

ROYAL TETON

BELOVED GODFRÉ

Often acknowledge, “‘I AM’ the Cosmic Law’s Demand that everything in my being and world is now clothed with the Sun of the All-Christ Flame, and Victory is mine everywhere!”

“I AM” charging you with this, into your mental and feeling world, before you go to the Royal Teton tonight. For a definite purpose am I doing this. You make the same Call before you go, and know you are going there tonight to enter into the All-Christ Fire from Venus that comes there through those Beings who stand at Their Stations, drawing the Pillars of Fire that are to spread throughout your Nation—and stabilize and protect that which is constructive—and then throughout the World. And as you pass through those Great Pillars of Fire in your Inner bodies, will you feel the reality of the All-Christ Flame. Know this with every atom of your being, and know you are being given a Divine Gift that is yours for Eternity and that it is necessary for you to recognize, that It may spread throughout your Nation and become the very structure of Earth you walk upon.
