# THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR  
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

---

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

**BELÖVED SAINT GERMAIN SAYS:** “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

Record CD 1275

**B**eloved of Our Hearts, tonight I wish to offer you the Assistance of Our Legions. And as I explain to you some of Their Inner Activities, I trust you will hold the picture clearly in mind when you make the Call to Me or to those Legions to

come into physical conditions and control all physical manifestation—and that commands and compels destructive forces not only to stop action, but to stop existence as quickly as possible—and it is this: There are uncountable and unconquerable Legions, Sacred Fire Legions of the Fiery Christ Blue-Lightning Power, Force, and Action from the Great Central Sun, from the Ascended Masters' Temples of the Sacred Fire, and from many Activities in the Ascended Masters' Retreats throughout the world, that can be drawn forth into outer physical conditions and established as a continual Action in which destructive forces cannot move.

As you call this into the physical world, hold the picture of every destructive thing stopping its action instantly, the moment the Blue Flame flashes. And that Blue Flame, the Fiery Christ in Cosmic Action of the Fiery Christ Power, Force, and Action that comes from the Ascended Masters' Octave, see It lowered in and around the destructive conditions within the Nation or the World. And as that Blue Flame comes down, hold the picture of absolute stillness in action—stop the action of everything that is destructive in outer world activities.

Now, this includes war. It includes destructive activities from individuals. It includes destructive activities in the mental and feeling world, the emotional bodies, and in the mental and feeling world of business, of government, and of the people everywhere. So when you think of overcoming destructive conditions, first of all call for the Great Central Sun's Sacred Fire Legions that come under My Direction, My Sacred Fire Legions of such Fiery

Christ Blue-Lightning Power, Force, and Action that They stop all action instantly of anything that is destructive.

This not only affects individuals, but this can control the Powers of Nature and Forces of the Elements. We offer you this because in your Decree to prevent forest fires—when you hear of forest fires, make the Call and then see like an Ocean of Fiery Christ Blue-Lightning Power, Force, and Action from the Great Central Sun sweep in and instantly stop everything. Just the same as a tornado of the destructive activities moves into constructive localities and destroys everything, just so is there an opposite Activity of Energy—directed by the Ascended Host and by all Activities of the Sacred Fire from the Great Central Sun—that can be lowered, consciously directed, even to the extent of an Ocean of It, to sweep over a nation or sweep into a city or sweep around groups of people as that Blue Flame, the Fiery Christ Blue-Lightning Power, Force, and Action that stops all evil instantly. Get in the habit of holding the picture of everything destructive just stopping existence.

As you hold the picture and make the Call, We will be able to charge into your feeling world the absolute certainty within you of this Power's Control of physical action of destructive conditions, the destructive action of the Powers of Nature and Forces of the Elements, the destructive action of certain things in the atmosphere of Earth.

So, We would like to establish this within and around you if you will make the Call and gather a momentum. This is My Service to the Earth, or part of It. And there are Limitless Legions from the Ascended Masters' Octave

that can sweep into action between two seconds, just as soon as mankind wakes up to the Reality of Our Existence, accepts that Reality, calls to Us, and gives Us the opening by which We can come in and release the Power that controls destructive conditions until they can be annihilated from existence.

Mankind could have and could have had this Assistance long ago if it were not for the selfishness, doubt, and fear of human beings who doubt Our Existence, doubt Our Power, and doubt the Authority of the Great God Power of Life, the “God Presence,” the “Mighty I AM” and the Ascended Host and the Angelic Host. It is mankind’s doubt and selfishness that has charged into the energy of the feeling world, the emotional body, just like a shell that won’t let Our Feeling come into outer physical conditions and consume the destructive forces and let the Divine Plan be fulfilled. But those of you who know this Law can have Our Assistance without any limit whatsoever. We want to give It to you! The world needs It! We want you to have It! We want to use It through you! And We hope you will give Us the opening and draw It into outer physical conditions as quickly as possible to not only minimize destructive activities, but to help Us begin the final removal of everything destructive from this Earth. We hope We may have you as Our Partners! (*applause—audience rising*) Thank you so much. Won’t you be seated, please.

It takes very great patience, Beloved Ones, to wait down through the centuries for mankind to awaken to that which the outer self of individuals must do in order to draw into this world what sets the individuals Free. It takes very great patience to watch mankind continually

misuse the Energy of Life and misuse the Blessings of the Powers of Nature, and wait and wait and wait until individuals awaken to the acceptance of Our Reality, Our Power, Our Authority, and then give Us the opening by which We can come in and help set them Free.

You have no idea of the stubbornness in mankind, in the emotional body, in the feeling that goes forth constantly in defiance of that which is the Supreme Authority and Consciousness of the “Mighty I AM Presence” and the Ascended Host! But I trust, with this Explanation, at least you will be able to help Us open the Door and bring into outer physical conditions as quickly as possible that which We want to release to stop the expansion of certain destructive forces, and then to shut them off of the Earth and take them out of existence, out of manifestation in this world—and, in many cases, simply dissolve and consume them from the Universe. Because, when you deal with savage races, when you deal with savagery, there is no expansion of the Light that the “Mighty I AM Presence” of each Life Stream can use to take the individual forward into constructive action. Therefore, when destructive activities reach a certain momentum, they must be consumed from the Universe in order to allow the planet itself to go forward and have constructive activities move into outer physical conditions a civilization, or the sustaining of a civilization.

