Beloved Ones of My Heart Family of Life, I come tonight to again draw into the physical octave of Earth, through your Calls, various Activities of the concentration of the Sacred Fire. And as you call forth into the cities from whence you come, or where you abide most of the time, these Activities of the Sacred Fire which come under Our Direction, I wish you to understand that the Mightiest Cosmic Action of the Sacred Love of the Sacred Fire, the Great Cosmic Law of the Ascended Masters' Octave is waiting, ready, and can and will concentrate and pour forth in and around you, into the city in which you live or from whence you come, and in, through, and around all within that city, a more intense Action of the Sacred Fire's Immortal Purity to help hold Protection of that which is constructive.

Wherever your physical body abides most of the time, that is your Powerhouse. That is where your Life Stream is pouring Its own energy most of the time in your daily activities. As you call Our Invincible, Eternal Victory and Sacred Fire Freedom in and around yourselves, and the Sacred Fire Mastery, Our Miracle Mantle of Love's Mastery in and around the city in which you abide, We can do tremendously greater things for your Protection and that which is constructive within your city than if the Call is not made and sustained by those who abide there. This is a

very wonderful Action of the Law. And it is why sometimes just one individual in a locality, who understands this Law and will make these Calls, can be the Open Door through which there can pour forth from the Ascended Masters' Octave those Activities of the Cosmic Light and Sacred Fire that will sustain and protect what is constructive there.

The reason I offer this tonight is because the hordes of evil, which We speak of as the sinister force, have concentrated and definitely planned certain diabolical, destructive conditions or to bring about certain violence within your big cities, for a very definite reason of producing chaos within your borders to drive the people into panic. We are, I assure you, infinitely more determined that their devilish plans shall not succeed.

So, if you who live in the principal large cities of the Nation demand Our Sacred Fire Presence there, and Our Sacred Fire's Miracle Mantle of Love's Mastery, to come in and possess and rule that city with whatever Sacred Fire prevents what the hordes of evil intend, as you charge this forth each day into the outer activities of that city, or any special city, and demand the forced Purification of everybody and everything within it, We can set the Cosmic Law into action with certain Activities—from the Inner level—that will prevent the mental and feeling world of the people within that city from being controlled by the hypnotic force of hypnotism and the viciousness of violence which the hordes of evil, I assure you, are planning and intend.

Beloved Ones, if you will accept these Special Activities as Our Guarding Presence of your individual locality, to hold it purified and protected and forever in the service of

the Light of the “Mighty I AM Presence” and the Ascended Host, your Authority and Command and Demand for this Activity of the Sacred Fire into the physical octave of Earth, I assure you, will enable Us to bring throughout the Nation a very much greater sustaining Power of the Cosmic Light and the Sacred Fire. I just hope you will move into this with great enthusiasm, with fierce determination, and with your own Command that the hordes of evil shall not have the city in which you abide! (*applause—audience rising*) Thank you so much, Precious Ones. Won’t you be seated, please, and just remain so.

Now, I assure you, the hordes of evil and many misguided human beings intend certain chaos and destruction and desecration within your borders. And, I assure you, there is not one constructive thing which those hordes, or even the mistaken ones, are trying to bring about in the physical conditions of this Nation.

This which I offer tonight can perform for you individually, and what is constructive within each city, the same Mighty Miracles and Victories of Our Assistance that many of you have experienced when you have called Our Miracle Mantle of Love’s Mastery around you to prevent all wrong.

So, when you call Our Sacred Fire Presence into any one of these big cities to establish there for Eternity whatever Sacred Fire’s Immortal Purity compels the prevention of all wrong, it’s all the Cosmic Law expects. As the Call comes up to Us, it is your Life making the Call; and the Cosmic Law is always ready to act and draw into the physical conditions of your cities that which will hold Purity and Balance within the people, and protect that which is

constructive, and compel the hordes of the shadows to fail—and fail more quickly. If We can depend on you to do this, I assure you, as We draw this in and around the city and every human being within it, naturally in and around you must come a much more concentrated focus of Its Power and Victory to bless you individually.

