

The Heart Flame

Beloved Queen of Light

If you want to go to God, then your attention has got to go there first, and you have got to ask your “God Presence” to possess you, possess and use this outer self as It does the Higher Mental Body. And then the outer self, filled with the Victory of the Heart Flame, says to outer conditions, “Stand aside! ‘I AM’ the Flame Presence of Mastery here, and the Cosmic Light Substance is my world of action, and discord shall not enter in!”—and you are master of any condition. So, Beloved Ones, in the strain and struggle of the Christmas Season, I am sure you will appreciate My Assistance tonight. . . . Mankind, struggling in the outer, through long centuries of habit, is so absorbed in the outer that they forget the “Presence” that gives them the opportunity, through the Outpouring of the Seven Sacred Weeks, to receive from Our Octave that which the world cannot give. When We come and offer these various Activities, it is that We may try to penetrate the conditions in and around you with the Perfection of Our World. And We have to have your attention and your stillness, your quiet of the body long enough, if you will open the Door to let Us come in and give you Our Christmas Gift.

Beloved Mary

The only thing that is eternally Master over mankind's creation in this world is the Heart Flame of the "Beloved I AM Presence," the Heart Flames of the Ascended Masters, the Heart Flame of the Great Central Sun, the Heart Flame of Cosmic Christ Command, the Heart Flame of Immortal Purity, and the Heart Flame of Eternal Control. So, Beloved Ones, you are not at the mercy of the outer world conditions or limitations if you understand Me tonight. (*applause*) Thank you so much. If you make enough Application in this way ahead of time, long enough ahead of time, you will find It will control every condition you contact. And it will prevent the problems and the limitations under which you've struggled in the past. This is Our Gift of Freedom at this time. At this Christmas season of the year, We want to make you aware of the full Momentum of the Power of that Heart Flame of Sacred Fire Love from the Ascended Masters and Cosmic Beings, as well as your own "Beloved I AM Presence."

Great Elohim of Peace

When the world weighs heavily upon you, if you should call for My Miracle Mantle of Love's Indestructible Peace to be wrapped around you to hold balance within and balance without—I assure you, It will bring Purity within enough, to begin to set your house in Divine Order.

And as you radiate that into outer world conditions, as you contact people of the outer world, the very Peace in the Love which Our Sacred Fire will pour forth through you will automatically harmonize other people around you; and in that greater Harmony they will give you greater cooperation. So It is very practical. It is always Victorious! It is Invincible! It is Eternal! It is Free as the air you breathe, and you cannot fail. So I trust, if you will accept My Christmas Gift of My Miracle Mantle of Love's Indestructible Purity—and the Peace that surpasseth the understanding of the mind, because the Peace is in the Heart Flame and in the feeling world—It can be forever the Master Control of everything you contact.
