

THE LAW OF LIFE

“I AM” Your Constitutional Rights!

June 12, 1940

The Cosmic Moment has struck, Beloved Ones, when the Ascended Masters call you to Victory and Freedom in the Light. Our subject is “I AM” your Constitutional Rights.

Beloved People of the United States of America, the hour grows short in which you will any longer have time to defend yourselves from the destructive activities of war. Unless you will understand and call forth this Almighty Ascended Master Power of the “I AM” to protect the lives of all our people, how can you have your own protection? Regardless of all the selfishness and viciousness of all individuals or groups, the Constitution of the United States of America gives every individual the right of self-protection and free speech. Our Constitution is the last surviving Hope for the whole human race and is the Gift of Divinity to the humanity of this Earth.

When we say Divinity, we mean the Constructive Power and Directing Intelligence that maintains the entire Universe—the Source which gives you and me and every human being Life by which to exist and act in this physical world. The

True Government of our Country is the Divine Intelligence of Life that gave us our Constitution and that guarantees our Freedom and Divine Justice which it contains. When vicious individuals or groups try to bring about conditions that open our country to war to destroy one hundred and thirty million people, then you and I and all who want the people protected against war have the great Eternal Divine Right and Authority to call forth the Supreme Power of the whole Universe to protect those one hundred and thirty million people against the destruction of war! And that is our Constitutional Right.

I tell you Eternal Truth when I say, if everyone who does not want to be destroyed by war will use this Ascended Master Law of the “I AM” and call forth the Power of the Cosmic Light to stop all destruction intended to be released against our people by those who bring about war, and will call the Ascended Masters to drive that intended destruction back into its own cause, it will be done as surely as the Universe exists. But the people who do not want to be destroyed must assert their Authority of Life and their Constitutional Right of self-protection for all our people if they are to annihilate the cause of the destruction which would spend its force against the individual as well as against the other nations of the world.

Whatever wants to destroy constructive persons, places, conditions, and things is but human viciousness. That is destructively qualified energy which, at your Call, the “Mighty I AM Presence” and the Ascended Masters will return into its own cause and prevent its acting to destroy our people; when you call to the “Mighty I AM,” They, too, add Their Qualities, Their Energy, and Their Light to return all destructive force back into its own cause. Then you are removing the cause

of the condition instead of changing effects temporarily, only to find yourself facing the same or worse conditions in the future.

Every destructive individual—and warring nations cannot take off of this Earth what they have obtained through war; and it proves that the cause and effect of all destructive conditions belong only to this Earth, because such individuals cannot take either their weapons nor the spoils of war into infinite space. Then there is an Authority of Life outside of this Earth which is greater than the so-called authority of those who produce the destruction of war. That Authority is the “Mighty I AM Presence” and the Ascended Masters. If one-third of our people would give these Ascended Master “I AM” Decrees with a feeling of their own Authority of Life and Right to protect one hundred and thirty million people, regardless of all so-called authority of destructively inclined individuals, Life would answer you as surely as the people make the Calls.

This Law is Absolute. It is Relentless, but It is Almighty. It is Good! It is Supreme! Therefore, understand It and project Its Power before it is too late. When you call the “Mighty I AM Presence” and the Ascended Masters to return a destructive force back into its own cause and call for its Annihilation, you are doing destructive individuals the greatest possible favor; for you keep them from creating further accumulation of destructively qualified energy for them to handle, which means greater punishment in the future.

There can never be any destructive reaction from this Ascended Master Law, because the outer self of individuals cannot do these supreme things. It is the God Self, the “Mighty I AM” of even destructive individuals, who fulfills our Calls for the return of their destructively qualified energy back into its own cause. And It amplifies that by drawing back into

the atmosphere around the physical body of all destructive individuals the full accumulation of their wrongly qualified energy which has been sent forth through that physical body in destructive thoughts, feelings, words, and action.