Therefore, anything—now this applies to people in government. When you see those in government who are determined to do that which wrecks the decency of the Nation or wants to destroy anything and everything that the God Powers of this Nation represent to the World,

don't hesitate to call this into outer action. Call this into all channels of mankind's activities. Call It into business. Call It into family relationships. Call It into all channels of government, in every government of the world, because every government has the same or similar concentration of selfishness, doubt, and fear in the mental and feeling world of those who are the channels to operate a government.

Therefore, when you know something is wrong in the activities of a nation, don't hesitate to call the Great Central Sun's Sacred Fire Legions of such Fiery Christ Blue-Lightning Power, Force, and Action that We know—all that We know—stops the action of everything destructive. Now this will bring much more rapid Fulfillment of your Calls. When you keep calling forth the removal of all destructive use of the Free Will, and then you call forth whatever Fiery Christ Blue-Lightning Power, Force, and Action stops the *action* of everything destructive, you will see destructive forces collapse much more quickly.

This will also take out of existence the doubt in the feeling world of many people who are constructive and want to do that which is right to help something constructive survive, but feel perfectly helpless before the outer world's momentum of frightful evil created through war and selfishness and the diabolical activities mankind has created down through the centuries.

This had to be used when the black magicians were seized. And when We stopped their action, then they became absolutely helpless before that Blue Flame which is Master of all manifestation throughout Creation!

I happen to have had to render certain Service in some of those channels. And in the removal of some of the discarnates from this Nation in the early days of this “I AM” Activity, when the Beloved Saint Germain and the Blessed Goddess of Light and others of the Ascended Host took away so much of mankind’s creation within this Nation, We had to draw into outer physical conditions many Activities of which mankind knows absolutely nothing. But there are these Activities of the Sacred Fire from the Great Central Sun and from the Ascended Masters’ Temples of the Sacred Fire, and also through the Ascended Masters’ Retreats throughout the world—for every Retreat has focused within It the Power of the Sacred Fire and the Cosmic Light-Substance that continually pours forth Its Purifying Radiation and Protection to that which is constructive.

When We call forth the Legions, the Sacred Fire Legions of Fiery Christ Blue-Lightning Force, the Power, Force, and Action from the Great Central Sun, to sweep in whatever takes place, to shut off the action of that which is destructive, then there are Limitless Beings that can come to your Assistance, stay on the Earth in the outer activities, and begin to correct mankind’s activities in the civilization that have been generated by the destructive forces throughout the world. This has much to do with the stopping of epidemics and plagues and the destructive activities of the Powers of Nature that mankind has imposed upon them.

So whatever you hear that you know is destructive, things that are so diabolical, don’t hesitate to call forth the Great Central Sun’s *Cosmic* Sacred Fire Legions that

are infinitely more than this whole world could hold, infinitely expanding, to sweep into every destructive force and stop its action until it can be consumed or removed from the planet.

As you demand the withdrawal of all destructive activities of the Free Will from every bit of Life in this world, and then demand these Great Cosmic Legions of the Sacred Fire to sweep into every destructive condition within this Nation and the World, you will find It will go into all activities of war and into the channels that provide the destructive conditions that are used in war. It will go into the manufacture of munitions and the destructive chemicals that are the misuse of the Powers of Nature. But mankind has created these conditions simply to impose more and more and more frightful destruction upon Life, and this must be stopped! Its action has to be stopped before it can be consumed.

Therefore, We will appreciate, more than you know, your continued Call for the withdrawal of all destructive use of the Free Will. And then send your Love to the “Mighty I AM Presence” in the Great Central Sun and to the Ascended Masters’ Temples of the Sacred Fire. Call to your “Mighty I AM Presence” first, always; and then, sending your Love to the Great Central Sun and the Ascended Masters’ Temples of the Sacred Fire, demand in the Name of the “Mighty I AM Presence,” demand, demand, demand the Cosmic Sacred Fire Legions of such Fiery Christ Blue-Lightning Power, Force, and Action that It stops instantly and forever all destructive activity, all destructive action of energy! Now, this is just like a Wall of Blue Flame that will move in, and against which

nothing can stand. This is part of the Great Wall-Pass-Not of Blue Flame for which you've been calling, your Great Pillar of Spiral Blue Flame.

The Limitless Legions, the Cosmic Legions of the Angels of Fiery Christ Blue-Lightning Power, Force, and Action are Beings of the Sacred Fire whose Almighty Power nothing can oppose, and of which mankind knows almost nothing, but which We direct when it comes to the cleansing of a planet or a nation or a city, the cleansing of conditions that mankind has generated for centuries. These Great Cosmic Beings can sweep that Sacred Fire in and take out of existence everything destructive, just like a tornado on the destructive side can sweep into something constructive and take it out of existence.

Therefore, unless mankind understands that these Great Beings that are limitless and all-powerful exist in the Universe for the correction of conditions mankind has generated, unless mankind understands this is in existence and to be used, human beings don't reach up and open the way by which We can release this Assistance through the outer self of every human being in order to consume its human creation.

