EASTER SUNDAY

Beloved Ones of the Sacred Fire's Heart Flame of Life, I trust I may bring Assistance to you today and make you feel and remember with every fiber of your being, that everything that is of your "Beloved I AM Presence" and the Ascended Host, everything that is constructive, everything We pour to Earth, all the Life that is pouring into the constructive activities to produce manifestation in this world, all of that Life is Light. Therefore, as Its Illumining Presence concentrates within a condition or an individual, It continues to expand the Light within the Life Stream of the individual.

Therefore, Our Effort to purify and raise mankind is the continual expanding of the Strength of the Light in the emotional body of the outer self. We expand the Light through the brain structure, therefore through the mind. But the vast majority of where the pressure of the Light is needed is in the feeling world of the individual; for there, through discord in the feeling, is the greatest darkness created, is the greatest discord concentrated that—through disturbed feeling—prevents the Light from the Heart expanding in the full Power necessary to manifest the Protection of the Higher Mental Body in outer world conditions, to hold constructive activity in control of manifestation.

I wish to explain some of the Inner Action that takes place when you use the Decree for Us to enfold you in Our Miracle Mantle of Love's Mastery. From an Inner standpoint could you see that, you would be utterly amazed at the Beauty and the Perfection of a real, tangible Garment of Light—Light Substance which the Flame of Love from Our Hearts gathers, condenses, and forms into the Miracle Mantle of Our Love's Mastery, and into which We charge those Qualities that the individual requires to let the Light from the Higher Mental Body of the Life Stream release more pressure and more Light through the energy of the emotional body, of the feeling world. And the first place that that enfolding Mantle reaches into the energy of the individual's feeling world is through the emotional body, and particularly directly at the solar plexus.

When you are handling discord in outer world conditions, if you do not still and repel and then consume discord generated by individuals' irritated feeling and so on, if you do not hold that and then repel it and then consume it, there is no way to free the individual from the discord that binds the energy of the emotional body in the darkness that will not let Perfection through.

In My experience of the crucifixion, I knew that it was My Demand for the withdrawal of a certain amount of the substance that had been qualified with hate by mankind over the centuries, that in the consuming of that, it allowed the Light of each Life Stream at that time to be expanded enough to strengthen the constructive activities of that age, that they might be sustained enough to go forward and let mankind make further effort to the Ascension.

The discord generated by hatred and anger and irritation that has been generated since that time by various wars

throughout the world has now again generated the cloud of blackness that seeks to enfold, again, the physical bodies of the people of this world in violence and destruction.

Every time you call forth Our Miracle Mantle of Love's Mastery, try to feel that that is a Garment of Light that enfolds the individual and holds steady the repelling of destructive forces, until the Higher Mental Body takes Command and establishes the Harmony within that enables the Higher Mental Body to send forth the Violet Flame to purify the conditions within and around the individual, so constructive activity is allowed to manifest and control. The more you can realize and recognize that every Call you make to your "Beloved I AM Presence" and the Ascended Host for Assistance to mankind or to life anywhere, to protect that which is constructive or to prevent that which is not constructive—if you will, remember that every Call you make is the Release of either the Cosmic Light Substance from the Electronic Belt in the upper atmosphere of Earth or from the Great Central Sun or from the Higher Mental Body of each Life Stream.

So whenever you call for Assistance, whether it be to your "Mighty I AM Presence" or the Ascended Host, try to realize, if you want the answer to your Call, you must hold the picture of the Light that comes from Our Octave to enfold you while your "Beloved I AM Presence" answers your Call. You are not quite aware of the intensity of this Light is the reason We are stressing It today; but It is a Power from the Ascended Masters' Octave that can be concentrated around you with a force that is stronger than steel and is more powerful—or is the Power of what you call physical lightning. That is concentrated electronic force.

If you can remember that substance is the condensation of energy, then when you want an enfolding Mantle of Our

Love, the Substance from Our Ascended Master Octave, it means the condensation of the Sacred Fire's Energy or Radiation into a Substance that enfolds the physical body in an atmosphere of Light. When that Light intensifies to a certain point, destructive forces are repelled and recede of their own accord.

