**E**very time you use that Word *Diamond-Shining*, feel a Sun Presence of Its Dazzling Light come into physical conditions in the shape of a Heart as if It were made of Diamonds. If you'll only use these forms which We have called to your attention, We can establish a Sun Presence, the Heart Flame, the Cross, or any Activity that you want to be established in any location to hold there Our continuous Power and Victory and Control of those Powers of Nature and Forces of the Elements. This also has a marvelous Protecting Power to your own physical flesh bodies to protect your energy, protect your harmony—protect everything constructive within you that you are trying to maintain in giving Obedience to your “Mighty I AM Presence” and the Ascended Host for the Fulfillment of the Divine Plan.

If you'll call forth Our Diamond-Shining Victory of Our Divine Plan fulfilled, you will see all the Miracles you want manifested in the physical world, because They are the Diamond-Shining Presence of Our Protecting Perfection, They are the Diamond-Shining Power of Our Love, and They are the Diamond-Shining Purity from the Heart of Creation which must come into this world in order to consume the sinister force.
