine, *The Voice of the “I AM”*; and in other material released by Saint Germain Foundation and distributed through Saint Germain Press. “I AM” Activity Services are offered worldwide through every “I AM” Temple, “I AM” Sanctuary, “I AM” Reading Room, and all “I AM” Study Groups.

Record CD 316**

Beloved Ones of My Heart, tonight I trust I may make clear to you more of the wonderful Powers that are the great Gifts of the “Mighty I AM Presence” as you understand the use of the Cosmic Light Substance, and draw It into the physical world to produce the manifestations you desire.

If you will always keep aware when you call forth the Cosmic Light Substance, that It can never be requalified by anything human. And so as you continue to charge that Substance of Cosmic Light into your physical flesh structure, into your mental and feeling world, into the atmosphere about you, and into your affairs, you come to the point where you reach saturation. And when that Light becomes intense enough, you will see Us face to face. More than that, We will be able to be with you quite frequently in the Visible, Tangible Ascended Master Body.

We come, of course, first, in the Luminous Presence. Then after you become accustomed to the intensity of the Light of Our Luminous Presence and that becomes perfectly natural and comfortable to you, well then, We increase the Light and come in Our Visible, Tangible Bodies. It is a gradual Raising Process and a gradual intensifying of the Powers from Our Great Octaves of Manifestation into the substance of your world. And when you understand how many Miracles you can produce just by the recognition and Call or Command for the Descent of the Cosmic Light Substance to manifest Its Miracles here in and around you, I tell you, you will think you have stepped into fairyland—because once that begins to act for you, in and around your bodies and your affairs, you never cease to marvel at the wondrous Miracles and Blessings which continually flow into you and your world by your use of and recognition and direction of the Cosmic Light Substance.

Now, My Dear Ones, Light in Itself is a Miracle; and therefore, being a Miracle, It is also the Source of Miracles. So if Miracles you want, the Cosmic Light Substance must come out of which those Miracles are composed. When you realize that all Life follows your conscious direction and responds to your Call, you may have whatever manifestations you please in the physical world. Have you not been told through the centuries, “Call unto Me and I will answer thee?” Were you not given long centuries ago the Command, “Let there be Light!” And Light manifested! Your Beloved Saint Germain said long ago that the phrase “Let there be” is a Cosmic Command for Manifestation to appear. So if you will really use your Authority and command, “Let there be the Boundless Miracles of Eternal Light filling my world and holding Command forever”—try Me out! I’ll not be far away. (*applause*) Thank you, Precious Ones.

And that is part of My Service to Beloved Saint Germain’s Family of Light. It is My Realm, My Domain of Mastery; and who of you can tell Me how many Miracles I have in My World of Cosmic Light? If you care to ask for Them, I might show you a few. (*applause*) Thank you, Precious Ones. But if you want Them, you must say so. You must desire Them. You must love Them into outer manifestation. You must command Them to appear; and then once you manifest Them, you should remember to protect Them, that They may be sustained to bless you. And then you must use Them in outer conditions to fulfill the Great Divine Plan, and use Them as a Magnet to draw mankind’s attention away from the hordes of the shadows until they have observed the Miracles and the Blessings within the Cosmic Light of the Miracles produced.

So you have a great responsibility, My Dear Ones, in the use of Life's Boundless Powers. When you realize there is Light within your physical flesh bodies, and that Light is giving you Its Miracles of Action all the time—try to be aware more frequently in your outer intellect of the wondrous Service Light performs for you, the wondrous Blessings that are contained within Light Itself; for Light is Life. Light is Life's Perfection, and Light is the Radiation of the Love from within the Sacred Fire.

Since you have called for the Legions of Light to sweep across the face of the Earth, you have called for the Legions of the Sacred Fire to sweep across the face of the Earth, fail not to hold the picture and love it intensely enough until those Legions come into your physical world to control the conditions in which you dwell. When you call forth the full Cosmic Illumination, Inner and outer, of the Cosmic Christ, the Light of the Cosmic Christ, It will appear in many ways in your experience. Sometimes you recognize It and sometimes you do not, but you can have It in Boundless Activity forever. Now, My Dear Ones, if you ask for the Boundless Blessings of the Cosmic Light to appear and fill your world with Their Manifestations, It will be established unto you. It seems to Me mankind has dwelt in the shadows long enough; and if you arise with fierce determination to fill your world with Cosmic Light and Its Miracles of Eternal Perfection, you will find your way lighted by the Hand of God.