When you understand this, you will see where there is no feeling of fight in the Ascended Masters' Octave or in the Answers to your Calls, because the Light does not fight anything. The Ascended Masters do not fight anything, because anything that is the intense feeling of resistance and battle against some other part of life is a shadow. And so long as that goes on, it is a form of hate; and therefore, it is impurity.

The only thing in the Universe that will dissolve and consume that is the Violet Consuming Flame's Love, and that Love is Luminosity. Whenever you think of Love as the great Manifesting Presence that produces Perfection, try to remember always that It is Luminous Substance; and It is the Sacred Fire of the Violet Consuming Flame and the Unfed Flame and the Sevenfold Flame of the Seven Mighty Elohim. So everything that is Assistance to mankind drawn into this world from the Ascended Masters' Octave must be Luminosity.

If you can train the intellect to hold the picture of the Fulfillment of your every Call, held in a Blazing Sun Presence of the Violet Consuming Flame, within which is the Cosmic Light Substance of the form or the assistance you wish to give, you will find the Substance can come into the physical flesh body. That Substance of Light enters into you through your emotional body, which is the sympathetic nervous system; and It flows into your nerves like blood flows through your veins.

When that Light comes into the nerves, It expands Its Light out through the flesh. This is the Eternal, Divine Way of Healing. This is the way the body can be perfected. And this is what takes place at the moment of the Ascension. So I am bringing this to you that you may visualize the process. Whenever you call forth any Activity of the Sacred Fire or the Light of Our Ascended Master Love to come in and around a condition, do not fail to hold the picture of the Luminosity coming into the substance, and the Cosmic Light Substance filling the individual with the Light from Our Octave that is the harmonious repelling of discordant conditions until the Violet Consuming Flame consumes them.

If mankind's desire world were purified, the destructive forces would have nothing to sustain them; and the impurity is entirely in the emotional body. The intellect might think a destructive thought or hold a destructive picture; but if it did not stir the energy of the feeling, it could never become a thing manifest.

Therefore, if you want to change physical manifestation into that which is constructive, you must have the Light of Our Life's Love to do it. The Light of Our Life's Love is the only thing that can consume mankind's frightful generation of discord. And since that impurity is a shadow, whenever feelings are disturbed, the darkness closes in upon the individual and more and more discord ensues. If you want that removed, you must have the Light of Our Life; and the Light of Our Life is Our Love. And Our Love is Cosmic Light Substance from the Ascended Masters' Octave which We can condense into a Mantle of Miracle Powers to manifest any special Quality for which you call at the time.

Now, one more thing I hope I may bring to assist you because We must pour more of the Light, the Cosmic Light, Power, and Substance in and around the emotional bodies of the mass of mankind in order to keep physical violence and destructive forces from doing what they intend, because all destructive activities are darkness. All constructive activities are the Light of Our Love. And I hope I may make this clear to you.

When individuals disagree sometimes, when there is discord generated in the feeling, a shadow stands between. And that shadow will continue to stand between until some Power of Love, Violet Flame Love, can consume that shadow and let the Light come through and produce the constructive activity. So, Beloved Ones, when the world is crying for Peace and asking for Peace, and yet going on in the frightful generation of discord, the Peace cannot come until the Sacred Fire has consumed the discord; and that Sacred Fire is the Blessed Violet Consuming Flame's Forgiving Love, Mercy, and Peace to Life.

I long ago offered My Luminous Presence, My Personal Rays, My Cosmic Christ Flame of Invisibility, Invincibility, Invulnerability against all of the shadows. I offered this to anyone who calls for It. For even though the shadows be dark around a physical body and the feelings disturbed, yet if that individual calls for My Miracle Mantle, My Personal Rays and Cosmic Christ Cloak of Invisibility against all that is of the shadows, I assure you, that enfolding Presence of My Life will be a Substance of Light, a Substance that is Luminous, a Substance that is qualified with Immortal Perfection; for the shadows cannot change the Light of My Life's Love.

When I use that Mantle of My Personal Rays to enfold an individual for Protection and Assistance in answer to the

Call for something constructive, I assure you the shadows do not battle Me. “I AM” the Light, and no shadow yet ever got into the Light. The Light can come into the shadows, but the shadows cannot go into the Light. No shadow can enter into your Physical Sun. No shadow can come into the Life of an Ascended Being. No shadow can go into your Higher Mental Body or your “Electronic Presence” or the Causal Body. At no time can the shadow of mankind’s discord ever come into the Light, but the Light intensified can come into everything and consume everything unlike Itself.