Therefore, at all times the Supreme Power of the Cosmic Light is always drawn forth and held under the Control of the “Mighty I AM Presence” and the Ascended Masters. And since They are wholly Pure, Perfect, All-powerful, All-wise Beings, They could never be unjust to any living thing. That is why, even if one had a wrong motive in calling to the “Mighty I AM Presence” and Ascended Masters to blaze Their Light Rays into a condition, the very Power of Perfection within the Light, within the “I AM Presence” and from the Ascended Masters’ Octave, would not act to fulfill a Call which was not constructive—but instead would consume the wrong desire or motive in that Call.

That is why this Law is Infallible, Infinite, Almighty, Victorious, and Supreme at all times, and is the harmonious, permanent way by which every destructive condition can be brought forth into constructive action. It is at all times the All-Knowing Mind of God, the “Mighty I AM Presence” and the Ascended Masters. It is All-wisdom and All-directing Intelligence of Divinity to do all things constructively and never to do anything else. So you see how impossible it is for anyone to misuse this Law or have any result from It but constructive action, Victory, the Power of Perfection, and ever greater Perfection. Any other interpretation or concept of this Ascended Master Instruction of the “I AM” is not the Truth, and we want all to know the full Truth concerning this Law now.

You as individuals in the United States of America need to understand your Divine Birthright, your Authority, and

this Power which you must use if you are going to stand untouched by the destruction that is raging in the rest of the world, and bending every effort to spend this force in America to destroy the good we have here as well as that abroad. Remember, it is up to the people themselves to make the Call to Life and to Light to pour forth the Divinity of the Universe in Its All-conquering, All-ruling Supreme Authority which compels all destructive action to cease its onrushing, whirling activity and cyclonic destruction, which is war.

When individuals who will not serve the constructive way of Life wish to impose on the constructive people of America and the world that which is the destruction of insane individuals, then the rest of the world had better awaken and refuse to accept that. You can have this Freedom if you will not doubt the Great Power that brought you here which maintains the rest of the Universe; for It has created the magnificent wonders and almighty gigantic activities of Life, Worlds and Systems of Worlds in interstellar space. Remember, doubt of that which is above yourself is the destroyer of all your happiness. Distrust, remember, is a great destructive force; for remember Saint Germain has said, doubt becomes distrust, distrust becomes suspicion; and suspicion is self-destruction. When you doubt the very cause of Perfection that placed you here and then you become suspicious of others around you, your feeling becomes a shell of destructively qualified energy, and you have short-circuited the Plan of Perfection.

Those who are greater than yourself can easily pass Their Perfection through you and expand It to your fellowman if you would give Them a chance and would shut your door to doubt of the only Power in the Universe that can possibly

raise you out of the discord of human generation. When it comes to the acceptance of the good of this physical world, you had better accept the physical manifestation as a Direct Action of your “Mighty I AM Presence” and the Ascended Ones a hundred times than to once deny the Real Inner Action of the Light when It flashes you Its great Good from the Ascended Masters’ Octave of Light. Learn to charge your feeling world so that it does not even register any discord from the people around you, so you and your world will not record disturbance of any kind, so you do not pay the penalty for the doubt, uncertainty, and discord of those around you.

Therefore, we call to all who have listened to this Broadcast—we greet all “I AM” Students everywhere, and ask you to learn to give these “I AM” Decrees for yourself and the Protection of your fellowman. We enfold all who have listened to this Broadcast in the Mighty Eternal Supreme Power of the Cosmic Light that holds you untouched by destruction forever. We greet all and enfold you in the Ascended Masters’ Victory, Supreme Power, and Perfection of that Light. We ask you to join us in the closing Decree, and also enfold all in the United States of America, the Americas and the world, in that Cosmic Light as of a Thousand Suns; and make It Blaze and Blaze and Blaze with such Power that no war nor other destructive force can ever destroy our people, our Freedom, our Divine Justice, or the Great Supreme Glory and Victory of Good of this our Beloved Land of Light. For

“The Light of God Never Fails!”

“The Light of God Never Fails!”

“The Light of God Never Fails!”

And the “Mighty I AM Presence” is that Light!