Now when you keep charging, or asking your “Presence” or Us to charge everything in your beings and worlds with the Substance of the Cosmic Light to illumine your flesh body and the atmosphere about you, just form the habit of charging it. Forget the time of manifestation. And, one

day, your body becomes Luminous; but the atmosphere will become Luminous before the body does. When you charge the Cosmic Light Substance into the atmosphere about you—wherever you go, just form the habit of recognizing and feeling Its Presence there and loving It and thanking It for Its Boundless Blessings in the Universe—it must of necessity then become part of you; and your world becomes the Expansion of Its Perfection. Then always remember, whatever you call forth into outer manifestation, demand it be Eternally, Invincibly protected and fulfill the Divine Plan that illumines all with Eternal Freedom. Then you will be true Children of the Light. You will be true Ambassadors of the Mighty Saint Germain's Freedom, and you will be the Victory of Mighty Victory's Fiery Love to this world of His Victory.

So, Beloved Ones, when you call forth the Music of the "Angels of Light," when you call forth the Presence of the Legions of Light, when you call forth the Miracles of the Powers of Light, not only expect the Fulfillment of your Calls, but begin to live in the Happiness and the Love which that Light is. Realize that the Peace which you have sought through the ages is within the Light—and your Love for that Light will automatically set you at Peace and help you to maintain the Harmony in your world of affairs by which your Victories become manifest and your accomplishment absolutely certain and Victorious.

Now there are Infinite Beings of Light, many Realms of Light, many Manifestations of Light; so be sure you specify that when you fill your world with the Cosmic Light. Its Cosmic Powers and Miracles come into your outer use and direction for the raising of the rest of mankind into that Light also; for It is a Magnet that attracts the attention of

Life everywhere. You do not realize what a Magnet Light is. Whenever there is a Manifestation of Light, a sudden Flash of Light, everyone's attention turns there, does it not? And so when you realize that as you love that Cosmic Light Substance and call It into yourselves and your world to dwell with you, you automatically make yourselves a magnet to attract the attention of the rest of Life. And when other parts of Life behold that Light, It automatically raises them into Its greater Perfection.

So you may be as great a Blessing to the world as you desire to be once you understand how to draw the Substance of the Cosmic Light into yourselves and your affairs to be the Magnet of Light to help the rest of mankind look away from the hordes of evil that have enslaved them to destruction. You know not a millionth part of the Powers and the Blessings and the Love that is within the Cosmic Light. "I AM" going to make a Statement. No doubt the scientific world will howl, so I will silence the howl with some more Light. (*laughter*) When you say that the Cosmic Light is a Substance, it is an idea the scientific world will have to become used to, because it's an Eternal Truth. And when I tell you that electricity is a substance (*chuckle*), they will be shocked still more; but, nevertheless, the Great Central Source of the Universe has not been designed nor controlled by mankind's opinions—never will be. The Radiation, My Dear Ones, of the Sacred Fire from the Great Central Sun is the Substance of the Cosmic Light; and mankind calls some of Its Manifestations electricity. Now energy is Light Substance, My Dear Ones, whether the world likes to accept the idea or not. I know; for I manipulate It, and I can prove it. (*applause*)

So, Blessed Ones, if you love It enough, you will remember to call It in and around yourselves to release Its Miracles

and Its Blessings for you to make you Victorious over the conditions that have been your limitations. There are Limitless Beings of Love who are ready to assist you. There are Cosmic Powers and Beings who direct that Cosmic Light Substance without limit. There are those who concentrate It to create a System of Worlds, so We ought to know something about It. If you will begin to use Its Marvelous Powers, Miracles, and Blessings in and around yourselves, you will make your world a World of the Manifestations of Light. And as that begins to expand, you will find Its Powers are boundless and you are Free, because by your use of those Powers you become Master over all conditions of the shadows of human limitation.

Now sometimes you think your limitations are quite severe; and, temporarily, they seem so. But I tell you that to Us they're nothing but shadows, because one Flash of Cosmic Light Substance can dissolve those limitations in an instant; so to Us they are only shadows. You know, when you turn your back on the Light, you walk in your shadow; but that is your own. You walk in your own shadow when you turn your back on the Light; but when you face the Light, there are no more shadows ahead of you. And so when you call forth the Substance of the Cosmic Light in and around yourselves, learn to love It. Welcome It, thank It for the Boundless Miracles and Powers and Blessings It contains—and then use It with the Joy of Eternal Freedom. Call forth Its Invincible, Protecting Cosmic Power; and see for yourselves whether I tell you the Truth tonight or not. “I AM” willing to be proved. (*applause*) Thank you, Precious Ones.

So, Dear Ones, as you learn to concentrate and direct this, you will find It becomes the Healing Power of the Incoming Cycle. And mankind will learn to perfect all things by Its

Cosmic Action—and by the Conscious Direction of your own Free Will, your Love to your “Mighty I AM Presence,” and your Call to It and to Us for the Concentration of the Cosmic Light that produces Perfection always and is forever sustained. So I commend you to the use of Its wondrous Blessings. And Perfection then becomes your World of Action, and your Joy becomes Eternal because you are Free. And that Cosmic Light Substance in Its Magnetic Power is what holds you within Itself, and draws you into Its Ray at the moment of your Ascension. So the more you use It, the greater your Blessings become. The more you can give It, the more It will give of Itself to you.