Beloved Ones, in your willingness to give help to others, regardless of what human beings are doing in the outer, when you call forth My Sacred Fire Presence, My Personal Rays, My Cosmic Christ Cloak of Invisibility against all wrong, when you call for the Miracle Manifestations of My Sacred Fire’s Mastery over the shadows of this world, I assure you I can send forth the Sacred Fire of My Life’s Love—and the Fire consumes the substance that has been qualified by the shadows.

My Love is a very tangible thing. It is very real. It is Immortal in the Universe. It is My Gift to Life. It is Master over all in this world. And when I said, “I have overcome the world,” I meant just this—that the Sacred Fire of My Life’s Love had intensified and expanded through and around Me to the place into which human creation and the shadows of discord can never enter for Eternity. And they never have, and they never will.

The Love of My Life which the world needs, I assure you, is Light. The Love of My Life which I give is Light. The Miracle Mantle which everyone can have on this Earth is the Substance of Immortal Light, Immortal Substance, Immortal Purity, and Immortal Peace. That is why I said,

“When I am lifted up, I will draw all mankind unto Me,” because I knew the Sacred Fire of My own Life Stream is able, in Its Cosmic Power, to consume everything of discord mankind has generated in manifestation in this world; and that is true today. It is true for Eternity. It was true at the hour I spoke it, and it is true forever in the manifested Universe that, I assure you, is the Realm of Immortal Light. And Immortal Light means Immortal Love, and Immortal Love is Immortal Life.

So when shadows press heavily upon you, when shadows arise between individuals, they will stay there until someone calls forth the Sacred Fire’s Love of Life that loves to give the Light that expands Its Mastery and is the Authority and the Commanding Presence to compel evil to cease to be. That is the Master Power of the Universe. That is the Authority of Immortal Perfection. That is Immortal Purity, and that is the Master Hand of Creation.

Therefore, My Miracle Mantle of Love’s Mastery is a real, tangible Garment, as real and tangible as any of your physical clothing. It is a real, tangible Focus of that Substance from Our Ascended Masters’ Octave. It is Eternally Luminous. It is Almighty in Its Power. It is Indestructible in Its Harmony; and therefore, It is the Master Presence that heals, purifies, illumines, harmonizes, expands Perfection, and forever glorifies the Great Central Sun from whence We all come.

In the Love that the world requires is the Light that lights your pathway. In the Love and the Light that you give to the world can come the Peace for which individuals call when the suffering gets too great. But the suffering is shadows. And therefore, that suffering, those shadows must be consumed by the Sacred Fire’s Immortal Purity, Love and Forgiveness

and Mercy to the life that is caught in the shadows and cannot be free until someone gives the Heart Flame Love and Illumining Presence from the Ascended Masters' Octave, and the Substance comes to fill and surround the individual or the condition that needs Purification to produce Peace that is Eternal—if you will so command It and if you will call It into this world.

Whenever you think of Peace, whenever you think of Harmony, whenever you think of Purity, call for either the *Immortal* or the word *Eternal* Purity and *Eternal* Peace, which means when It comes from Our Octave, all mankind's discord put together can never touch It or enter into It. So you have an infallible Scepter of Power. You have the Master Command of manifestation.

Whenever you call for Perfection or Our Love to enfold a condition and stop evil, always hold the picture of the Light flashing into and around the condition. That starts the repelling of the shadows until the Violet Flame consumes them. So, it is imperative to hold the picture of the Light whenever you want Help, whenever you want Healing, whenever you want Peace.

The same thing is true of supply. When you understand that the supply of everything in manifestation has to come out of the Light, then surely when you want supply, you want Light in and around yourselves. And that Light from the Hand of your “Mighty I AM Presence” and from Its Heart or from the Ascended Masters' Octave can pour in and around you; and when you have enough Light, you have enough supply of every good thing. When you have enough Light of the Love Flame of your “Presence,” you have enough Power to heal. When you have enough Light of the Love of the Ascended Host, there will be Light and

Ascended Master Substance around you that is Eternal. Forever through Its Radiation pours Its Blessing to all life around you; and thus, you become a Sun Presence. As that expands and expands and again expands, It becomes the Cosmic Momentum that one day makes you a Creator of a World or a System of Worlds. I assure you, all manifestations are created by the Light and the Heart Love Flame of some individualized Being of Immortal Light, Sacred Fire, and Perfection.

