

“I AM” THE PRECIPITATION OF ALL GOOD I DESIRE!

“I AM” the Precipitation of all good I desire!
“I AM” the Manifestation of God’s Light and Fire!
This is so easy, so real and so true,
For Christ’s own Full Power now flows right through.

“I AM” here and “I AM” There!
“I AM” great abundance everywhere!
For I hold all in Love, My Dear,
And my own Christ Way does now appear,
The veil is rent and I see clear.

I live within a Golden Ray
Every moment now this day.
From the Golden City, Sahara way,
I enter in, and there I stay.