It is a service you can easily render. There is nothing difficult about it. It is the thorough understanding of what the Power of the Ascended Masters and Cosmic Beings is as We draw It into the physical octave to reveal the Right Way to live Life. And unless the Sacred Fire of Our Purity and Love is drawn into the physical octave to compel the Purification that expands the Light, your hordes of evil would smother everything into destruction—unless the Light and the Sacred Fire comes from the Ascended Masters' Octave into those conditions to prevent the hordes of evil concentrating their destruction against anything that is constructive within the city.

This will help to clear the minds of public officials, and also help to purify the feeling of those who are trusted with the honor and power of public office. You could call this Great Central Sun's Mightiest Sacred Fire Purity of the Great Great Silence into every public office in your city, and in, through, and around every human being who acts within that office, and demand the forced Purification that prevents the hordes of evil accomplishing what they intend. You have no idea what this will do to help purify your large cities. And It will also remove a great deal of the hypnotic force that is trying to destroy and desecrate your younger generation. So “I AM” bringing help to the people of this Nation through those who understand this

Law—if We can have this cooperation through your Calls, and I am quite sure you will do it! (*applause*) Thank you so much.

Now, Beloved Ones, there is so much We can give, there is so much We want to do, there is so much that is needed, that only the Sacred Fire's Purifying Love from the Ascended Masters' Octave can ever accomplish. But this great Help is in the Universe! It is the Great Cosmic Law's Way to live Life. It is the Fulfillment of the Great Divine Plan. And It is the Master Hand of Creation that moves into outer physical conditions in the physical octave and prevents mankind's human creation from any longer being allowed existence, or to desecrate that which must be sustained if the people are to accomplish the Ascension.

Everything that is constructive must be sustained and expanded and protected if the Great Divine Plan is to release Love enough into the physical octave of this world to expand the Light and the Illumination that is the Raising Power that draws mankind and the world itself into the Ascended Masters' Octave. But whatever improvement comes in the physical octave must come by the Conscious Command of unascended beings who have created the shadows of the hordes of evil here.

When you understand how powerful the Sacred Love of the Sacred Fire is from the Heart of the Great Central Sun, the Great Great Silence, and from the Ascended Masters' Temples of the Sacred Fire, you have no idea how great is that Power until you have gathered a momentum of It, and then demand that Its Cosmic Victory control mankind and shut off the creation of evil. You have no idea what you can draw into the physical octave to assist mankind through

this Call alone, and I want you to understand It tonight. We'll bring a reminder of It to you again and again, as you move into outer physical conditions your Demand that the Great Central Sun's Sacred Love of the Sacred Fire's Way to live Life shall come into this world and replace mankind's evil! (*applause*) Thank you so much.

Now, long, long, long have the Ascended Masters and Cosmic Beings constantly consumed mankind's impurity and discord. This which is planned against this Nation is the most vicious that has ever been planned upon Earth! And, therefore, as you draw into the large cities within this Nation the Cosmic Concentration of the Ascended Masters' Sacred Fire Presence and Miracle Mantle of Love's Mastery that forbids the existence of the hordes of evil, We can set It into action and drive back the sinister force into its own cause and compel that evil to annihilate itself. And it's time it was done! You have no idea! (*applause*) Thank you so much.

You have no idea how vicious the criminal, insane hordes of evil have become, until you see some of the things they plan against anything that opposes them. And you have no idea what the Power of the Great Great Silence is when you call forth the Sacred Love of the Sacred Fire's Cosmic Concentration of such Force from that Great Great Silence, that It comes into the physical octave and stills everything It touches; and in that Control, It forces the annihilation of everything that is wrong.

So, Blessed Ones, I think you are going to have some amazing experiences. Miracles should become the natural way of your experience here, after you have gained a momentum through this Call that draws into the big cities

the Sacred Fire's Purifying Love that sustains them in the service of the Light, instead of being a focus for the sinister force to use against the Freedom of mankind.

Blessed Ones, there are uncountable Legions of the Angels of the Flaming Sword, the Angels of the Sacred Fire, and the Angels of Fiery Christ Blue-Lightning Judgment that can turn evil back into its cause and force its Annihilation by the Power of the Great Great Silence alone. I want you to understand this Power! I want you to see It in action! I want you to call It into the physical octave, that It may render Its Service here. And I want you to be aware of what the great Help is that can come from Our Octave, through you, to control some of these conditions—until the rest of mankind see this Force in action and understand that It is the Master Control of the planet.