So, let Us go forward. And every time discord seems to manifest, call from the Ascended Masters' Octave and the Great Central Sun, the Ascended Masters' Cosmic Light Substance that is so blazing It never fails to consume the shadows. And you will replace the discord human feeling has created—you will replace it by the Love of Our Life; and in the Love of Our Life is Eternal Peace. Every time you do that, you increase its vibratory action. It raises you into greater and greater Luminosity, until the moment of your Ascension when you become completely, eternally self-luminous.

My Love has not been given to the world without a very definite Command for the consuming of all the discord of human feeling. So, that Light must come now; and that is "The Light of God That Never Fails" to illumine everything because Its Power and Intensity is the Master Presence, the Master Authority, the Master Control of manifestation wherever It is called into existence, or released and directed to control manifestation that produces Perfection, the Perfection of Love that blesses all for Eternity.

From this hour, I trust My Miracle Mantle of Love's Mastery will be very close and tangible around you, My Sacred Fire Presence accompany you. And if you will accept

Me, you will find that Presence will abide with you until one day It becomes visible about you, to you and to others. For I assure you, I can enfold every human body on this Earth in the Luminous Presence of the Cosmic Light Substance from Our Octave and produce a Light in which discord can never exist.

The Freedom of the Earth and all upon it is within the Light and the Love, the Heart Flame Love of the Life of the “Beloved I AM Presence” and the Ascended Host and the Great Cosmic Beings, whose Love is the Illumining Presence of a planet or a System of Worlds. And if you will notice, a System of Worlds is maintained around a Focus of Light. It is the Light of the Life of the Physical Sun that sustains the planets of the System; and so, It is from the Ascended Masters’ Octave.

As you go forward, try to remember, when you send forth your Decrees and you call forth manifestation, accompany your Call always with the picture of the Sun Presence of the Cosmic Light Substance so self-luminous, so blazing within the Sun of Violet Consuming Flame, that Its very intensity is the Forbidding Presence for the shadows to approach. Such is the Great Divine Plan, such is the Gift of Love, and such is the Victory over the shadows of this world.

Beloved of the Light, you shall always be enfolded in My Sacred Fire Presence, My Personal Ray. And you can have My own Heart’s Flame to enfold you in Its Luminosity until the moment when you come to Us for Eternity—you, too, a Sun Presence of Eternal, Illumining Love. And if you will remember this, it will give Me much greater opportunity to anchor in and around you the greater Light from Our Octave, and make the shadows recede until they are consumed and your pathway becomes then the Pathway

of Peace. “The Light of God That Never Fails” shall illumine that pathway, and Perfection manifest becomes your world of experience until the hour of your Ascension.

Thank you with all My Heart. And I bear to you the Love of all of those who came with Me to produce the manifestation of Our Love in this world, and who will ever pour forth Their Love to you. Remember, Our Love is Our Light of Eternity to show all, the Perfection that is the Divine Plan fulfilled. May Our Love ever and ever and ever intensify the Light about you, until all have become Its Freedom for Eternity. Thank you with all My Heart.

BELOVED JESUS

I want you to feel this Power that We are drawing in and around you for your added Protection and your greater realization of your own power of mastery over these conditions. I had to draw this forth in My Experience, in order to produce the Miracles that I did. I had to become aware not only of My own Authority, but I had to feel the Power of Control over evil. So today, I trust I may make you feel My Power of Control of evil forces, so that as you begin to have My Feeling within you, you will have Dominion over destructive conditions around you; and then you will know what My Authority over Life in this world means to you and means to the Nation and to all mankind for Its Freedom.

THE LAW IN ACTION

The Miracle Way

Gaylord's Friend

Miracles are but the effect of the application of Law by an individual to bring about a specific result. All may learn to do this if they desire it strongly enough and will discipline the outer activity of thought and feeling.

Blessed Ones, don't allow the appearance world to make you decide that you can't do a thing that is constructive. Supposing you wanted to do something that has never been done on this Earth before, and you call the Miracle Way

of the Sacred Fire to do that and you ask any one of the Seven Mighty Elohim to show you that Way, We would be obligated under the Law of Life to release that Knowledge to you—so long as what you want is constructive.