Therefore, from tonight will you please charge yourselves with Our Ascended Master Feeling of what We know Our Sacred Fire Legions can do to stop the action of all evil, and We will give you Our Feeling! And as soon as you have the Feeling and you make the Call, that is automatically the magnetic attraction that opens the way and lets these Legions come through into outer physical conditions and do that which They alone can do, because

They exist for this exact reason—to purify the Earth and all upon it, and to purify the Powers of Nature and Forces of the Elements.

When you know of destructive activities in your forest fires or cloudbursts, or storms that are destructive, don't wait and feel that you're just helpless before them. Demand the Great Central Sun's Cosmic Sacred Fire Legions of the Mightiest Fiery Christ Blue-Lightning Power, Force, and Action of that Flame of Love from the Great Central Sun that sweeps in and controls the energy that has been destructively qualified and that spends its force through the Powers of Nature as storms. Whether they be cloudbursts or tornadoes or storms of any kind, matters not. Anytime you see energy acting destructively, call these Beings into action, and They can come in Unlimited Legions; and when They come, Their Flame comes with Them and before Them, and nothing of destruction can survive.

So, It is part of your Protection. It is part of the survival of your modern civilization. It is part of the Protection of the consciousness of those who are in channels of government and ought to do what is right but don't. This can stop mankind's political evil and frightful conniving, one nation with another, to do something destructive to another nation. And at the Inner Level, this Force released can compel their plans to be annihilated before they can do the damage in outer physical conditions that make the people suffer.

Now, this can also be called forth into every activity of war; and since war is nothing but wholesale destruction, there is no excuse for allowing it to continue. And since these Great Cosmic Legions, the Fiery Christ Legions

from the Great Central Sun, wield Power indescribable to mankind, this can be released like an Ocean of Flame into political activities throughout the world and force destructive plans to be collapsed and consumed and prevented existence. (*applause*) Thank you so much.

Keep your outer intellect reminded often that there are uncountable billions of ways that the Great Cosmic Beings who have created this System of Worlds can use to consume mankind's evil, to prevent mankind's evil, and to undo anything that has been created to interfere with the Fulfillment of the Divine Plan that sustains the System of Worlds and sustains the opportunity for mankind to attain the Ascension.

There is infinitely more Power of the Great God Presence—the “Mighty I AM”—and the Ascended Host than there is in the creation of mankind's evil in this world. So when human beings won't listen to that which is constructive, then this Force must be used. It must be called into the physical octave. It must be sustained here until It sweeps out of existence everything that is destructive action. This stops the action, and then the Blue Flame consumes it.

When you understand what has been charged into the Powers of Nature and Forces of the Elements by mankind's selfishness and evil—the killing of animals, the wars, the hatred, the viciousness that has been allowed to go on, century after century—then you must know there comes the time when the Cosmic Beings of this System of Worlds say, “The Legions must come and the Sacred Fire move everywhere to stop everything destructive and then consume it!”

So, We simply bring this to your attention tonight, hoping you will make the Call. And as you add this to your Call and your Demand for the withdrawal of all destructive use of the Free Will from all Life in this world, that will include the destructive qualities in animals that have been charged there by mankind's selfishness and destruction and hatred of the past, all of which mankind created by its own destructive use of the Free Will. Now this will help to stop that.

We are hoping that you will join Us in this and We can gain a certain momentum of It in a very short time. And if you'll make your best effort, We will send Uncountable Legions to stand with you and by you. And every time you send that Decree forth, the Legions will go forth and set into action more of this Flame to stop the action of what's destructive and then consume it. So, We want you to accept Our Ascended Master Consciousness and Use of Our Power of the Fiery Christ Blue-Lightning Force that stops the action of everything evil and then puts an end to it.

So, Blessed Ones, if you will just remember this tonight—We'll try to remind you of It often—and give Us as many opportunities as We can have, to set this into action in the physical world until a certain proportion of evil is consumed from this Nation, that It may be protected and survive, to prevent the desecration of the rest of the World to the point where no civilization can be allowed in this World. So, whatever opposes a civilization needs to have this Call go forth for its annihilation.

Tonight We ask your cooperation. And Our Love, every time you set this into action, Our Love will come back

to you infinitely more to enfold you in Our Feeling not only of Security, but Our Feeling of Mastery over the destructive forces, until wherever you go, you will feel Our Feeling control conditions. And then the selfishness and the doubt and the fear of mankind around you, can be consumed and forever taken out of the Universe. (*applause*) Thank you so much.

So, tonight I clothe you in My Miracle Mantle of Fiery Christ Blue-Lightning Power, Force, and Action that stops evil before it can approach, and reminds you to make the Call so the Legions of that Fiery Christ Blue-Lightning Force can come, abide around you, go before you, and hold Command, so only that which is the Fulfillment of the Divine Plan can come near you or act through you and to you.

If you will live in this, We will enfold you in Our Power of Mastery over destructive conditions; and We will live with you. And as the Master Jesus said, “ ‘I AM’ with you always” in these Legions that can come and can hold Control of conditions in the physical world. You can at all times become aware of Their Presence through your Calls, until the Purification takes place that returns the Nation to the decency and the Divine Law and Order that enables It to survive and go forward to fulfill the Divine Plan.