So, Blessed Ones, I hope you will go forward with the full realization and experience of the increase in the Power of the Sacred Fire's Purifying Love in any locality, which you call into existence to possess and control everybody and everything in that locality, regardless of the appearance world. And some of the hordes of evil will get an education they've needed for a long time. (*applause*) Thank you so much.

Now one more thing. When you are dealing with violence, criminal insanity, and wholesale destruction, do not hesitate to call forth the Great Central Sun's Fiery Christ Blue-Lightning Annihilation of anything and everything the sinister force intends! Call the Great Central Sun's Blue-Lightning Annihilation by the Power of the Great Great Silence into everything that is physical

violence, desecration, destruction, riots, or anything that is the insane, criminal activity of the sinister force. Do not hesitate to call the Great Central Sun's Cosmic Blue-Lightning Annihilation into everything of physical violence that is intended against the people in this Nation!

The Cosmic Blue-Lightning Annihilation by the Power of the Great Great Silence can flood forth into a mass of people and control the energy in their feeling, and keep them from doing diabolical things that otherwise they will do. This is to help prevent much of this riot condition that is running rampant within the Nation and is wholly criminal, insane hypnotism of the people. Nobody argues with the Blue-Lightning Power of the Great Great Silence! And when you call forth Cosmic Blue-Lightning Power from the Great Great Silence to come into the physical conditions, into the people of this World, in the people of the Nation, and force into Annihilation everything the sinister force intends, you will prevent evil building to the momentum where it would destroy or desecrate what has been placed here to be sustained as the Freedom of the Country.

When you want Protection to the God-given Freedom of this Nation, call forth the Great Central Sun's Cosmic Blue-Lightning Protection of the God-given Freedom of this Nation! You call forth the Cosmic Blue-Lightning Silence, the Cosmic Blue-Lightning Illumination of everybody and everything concerning the Protection of that which is constructive within your borders, and It will come to your assistance. For there are Legions uncountable of the Ascended Host and the Angelic Host whose Power of that Blue Flame from the Great Great Silence can come everywhere in an instant, and protect that which is

constructive and needs to be sustained in order to supply you and hold that which is constructive in your use in the future. Your big cities need this!

This will do much to do away with your teenage crime and the vandalism, the violence, and the depravity that is being imposed upon the American people. You can also draw this forth into the desire world of unascended beings to consume and prevent human desire, especially in the emotional bodies. This is the Cosmic Way of preventing any further expansion of the destructive impulses in the mental and feeling world of the masses of the people as they remain yet unascended.

So, Beloved Ones, there is terrific Power to come to your assistance the moment you begin to dwell upon the Great Great Silence and ask Its Cosmic Blue-Lightning Annihilation of everything within this Nation that wants to oppose the Perfection of God, the “Mighty I AM” and the Ascended Host. This Power is at hand for your use! I can draw this Myself in and around each of you, or into a city or into a locality; and there are uncountable Legions with Me. There are those Legions of Blue Lightning from the Great Great Silence that can, in one sweep, stop the violence of depraved creatures who know not what they are doing. Therefore, this is part of the Fulfillment of your Calls for your Sacred Fire’s Protection to yourselves, to your loved ones, to all that is brought into your custody or use, and for the Protection of that which is constructive within any city, that enables the people to be raised into the Victory of the Ascension.

Blessed Ones, this is Immortal Freedom! When you begin to feel the Power of the Great Central Sun’s Cosmic

Blue-Lightning Control of unascended beings who are determined to destroy and desecrate, when you see this act by your own Conscious Command, you will begin to realize that you are being made Invincible before the hordes of mankind's frightful destruction. This is your Cosmic Protection. This must come in order to purify the Earth and protect that which is to be sustained. So, as you go forward, when you have a moment just give It recognition. Keep acknowledging the Presence of Our Ascended Master, Miracle Mantle of Love's Mastery.

If you should care to build this momentum of the Power of the Great Great Silence around you, you can ask yourselves to be enfolded in the Great Central Sun's Miracle Mantle of Love's Mastery, by the Power of the Great Great Silence that silences into annihilation, before it can approach, anything that would seek to disturb you.