Beloved Ruler of the Violet Planet

If you form the habit of making your Call at night before you go to sleep to see that you accomplish everything the next day the Violet Flame Way, the Miracle Way that Life originally designed for you—now follow Me closely, because your “Beloved Mighty I AM Presence,” when you first individualized, already designed the Perfect, Magnificent, Miracle Way of coming into embodiment, using your Divine Powers to produce Divine Manifestations so that wherever you go, you bless the Universe, until your experience Life is through and you take your Freedom in the Victory of the Ascension. Therefore, the Original Divine Plan for you was harmonious, successful, invincible.

So if you will begin to issue the Command at night before you go to sleep that everything you desire to do tomorrow, so long as it be constructive—and I take it for granted you don’t want anything else—that everything you do tomorrow, you do the Cosmic Violet Flame Way, the Cosmic Miracle Way, the Ascended Masters’ Victorious Way, you shall have Assistance to that end if you so command it.

What if someone does do something unkind? Why, brush it off like it was a piece of dust. Of course, it isn’t always diplomatic to say out loud how little you consider it! But oh, if people could understand what Miracles, what Manifestations, what Powers, and what Secrets could be revealed to you, Dear Hearts, if you held a continual outpouring and a continual feeling within of the Great Power of Our Love and that that Flame goes forth and you abide within It—and whatever is out here just parts and passes around you.

LOTUS MY LOVE

Talk

Mrs. G.W. Ballard

May 30, 1961

*Concerning the week prior to Easter Sunday,
Beloved Astrea says:*

I would deeply appreciate, this coming week, your Calls to Myself and the Beloved Master Jesus and to your Beloved Oromasis, as well as all your other Precious Ones. This week is a week of Consuming Fire.

The Voice of the "I AM," 1980.4:14

Mrs. G.W. Ballard: We offer Beloved Mighty Astrea all the love, gratitude, and adoration of our Hearts—and the Great Being who comes with Him and those Legions of Cosmic Christ Blue Lightning Purity that have consumed the whole hypnotic creation of mankind all through the centuries, that which has enslaved mankind to destructive forces. This takes the substance out of the brain structure and out of the emotional body.

Mighty Astrea with our Beloved Saint Germain and, of course, many others, are the ones that are taking the human creation away from those who are calling to God for help. Then all of us make our Calls for the freedom of all life, substance, energy, and consciousness from all evil, everywhere forever. Mighty Astrea is the one that cleanses the Earth's atmosphere and handles this through the mental and feeling world of the people. That includes insanity, crime, and everything else. So this Great Presence is entitled to anything and everything we can give or call, to give Him assistance to more quickly dispose of all mankind's frightful evil and that which is yet trying to manifest in the outer.

When war has gone on—century after century after century—killing, killing, killing, nothing is ever gained by that; and the evil is reaching the point of complete saturation. When that happens, then the Powers of Nature will no longer tolerate mankind's iniquity. Then Nature herself arises and buries her opponent.

Our duty, once we know this Law, is to demand the Invincible Purification that prevents evil; so it's our obligation and our business to make this effort. Once we understand this Law, it becomes our duty to use everything we are and have forever.

As our Beloved Frederick plays to Mighty Astrea, we ask our "Mighty I AM Presence" to pour forth through us whatever will help Him the most to annihilate and prevent all human creation, everywhere forever, and take out of life all selfishness. Then to our Beloved Saint Germain, with all the love and gratitude and devotion of Eternity, in unconditional surrender and obedience we offer Him everything. We ask our "Mighty I AM Presence" to do through us that which It knows He needs the most, and make us what It knows we need to be here, to blaze the Victory that compels evil to cease to be.

Record CD 175

Beloved Ones of the Sacred Fire, entering into the Cosmic Understanding of what the Great Love of Life provides for mankind, We may lift you into the Illumining Love and the Miracles It produces by your Conscious Call and by Our Response, to release to you that which belongs in this world and is for your use in the future. I want you to feel this tonight with great Power and great Devotion, that the Door may be kept open from your side of life for Us to assist you as powerfully as possible.