My Miracle Mantle of My Power of Love around you that stops all destructive action of the hordes of evil, I assure you, is a very real, tangible Substance and Flame; and I offer It to you for your Protection, your use, and your Victory over all in this world, until the Great Cosmic Law has cleansed the Earth for Eternity. Thank you with all My Heart.

*May 15, 1961*

All of you, sometime every day, keep on with that Decree to prevent forest fires and floods and so on, and to force the Purification of all the water and food of our Land. Now, if the “I AM” Students will keep this up every day, for everybody and everything in the Land, you will have a momentum like a Sun Presence of that Light of Purity around yourselves. So far as you are concerned, what would come into you and your world would be forced to become purified by your momentum that you have called forth through your Decrees that you have asked for everybody within our Nation.

If you want it for yourselves, you have got to ask it for the rest of Life everywhere. No human being can live to himself or herself alone. Do you know why? Because everything you use—every minute, every day—is some other part of Life’s activity and gift to you. The streets

you drive on are created and built by somebody's Life. The people that mend or build the roads, they use their Life. They give their Life into the building of that road for you to drive on. The houses you live in—you take the metals that are produced through manufacturing, they are all mined. They are taken out of the mountains first. They're smelted. They're manufactured into the things you use, and every bit of that is some human being's Life that is given for you.

You can't live to yourself alone. It is impossible. If people would wake up and come out of that idea that they can live all by themselves—which is nothing but selfishness, boiled down and condensed. And if everybody will begin to realize that every other part of Life builds and creates something that helps our Life live here more comfortably or constructively so we can make effort to our Ascension, then when we use our Life to call for the Ascension of all the rest of Life and all substance and all energy, into the Perfection of the Ascended Masters' Octave, the very Call that goes forth keeps the substance, the energy, and the consciousness in and around us qualified with that Perfection which we are asking for the rest of Life.

Everything else in the Universe, then, automatically will pour back to us that which we're calling forth to lift the rest of Life. So, when people wake up out of the dream of selfishness, they won't have any more problems; and you will never get rid of your problems until that Law is understood.

No human being can live to himself alone. It is impossible, because all Life is one. You can't divide Life any more than you can divide space or energy. Space is

everywhere. We build walls. We think we divide space. We don't! Space exists in the wall and on each side of the wall. So, nobody divides space. You just kid your senses, that's all.

The same thing—we kid our senses when we think we can just paddle our own canoe and do as we please and let the rest of the world roll by. You'll find you're tied to the rest of the world. And the only thing that keeps your world harmonized is to live with the awareness of the "Mighty I AM Presence" and all of Its Perfection flowing into you, and wanting that Perfection for the rest of the world also. So nobody lives to himself alone.

Don't get the idea that money is the root of all evil. Knock that idea clear into annihilation! Money is perfectly good substance, put into the mountains and taken out and mined, or else run into a piece of paper. Sometimes it's good and sometimes it isn't; but nevertheless, money is not the root of evil at all!

Selfishness is the root of all evil. And when the little outer self is disillusioned with the idea that it can grab and use anything in this world and do anything it wants to and not have to answer for it—it's just plain nuts! It's the only word that fits—*nuts!*—because it's all crazy and it's upside down.

The word *evil* is the word *live* spelled backwards; and that which is evil is the living backwards, in contradistinction to the Love of the "Presence" which, if we are living according to the Law, we just let the Perfection flow and give it up to the rest of the world so the next wave is bigger. And we become a greater Sun every time we give something good to the rest of the

world. When you shut off the light of the Sun, you're in the darkness, that's all! You stand in your own shadow.

The little youngster's little poem we used to say, "I have a little shadow that goes in and out with me, and what can be the use of him is more than I can see." That's right, because the body should be self-luminous. There wouldn't be a shadow if we'd let the Energy from the "Presence" come through without contamination. We'd be self-luminous beings.

I often think, when the substance in a window lets the Sun's Rays through, surely we ought to be as smart as a piece of glass. (*laughter*) At least we ought to give that much obedience to Life. And through a dirty window the light doesn't come, so we can be as bright a window as we want.

So, let's get rid of this idea that money is power. God is the Power! The Great Beings who have created this planet didn't have to have a dime. They created the whole planet and peopled it. And They created all the Powers of Nature, and keep on creating them. They don't have any ten cents invested in anything. See how self-hypnotized the intellect is, through the desire in the feeling to have its own way. It has never yet surrendered to God completely.

The day your feelings don't want a thing in this Universe except the Perfection of the "Presence" and the Ascended Host's Perfection to blaze through you without obstruction, the day you don't want anything but that, you're going to have peace. And the day you want anything else but that, you aren't going to have peace. Nobody fools the Law. Nobody can misuse Life without paying the penalty. No human being is smarter than Life—none! Nobody is smarter than the Law!

So this hullabaloo that's created in the outer world all the time—if we don't keep these Calls going to the “Presence” and the Ascended Host that bring in the Sacred Fire that consumes the obstruction, consumes the evil and lets Life have an easier way to live, if we don't bring that here, we're going to stay right in the mess that is here. And it sure is a mess!