So go forward, feel your Victory is at hand, and discipline the outer self to live the Original Divine Way provided by the Sacred Fire within the Love of the Cosmic Light Substance; for that is the Home of your Perfection from whence you turned at the end of the second Golden Age. And now after your journey through the experience of your own choice, you may return, and entering into the Open Door that no man can shut into that Cosmic Light Substance, you will realize where you belong. And the Power that the “Beloved I AM Presence” has again released into your outer use as your Freedom is given to the rest of mankind by your Love to the Light that never fails to produce Perfection. Go forward and bring Its Freedom to Earth and enjoy the rest of your journey here in the Love and the Victory of the Cosmic Light’s Perfection. Thank you with all My Love.

Make your Calls for the Freedom of My people, and I will show you the Love and the Honesty of their Hearts.

*The Voice of the "I AM," 44.8:20*

### **BELOVED FUN WEY**

My Dear Ones, We would appreciate your Calls for the beloved constructive people of China and of India; for We have certain responsibilities there. Their service to mankind has been great through the centuries. They have given much that is beautiful and wonderful to the Western World, and now you who carry the Light can render service and bring many wonderful things into those countries through your Calls alone. Please don't forget My beloved China. And We love India, too, for the magnificence of

centuries gone by, and that which will yet return to bless the future.

*The Voice of the “I AM,” 86.2:30; Record SG 2071 AB*

### **BELOVED LANTO**

My daughter of long ago [Lotus], how clearly and often you have felt that connection in China—which was once so grand, so magnificent, and whose Light was so great.

*The “I AM” Discourses 7:207*

### **BELOVED FUN WEY**

Your Beloved Lotus was once in those long forgotten times a daughter of our land—when it was beautiful, when everything was the Glory of the Light. You will remember she said to you recently, in referring to our land, that the use of dope imposed upon our people had been the downfall of China. And you, Beloved Ones in America, have been informed that the same thing has been attempted not only in your America but throughout the world.

*The Voice of the “I AM,” 41.7:6*

### **BELOVED SAINT GERMAIN**

I have something to say which touches Me very deeply. For the first time in four and a half million years this is made possible to this Earth—that children in this embodiment may make the Ascension. . . . (*applause*) The Mighty Eriel and the Wondrous Fun Wey who have loved China, have been rendering a stupendous Service to China. Over ten thousand children from China have made the Ascension. (*applause—audience rising*) Beloved Eriel has brought sixty to His Retreat in America to prepare them for their

Ascension. There will yet be raised up in China Ascended Master Friends who will sweep the dope activity forever from within its borders (*applause*) and will set those people forever free from the miasma and confusing power generated by entities in the use of that substance.

*The Voice of the "I AM," 43.8:14*

### **BELOVED DAVID LLOYD**

I tell you, there are no words to describe, and I make no attempt to convey to you what the Service was that the Mighty Master Eriel rendered in giving the Ascension to those children of China. Dear People, do you not understand that from every environment from where these Activities take place—in that instance, the whole activity of the nation was raised. They do not know that outwardly yet; but still, everything of Perfecting Activity must go on from within out, in order to make it permanent.

*"I AM" Discourses 10:321*

### **LADY MASTER NADA**

The Ten Thousand Children who received Their Ascension from China are definitely concerned with the Protection of China.

*The Voice of the "I AM," 80.5:5; Cassette 6 5112-1*

### **BELOVED QUAN YIN**

I ask you to call forth Cosmic Mercy to be expanded to My Beloved China and Blessed India as well as the Americas. Not that We do not want It for the rest of the world—We do! But those countries represent certain Outpourings to the Earth which must be guarded and give their Blessings to America. . . .

*The Voice of the "I AM," 44.8:17*

## **BELOVED ARIES**

I want to say something else about the Manifestations and the Examples of Perfection which must come through the “I AM” Students if you are to convey Saint Germain’s Knowledge of the “I AM” to the other nations of the Earth. I want to say to you, when you go to the Orient, there are many Life Streams, My Dear Ones, in both China and India, which you can help tremendously when this Conscious Knowledge of the “I AM” goes forth over there. But let Me warn you of something: Many of those in the Orient have very great control of their emotional bodies; and if you are really going to help them, they will expect you to be and produce the Manifestations and *be* the fulfillment of the Law you explain.

*The Voice of the “I AM,” 45.5:22*

## **BELOVED QUAN YIN**

If the people of the Orient had this Knowledge, communism could never have taken over China nor any other of the nations of the Orient.

*Record CD 969; Cassette 6 0084*

## **BELOVED META**

While We are working with the great masses of the younger generation in India and China particularly, yet no Heart Call goes unanswered. When your Heart reaches to your “Beloved I AM Presence” and the Ascended Masters and Cosmic Beings for Help for the rest of mankind who are caught in the frightful conditions of the shadows, then Our Hearts rejoice with yours; for every time your Heart makes the Call, Our Heart’s Love comes to enfold you and to help fulfill your Call—and to expand your own Light because you have been willing to give that Call.

eloved of My Heart, tonight “I AM” going to ask your assistance to help purify the Beings of Nature and the Forces of the Elements, because of their service which they have rendered you and have rendered mankind so long.