Since the great Power of Love which I represent to the Earth is what you call the Magnetic Pole of the Earth, I assure you that that Love of Life is the cohesive Power that holds the structure of Earth together, and holds upon the Earth whatever manifestations Life calls forth through the Great Beings who direct this System of Worlds—and from the individual Life Streams of mankind themselves. And in explaining to you something of what the Magnetic Pole of the Earth does—as it gives the stream of Our Life's Love into the structure of Earth and into the Powers of Nature, that Love radiates forth through everything and holds all in Divine Balance and Order, if mankind will not disturb it.

That is My Cosmic Assistance to the Earth; and individually there flows the same Current of Magnetic Power, which is the Love of My Life, through each individual's spinal cord. The Magnetic Pole to the Earth represents the same thing as

the spine does to the human body, and through that flows the great Love of Life from the Great Central Sun. It is your own individual River of Life from the Great Central Sun; and Its Love is the All-commanding Power and Intelligence to produce Perfection always, if not interrupted.

Now, since from the spine goes forth to the rest of the body the supply of Life's Energy, We want to teach you how necessary it is to let Our Love of Life, through the Sphere of Light Substance—either Golden Flame or Violet Flame—raise from the feet up through the body and pass up into the Higher Mental Body. As you hold that picture clearly, as your Beloved Saint Germain instructed you long ago, it begins to relax and balance all the currents in the body that flow from the outer atmosphere toward you. And this Sphere of Golden and Violet Flame, passing through the body, raises through the spinal cord the Magnetic Currents from the Earth, up and through the body to bring the balancing energy from the Powers of Nature into harmonious at-onement with the flow of your own Life Stream's Flame from your Higher Mental Body.

Since the Magnetic Power that flows through the spine goes forth to the rest of the Universe to produce Perfection, this sphere of Violet, Golden Flame passing up through the body again goes to the rest of the Universe to carry the Blessings of the Powers of Nature up through the individual, and to pour It forth to each one's own world to hold the Divine Balance of the energy within and the energy without, so the substance of your world may manifest the Perfection that Life intends and that fulfills the Divine Plan—and which you call Miracles.

Now, My Dear Ones, when you understand that Miracles are God's Way of Life uninterrupted and uninterfered with

by mankind's outer activities and discord, when you begin to call forth the Miracles of the Universe to flood into your world Their Love of Perfection, just go on and charge Them forth and see for yourselves what each day brings. Many times you feel that Miracles and Miracle Powers so often to you mean either Precipitation or Levitation or something that seems phenomenal. I want your concept of Miracles, tonight, to convey to you the Perfection of Our Love that always does everything perfectly and easily, invincibly and harmoniously.

Therefore, supposing you have a problem to solve. Instead of struggling and wondering and being uncertain as to whether your solution is right or wrong, if you will but turn to your "Presence" for just a moment, hold this Sphere of Violet, Golden Flame passing from the feet up and to the Higher Mental Body, and in just a few moments of stillness, say to your "Mighty I AM Presence" and Higher Mental Body, "Show me Your Miracle Way of solving this problem, and Your Miracle Power of Love that compels my Victory." When you ask for the Miracle Way of doing everything, it is tantamount to saying you are asking for God's Loving Way of producing Perfection that holds the Balance for you and for all life around you; for that is the Way of Perfection.

The Magnetic Currents from the Celestial Pole of your Universe flow directly through the pole of the Earth and through the Life Stream of every human being upon the Earth. Therefore, you have tremendous Magnetic Power to use in the body when you give recognition to the Miracle Way that your "Mighty I AM Presence" wants you to live life and the Miracle Way It wants you to solve all your problems, the Miracle Way of Its Loving Healing to everything in the physical world.

Your paramount duty in the Universe is to live your life the Miracle Way that the Great Central Sun creates and maintains Systems of Worlds in Perfect Balance and in Cosmic Action. So if you will, begin to demand and keep charging everything in your world with the Miracle Way of solving all your problems, the Miracle Way of correcting mistakes, the Miracle Way of wiping out limitation, the Miracle Way of letting your Higher Mental Body pour forth through you Its Love to the Universe around you that carries the Love from the Central Sun into outer world conditions that produces Perfection always.