The outer world today is a mess. The only place there is any peace is our “I AM” Sanctuaries and the homes of our “I AM” Students. We have a little bit of peace, once in a while. (*laughter*) And that's more than the outer world has, so we're making some progress. But don't get too conceited about it, because you might lose it.

Remember this: The more Victory you have, the less you want to brag about it. Whenever you have Victory, don't brag. Just say, “Thank you, ‘Mighty I AM Presence’! It's the ‘Presence’ that got through, and the Victory and the Glory belong back to the ‘Presence’ and the Ascended Host.” But the minute you claim credit in the *feeling* for the Victory, the sinister force walks in and has a Roman holiday and it will take it right away from you. That's what happens all the time.

It's the easiest way the sinister force can put you on the skids—is to feed the ego a little and think it's, like Papa used to say, “Some pumpkins, that when you wake up, you find you grew on a squash vine.” (*laughter*) It's an old byword of Daddy's.

The only thing that can keep the Perfection flowing and keep us Protected against this turmoil of the outer is a continual recognition that everything that is right comes from the “Presence,” and it is the “Presence” that's doing it; and we just luckily let It get through once in a while.

We've lived in this mess down here long enough. The day that we don't want a thing in the Universe except to completely surrender everything into the Management of the "Presence," from that day you'll have peace. Until that surrender is complete *in the feeling*—now the intellect often says, "Well, I've given everything back to God." You just ask that fella to change his mind and not get his own way once in a while, and you'll see whether he has surrendered to God! His feelings flare like a volcano; and the next thing you know he says just what he thinks, and out it comes and the peace is all gone—all gone "boom." Isn't it? You want to know whether folks have surrendered to the "Presence" or not? Just cross them when they want their own way. It won't take a prophet to tell you.

So, what I'm trying to do, is when we see this mess in the outer world, we jump back into the lap of God and stay there and keep making the Call for the Sacred Fire to go into these conditions and do what you and I physically cannot do. That Sacred Fire makes no mistakes. It's limitless. When we send It forth, then It acts according to the Direction of the "Mighty I AM Presence," which knows everything, cause and effect, for all time to come.

Now, when we come into the healing Decrees and the supply Decrees, don't forget, when you call, " 'Mighty I AM Presence,' keep all under this Radiation Invincibly Supplied with all God's Invincible Money," the reason we say "God's Invincible Money," it's our reminder to the outer self that all money belongs to God, the "Mighty I AM Presence" and the Ascended Host who have created it here in this world. We didn't bring it onto the Earth. We didn't bring a dime!

# GOD PROTECT AMERICA!

## BELOVED GODFRÉ

When in the turmoil of political events, hatred and criticism and condemnation and selfishness just run riot with a criminal intent of the sinister force, We need the Light of your Love to protect you and to offset that which otherwise would create another war. I'm sure you do not want to see any more of that! So, you are like great Pillars of Blazing Light in the seething darkness of human selfishness; and if you refuse to be a part of that selfishness, your Light will expand. And as It expands, It lights the Way for others who are coming along the Pathway of Light, some in the shadows who are trying to feel their way to do that which is right. So, you become like a beacon light in the darkness to lead others to Freedom!

Beloved of My Heart, Mighty is the Great Wisdom of the Cosmic Law! Mighty is the Power of Its Love! And Victorious, always, is Its Almighty Presence of the Sacred Fire! Ever dwell within that Sun Presence, and call forth into yourselves those Powers of the Ascended Masters' Almighty Mastery, those Powers of the Sacred Fire from Venus that you may have as freely as the air you breathe. Draw Them into yourselves! Call for Them to come into yourselves and hold Control of you and all about you, and you shall know what Our Love means to Life. You shall have your Victory without limit. You shall be Protected and Supplied, My Loved Ones, by a Love that is Eternal and forever giving of Itself into outer manifestation.

You have had a Blessing tonight—in fact, all day; but tonight was the culmination of the Release We have offered to you in this locality. The Messenger saw part of It tonight at dinner, for there were certain destructive forces withdrawn from this locality after your Song was finished tonight, before dinner. And I wish to convey to you My Love and Gratitude and that of those who are with Me for what that Music enabled Us to do tonight. Thank you with all My Heart! (*applause—audience rising*) Thank you, Precious Ones, with all Our Hearts' Love.

We will be very close with you during both of these Conclaves. And We hope you will have Joy unspeakable by the Radiation We will not only leave with you—but We shall become a part of you through your acceptance of Its Presence within you. Thank you. Won't you be seated, please, and just remain so.

Now, My Dear Ones, wherever you move in the outer world, if you would just take an instant—it doesn't take but thirty seconds for you to send your Love to your "Presence," and demand the Purifying Love of Our Mastery in you to possess everything around you. It will clear your way. It will enable many Victories to come to you. And your Mastery will become your daily experience and the world of your manifestations.

Try to realize what the Purifying Love of Our Mastery of Life means to the Universe. The Fiery Love from Venus for that Violet Consuming Flame that is the Cosmic Control of this whole System of Worlds is yours to use without money, without price, without any effort except your Love to your "Mighty I AM Presence" first, and your Call to Us for Its Almighty, Purifying Mastery in you—the Purifying Love of Our Mastery in you, the Purifying Love of the Violet Flame Mastery in you.

