

## **LORD MAHA CHOHAN DAY**

**May 31, 2020**

In the release of that Sacred Fire which the Great Lord the Maha Chohan brings, there comes a deeper Understanding of what His Love to Life means, and what Illumination that can bring to even the intellectual consciousness of the outer self. When the Beloved Jesus said, just previous to His Ascension, “I will send you the Comforter, who will bring My Words to your remembrance,” then in the experiences which followed, the Disciples received that Flame of Illumination [from the Lord Maha Chohan] which cleared the outer intellectual consciousness and kept that Instruction which the Beloved Jesus had given them active in the outer, daily life.