In that which needs to be done as a Balancing Force to help hold control of the Powers of Nature, I would ask you to call into outer physical action the Cosmic Purity of the Violet Consuming Flame to pass through all the Powers of Nature and all the Forces of the Elements. Now this brings a Cosmic Action of Purity not only into what you know of as the plant life of the world and the Forces of the Elements; but It also brings that Cosmic Purity of the Violet Consuming Flame’s Cosmic Pressure and Action into the Beings of the Elements in you, into the elements within the body, and into the atmosphere about you. You will find it will be much easier to control conditions around you as you pour out that Call that purifies the Powers of Nature and the Beings of the Elements everywhere; for they have struggled a long while, Beloved Ones, under mankind’s discord and frightful impurity.

So those of you who are trying to purify yourselves, and have used the Violet Consuming Flame thus far, can draw

tremendous Assistance into yourselves as well as into the plant life of this Nation and the world by this Call. When you call forth the Cosmic Purity of the Violet Consuming Flame, it means the concentrated Action of that Violet Consuming Flame as It exists within the Physical Sun Itself. It's just as if you opened an Individualized Entrance into that Power, and Its Individualized Flame flows back into you and blesses you with Its Cosmic Action and floods around you Its Cosmic Power of Victory. This is one Activity of the Victorious Cosmic Christ. So as you call this into outer physical conditions to purify the plant life, to help dissolve and consume the blight and the activities in Nature that destroys so much of the Handiwork of My beings, It will set into action Cosmic Forces that will eventually purify the whole world from the activity of blight and vermin and the frightful desecration that has gone on against the plant life of this Earth.

Those of you who have gardens and love them can also have the Concentration of this Cosmic Purity of the Violet Consuming Flame individually active in any special location where you ask Me or the beings who come under My Control to establish It for you. Then let Its Radiation go forth into the surrounding locality until It becomes the Controlling Power there for the future. This is very necessary, and you will find It will bless greatly the food that you eat. As things exist now, there is such contamination of the efforts that Nature makes to bring forth Blessings for mankind that this—if drawn into outer conditions by your Conscious Command and Demand—will offset a great deal of the sinister force's deliberate poisoning of the food of the people. This will help your own gardens. It will help your bodies. It will help the food of the Nation and the people of the

world. It will also remove from certain channels of Nature much that has been concentrated of mankind's filth of the centuries past.

I could go on almost indefinitely and explain to you what has happened to the Powers of Nature through mankind's repeated wars and repeated desecration of the blessings Nature has so richly bestowed for mankind's use. This will also have another effect which "I AM" very anxious to set into outer physical conditions. This will remove mankind's use of certain plants, or concentration of their essence to produce either dope or liquor or other destructive activities. As you call this into action in and around yourselves and all mankind through all Powers of Nature and all Forces of the Elements, It will force the Annihilation of human desire and human habits. (*applause*) Thank you so much, Beloved Ones. So "I AM" pleading for this tonight, that I may have an Open Door through which to render greater Service and bring about more quickly the balancing of certain forces within this Nation.

This will have another effect which the sinister force won't like but cannot help. This will force the Purification of the animal creation quite as well, because if you charge the Cosmic Purity of the Violet Consuming Flame into the plant life of the Land, the animals that will eat that plant life will have to lose some of their animal qualities. The mankind who eat that plant life will have to lose some of their animal qualities. So you see, it's a very good investment, very good in many ways. It will ramify, It will purify your atmosphere. It will bring you new species of fruits and vegetables that will have elements in them that will supply the people with what they require to rise out of the conditions the sinister force has imposed upon them. This will have Its Healing effect, Its

Purifying effect, and you will find It also will have a definite effect upon the mental and feeling world of the people; and It will minimize the animal qualities in animals.

If I were you, I would certainly call for the complete Annihilation of all the vermin in your Nation and the world. That is nothing but the objectification of mankind's own destructive thoughts and feelings and words. And it is why your "I AM" Decrees are more necessary than the food you eat! If mankind would only wake up and love to give these Decrees as you do, or as most of you do, We could do unlimited things in a short time to free the masses of the people. But when We give mankind the Scepter of Power for their own Protection and then they don't want to use It, then they must stay in their chains. We have done every conceivable thing to awaken mankind to the Desire to do that which is the Fulfillment of the Law. So those of you who will love to do it will draw Blessings back to yourselves without limit. There's no limit to what We can give you if you'll use this Decree! *(applause)* Thank you so much, Precious Ones.

