

OCTOBER 3RD ANNIVERSARY

BELOVED GODFRÉ

What think you, Precious Ones, has been the Assistance to mankind since this “I AM” Activity came forth? You have no concept of what your Blessings are, compared to the condition you would have been in if the Mighty Saint Germain had not succeeded in bringing this Knowledge when He did.

In all Eternity you could never give Him a balance for what He has done for you, just thus far. Do you understand just how much Patience it takes to love people—for seventy thousand years—that are still bent on doing just as they please to get themselves into misery from which somebody else has to help them out? That’s what He’s done!

I have My Freedom today because of His Love for Me. There isn’t anything in all Eternity I wouldn’t do to assist Him in the great Divine Task of His in cleansing the Earth. You have no idea, Dear Hearts, how great Love can become when you see what Love has done for you!
