

Expansion of This Light

England and Scotland

BELOVED SAINT GERMAIN

I have given My Life, My Efforts, My Love, and everything I knew how to give in those Middle Ages to bring the constitution of freedom of government into England as the Magna Charta.

The Voice of the "I AM," 50.12:25

BELOVED DAVID LLOYD

Were you to see all that has been done, not because I was an Englishman, but from the Inner Law, you would be surprised how England has held the balance of the world.

"I AM" Discourses 10: 233

BELOVED DAVID LLOYD

This question has been in the minds of the people so long, I am going to answer it this morning. Yes, I was connected with

the Lloyd's of London; and they could never hold Me to the things of the outer world. Dear Ones, when the Light within you is surging powerfully to free Itself from the limitations which that form has drawn it into, then you may be sure, at that point It will win Its Victory. *"I AM" Discourses 10: 311*

BELOVED GUY. W. BALLARD

Next came the reign of Richard the Lion Heart of England. Humanity has little or no knowledge of the real spiritual Activity that took place during those years. The same Light that inspired Richard's enthusiasm and activities in the crusades, released through his followers and the people of that time certain forces that the Ascended Host used at Inner Levels of consciousness. *Unveiled Mysteries: 96-97*

BELOVED MRS. G.W. BALLARD

Beloved Richard the Lion Heart was one of Beloved Daddy's embodiments. *Round Table Talk, 650909*

BELOVED SAINT GERMAIN

In the eleven-hundred period . . . [England] For a period of fourteen months in which the Inner Light of Richard the Lion Heart impelled him forth, had the harmony been held about him, the whole face of the world would have been changed. *The Voice of the "I AM," 82.4:6-7*

BELOVED LETO

My Friends of long ago, we are not strangers as you might at first think; for long have many of us known each other. You of English ancestry and I have known each other for a

long, long time. And those of you whom I have not met at previous times, I love you—every one—as it has been My Privilege to render a Service for at least two centuries.

Ascended Master Light: 217

BELOVED JESUS

In Scotland, in England, in Switzerland . . . the Radiance around those Groups in foreign countries is amazing, witnessed from Our Height. It is coming to be like a Blazing Sun of Light in their environment. If you saw this and drew back the memory from Our Height, you would see and understand, I think, more definitely, what the Expansion of this Light means to America and the world. It would do more than any other one thing would convey, for it is a tremendous thing.

The Voice of the "I AM," 43.4:8-9

BLESSED LETO

I love America—you know not how much. And I love those precious ones in Scotland. They are very brave, precious ones, very brave—those blessed ones who have these Books in foreign lands. Think! They have just one Book among many, and you have complete freedom and access to anything you desire.

The Voice of the "I AM," 44.6:26

BELOVED SAINT GERMAIN

That magnificent Group in Scotland is calling forth many times a day for Protection to you and the Protection for America and Her Freedom. My Dear People, it is an unheard of thing; yet it is being done constantly.

The Voice of the "I AM," 96.10:13
