

GEMS OF LIGHT

Beloved Archangel Michael

The blessings of modern civilization: Every time the Power was drawn in and around an individual—whether it be through inventive channels or scientific, matters not; but when that Knowledge is given, when that Assistance comes forth, when the manifestations of greater Perfection of the civilization are released to bless the masses of the people, then the Angelic Host have drawn at the Inner Level a Pillar or a Sun or a Presence of the Sacred Fire that was the Focus of the Power by which that manifestation was released into mankind's outer use.

This took place with your steamboats, with your railroads, with your radio, your wireless, your electric lights. In every case where these greater blessings and advance of civilization have been drawn into mankind's outer experiences by individuals, they were all given because of a Focus of the Sacred Fire that was drawn at the Inner Level to be the Concentration of the Power by which the manifestation came forth to bless the masses of the people of the world. And so will it be with you. If you want to call this forth for the Blessing of all Life, the Cosmic Law which We are to the Earth could not deny you.
