

The Royal Teton Outpouring

Blessed Lanto

You're going to enter in—from tonight's Outpouring at the Royal Teton—into the Heart Activity of Life. And I mean by that the Sacred Fire Indestructible Purity of the Heart Flame of Love from your "Beloved I AM Presence," from all the Ascended Masters, and from the Physical Sun and the Great Central Sun. This is coming into outer physical conditions to enfold what is constructive in order to protect it by the Sacred Fire from the Great Central Sun that is Immortal Protection, because there isn't all mankind's creation put together can enter into or change the Protection around something that is constructive, once the Blue Flame enfolds the condition. And then the Heart Flame of the Great Central Sun moves into that the Heart Control by the Sacred Fire. This is very vitally important. Your Momentum of Protection will increase very much more rapidly if you will do this. So when destructive conditions are to be overcome, simply call instantly for whatever Ascended Master Fiery Christ Blue Lightning Purity locks that destruction into Annihilation. And then put your attention on the "Mighty I AM Presence" and the Ascended Host's Heart Flames, and ask the Heart Flame of the Great Central Sun to possess and rule and take Command there for Eternity. You will see some very amazing Miracles take place if you will use this.