I assure you, My Dear Ones, the Hub of the Universe and everything in manifestation that is constructive, I assure you, is the Action of the Purifying Love from the Heart of Creation. And Mastery means the drawing forth of that Purifying Love into yourselves first, and then into everything you contact. You will find It such a Power of Victorious Accomplishment as no words can describe. Only your own experience of becoming that Dominion

can ever convey to you how Mighty is that Power We are pouring to the Earth at this time because of the Purification that must come.

You have been told through the centuries, “Call unto Me and I will answer thee.” It is impossible, My Loved Ones, to call to your “Beloved I AM Presence” or to Us for the Purifying Love of Our Eternal Mastery to come into you and control everything—there is no greater Power you can use anywhere in Infinity than that Call! But mankind does not understand how Mighty is the Love of that Sacred Fire from the Heart of Creation, the “Mighty I AM Presence” in the Great Central Sun.

So, tonight I am determined to bring this Comprehension within you by the Radiation of that Sacred Fire’s Purifying Love of Our Mastery. As It pours forth to enfold you, It shall enter into you. And your Higher Mental Body, flooding forth Its own Purifying Love of Its Mastery as the Christ Presence, will make you comprehend what I mean and will unite with the Flame of Love I offer from My Heart. All that mankind has ever accomplished through the centuries or ever will, if it be of good, it must have this Purifying Love—the Master Power of the Universe—at the heart center of the manifestation of the good, to come into outer action.

When you understand the Heart Action of Life, you will and must acknowledge Its Purifying Love as Master in you. So, when you call forth Our Purifying Love of Our Mastery over all in this world, it means a Power is drawn into you to control all within you and all around you harmoniously, wherever you pass in the Universe; for I assure you, this makes you a Sun

Presence of such Power as you cannot comprehend until you become It, and then you know It is your Home. It is the Goal of all activity. It is the Scepter of Power. It is the Eternal Great Command from the Great Central Sun to all Life in manifestation! Use that Command, My Dear Ones, and prove to yourselves what Mastery over circumstance you will attain, what Power you have to perfect conditions around you, and what Protection It is to all that is good.

Tonight I want to leave with you the Comprehending Consciousness of such Power of Mastery as only that Purifying Love can give. So, My Dear Ones, understand It as the Mightiest Law of Action everywhere in the Universe; for It is the Heart Action from the Great Central Sun, the Great Great Silence. It is the Almighty Power of Mastery that is the Conquering Presence, Victorious always. So tonight, feel with Me the Outpouring of this Mighty Assistance from Venus to the Earth, that It may spread the Radiance and the Power of that Mastery, that Its Purifying Love transmutes everything harmoniously into Its own Glorifying Perfection.

I could talk for Eternity on the Marvels of Its Manifestations, on the Beauty and Perfection of Its Presence and the Victory of the Freedom which It is to Life. You can't have Protection without It. You cannot manifest Perfection without It. There is no Mastery without It. It is all of everything your Hearts can ever desire. So if you will accept, tonight, the Purifying Love of My Mastery of the Sacred Fire from Venus, if you will accept It and let It enter into you to become part of your own Life Flame, you will feel Me—you will feel

the Mastery which My Life gives to Life by Its Purifying Love. You will feel My Purifying Love. And that which is of discord, you will find, cannot approach.

This is the Master Power from the Heart of Creation! Now, as you enter deeper into the comprehension of all that It means, all that It can do for you, and all that It is *in* you, as It holds Control, learn what the Purifying Love of the Mastery of the Great Great Silence can do for you and bring into you—that Power of the Great Great Silence in which there is no lack of any good thing, which brings rest and peace in action, and which holds you anchored to the Center and the Powerhouse of the Universe. Mastery will begin to bring the Blessings of Its Manifestation to fill your world, make your pathway easy, and make you Victorious always.

If you are to have the Ascension, you must have the Purifying Love of Our Mastery. That is the Magnetic Power that draws you into the Ascension. And if you will draw It inside of yourselves now and call Our Master Control within you, of yourselves and all you contact, My Dear Ones, you can go forward and attain the Marvels of the Ascended Masters' Octave, bring Them into this world, let Them bless Life and become Eternal here, as you take your Dominion. As you take your departure and come into Our Octave, you leave the Blessings behind that will bless with that Purifying Love's Mastery all Life, all substance, all energy, all in manifestation. That is your Home. That is the Goal you must attain! And that is the Power you must use in order to conquer the conditions of this world, to rise above them, to be invincible against evil, and to reveal the Sun Presence of your "Beloved I AM" in outer conditions.

So, Blessed Ones, if you will just ask for this within yourselves. Never mind the world around you. Use this inside of yourselves first and then flood It to the outer world; and you will remain master of circumstance, and conditions around you will at all times cooperate with you. So, Blessed Ones, go forward and use It and feel My Presence.

If you care to make the experiment just by pronouncing My Name, as you did this morning in your Decrees, you will find My Love, the Purifying Love of My Mastery, acting and manifesting in that Name in the very Vibration that you speak, until you will be clothed with My Power to accomplish what you desire that is right.