Please think deeply upon that word *Miracles*. You can just as well pass through this world the Miracle Way as the human, struggling way. You have gotten into this human struggle because you have said all the words that produce struggle, haven't you? Now I am trying to reverse your vocabulary. So let Us begin to use the words that don't contain any struggle. If you want to be Our Miracle Friends of the Magnetic Power of the Universe, then call for the Miracle Ways to do whatever you need to do.

Now you might think, "Well, it might not work immediately. You have to work on it a while." You would be surprised how wonderful is the Miracle Love of God's Heart. You have touched into some of this Knowledge occasionally in some of your Decrees; and you use them for a time, and then they pass out and you forget them. So We come to remind you always of the Supremacy of Our Love, and do you know that that is the Miracle Life of the Universe? Our Love is that Perfection which can never wear out, never change, never fail, never cease expanding, and is never anything but Mastery everywhere in all Creation.

So let Us have a very joyous time in setting a wonderful habit for the New Year. If you want a Miracle Year, you have to begin a little bit before the year comes in, you know. (*laughter*) And then you will find this year will be the Miracle Way to do things. And regardless of what is in the outer world, you hold close to the Miracle Power of the Magnetic Currents from the Great Sun Polaris to your Life Stream and to the Earth; and feel My Love come to you with a Power to draw to you that which produces Perfection that is permanent and is yours to use to fulfill the Great Divine Plan and to establish Balance wherever you abide.

There is a Miracle Way to do everything, and it isn't just by Precipitation. That's only one of Its Manifestations. The Miracle Way of Life is like a magnificent Jewel. Each facet is a special Quality, a special Activity, and a special Power—every one of which is yours to use and will bring you and give you the Glory of Its Perfection. As you send that forth to the outer world, you will find the Universe itself is a Jewel, ever pouring back to you the Light that is within It for Eternity, and whose Beauty carries the Joy of Its Love into your outer use and makes your pathway just the Happiness and the Harmony of Life's Perfection.

Will you accept tonight a title which I want to give you? (*applause—audience rising*) Thank you, Precious Ones. Tonight I want to call you My “Miracle Family of God's Heart.” And if you will remember that the Great Sun Polaris is the Heart of your heavens, the Heart of this Universe, and a stream of that Love and Life abides within the energy in you—within your own Heart's Flame—then it will not be difficult to feel My Love come to you and pour forth those Powers which produce what the world calls Miracles. Won't you be seated, please.

These great Magnetic Currents of Life's marvelous Love flow everywhere. They come directly from the Sun Polaris into the structure of the Earth, into the Life Streams upon it, into the other planets of the System, and into all of the galaxy to which you belong. And It is all just the expansion of that great Heart of Life which supplies everything of Perfection to produce manifestation that always brings Happiness.

We are trying to raise your consciousness to the continual awareness of the Happiness Life intends for you, and you can only get into this which We have become by getting out of what you are in. (*laughter*) And so, as you recognize that when you ask for the Miracle Solution of everything, or the God Solution, or God's Miracle Solution of your problems, then just be still and know that Love moves into action to bring about whatever is right. And whatever is right cannot produce something wrong, so you cannot fail to have success.

If people only understood what power there is in the outer self through the thought, feeling, and spoken word, to create what you will in this physical world by the use of your own authority and your Call to the greater Life or the greater Beings of the Universe! You can reach into the great Powerhouse and Treasure House of God's Life—whose Love manifests Perfection everywhere—and draw to yourself from the Heights of Creation the Perfection that Love is so willing to give.

It is Our Love in Our Life that is the Magnetic Pole to your Earth. Therefore, Our Love in Our Life is just as willing to fill you with the Perfection from Our Great Realm of existence as We are to fill the Earth with Our Life. And We are just as happy to fill the atmosphere about you with the Love of Our Life which is the Miracle Way to do everything.

Now you may live in this world a million years. You may learn or accumulate the outer world's so-called knowledge and

try out everything mankind ever thought about. Eventually, if you are ever to be Free, you must come to the one Supreme Height of Life and understand that Life's Magnificent Power to produce Perfection and hold Balance, to be Master of Creation, to be Free forever, means just one thing—demand that Miracle Love of the Universe fill everything in your being and world and fill everything that comes to your attention. And thus you hold the Balance by the pressure of that Love you pour forth by Conscious Command; and the Balance you send to the world around you automatically holds your world in Balance, too.