And I tell you tonight, that when individuals are only interested in making money or gratifying their own desire for it, or their desire for power, or their desire to satisfy their own pride and egotism—when that is the predominant feeling and the predominant desire within them, We take Our Hands off, because you're entering a Cycle wherein those qualities are not going to be allowed to exist in the mass of the people. People have got to learn to live for something besides money and power and to gratify their pride and ambition. These are the chains around mankind's own mental and feeling world when they could have all they could ever desire by the use of these Magnificent Powers of the "Mighty I AM Presence'" own Heart's Flame of the Sacred Fire. They could have the most

## **THE FIRST DICTATION ON THE "MIGHTY I AM PRESENCE"**

### **VOLUME III THE "I AM" DISCOURSES**

#### **"I AM" THE RESURRECTION AND THE LIFE!**

When Jesus said " 'I AM' the Resurrection and the Life," He gave forth one of the Mightiest Utterances that can well be expressed. When He said "I AM," He did not refer to the outer expression; but He did refer to the Mighty Master Presence—God Within, because He repeatedly said, "I of myself can do nothing. It is the Father within—the 'I AM'—that doeth the works."

Discourse II

**THE SHRINE AUDITORIUM • LOS ANGELES, CALIFORNIA**

wonderful Manifestations in the Universe that are Infinite and Eternal. When they claw for money control and money power, it's but a temporary thing. It lasts a few years and they pass out of the body. We are very much aware, My Loved Ones, of what the desires are in mankind that have brought them to the condition the world is in today. Your so-called money control of the world can be wiped out of existence between two seconds. And then what? Mankind must face the reaction of their own misuse of their own Life.

I tell you, the hour is at hand when the Cosmic Illumination, Inner and outer, of the Violet Consuming Flame, the Purifying Victory of the Cosmic Christ, is here to do Its Work for Eternity. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so. Now, Beloved Ones, the constructive people within your Nation and everywhere in the world—who are trying to hold to God and to what is right the best they know how, and try to be honest and try to purify themselves—will be given Help unlimited by this Cosmic Purity of the Violet Consuming Flame's Victory of the Cosmic Christ. They will be strengthened. They will be protected. They will be given Strength and Help in whatever way is necessary for them to stand against the dishonesty and dishonor and downright depravity of the hordes of selfishness and the hordes of evil. So you are on the winning side, Beloved Ones. It's not the people of the Light from now on who are going to be sacrificed, not at all. The people who have stood for the Light in the face of seething blackness will be enfolded in a Blazing Sun whose Power must burst upon the world and consume the hordes of evil. Not all mankind put together can prevent this, and it is necessary in order to consume the hordes that have so desecrated the energy of Life.

So, Blessed Ones, go forward with the greatest Happiness you've ever known, and demand such Cosmic Purity of the Violet Consuming Flame's Victory of Cosmic Christ Power that mankind will know what you are talking about, because they will be face to face with It. There are Commands going forth and will yet go forth that will as surely set into action these Powers of the Sacred Fire as that the Sun exists in the Heavens. And when you call forth these Mighty Activities of the Sacred Fire to purify and set free the Powers of Nature and Forces of the Elements, you will find them enfolding you in their Protection even though the Earth dissolved under your feet. (*applause*)

So, Blessed Ones, go forward and enjoy now to the fullest extent with a Thrill of Happiness you've never known the use of these Magnificent Commands of Life to draw the Victory of the Sacred Fire and Its Fiery Purity and Cosmic Love into all outer physical conditions, and charge It forth regardless of anybody or anything! Let It do Its Perfect Work; and you will find the results satisfactory so far as you're concerned—or anything else or anybody else that is constructive.

So, Blessed Ones, go forward and use these Powers of the Sacred Fire and lock the Door of Eternity against anything that tries to hold your attention upon that which is of evil. Shun that like you would a rattlesnake. Shun everything that is of destruction. Don't allow anybody to talk to you the things that are the depravity of the outer world. Forbid their entrance into your world, and We can protect you and give you unlimited Blessings and Powers without limit for your use in producing the Victory of Perfection for all. Forbid anybody in your presence to discuss things of depravity. Forbid it, and you will have Protection.

But you cannot think in secret on the things of depravity and have anything around you but the hordes of evil. If you want the Power of Protection and the Victory of Light, then your attention must come to your “Mighty I AM Presence” and to Us. Your Call must be for the Cosmic Sacred Fire of the Victory of Eternal Love, and the Power of the Cosmic Christ will rush into action to enfold you and keep you untouched by that which the destructive forces and the depraved conditions of the outer world have set into action to torture life. The hordes of evil have to be consumed by the Cosmic Action of the Sacred Fire, and so shall it manifest. And to you who send your Love to your “Mighty I AM Presence,” and call for the Cosmic Purity of the Victorious Violet Consuming Flame into the Powers of Nature and the Forces of the Elements, will automatically stand held in a Sun of Its Presence; and Its Blessings will flow to you for Eternity without limit.