Blessed Ones, go forward and know Our Hearts' Flame is ever around you, and the Purifying Love of Eternity and the Mastery from Venus has come to assist you and will raise you to your Perfection for Eternity. Go forward and be at Peace. And may Its Power of the Great Great Silence give you everything you could ever desire that makes you happy and perfect and invincible for Eternity. Thank you with all My Heart.

## **THE “I AM” COME! FILM**

Goddess of Light: Tonight I wish each of you to receive very powerfully My Reminder to drive and bind every force on this Earth that wants to keep supply from any of you, back into the brain and body of the sinister force. Remove all supply of energy from it, and We'll turn the tables on it! This silly nonsense! With all the Wealth and Power of God in this Universe, that any

condition of the outer world would even temporarily try to interfere with your boundless supply is absolute, vicious insanity.

Now, you take the stand and you demand that the Legions of the Sword of Blue Flame and the Cross of Blue Flame drive and bind every condition and every desire in everybody on this Earth that doesn't want you to have supply—and every force that attempts to prevent that—drive and bind that back into the sinister force, and compel it to annihilate itself and annihilate any way and means of holding any more energy or substance to sustain it.

You are proving certain strength within yourselves before your next responsibility is offered you, which you will have to protect if you accept. Now, whether it be the manifestations to be brought through this picture [film] of “I AM” COME, or whether it be the supplies required to build your Temples, or whether it be the manifestations you want to bring forth in the expansion of the Activity, it is only a matter of convincing every channel of the outer world that you are drawing this God Power in the Authority and Victory and Freedom and Perfection of Our Octave, to do these things which mankind ought to welcome and be glad to accept.

As you receive a greater responsibility, remember, if you are going to carry it, you must give it your Life. If it is to live in your world, you must protect it. If you are to expand it and let it fulfill the Divine Plan, then you must give it more Life, your Life, to make it produce the Miracles of Perfection in the world that you like and that you want to manifest in order to free your fellowman.

There is nothing on this planet, Precious Ones, that can be a delay or an obstruction to you so long as you never yield it any power. And if something seems to appear, go by yourselves in front of your Chart and say, "All right," and call to Me, call to your "Presence" first, and the Legions of Light. Then call to the Queen of Light or Myself or the Legions of the Sacred Fire to cover that person, cover that condition, cover the thing in Our White-Fire Substance that is so terrific in Its Intensity that the human cannot defy longer the Fulfillment of the Divine Plan.

Cover everything with Our White-Fire Substance until it's just like It smothers everything human that attempts to act or express. You're coming into the winter season. You have all been here and seen the snow cover the canyon and the buildings until you could not see what was going on underneath, could you? You could not see what was going on under the depths of that snow. You couldn't see it with your physical sight. But when it comes with certain intensity, it's able to shut off mankind's action, isn't it? It has made many things stop for a day or two coming up the highway. And just in the same way can you have Our White-Fire Substance covering a condition with such a weight of Our Authority and Power that that human thing knows it is helpless before the onrush of that Substance.

Now, if you want to feel this deeply, call for Our Feeling of It. If you want to see It, call for Our Sight of that White-Fire Substance to act in, through, and around you. If you want to make It physically visible to the rest of mankind, well, It certainly won't hurt them. They might just as well have a few shocks as to go on in the increasing discord that takes them where they know not where.

# ACTIVITIES OF THE *Blue Flame*

## BELOVED ASTREA

My entire Service to the Earth, in the Focus of the Blue Flame which I use, is one of the Mightiest Gifts of the Great Mercy of Divine Love. When you understand that Life provides, through the Ascended Masters and Cosmic Beings, this Mighty Assistance to the Earth century after century, you must know that Life loves you, that the Great Beings who created this System of Worlds have a Love so great It has forgiven and forgiven and forgiven again the frightful animal viciousness of mankind's building, in the creation of that which has sought only to destroy.

*The Voice of the "I AM," 1980.4:4-5*

When you call forth My Wall of Blue Flame around a destructive condition to keep it from expanding, until the Violet Consuming Flame can consume it, that Wall of Blue Flame stands in the atmosphere about the condition, sometimes more than a mile high. This also drives down into the structure of Earth, itself.

*The Voice of the "I AM," 2008.9:6*

In the frightful conditions which are the aftermath of war, as well as its actual release of destruction, still My

Power of the Circle of Blue Flame is Almighty Authority over destructive forces. In calling to Me individually for Assistance in the removal of human creation—whether that be the discarnates in the rest of the world, or the accumulated thought and feeling forms which are generated in America through hate and selfishness—regardless of which channel needs My Assistance, I must have your Call, the Call of those who understand this Law, in order to render the Assistance which frees the Earth more quickly from this frightful, frightful thing against Life.

*The Voice of the "I AM," 1947.7:5-6*

In dealing with destructive forces, in order to remove them more quickly, the Legions which come under My Direction wield always the Sword of Blue Flame; but They also, in entering into a condition to consume what is evil, drop the Wall of Blue Flame around that evil. That shuts off its expansion; and then the Cosmic Christ Blue-Lightning Sword goes into it and shatters apart the accumulation, the central focus which has created and expands the destruction. Then as the Violet Consuming Flame passes through that, It not only consumes that immediate human accumulation, but when We move into action with the Sword of Blue Flame and the Circle of Blue Flame, It takes out of existence the destructive etheric record.

