The Student Body is of very great importance now to the Ascended Host. Each one of you is an Open Door through which—if the Harmony is maintained and we are grateful for all the Blessings that have come to us through this “I AM” Activity—we will Stand, Face, and Conquer and we will not desert It, or desert Beloved Saint Germain or these Great Ones at this hour because of somebody else’s discord.

Now, when we’ve been privileged to give the Pageant—and those who are in the Pageant have been held in Beloved Jesus’ enfolding Radiance and Love, and they’ve been given the Strength through which that Outpouring can go to the audience and the world—it is the greatest Honor that can come to Life in this world, and is our Love to the “Mighty I AM Presence” and the Ascended Host.

Those who want to desert Beloved Saint Germain at this hour—then, there are no words can tell what stands ahead of you in the future. He’s loved us seventy thousand years, and the least we can do is to practice His Violet Flame Love on everybody and everything that doesn’t agree with us. And what about it if they don’t? We’ve been disagreeing and other folks have been disagreeing with us for centuries, and it’s nothing new. Everybody has had lots of practice and will probably get some more. But at any rate, the least we can do is to Stand, Face, and Conquer with Beloved Saint Germain, Jesus and Daddy and Mighty Victory, Nada and the Great Divine Director and the Great Ones, at this particular time.

I’d rather drop in my tracks, pass out of the body, standing with Beloved Saint Germain and the Truth He has told, than to have everything else in the world, because if we don’t stand with the “Mighty I AM Presence” and the Ascended Host, then there isn’t any Freedom for the world. Mankind has had two and a half million years to try out everything else, and the people didn’t get the Ascension, but very rarely. And the only ones that did were the ones that had this Knowledge before the Ascension took place.

Let us appreciate the Gifts we have been given; and let a few of us Stand, Face, and Conquer with that which Beloved Saint Germain and Daddy and the Great Ones have given us, and really *be* an Open Door through which the Great Ones can pour that Light and the Sacred Fire, regardless of anybody or anything around us.