So I enfold you in My Heart’s Flame of those Blessings, and “I AM” your Guardian; for “I AM” the Authority over those Powers of Nature and Forces of the Elements, some of which abide within you. So now let Us loose the Power and see how quickly the Victory of Its Purifying Presence can manifest in and around you the things you require to bring about the Perfection that is the Gift and Fulfillment of the Great Divine Plan. I commend you to the greatest Happiness and Mastery you’ve ever known if you will choose to do this in which I can assist you—in many ways that I cannot use unless you do do it. And so My Heart’s Flame enfolds you with the Feeling that you desire to do it until It comes into outer Action for the Freedom of all. Thank you with all My Heart.

# THE WORD “I AM”

## Beloved Jesus

**I**n giving recognition to the Resurrection and the Ascension, the very Words themselves contain Light. The word *Life* contains Light, and without Light you know not where you are going. You cannot remain in total darkness and reach Perfection. Therefore, when I said, “I AM” THE LIGHT OF THE WORLD, I meant just this which I am bringing to your attention today. It matters not whether it be individuals or governments or the world—all mankind—if there is to be the permanent solution of any problem, then there must come, mark you, the Light of the Sacred Fire which precedes the Sacred Fire into the problem’s darkness to reveal what is there and to consume what is wrong. The same is true of the individual; therefore, We have pled with you to give conscious, constant recognition and use of the Sacred Fire and the Cosmic Light by your “I AM” Commands.

The Word “I AM” Itself is Light Energy released by the Sacred Fire of the Heart Flame, the “Mighty I AM Presence,” which is the Power within the physical body to even speak the Word “I AM” or think the Word “I AM.” If you analyze your problems occasionally, and whether you know what

is the right thing to do at any moment or not, form the habit of calling the Cosmic Light of the Sacred Fire into the condition—and, first of all, into yourselves—to illumine the condition to you and show you what is the right thing to do and the right way to do it.

You will have to armor yourselves with Light if you are going to go through the world of darkness and attain your Victory and Goal in the Accomplishment of the Ascension. When you understand fully the importance of calling the Victory of the Sacred Fire's Eternal Light into a condition, the Sacred Fire blazes, and Its Light begins to be revealed, because the Fire Element Itself consumes the wrong within the condition—which is but the Purification of the substance and the energy by the Sacred Fire; and that lets the Light reveal what is within Its Heart.

## ASCENSION DAY

**A**s We bless this Day of the Ascension, as We accept the increased Outpouring from the Master Jesus to you, the Beloved of the Light, and to this Beloved Nation, also does that go forth throughout the world to bring the conscious awareness of the Cosmic Christ, which is that "Mighty I AM Presence" in the Great Central Sun, into the minds and bodies of the people of the world, until there will arise the order which is Peace. And that Peace is the Feeling, the Power, and the Authority of Our Love. Enter into It, live in Its World, be Its Authority, command Its Power expand, expand, and forever expand Its Perfection. And then demand that whatever Power of Our Love is needed to hold Invincible Protection around those under this Radiation, or those you hold near and dear, carries with that, automatically, the Fulfillment of the Great Divine Plan.

# THE LAW OF LIFE

## **“I AM” PROTECTING AMERICA’S HOMES!**

The Cosmic Moment has struck, Beloved Ones, when the Ascended Masters call you to Victory and Freedom in the Light. Our subject is “I AM” Protecting America’s Homes.

The Ascended Masters are determined that the homes of the American people shall be protected. They have issued a Command by the Power of Life, the “Mighty I AM Presence,” for the return of our people to the true home conditions intended by Life. Everyone’s real Eternal Home is in the Octave of Light, but the focus of that Activity in the physical world is each one’s physical home. The purpose of a home is to have a focus of Power for the Greater Perfection of Life—where several people can concentrate the Power of Light, Love, and Wisdom to do the many wonderful things each one wants to do.

America is your home. Therefore, the protecting of America is part of your daily responsibility to Life, to your fellowman, and to yourself. The Ascended Masters have taught the “I AM” Students to release whatever Pressure of Light is needed to shatter, consume, and Annihilate everything that lowers the living conditions of our people, or that lowers the Ideals of

Truth, Honor, Love, Devotion, Freedom, Opulence, and Divine Justice. Those Ideals must be taught and lived in the home if those qualities are to be the Governing Power of the Nation.

The home life of a nation is like a farmer planting his corn. If he plants corn, his harvest will be corn. If we insist on the Highest Principles of Life being the standard of behavior in the home, the accumulation of that Power of High Ideals will be the habit of our people and the Guiding Intelligence of our government. We must make the Highest Constructive Activities of Life popular and desirable, because they give the individual more irresistible Happiness and Power over the conditions in the world around him.

To protect our homes, we must show those who are the maintainers of them how to annihilate all that would interfere with the harmony and supply needed for their proper upkeep. All within the home should at least three times a day without fail call to the “Mighty I AM Presence” and the Ascended Masters to charge it with Ascended Master Protection of the Light Rays that instantly repel and Annihilate all destructive forces directed against the home or those within it.