Cassette 6 0007-1; Compact Disc 00944

There's no battle when you call the Fiery Christ Blue-Lightning Force into any condition of the physical world. If it be something constructive, It will protect

and expand everything that is right within it. If it be not constructive, It can stop the expansion.

Record CD 1503

This is part of My Service to you as Beloved Saint Germain's Family, to America, and to the World. And this is what I said long, long ago: "If need be, call to Me a thousand times a day for the Wall of Blue Flame to be dropped suddenly around a destructive force, close in upon it, and the Spinning Spiral Blue Flame consume it from the Universe!" Then the Angelic Host, whose Love is that Sacred Fire's Protection, come and hold Protection around what is constructive.

Cassette 6 0270; Compact Disc 01582

Since My Service to Life is to free individuals from these psychic forces and the control of outer world activities, Our greatest and quickest Assistance to you is the use of the Sword of Blue Flame through the solar plexus. Now, the Beloved Archangel Michael renders this Service also. But when We set into action the Circle of Blue Flame around you, and then at the Call or Command of the Higher Mental Body We use the Sword of Blue Flame through the central part of the emotional body, We cut away the accumulating discord that is the downward pull of mankind in outer world activities.

Cassette 6 0058-1; Compact Disc 00664

When you're handling conditions of the outer world concerning the use of any destructive substance in the body, be sure you call to the Beloved Archangel Michael

and Beloved Saint Germain also, and Myself and the Great Elohim of Purity—all who direct the Fiery Christ Blue-Lightning Legions of the Angelic Host, whose Special Service is to compel the annihilation of the psychic stratum in the atmosphere of Earth. This is the constant suggestion to the mankind of the outer world to do destructive things. This is what has enslaved the younger generation in this Nation and the rest of the World.

Those who think it's smart to defy the Purity and Perfection of Love and Light, and the Great Perfection of the Universe, open themselves by that feeling of defiance to destructive forces they do not understand and from which they cannot extricate themselves, except by the Assistance of the Ascended Host who wield the Fiery Christ Blue-Lightning Purity of Sacred Fire Master Power Flame.

*The Voice of the "I AM," 1994.9:17-18*

Did it ever occur to you how much energy goes forth from you in resentment in your feeling? Now let us leash that. I offer you an Individualized Action today of My Cosmic Circle of Blue Flame, may I say *adjusted* to you individually, as a Belt of Electronic Control of your feelings. If you will hold this picture of the Circle of Blue Flame around the solar plexus, around the middle of the body, holding control there of the energy that your "Mighty I AM Presence" has given you, with your definite Command that it shall never vibrate to any discord, you will find the Protective Belt of My Blue Flame repelling suggestions driven at your emotional body and consuming them before they can connect with you.

Record CD 204; Cassette 6 0336-1

# GEMS OF LIGHT

## BELOVED REX

It is the RADIATION of destructive forces that DULLS THE DESIRE TO PRODUCE MAGNIFICENT GOD MANIFESTATIONS that produce Victory and Blessing for all that you contact. So, in preparing to receive that which the Mighty Saint Germain has prepared for your Blessing, and of which He wants you to be a part, try to feel that you seek your happiness in the anticipation and the use of the Greater Powers which He will bestow upon you—because in His Service to the Nation, in the Fulfillment of His Divine Plan for America's Purity and Freedom, you will have to work with Him in closer Association, in closer harmonious Cooperation, and in closer Illumination, until He shows you what the Gifts are He wants to bring into the outer civilization that is to be built in America.

Now, you have already had marvelous blessings in this Nation. You have had tremendous advance in the great comfort of living and the ease of supply and the greater

attainment of magnificent powers in outer mechanical channels, and in many other channels. You have already had the daily use of these blessings. Then why not turn whole-heartedly to your “Mighty I AM Presence” and the Ascended Host and ask for the marvelous Happiness, the marvelous Entertainment, and the marvelous Powers of your own “Mighty I AM Presence” and the Ascended Host in full Ascended Master Action in your daily activities, until you see the transmutation take place that, I assure you, cannot bring you anything but Joy.

If so-called being “good,” as the outer world puts it, palls upon you, and you feel it’s such a severe task to be on the constructive side of life, I say to you, that’s nothing but hypnotic suggestion! If the Ascended Masters’ Way of Life were so irksome, there wouldn’t be anybody there; so I’m sure it’s not nearly so severe as most of you think. That idea that We have such a severe discipline and it’s so irksome and so hard compared to the outer world’s way of living destructively—I can assure you, it’s not hard. And it’s not difficult at all, compared to the choice of mankind to live the outer world’s way and go to destruction or to suffering that is so intense that it *forces* human stubbornness and human desire to give way.

I assure you, there isn’t any suffering in Our Way of Life, and that’s more than you can show Me in all the outer world’s channels of so-called happiness.

## **VIOLET FLAME GROUP MEETINGS**

---

Our Beloved Ascended Master Saint Germain has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees, or longer. We want this added Power in every Group, including the Fundamental lessons, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.