You may seek the world over, you may try everybody's way and means of trying to do the things that seem necessary to do. But I tell you, if you are awake and alert—even at this time in the evening (*laughter*)—you will come to your final decision that you will do everything by the Demand for Our Miracle Way of doing that which Love commands and Love produces and Love sustains, to allow Its Action to go on permanently and ever expand Its Happiness to Life.

Do you know what your Destiny is? Your Destiny is Eternal Happiness, and you were supposed to live like that all the time. You were never supposed, in your journey through this world, to have ever touched discord. Discord was never in the Divine Plan. And those who attained the Ascension during the two first Golden Ages never touched the discord that you have known. They went through to Their Victory without knowing discord. So if you have known it for a while, may We say you can “unknow” it now. (*applause*) Thank you, Precious Ones.

In going forward to master circumstance and fulfill the Divine Plan, after tonight will you feel that you have come through the Door of Our Love into the Light of the Miracle

Way to live life. And as you demand this into all physical conditions will you find the Miracle Life from Our Great Realm of Love ever comes to your assistance, opens Its Heart, and shows you the Miracle Way to do everything in this world that keeps you happy and enables you to give happiness to all the Universe around you. As you draw this with power enough, the hordes of the shadows will recede; and the Light of your love, with Eternal Happiness, becomes the Commanding Authority for the dissolving of the hordes of the shadows, until Love takes their place forever.

The Love from the Celestial Pole of your heavens, which the great Sun Polaris is, is the Supply of God's Life and the Perfection to all that you can see in the heavens around you. It is that Love of Life that has created the Universe which you observe. Therefore, if you will let It come in and through you, It will create the same Perfection and Balance here as It does there; and Its Law will hold Command where chaos, heretofore, has seemed to be.

So when you think of Me and understand how easily you can hold the picture of that Violet, Golden Flame passing from the feet up through the body and up to the Higher Mental Body, and hold it again and again, and then ask for the Miracle, Magnetic Love from Polaris to fill you and your world with the Miracles that forever hold your world Victorious in the Happiness of God's own Heart—you have then become the Miracle Command to Life that forever compels Perfection into outer action, and everything around you will pour It back to you. As you send your love to Me, will I remind you that Miracles are your world's natural activity, and that your duty when your world becomes filled with Them is to expand Them, that They may fill the world around you until it, too, becomes the Sun of Happiness to all the Universe that is Eternal.

So go forward. And remember, you are My Family of Miracle Love; and the Sacred Fire of Its Eternal Happiness shall clothe you with Victory, and you will begin to learn what the Magnetic Currents of the Universe can do for you. Some of your Knowledge will convey to the rest of mankind what it means to turn once again unconditionally and let the Miracle Love of God's Mighty Life produce Its Perfection and Happiness and Balance and Supply for you, and lift you above the problems and the struggle of that way of life which is not the Miracle Way. Let Us forget the shadows. Let us forget the human. Let us enter into the Miracle Way to live each day with such Happiness that God's Love bestows. And wherever you abide, your love to the "Presence" will draw back Its Miracle Way to take you forward in activity that will forever raise all to their Freedom.

May the fullness of My Heart's Love draw you, tonight, into the Miracle Happiness that culminates always in the Ascension. And may every Blessing My Love to the world can give individually, be focused into your Life Streams and become a blazing Sun of Power with which you go forward to Victory always, and with Power to free others by that Miracle Way of Love which alone comes from the Heart of the Central Sun. I clothe you in a Mantle of Its Sacred Fire, and may you forever become Its Miracle Existence wherever you abide. Thank you with all My Heart.

EASTER BLESSINGS

Do you know, the “Hem of your Garment” is the Radiance of your world; and if It be of the “Mighty I AM Presence,” then all who touch the Hem of that Garment are healed, blessed, and enlightened. Will you not become such a Pillar of Light from your own “Mighty I AM Presence” that all who touch your Garments may be healed?

What enabled the touch of Jesus’ Garments to heal? Because that Garment was the Radiance of His Being. The Radiance from you is your Eternal Garment whose Radiance or touch can heal, bless, and enlighten. Will you not, oh, Precious Ones, so still yourselves, so call your “Mighty I AM Presence” into action that Its Radiance becomes a Healing, Blessing, Prospering Activity everywhere you move?

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

**Lovingly, “I AM,”
MRS. G.W. BALLARD**