The problems that we are facing in America must be made a matter of national concern in protecting our homes. Argument, controversy, or constantly tearing other people and their Ideals to pieces will not solve those problems. The Protection and raising of the standard of home life of our people is a very serious need this hour; and unless we give this Protection immediately, we cannot and will not survive as a Nation. The more secure the homes of our people are, the greater will be our Nation, because the Strength, Purity, and Power of the home are the very bulwarks of the defense of a country.

The Ascended Masters have said repeatedly that when people are unpiled from on top of each other, they will have

a chance to think more clearly and have more God Control over their feelings. The future existence of our Nation depends on the next generation. Unless they are held protected and strengthened by the right kind of home life, how can they carry the responsibilities of the Nation? If they are sent to war and destroying, where is the future of our Country?

The most serious responsibility of every man, woman, and child in our Land is to learn how to draw forth the full Power of Light—which means the full Force of constructive activity—to provide the right kind of homes and protect them for our people everywhere. The Ascended Masters have said, if the people who live within those homes want them protected and do not want their loved ones sent to war, they must make a Call to Life, the “Mighty I AM,” and the Ascended Masters, that we may release two-thirds of the Pressure of that Light required to repel all destructive forces and conditions.

The people who live within the homes should surely be concerned about their Protection in the future; and in the Call to Life for the sustaining of those homes, the individuals who use them must release one-third of the energy required to be their Protection and sustaining Power. The Ascended Masters have said repeatedly that the home is the powerhouse of those who live within it—if they be harmonious. Therefore, any force of discord that enters into the home robs you of your power. The Ascended Ones have also said that there is no law in Heaven or Earth that compels you to tolerate discord in your home.

Every individual should have a home, or someplace in the Universe which is his own right focus of activity and where he rightly belongs. If the home is to be sustained and the proper supply of money released for its upkeep, then harmony must be maintained there. If that harmony

is interrupted, then the supply will be interrupted. Many people have thought the discord of others around them was the cause of the unhappiness within the home; but anyone who really desires Peace and Harmony, and who will with firm determination demand and command by the Power of Life, the “Mighty I AM Presence,” that the full Harmony required within the home to produce Perfection can—if that Command be given silently or audibly with no one around—bring about whatever readjustment of conditions is required to produce Perfection and hold It eternally sustained.

Too many people under the same roof, unless they have this Understanding of Life, are bound to create discord, because the very diversity of their desires becomes an inharmony to those who do not agree with them. Therefore, in establishing your own home conditions or protecting those in which you now live, call first to the “Mighty I AM Presence” and Higher Mental Body of everyone within that home, then to the Ascended Masters, to take such God Control of each one’s feelings and all conditions concerning the home, that all is brought about into Divine Order, and God Control of every condition is held eternally sustained.

The harmony in the home depends a great deal on the God Control of individuals’ own feeling. Instead of feeling that one should control another through the spoken word, rather, call to the other individual’s “I AM Presence” and Higher Mental Body to blaze through such a Mighty Light Ray charged with the Ascended Master’s Consciousness, Obedience, God Control, and Management, that the impulse of the Light within the Heart of the individual, automatically expanding at that Call, pours through and helps that one to be more harmonious and do the right thing.

All concerned with the home should pour forth that same Blessing or Call for Light to envelop everyone within that home in the Ascended Masters' Mighty Electronic Tube of Light Substance, and so charge all with the Pressure and Force of Perfection from within, that It becomes a constant Flow of Light repelling all discord from without. The "I AM" Students and ourselves, under the Direction of the Ascended Masters, are three times a day pouring into all homes within the United States of America and the Americas the Cosmic Power of the Supreme Light which the Ascended Masters release, concentrate, and direct, charged with the Love, Light, Wisdom, and Power that are required to hold Harmony and Balance within all homes.

We are also calling for the Release of whatever money is required into the hands of all constructive individuals to provide them with the perfect homes and abundance for their upkeep—as long as they serve the constructive way of Life. That Call shall continue until everyone has his own individual Powerhouse from which he directs the Light Rays of his own Life Stream to produce Perfection in his world, Protection for his country, and Illumination for all he contacts. Each one's home should be a Sanctuary of Light into which the individual can come at any time and get away from the turmoil of the outer world—feel the Greater Power of his own Life in his Call to his own "I AM Presence" and the Ascended Masters, receive whatever Assistance is required to enable him to release the Victory and Power of Light everywhere in his world, and to produce the Perfection of the Ascended Ones here and now.

In this way, the homes that are held harmonious and in which the people give recognition to their own "I AM Presence" and the Ascended Masters can become such Mighty Outposts of Light in Its full Power and Action in

the physical world, that they act as a magnet to the rest of mankind to draw them up also into a like Perfection.