So, Blessed Ones, go forward and use the Power! And We are closer than breathing and nearer than hands and feet when you begin to call this into your cities or your Nation, or even yourselves individually, or around your loved ones or that which you want to have protected. So, whether it is within your Nation or the other nations of the World, this Cosmic Sacred Fire Power of the Great Great Silence is the mightiest concentration you could ask for in the physical octave. And the Ascended Host and Cosmic Beings are Its Almighty Control and the Giver of Its Presence here.

Beloved Ones, stand within It and ask your "Beloved I AM Presence" and the Ascended Host to teach you about Itself—and the Ascended Host reveal to you, within yourselves, the Ascended Masters' Master Power of the Control of the physical conditions in this world.

You will know what Mastery is, because It will always be Harmonious and make you Victorious and keep you Invincible. Go forward and use It, use It, use It! And occupy your spare time by calling this in and around yourselves and around everybody and everything you meet, until that which is constructive is constantly protected and expanded, until the Sacred Fire and the Cosmic Light have driven evil forces back into their cause and forced their Annihilation from the manifested Universe.

So, Blessed Ones, please feel Our Sacred Fire Presence with you. We come many times and enfold you for the moment in Our own Hearts' Flame of Protecting Love, and many times you do not even know We are present. But when you begin to call this Activity of the Sacred Fire Presence of the Ascended Host's Great Central Sun, Fiery Christ, Cosmic Mantle of the Great Great Silence around yourselves, and demand the Cosmic Blue-Lightning's Annihilation and Prevention of all wrong, It will become a very tangible Presence and Power. And It will be your Invincible Victory in the time of trouble. Call this around every condition that you contact, and let Us see what We can do in the next thirty days.

If I may have your cooperation, you will have Mine. If together We can draw a certain concentration of this into outer physical conditions, America will be the beneficiary. And if We do not do it, then the sinister force again will try its devilish destruction. So, Blessed Ones, this is the Master Power of the Cosmic Law's Invincible Protection to that which is constructive. The Power, the Cosmic Blue-Lightning Power of the Great Great Silence can blaze Its Sacred Fire Love, and that which is of discord cannot survive longer.

Go forward to your Victory! But please draw this in and around everybody and everything in your big cities, so the sinister force cannot have the energy and the power of misguided human beings to release more destruction and desecration against the people that are trying to hold to that which is constructive. So, go forward, go forward, go forward, and the Cosmic Law will ever abide with you in the Great Central Sun's Sacred Fire Power of the Great Great Silence and make you the Master over this world, as you call this into physical conditions to forbid the existence of the sinister force or any desecration against Life, for any reason whatsoever. And I trust you will feel your Victory and express your Freedom to sustain the Nation now against that which otherwise will only bring distress.

So, We are ready, and We hope you are ready; and I am quite sure the Nation will be blessed. You cannot have anything as a result of your use of this Power except the Magnificent Perfection from the Ascended Masters' Octave. So, if We all make the maximum effort at this time, I am hoping for the Miracles of the Great Great Silence to come in and burst upon mankind the Illumination that makes human beings understand what the sinister force is trying to do to destroy that which is of God.

Let there be the Cosmic Descent of the Great Central Sun's Mightiest Power of the Blue-Lightning Annihilation and Prevention of all wrong, that comes into the physical world and compels the prevention of that which the hordes of evil are trying everywhere to impose upon Life. Now the end of that evil must come, some way, as quickly as possible; and We want it to come by your Conscious Command and use of the Sacred Fire. So, I commend you

to the Sacred Fire's Victory of the Great Great Silence. And as you draw this in and around yourselves, there'll be no controversy. There'll be no argument. There'll be nothing to feed more energy into the hordes of evil to further sustain them.

So, I trust you will take your Victory now and render the service that makes your Nation once again the Victorious Presence to the rest of the World. And may that Supreme, Almighty Sacred Fire Love of the Great Great Silence within you teach you of Itself, make you feel Its Master Power, clothe you in Its Miracle Mantle of Eternal Victory, and take you forward, free from human interference in whatever you wish to accomplish, and as quickly as possible. I thank you with all My Heart.

*Happy Birthday,
Beloved Godfré!*