The children of a nation—if they are to be the Sustaining Power and Victory of Light within that nation, must have the Protection, Illumination, and use of that Light taught them in the home, practiced in the home. Each one should become so obedient to the Light of his own “I AM Presence” as he grows older, that the entire momentum of his physical training in this world becomes a constant Acknowledgment of the Highest Ideals of Life, and his actions become the fulfilled manifestations of those Ideals.

It is one thing to teach the Principles of Life which are constructive and tell mankind that that is the way they ought to live; but it is another thing to constantly call forth the Power of Life and Light which is the Strength and Power of the individual to do the living. There have been constructive principles preached to mankind for centuries; but until people are shown how to apply the Law of Life that enables each one to be the fulfillment of those principles, the intellectual statement of them means very little in the progress of humanity.

We have recently entered a Cycle in which deeds and actions will be the only evidence of the Law of Truth to prove the Victory of Light. He who cannot be the fulfillment of the Law stands little chance of being believed by the mass. Humanity must have the actual proof here and now, in this physical world, of these High Ideals which the Ascended Masters have taught the “I AM” Students. The Highest Ideals of Life are practical, the most practical things in the Universe. They are possible here and now, and the Perfection of the home life of the American people is one of those Ideals which must be fulfilled and lived by a certain proportion of our people if our Country is to survive.

Since the Ascended Masters have decreed and commanded by the Power of Life that the release of the Cosmic Light shall sweep into the feelings of the people and Annihilate all that is not constructive, then those individuals who really do want the constructive way of Life will receive tremendously added Strength and Power to live in daily action the fulfillment of these Laws.

The “I AM” Students are three times daily calling forth Invincible Protection, Limitless Supply, Peace, Harmony, Divine Justice, Limitless Strength, and the Victory of Light for every constructive person, place, condition, and thing within our Land, and for the proper home with an abundance for its upkeep to be given to every individual in our Country, so long as that individual acts constructively. If the people who really want those homes will make that same Call with us, Life is compelled to answer by the fulfillment of those Calls. The Mighty Power of Life cannot fail, and those Words “I AM” are the two most Powerful Words in the vocabulary of man.

When you say “ ‘I AM’ the Light of God that Never Fails” and call the Power of the Ascended Masters’ Light Rays to produce your perfect home, give you an abundance for its upkeep and maintain the Victory, Power, and Perfection of that Light within it, as surely as you make that Call and stand by it harmonizing your feelings, you will be answered. But remember: when you call for yourself, call for the same thing to be given every human being in America and throughout the world who seeks the constructive way of Life; and you will have your Answer through your own Call. This Law cannot fail because It is the Power of Light. And

“The Light of God Never Fails!”

“The Light of God Never Fails!”

“The Light of God Never Fails!”

And the “Mighty I AM Presence” is that Light.

# GEMS OF LIGHT

## Beloved Aries

---

**T**he Mighty Himalaya, together with others of the Ascended Masters, know how to direct the Power which you are releasing through your “I AM” Decrees into the mental and feeling world of those of mankind who have Great Light in the other nations of the world. They direct that consciously through the atmosphere of Earth. It is charged through the atmosphere in a Tunnel of Light; and if you were to become still enough, you could see the person at the other end of that Tunnel. If you went deeper into the Stillness, you could hear that one speak. Just as any of you can train yourselves to do that, so do the Ascended Masters help one nation through another nation with whatever Light is drawn forth consciously. When those who have Conscious Understanding of this Law send forth their “I AM” Decrees, the Ascended Masters can direct that Light through the others anywhere within Their own Light Rays. They can release that Substance of Light and Consciousness into the other nations where others of the Ascended Masters are giving Assistance and desire that Knowledge to go.

# MOTHER'S DAY

## **Goddess of Liberty**

---

Within a few years We wish to bring forth through you certain Manifestations that will so encourage the rest of mankind that you will be just like a magnet that lifts them toward the Light. You will awaken in them the Desire to give Obedience to the Cosmic Law as they see what you can release through your operation of It. So I have many plans ahead. And you know, since “I AM” your Cosmic Mother, I have to watch your education—and it’s planned ahead for some time. Let Us, after graduation takes place, move into magnificent, wonderful accomplishment and give the Blessings to Life that bring Joy everywhere; and the Mastery that sets Life free becomes just your natural everyday existence.

I want you in five years to show mankind magnificent Powers of Accomplishment and Eternal Truth that is absolutely self-evident; and the Blessing and the Joy will be so great to those to whom you give It that you will go forward like a Sun Presence. I want the Light to begin to shine now so that as It intensifies, the incoming Perfection floods forth and your problems are gone. Your struggle is gone because the Cosmic Sacred Fire Mastery of conditions contains no struggle. I want you to enter into that as quickly and as powerfully as possible from day to day. If you will try to remember this, I will certainly remind you of It in many ways that may come to you in the midst of outer world activities. If you just charge It forward, I can take you forward to very, very great Happiness, and close the door to the struggle that you think you have had, you have felt that you had, and many times did not belong to you.

## **Violet Flame Group Meetings**

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.
